Independent Auditor's Report

To the Plan Administrator
Evolve Treatment Centers 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Evolve Treatment Centers 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a significant likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) (Schedule H, Line 4i) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Evolve Treatment Centers 401(k) Plan

Notes to Financial Statements December 31, 2024

Note 1 - Description of Plan

The following brief description of Evolve Treatment Centers 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (the "Code" or "IRC") covering all full-time employees of Evolve Growth Initiatives, LLC dba Evolve Treatment Centers (the "Company") who have 60 days of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The trustees are responsible for oversight of the Plan, determine the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions

Each year, participants may contribute 100% of pre-tax and/or after-tax (Roth) compensation, as defined in the Plan. However, such contributions are subject to certain limitations specified by the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contribution into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contribution invested in a designated balanced fund until changed by the participant.

The Company may make a discretionary matching 401(k) contributions for eligible participants as well as a discretionary profit-sharing contribution. The percentage and amounts of these contributions are determined by the Company's trustees. For the year ended December 31, 2024, the Company made a discretionary matching contribution of 50% of the employee deferral up to the first 2% of base compensation that a participant contributes to the Plan. There was no profit-sharing contribution for the year ended December 31, 2024. Participants also direct the investment of Company contributions.

Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant accounts

Each participant's account is credited with the participant's contributions and the Company's discretionary contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specified participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Evolve Treatment Centers 401(k) Plan

Notes to Financial Statements December 31, 2024

Vesting

Participants are vested immediately in their contributions and rollovers from other plans plus actual earnings thereon. Vesting for the Company's discretionary matching and additional contributions plus actual earnings thereon is 33% after one year of service, 66% after two years of service, and 100% after three years of service (one year of service is 1,000 hours of the Plan year). Participants also become fully vested in the Company's matching and additional contributions plus actual earnings thereon at their normal retirement age of 65, upon retirement due to disability, upon death and upon termination of the Plan.

Notes receivable from participants

Participants may borrow from their vested account balance a minimum of \$1,000 up to a maximum loan amount equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participants' account. The loan interest rate is set at the prime rate, as defined, plus 1% on the first business day of the month the loan is originated. Principal and interest are paid ratably through regular payroll deductions. Any outstanding loan will become due and payable upon termination of employment.

Benefit payments and withdrawals

If a participant's employment ceases as a result of termination, normal retirement, death or disability, the participant or the participant's beneficiaries are entitled to receive the value of the participant's vested interest. Participants or their beneficiaries may receive benefit payments in a lump-sum distribution. Vested account balances of \$5,000 or more must have the participant's consent before a distribution is made.

In-service distributions may also be made from the participants' vested accounts at any time for a hardship withdrawal, as defined in the Plan, and when a participant reaches normal retirement age.

Forfeited accounts

At December 31, 2024 and 2023, forfeited nonvested amounts totaled \$39 and \$982, respectively. These accounts will be used to reduce administrative expenses or the Company's matching contributions. For the year ended December 31, 2024, forfeitures of \$4,339 were used to reduce employer contributions and forfeitures of \$6,939 were used to pay administration fees.

Note 2 - Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian and insurance company. See Note 3 for discussion of fair value measurements.

Evolve Treatment Centers 401(k) Plan

Notes to Financial Statements December 31, 2024

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year and interest and dividends.

Contributions

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions if distributed prior to March 15th of the following year or as an increase to distributions if made after that date. The Plan distributed the 2024 and 2023 excess contributions in October 2025 and September 2024, respectively, which was after the IRS timeline. Additionally, the Company also paid the required excise taxes for these late refunds at the time of the distribution.

Payment of benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent events

The Plan has evaluated subsequent events through October 13, 2025, which is the date the financial statements were available to be issued.

Note 3 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and the lowest priority to unobservable inputs ("Level 3"). The three levels of the fair value hierarchy under Financial Accounting Standards Board issued Accounting Standards Codification 820, *Fair Value Measurements*, are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Evolve Treatment Centers 401(k) Plan

Notes to Financial Statements December 31, 2024

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

Pooled separate accounts: The pooled separate accounts consist of mutual funds and valuations are obtained based on the net asset value of shares held by the Plan at year-end. There are no restrictions on redemption and no unfunded commitments.

In accordance with Subtopic 820-10, all pooled separate account investments that were measured at net asset value per share (or its equivalent) are not required to be classified in the fair value hierarchy. Investments measured at net asset value as of December 31, 2024 and 2023 were \$3,542,726 and \$2,658,676, respectively.

Note 4 - Fully benefit-responsive investment contract

The Plan is invested in a Stable Value Fund which is provided under a group annuity contract issued by Transamerica Financial Life Insurance Company, Inc. ("TFLIC"). Such contract is a traditional investment contract (guaranteed investment contract), and it does not have a maturity date. The contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully-benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. The balance in the Stable Value Fund at December 31, 2024 and 2023 is \$42,629 and \$60,419, respectively.

This fund is part of the general assets of TFLIC (its general account) and is not subject to GAAP audited financial statements. The Plan does not own any underlying securities of TFLIC's general account. The Plan has guaranteed benefits under the terms of the contract. The contract value of the Plan assets invested in the Stable Fund is reflected on the employer level fund statement. The contract value equals deposits made to the Stable Fund, plus interest credited under the terms of the contract, less any withdrawals.

Evolve Treatment Centers 401(k) Plan

Notes to Financial Statements December 31, 2024

TFLIC considers the Stable Fund to be a benefit-responsive fund. Under the terms of the contract, participants are generally permitted to make benefit distributions and transfers from the Stable Fund to noncompeting funds at contract value.

Note 5 - Related party transactions and party-in-interest transactions

Certain Plan investments are proprietary investments managed by affiliates of Transamerica Retirement Solutions, LLC ("TRS"). TRS is the recordkeeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Administrative expenses paid directly out of Plan assets to TRS amounted to \$30,723 for the year ended December 31, 2024.

TRS provides certain administrative services to the Plan pursuant to Plan Service Agreement between the Company and the TRS, and TRS receives revenue from mutual fund service providers for services TRS provides to the funds. The revenue is used to offset certain amounts owed to TRS for its administrative services. If the revenue received by TRS from such mutual fund service providers exceeds the amount owed under the service agreement, TRS remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses. During 2024, the Plan received excess amounts of \$15,951 which are included in other income. The Plan or Plan Sponsor may make a payment to TRS for administrative expenses not covered by revenue sharing.

Note 6 - Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue all contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 7 - Tax status

The underlying nonstandardized pre-approved plan obtained its latest opinion letter on June 30, 2020, in which the IRS stated the form of the Plan, as then designed, was in compliance with the IRC and, therefore, the related trust was tax-exempt. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Evolve Treatment Centers 401(k) Plan

Notes to Financial Statements December 31, 2024

Note 9 - Certified investments

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants at December 31, 2024 and 2023, and investment income and interest income on notes receivable from participants for the year ended December 31, 2024, that are disclosed in the accompanying financial statements and supplemental schedule, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Transamerica Life Insurance Company, Inc., the custodian of the Plan.
