Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The National Football League Capital Accumulation Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the National Football League Capital Accumulation Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The National Football League Capital Accumulation Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The National Football League Capital Accumulation Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The National Football League Capital Accumulation Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The National Football League Capital Accumulation Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Part IV, Item 4a - Schedule of Delinquent Participant Contributions and Schedule H, Part IV, Item 4i - Schedule of Assets Held for Investments Purpose at End of Year as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

THE NATIONAL FOOTBALL LEAGUE CAPITAL ACCUMULATION PLAN

December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN

The following brief description of The National Football League Capital Accumulation Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General:

The Plan is a defined contribution 401(k) profit sharing plan covering substantially all non-union full-time employees who are employed by Forty Niners Football Company LLC or Forty Niners Stadium Management Company LLC (Club), as defined in the Plan agreement. Employees are eligible to participate after completion of five hundred hours of service in a period of twelve months and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The NFL Employee Benefit Committee (Committee) is the Plan administrator, and it has designated an employee of the Club to assist in administering the Plan.

Plan investments are held in the National Football League (NFL) Reciprocal Trust, a common collective trust established to hold, invest and reinvest Plan assets for the benefit and under the direction of participants in benefit plans sponsored by the NFL member clubs and other organizations associated with the NFL. The NFL Reciprocal Trust consists of investment funds established by the Committee. The trustee maintains a separate account reflecting each Plan's beneficial share of the funds of each employer that has adopted the trust. The Committee has appointed investment managers to assist the trustee in investing and reinvesting trust assets in accordance with stated investment policies and objectives.

Certain responsibilities for the operation and administration of the Plan, including administrative and recordkeeping services, have been delegated by the Plan administrator to Alight Solutions. Expenses paid by the Club to administer the Plan are not reflected in the Plan's financial statements.

Contributions:

Participants may make voluntary contributions of up to 100% of their compensation, as defined in the Plan document. The maximum voluntary contribution was \$23,000 in 2024 and \$22,500 in 2023. The total annual participant voluntary contribution is adjusted annually by a cost-of-living factor. Participants who were at least age 50 at the end of the year were able to make additional contributions up to \$7,500 in both 2024 and 2023.

THE NATIONAL FOOTBALL LEAGUE
CAPITAL ACCUMULATION PLAN

December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued):

In addition, the employer makes annual matching contributions equal to the lesser of 50% of participants' contributions, 2.5% of the Participant's compensation or \$3,750. The employer annual matching contribution was \$786,328 for the Plan year 2024. The employer may also make a discretionary contribution based on an integrated formula to all employees that worked at least 1,000 hours during the Plan year. The employer discretionary contribution was \$4,061,876 for the Plan year 2024.

Additionally, the employer may make an applicable qualified non-elective contribution (QNEC) to each non-highly compensated employee, who was employed on the last day of the Plan year, if otherwise required under the Plan. The QNEC is equal to a uniform percentage of each participant's eligible compensation, which is determined each year by the employer.

A QNEC in the amount of \$8,315 was made for the 2024 plan year to remedy late enrollment and/or participant elections not implemented in a timely manner.

Participants' voluntary contributions and employer's matching contributions are designated under a qualified deferred arrangement as allowed by Section 401(k) and 401(m) of the Internal Revenue Code.

Participants' Accounts:

Each participant's account is credited with their voluntary contribution, employer's matching contributions, employer's discretionary contributions and an allocation of the Plan's net earnings as defined by the Plan.

Vesting:

Participants are immediately vested in their voluntary contributions and employer's matching contributions plus actual earnings thereon. The discretionary employer contributions are fully vested after completion of five years of service. Vesting is accrued as outlined in the Plan document. Participants' accounts become fully vested upon attainment of the normal retirement age of 65 or in the event of death.

Forfeited Accounts:

At December 31, 2024 and 2023, there were forfeited nonvested accounts of \$187,785 and \$303,230, respectively. Forfeitures of \$187,785 were used to reduce employer discretionary contributions during 2024.

THE NATIONAL FOOTBALL LEAGUE CAPITAL ACCUMULATION PLAN

December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants:

Participants in the Plan may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Participant loans are secured by the balance in the participant's account and bear interest at the prime rate at the time of loan application. Principal and interest are paid through payroll deductions.

Payment of Benefits:

Distributions are available upon termination, financial hardship, disability, death, or attaining age 59-1/2. Benefits are paid in a single cash payment. Participants who have attained the later of (a) age of 72 or (b) retirement, receive minimum annual distributions under section 401(a)(9) of the Internal Revenue Code of 1986.

Plan Costs:

The employer is absorbing all administrative costs of the Plan.

Investments:

The NFL Reciprocal Trust investment funds are valued by PNC Institutional Investments, at quoted market prices of the underlying securities comprising each fund. The Plan's investment in an investment fund is expressed in 'units'. A "unit value" is calculated by dividing the value of the entire investment fund by the total number of units in the fund. The value of the Plan's investment in an investment fund is determined by multiplying the number of units held by the Plan by the fund's unit value.

Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses on investment transactions are recorded as the difference between proceeds received and the investment's fair value at the beginning of the year or acquisition cost if acquired during the year. Unrealized appreciation and depreciation is recorded as the difference between the investment's fair value at the end of the year and the fair value at the beginning of the year, or cost if acquired during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent participant loans are reclassified as distributions based upon the terms of the plan documents.

Benefit Payments:

Benefits are recorded when paid.

Subsequent Events:

Management evaluated all activity of the Plan through October 7, 2025, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes.

NOTE C - CERTIFIED INFORMATION

Investments and operations are managed by PNC Institutional Investments with the assistance of Alight Solutions, who maintains records of the participants and their equity in the Plan. PNC Institutional Investments has certified to the plan administrator that the annual account provided by the trustee, including the list of the investments and investment income, as of December 31, 2024 and 2023 and for the year ended December 31, 2024 is complete and accurate.

The following investment information included in the accompanying financial statements and supplemental schedules was obtained from data prepared and certified to as complete and accurate by the trustee as of December 31, 2024 and 2023 and for the year ended December 31, 2024:

	<u>2024</u>	<u>2023</u>

NOTE C - CERTIFIED INFORMATION (CONTINUED)

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated by \$12,309,161 for the year ended December 31, 2024. The Plan's investment income, specifically interest and dividend income, totaled \$250,399 for the year ended December 31, 2024. These items are certified as well as the interest on the notes receivable from participants.

NOTE D - INVESTMENTS AND FAIR VALUE MEASUREMENTS

FASB ASC 820 establishes a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

The three levels of the fair value hierarchy under FASB ASC 820 are described in the table below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE D - INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

The common collective trust is valued at the net asset value (NAV) of units held by the Plan at year end. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments comprising the trust, less its liabilities. The nature of the common collective trust is such that Plan participants may redeem units with a one day notice; however, the trustee of the common collective trust, at its sole discretion, impose restrictions on the redemption of units.

The valuation of the Plan's investments by the above fair value hierarchy levels as of December 31, are as follows:

	<u>Level 1</u>	<u>NAV</u>	<u>Total</u>
<u>December 31, 2024</u>			
Money market funds	\$3,651,377	\$ 0	\$ 3,651,377
Common collective trust	<u>0</u>	<u>93,898,632</u>	<u>93,898,632</u>
TOTAL INVESTMENTS	<u>\$3,651,377</u>	<u>\$93,898,632</u>	<u>\$97,550,009</u>
	<u>Level 1</u>	<u>NAV</u>	<u>Total</u>
<u>December 31, 2023</u>			
Money market funds	\$3,915,348	\$ 0	\$ 3,915,348

TOTAL INVESTMENTS	<u>\$3,915,348</u>	<u>\$79,987,816</u>	<u>\$83,903,164</u>

The following table sets forth disclosure of the Plan's investment whose fair value is estimated at NAV per share as of December 31:

<u>Description</u>	<u>Investment fair value 2024</u>	<u>Investment fair value 2023</u>	<u>Unfunded commitments</u>	<u>Redemption frequency (if currently eligible)</u>	<u>Redemption notice period</u>
Collective Trust of the NFL Reciprocal Trust	\$93,898,632	\$79,987,816	\$ --	Daily	None

December 31, 2024 and 2023

NOTE D - INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

The Collective Trust of the NFL Reciprocal Trust (“Fund”) is a collective investment fund established, operated, and maintained by the NFL under a declaration of trust. The Fund primarily invests in different asset classes with the objective of providing current and stable income. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment net asset value.

NOTE E - PLAN OBLIGATIONS

At December 31, 2024 and 2023, no amounts had been allocated to participants who had separated from service and had requested distribution of their benefits.

NOTE F - PLAN TERMINATION

Although it has not expressed any intention to do so, the Club has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, employees will become fully vested and net assets of the Plan are to be distributed to employees on the basis of individual account balances at the date of termination.

NOTE G - INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Plan by a letter dated January 26, 2018, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the plan administrator and Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

NOTE H - PARTY-IN-INTEREST TRANSACTIONS

All of the Plan’s administrative expenses are paid for by the plan sponsor. Certain participants have borrowed on their vested account balances. As the individuals are participants in the Plan, these transactions qualify as party-in-interest transactions.

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.
