To the Health Systems Benefits Committee  
Magic Valley Regional Medical Center Pension Plan and Trust  
Boise, Idaho

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of Magic Valley Regional Medical Center Pension Plan and Trust as of and for the year ended December 31, 2024, (in liquidation) and have issued our report thereon dated October 14, 2025. Professional standards require that we advise you of the following information related to our audit.

#### **Our Responsibility in Relation to the Financial Statement Audit**

As communicated in our letter dated February 21, 2025, our responsibility, as described by professional standards is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of the system of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the system of internal control of Magic Valley Regional Medical Center Pension Plan and Trust solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

### **Planned Scope and Timing of the Audit**

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

### **Compliance with All Ethics Requirements Regarding Independence**

The engagement team, others in our firm, as appropriate, our firm, and our network firms, have complied with all relevant ethical requirements regarding independence.

### **Significant Risks Identified**

As stated in our auditor's report, professional standards require us to design our audit to provide reasonable assurance that the financial statements are free of material misstatement whether caused by fraud or error. In designing our audit procedures, professional standards require us to evaluate the financial statements and assess the risk that a material misstatement could occur. Areas that are potentially more susceptible to misstatements, and thereby require special audit considerations, are designated as significant risks. We have identified the following as significant risks:

- Management Override of Controls – Professional standards require auditors to address the possibility of management overriding controls. Accordingly, we identified a significant risk that Plan management may have the ability to override the Plan's internal controls. Management may override the Plan's controls in order to modify the financial records with the intent of manipulating the financial statements to overstate the Plan's financial performance or with the intent of concealing fraudulent transactions.
- Benefit Obligation – We identified a significant risk related to the Plan's benefit obligation as the calculation of the benefit obligation involves significant estimates.
- Plan Termination – We identified a significant risk related to the termination of the Plan due to potential for errors in distribution payments to participants and various other required reporting requirements.

### **Qualitative Aspects of the Plan's Significant Accounting Practices**

#### *Significant Accounting Policies*

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by Magic Valley Regional Medical Center Pension Plan and Trust is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2024. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

#### *Accounting Estimates and Related Disclosures*

Accounting estimates and related disclosures are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and

because of the possibility that future events affecting them may differ markedly from management's current judgments. The most sensitive accounting estimates affecting the financial statements are:

Management's estimate of the actuarial present value of the accumulated plan benefit is based on a variety of factors listed in Note 3 of the financial statements including assumed discount rates, mortality rates, retirement age, wage increases, etc. We evaluated the key factors and assumptions used to develop the accumulated plan benefit and the credentials of the actuary who prepared the estimate and determined that it is reasonable in relation to the basic financial statements taken as a whole.

#### *Financial Statement Disclosures*

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting Magic Valley Regional Medical Center Pension Plan and Trust's financial statements relate to:

The disclosure of actuarial present value of accumulated plan benefits in Note 3 of the financial statements which discloses a variety of assumptions utilized to determine the Plan's liability and the impact of various factors in changing the liability from the prior year amount, as calculated by Mercer, an actuarial specialist. Accumulated pension benefits have a significant impact on financial statement users. As stated above, we have reviewed and agree with the assumptions used in Mercer's valuation. We are not otherwise aware of any matters that may have had an impact on the independence or objectivity of the specialists, nor management bias in the presentation of the disclosure.

#### **Significant Unusual Transactions**

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. The following significant unusual transactions identified as a result of our audit procedures were brought to the attention of management:

- Plan Termination - As described in Note 1 and 5 to the financial statements, on December 31, 2022, the Plan was terminated subject to the provisions of ERISA and the majority of the assets were distributed out of the Plan in 2024. The financial statements are reported on the liquidation basis of accounting.

We evaluated the policies and practices management used to account for the above transactions and believe they are consistent with accounting principles generally accepted in the United States of America.

#### **Form 5500 Procedures**

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

#### **Significant Difficulties Encountered during the Audit**

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

## **Uncorrected and Corrected Misstatements**

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. Uncorrected misstatements or matters underlying those uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even though the uncorrected misstatements are immaterial to the financial statements currently under audit. There were no corrected misstatements identified as a result of our audit procedures.

The following summarizes uncorrected financial statement misstatements whose effects in the current and prior periods, as determined by management, are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Overstatement of administration expenses	\$67,000
--	----------

The effect of these uncorrected misstatements, including the effect of the reversal of prior year uncorrected misstatements as of and for the year ended December 31, 2024, is an overstatement of the net change in assets available for benefits of approximately \$67,000.

## **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to Magic Valley Regional Medical Center Pension Plan and Trust's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

## **Circumstances that Affect the Form and Content of the Auditor's Report**

For purposes of this letter, professional standards require that we communicate any circumstances that affect the form and content of our auditor's report.

### *Emphasis of a Matter – Plan Termination and Liquidation Basis of Accounting*

As further discussed in Note 1 to the financial statements, the Board of Directors approved a termination of the Magic Valley Regional Medical Center Pension Plan and Trust on September 27, 2022, and management determined liquidation is imminent. In accordance with accounting principles generally accepted in the United States of America, the Plan is presenting the December 31, 2024 and 2023 financial statements on the liquidation basis of accounting. Our opinion is not modified with respect to that matter.

## **Representations Requested from Management**

We have requested certain written representations from management which are included in the management representation letter dated October 14, 2025.

### **Management's Consultations with Other Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

### **Other Significant Matters, Findings, or Issues**

In the normal course of our professional association with Magic Valley Regional Medical Center Pension Plan and Trust, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as Magic Valley Regional Medical Center Pension Plan and Trust's auditors.

### **Other Matters**

The ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, were subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of the Health Systems Benefits Committee, and management of Magic Valley Regional Medical Center Pension Plan and Trust and is not intended to be, and should not be, used by anyone other than these specified parties.
