Independent Auditor's Report

Administrative Committee
HB Global 401(k) Plan
Harrisburg, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed an audit of the financial statements of HB Global 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from issuance.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

HB GLOBAL 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2024 (with comparative information at December 31, 2023)

1. Description of the Plan and summary of significant accounting policies:

The following description of HB Global 401(k) (the Plan), previously known as H.B. McClure Company Employees' Profit Sharing Plan, is provided for general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan was established on April 1, 1978 as a defined contribution plan. The Plan covers substantially all employees of HB Global, LLC (the Company or Plan Sponsor). Employees become eligible to participate in the Plan on the January 1, April 1, July 1 or October 1 after the date upon completion of three months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective December 1, 2022, the Plan adopted an amendment to exclude bonuses from eligible compensation.

Effective January 1, 2024, DB Mechanical, Inc. (DBM) was acquired by the Company. The DB Mechanical, Inc. 401(k) Plan merged with the Plan and became a participating employer in the Plan effective January 1, 2024. All eligible participants were enrolled in the Plan on such date and retained their prior service for purposes of determining eligibility and years of service for the Plan.

Contributions:

401(k) elective deferral contributions - Eligible participants may elect to defer up to 80% of their annual compensation into the Plan. No more than the Internal Revenue Service permissible amount may be contributed in any calendar year. All eligible employees are automatically enrolled in the Plan with a 4% deferral contribution unless they elect otherwise.

Employer Safe Harbor nonelective contributions - Effective January 1, 2024, the plan adopted an amendment to require employer contributions to the Plan made each payroll period in which a participant earns wages eligible under the Plan. The amount of the employer nonelective contribution is equal to 3% of an employee's eligible compensation for 2024.

Employer profit sharing contributions - The Company may also contribute to the Plan, for each Plan year, a profit sharing amount determined by its Board of Directors at its sole discretion. With the exception of the one-time special profit sharing contribution discussed below, no additional profit sharing contribution was offered in 2024 or 2023.

Prevailing wage contributions - The Plan also allows Company contributions on behalf of a participant under the Davis-Bacon Act and state prevailing wage laws.

Participant accounts:

Each participant's account is credited or charged with the participant's contribution and an allocation of: 1) the Company's discretionary and Safe Harbor contributions and prevailing rate wage contribution, 2) Plan earnings or losses and 3) certain administrative expenses. Allocations are based upon participant account balances, compensation or hours worked, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The Plan also provides for the participants to self-direct the investment of their individual account balances.

HB GLOBAL 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2024 (with comparative information at December 31, 2023)

1. Description of the Plan and summary of significant accounting policies (continued):

Vesting:

Participants are immediately vested in their contributions, rollover contributions and the prevailing rate wage contribution, plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service. A participant is 100% vested after six years of credited service or upon death or disability.

Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan terms range from one to five years or may be greater than five years, for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with the local prevailing prime rate plus 1% as determined by the Plan Administrator at the time of the loan. Principal and interest are paid ratably through weekly installments.

Notes receivable from participants are stated at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of benefits:

On termination of service, participants are entitled to receive a lump-sum distribution.

Alternatively, effective December 1, 2017, participants may elect to receive monthly installment payments, as an optional form of payment, over a period of years that meets the distribution requirements in accordance with Plan provisions.

Benefits are recorded when paid.

Forfeitures:

Forfeitures resulting from terminated participants shall be used to, first, reduce the administrative expenses, and then the employer's contributions.

Plan termination:

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth by ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Basis of presentation:

The accompanying financial statements have been prepared on the accrual basis of accounting.

Income and contribution recognition:

Gains and losses on sales are recognized when realized, while unrealized gains and losses on investments are recognized as they occur. Contributions and investment income are recorded on the accrual basis.

HB GLOBAL 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2024
(with comparative information at December 31, 2023)

1. Description of the Plan and summary of significant accounting policies (continued):

Valuation of investments:

Money market funds and mutual funds are stated at fair value as determined by quoted market prices.

Certain investments in Schwab Personal Choice Retirement Accounts, self-directed brokerage accounts, are valued based on the quoted market values of the underlying securities which are comprised of mutual funds, common stock and exchange-traded funds. Another certain investment, corporate debt, is valued based on yields currently available on comparable securities of issuers with similar credit ratings.

Benefits:

Benefits are recorded as a deduction during the period participants are entitled to receive payment, which generally is the period when benefits are paid.

Administrative expenses:

The Plan's administrative services and custodial (including investment management) expenses are paid directly from Plan assets. Forfeitures can be used to offset the expenses of the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Fees related to the administration of participant benefit payments are charged directly to the participant's account. Administrative expenses paid by the Plan are included in administrative expenses on the statement of changes in net assets available for benefits. Certain fees incurred by the Plan for the investment management services or recordkeeping are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. Remaining Plan expenses are paid directly by the Company and are excluded from these financial statements.

Use of estimates:

The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Accordingly, actual results may differ from those estimates.

2. Plan asset transfers:

Effective January 1, 2024, the DB Mechanical, Inc. 401(k) Plan merged into the Plan.

Participants who are also participants in the HB Global ESOP and who are eligible to diversify their ESOP account, may transfer their diversification amounts to their 401(k) account.

The net assets available for benefits transferred into the Plan in 2024 from these transactions were as follows:

DB Mechanical, Inc. 401(k) Plan	\$ 967,524
HB Global Employee Stock Ownership Plan	<u>89,981</u>
Total assets transferred into the Plan	<u><u>\$ 1,057,505</u></u>

HB GLOBAL 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2024 (with comparative information at December 31, 2023)

3. Certification of Plan assets and transactions:

The Plan's investments are held by Charles Schwab Bank, the custodian. Investment information disclosed in the accompanying financial statements and schedule of assets held at end of year, specifically investments held at December 31, 2024 and 2023, and money market interest, dividends and net appreciation of fair value of investments for the year ended December 31, 2024, was obtained, or derived from, information supplied to the Plan administrator and certified as complete and accurate by the custodian.

4. Fair value measurement:

The Plan ranks investments required to be reported at fair value in a three-level hierarchy for fair value measurements based upon the transparency of inputs to the valuation of an asset. Inputs may be observable or unobservable and refer broadly to the assumptions that market participants would use in pricing the asset. Observable inputs reflect the assumptions market participants would use in pricing the asset based on market data obtained from sources independent of the reporting entity. Unobservable inputs reflect the reporting entity's own assumptions about the assumptions that market participants would use in pricing the asset developed based on the best information available in the circumstances. The three levels of the fair value hierarchy are described below:

Level 1 – Quoted prices in active markets for identical investment.

Level 2 – Other significant observable inputs (including quoted prices for similar investments, interest rates, prepayment speeds, credit risk, etc.).

Level 3 – Significant unobservable inputs (including the Plan's own assumptions in determining the fair value of investments). The Plan does not hold any Level 3 investments.

See Note 1 for a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024.

Assets reported at fair value and required to be disclosed according to the fair value measurement hierarchy at December 31, 2024 and 2023 were as follows:

2024	Fair value	Fair value measurements using	
		Level 1	Level 2
Interest-bearing cash, money market fund	\$ 1,012,364	\$ 1,012,364	\$ -
Mutual funds	97,063,236	97,063,236	-
Schwab Personal Choice Retirement Accounts, self-directed brokerage accounts	9,000,265	7,558,101	1,442,164

HB GLOBAL 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2024 (with comparative information at December 31, 2023)

4. Fair value measurement (continued):

2023	Fair value	Fair value measurements using	
		Level 1	Level 2
Interest-bearing cash, money market fund	\$ 715,666	\$ 715,666	\$ -
Mutual funds	83,458,435	83,458,435	-
Schwab Personal Choice Retirement Accounts, self-directed brokerage accounts	<u>6,842,625</u>	<u>6,138,888</u>	<u>703,737</u>
Total	<u>\$ 91,016,726</u>	<u>\$ 90,312,989</u>	<u>\$ 703,737</u>

5. Income tax status:

Effective January 1, 2022, the Plan restated its Plan document under the Conrad Siegel Actuaries Volume Submitter Profit Sharing Plan (Volume Submitter Plan). Conrad Siegel Actuaries received an opinion letter for this Volume Submitter Plan on June 30, 2020, in which the Internal Revenue Service stated that the Volume Submitter Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC).

The Plan has been amended and restated, however, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

6. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. Related party and party-in-interest transactions:

Certain Plan investments are managed by Charles Schwab Bank. Charles Schwab Bank is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for custodial services are included in administrative expenses on the statement of changes in net assets available for benefits. Certain fees incurred by the Plan for the investment management services or recordkeeping are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. Additionally, notes receivable from participants are considered related party transactions.

At December 31, 2024, three investments accounted for approximately 55% of investments. At December 31, 2023, four investments accounted for approximately 66% of investments.

9. Subsequent events:

The Plan Sponsor acquired all the membership interests of Hyper Networks, LLC and subsidiaries (Hyper Networks) in October 2024. The Plan was amended on December 10, 2024, for the Hyper Networks LLC 401(k) to be merged into the Plan effective January 1, 2025. The amendment included provisions that allowed employees to be credited for years of service with their previous employer and be permitted to enter the Plan if they meet the eligibility requirements.

The Plan has evaluated subsequent events through August 18, 2025, the date which the financial statements were available to be issued.
