INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Carolinas Electrical Workers Vacation Fund

Opinion

We have audited the accompanying financial statements of the Carolinas Electrical Workers Vacation Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

CAROLINAS ELECTRICAL WORKERS VACATION FUND

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 1. DESCRIPTION OF THE PLAN

Carolinas Electrical Workers Vacation Fund (the Plan) is a vacation benefit plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was established on September 9, 2020, under the terms of an Agreement and Declaration of Trust by and between International Brotherhood of Electrical Workers (IBEW) Local Unions (the Union) and the Atlantic Coast Chapter of the National Electrical Contractors Association (NECA). The Plan is governed by a Board of Trustees (Trustees), which consists of both union and employer trustees.

The purpose of the Plan is to provide fringe vacation benefits for the employees covered by applicable collective bargaining agreements (CBAs).

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The Plan's financial statements are prepared on the accrual basis of accounting. Under this basis, additions are recognized when earned and deductions are recognized when incurred, except benefits which are recognized when paid.

Contributions - The employers contribute on behalf of participants at a rate of \$0.25 per hour worked, pursuant to the terms and conditions of the CBAs. During the year ended December 31, 2024 and 2023, certain CBAs included higher contribution rates through the negotiation process. Although contributions are received and credited on behalf of each individual participant's account, the contributions are not invested separately for each participant. All contributions are pooled, and Plan assets are invested under the direction of the Trustees in short-term cash equivalents. Contributions credited to a participant's account are fully vested.

Employer Contributions Receivable - Represents contributions received subsequent to the Plan year for work months December and prior.

Benefits - Vacation benefits are accumulated in a participant's account and then distributed to the participants on a bi-annual basis in June and December each year.

Administrative Expenses - Administrative expenses are paid by the Plan. The Plan receives monies from the Carolina Labor Management Cooperative Committee (the LMCC) to assist with the costs of administering the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and accumulated plan benefit and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3. INCOME TAXES

The Plan is designed and is operating as an organization exempt from tax under Internal Revenue Code 501(c)(9), pending approval of their application for tax exemption status with the Internal Revenue Service.

The Plan follows the authoritative guidance relating to accounting for uncertainty in income taxes included in Accounting Standards Codification (ASC) Topic *Income Taxes*. These provisions provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribe a threshold of "more likely than not" for recognition and derecognition of tax positions taken or expected to be taken in a tax return. The Plan performed an evaluation of uncertain tax positions for the years ended December 31, 2024 and 2023, and determined that there were no matters that would require recognition in the financial statements or that may have an effect on its tax-exempt status. It is the Plan's policy to recognize interest and/or penalties related to uncertain tax positions, if any, in unrelated business income tax expense.

NOTE 4. TERMINATION OF THE PLAN

In the event of termination of the Plan, the assets of the Plan shall be distributed as determined by the Trustees, except that no Plan assets may be paid to the employer or any other employer who had an obligation to contribute to the Plan at any time.

NOTE 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

As discussed in Note 2, the Plan receives monies from the Carolina Labor Management Cooperative Committee to pay the costs of administering the Plan. The total amount received during the year ended December 31, 2021 was \$85,777, of which all has been spent as of December 31, 2024.
