INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Trustees of
ECU Worldwide 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of ECU Worldwide 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets in liquidation available for benefits for the year ended December 31, 2024, and the related notes to the financial statements (Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("US GAAP").
- the information in the accompanying Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ECU Worldwide 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 1 to the financial statements, during 2024, the Plan Sponsor of ECU Worldwide 401(k) Plan approved a plan of liquidation effective December 31, 2024, and management determined liquidation is imminent. As a result, the Plan changed its basis of accounting from the going-concern basis of accounting to the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ECU Worldwide 401(k) Plan’s ability to continue as a going concern within one year after the date that the financial statement are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ECU Worldwide 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ECU Worldwide 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information

included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ECU WORLDWIDE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

NOTE 1 - DESCRIPTION OF PLAN

The following description of the ECU Worldwide 401(k) Plan (the “Plan”), formerly known as the Econocaribe Consolidators Inc. 401(k) Profit Sharing Plan and Trust, provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

GENERAL

The Plan, established on July 1, 1995, and most recently restated effective May 1, 2022, is a defined contribution plan, subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Eligible employees of Econocaribe Consolidators, Inc. (collectively the “Company”, “Employer” or “Plan Sponsor”) are allowed to participate in this Plan. Employees who are age 21 or older and have completed 2 months of service are eligible to participate in the Plan on the first day of the month, following the month in which they met the age and service requirement.

Effective December 31, 2024, the Plan Sponsor terminated the Plan, which included transferring assets to a pooled employer plan or distributing funds to participants. As of December 31, 2024, all the assets of this Plan have been disbursed.

Effective on December 29, 2022, the Setting Every Community Up for Retirement Enhancement (“SECURE”) 2.0 Act of 2022 was signed into law. The Act is inclusive of approximately 90 provisions which offer many new benefits to employers and Plan participants. Certain provision changes are related to the following, but not limited to: changed to auto-enrollment and auto-escalation, age of required minimum distributions, catchup contributions, and increased dollar threshold for mandatory distributions. Depending on the specific provision, some will take effect immediately, while others begin in a future year. The Plan has adopted the required minimum distributions at age 73 effective January 1, 2023.

CONTRIBUTIONS

Employees may contribute, through payroll deductions, up to the maximum percentage allowable of eligible compensation not to exceed annual limits established in the Internal Revenue Code (“IRC”). For the year ended December 31, 2024, participant contributions were subject to an overall annual limitation of \$23,000. Additionally, for the year ended December 31, 2024, participant’s age fifty or over were allowed to contribute an additional \$7,500 (“Catchup Contributions”). Participants may also contribute amounts representing distributions from other qualified plans (“Rollovers”).

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

The Plan Sponsor may also make discretionary matching contribution. The discretionary matching contribution formula is 100% on participant elective deferrals less than or equal to 3%. Employer matching contributions to the Plan amounted to \$572,211 for the year ended December 31, 2024. The Plan Sponsor may also make discretionary nonelective contributions to the Plan, but elected not to do so during 2024.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation.

Participants direct the investment of their contributions into various investment options offered by the Plan on a pre-tax or post-tax ("Roth") basis.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's voluntary contributions, Rollovers, matching contributions and allocations of (a) the Plan Sponsor's additional discretionary contributions, (b) Plan earnings (losses) and (c) administrative expenses, if any. Allocations of additional discretionary contributions are based on participant wages, as defined. Allocations of plan earnings (losses) and administrative expenses are based on participant balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

VESTING

Participants are immediately vested in their individual contributions to the Plan, Rollovers, plus actual earnings thereon.

Plan Sponsor discretionary contributions, plus actual earnings thereon, vest in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

ECU WORLDWIDE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

VESTING (CONTINUED)

The Plan provides for 100% vesting of Company contributions and earnings thereon upon death or disability.

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan allows participants to borrow against their vested balances (minimum loan of \$1,000). The interest rate charged is based on the prime rate plus 1%, as determined at the time of the loan. The maximum amount available for loans is the lesser of 50% of the participant's vested account balance or \$50,000. Participants may only have one loan outstanding at any time. Loan repayment periods are for a maximum of five years unless the loan is for the purchase of a primary residence, in which case a reasonable repayment period is determined at the time of the loan, not to exceed 10 years. Loans are secured by the participant's account balance and evidenced by a promissory note. Loan repayments are made through payroll deductions. The annual interest rate charged on notes outstanding during the year ended December 31, 2024 ranged from 4.25% to 9.50%.

PAYMENT OF BENEFITS

Upon termination of service, death, disability or retirement, a participant or the named beneficiary may receive a lump sum or installment payments equal to the vested value of his or her account. If the participant's vested account balance is less than \$5,000 at the termination date, then that balance may be distributed in a single lump-sum payment.

HARDSHIP WITHDRAWALS

A participant who is experiencing a financial hardship, as defined in the Plan documents, may request a withdrawal of all or any portion of such participant's salary deferral contributions, excluding earnings. For the year ended December 31, 2024, there were \$23,595 of hardship withdrawals, which are included in benefits paid to participants.

FORFEITURES

Forfeitures are those amounts of the Plan Sponsor's discretionary contributions, for which a participant is not fully vested at the time of termination. The Plan document allows forfeitures to be used to reduce Employer contributions or pay administrative expenses of the Plan. For the year ended December 31, 2024, there were no forfeitures used to pay administrative expenses or reduce Employer contributions. As of December 31, 2024 and 2023, the unallocated forfeited account balance was approximately \$-0- and \$95,000, respectively.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the liquidation basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes herein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s administrator determines the Plan valuation policies utilizing information provided by the investment advisor and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation in the fair value of investments includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Services (“IRS”) are recorded as a liability with a corresponding reduction to contributions. As of December 31, 2024 and 2023, the Plan had excess contributions payable of \$-0- and \$13,228, respectively, which were distributed subsequent to the respective year-end.

ECU WORLDWIDE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PAYMENT OF BENEFITS

Benefits are recorded when paid.

PLAN EXPENSES

Certain administrative expenses incurred in relation to the maintenance of the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Investment expenses are netted against the funds market valuation and are not separately identified. Expenses relating to specific participant transactions as noted by the Plan document are charged directly to the participant's account.

RISKS AND UNCERTAINTIES

The Plan provides for various investment options in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statement of net assets available for benefits. The Plan administrator, through its investment advisor, monitors the Plan's investments and the risks associated therewith on a regular basis, which the Plan believes minimizes these risks.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 13, 2025, the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation/depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by the trustees of the Plan, Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively "Empower"). This information has not been audited by the Plan's independent auditors.

ECU WORLDWIDE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC Topic 820, Fair Value Measurements and Disclosures, are described as follows:

Level 1

Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2

Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust Funds

The common collective trust funds (“CCTs”) held by the Plan invest in a collective trust fund as well as a variety of separate accounts and mutual funds that seek total return consisting of long-term growth of capital and current income, consistent with the investment strategy of an investor with a specific target retirement date. The CCTs are valued at NAV per unit held by the Plan at yearend as reported by the custodians, which is based on the fair value of the underlying investments held by the fund less its liabilities. The CCTs publish their NAV daily and participants transact at that price. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure the securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the plan’s assets at fair value as of December 31, 2023. There were no investment balances as of December 31, 2024.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

* In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent), used as practical expedient, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items in the statement of net assets available for benefits.

The following table summarizes the investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTE 5 - TAX STATUS

The Plan uses a Non-Standardized Pre-Approved Profit-Sharing/Money Purchase/CODA, which received an opinion letter from the Internal Revenue Service (“IRS”), dated November 14, 2022 that the Plan and related trust, as then designed, is in accordance with applicable sections of the IRC. Although the Plan has been amended since the opinion letter date, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Empower Annuity Insurance Company of America and Empower Trust Company, LLC were trustees as defined by the Plan and therefore, transactions with these parties qualify as party-in-interest transactions. The Plan also paid fees to investment advisors, which also qualify as party in-interest-transactions. Aggregate fees paid by the Plan to parties-in-interest during the year ended December 31, 2024 totaled approximately \$72,000. Additionally, certain investment related fees incurred by the Plan have been included in net appreciation/depreciation in fair value of investments as they are paid through revenue sharing rather than as a direct payment.

NOTE 7 - PLAN TERMINATION

In 2024, the Plan Sponsor elected to terminate the Plan subject to the provisions of ERISA (see Note 1). As a result of the Plan Sponsor's intent to terminate the Plan, all participants were deemed to be 100 percent vested in their account. As of December 31, 2024, all assets of the Plan have been disbursed.

NOTE 8 – PROHIBITED TRANSACTION

During 2022, participant contributions for certain payroll periods, aggregating \$36,976, were not remitted timely to the Plan. The DOL requires that participant contributions be remitted to the Plan on the earliest date on which they can be reasonably segregated from the Company's general assets. Failure to remit participant contributions to the Plan in a timely manner results in a prohibited transaction which must be separately reported to the DOL and may result in penalties to the Plan Sponsor. The accompanying supplemental schedule of delinquent participant contributions presents the prohibited transactions of the Plan. The Company remitted the delinquent participant contributions including any lost earnings related to the 2022 late remittances, in March 2025.
