## ***Independent Auditors' Report***

To the Participants and Administrator  
Flatiron Crane Operating Company, LLC  
401(k) Savings Plan  
Reading, Pennsylvania

### ***Scope and Nature of the ERISA Section 103(a)(3)(C)***

We have performed an audits of the financial statements of Flatiron Crane Operating Company, LLC 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits--modified cash basis as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits--modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Flatiron Crane Operating Company, LLC 401(k) Savings Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the financial statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note B.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Participants and Administrator  
Flatiron Crane Operating Company, LLC  
401(k) Savings Plan  
Reading, Pennsylvania

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Flatiron Crane Operating Company, LLC 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Emphasis of Matter - Basis of Accounting***

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Flatiron Crane Operating Company, LLC 401(k) Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Participants and Administrator  
Flatiron Crane Operating Company, LLC  
401(k) Savings Plan  
Reading, Pennsylvania

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Flatiron Crane Operating Company, LLC 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Flatiron Crane Operating Company, LLC 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matters***

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year)--modified cash basis, as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 401(k) SAVINGS PLAN

### NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

#### NOTE A - DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

##### **General**

Flatiron Crane Operating Company, LLC (the "Company") 401(k) Savings Plan's (the "Plan"), a defined contribution plan, was established effective July 1, 1990. The Plan was sponsored by Pollock Research and Design, Inc. ("Pollock") from January 1, 2021 to December 16, 2021. Effective December 17, 2021, Flatiron Crane Operating Company, LLC acquired Pollock. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended. Fidelity Management Trust Company (FMTC) serves as trustee of the Plan. The investing activities of the Plan are directed by the participants.

Effective March 8, 2024, Flatiron Crane Operating Company, LLC ("Flatiron") acquired the assets of Trutegra. As part of the transaction, Flatiron extended employment offers to Trutegra's employees. Those who accepted became employees of Flatiron as of the acquisition date. New employees were eligible to participate in the Plan immediately upon their start date and were given the opportunity to rollover their existing Trutegra 401(k) account balances into the Plan. New employees were not required to rollover and the plans were not merged. These rollovers are included with total rollover contributions on the statements of changes in net assets available for benefits—modified cash basis.

##### **Eligibility**

The Plan is a contributory savings plan available to all employees of the Company except for non-resident aliens and union employees. Employees are eligible immediately without eligibility service requirement.

##### **Contributions**

The maximum participant deferral to the Plan is 60% of annual compensation subject to Internal Revenue Code limitations. Participants who have attained age 50 before the close of the calendar year will be permitted to make catch-up contributions to the Plan up to 75% of their compensation subject to the IRC Section 1.414-1(b)(1)(is) limit. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). An eligible employee will be subject to automatic enrollment, unless an eligible employee affirmatively elects otherwise. The employee's compensation will be reduced by 3%, such percentage to be increased by 1% annually (not to exceed 10% of compensation) until the maximum percentage is reached (60% deferral limit or 75% if catch-up contributions are selected).

The Company makes discretionary participant contributions (as defined in the Plan document) for all eligible participants. All employees must be employed by the employer or a related employer on the last day of the contribution period in order to be eligible for employer matching contributions.

Earnings of each fund are allocated to participants based on their proportionate interest in the investment of each fund.

**Vesting**

Participant contributions are credited directly to the individual employee's account and are fully vested immediately. Employer matching contributions also vest immediately.

**Participant Loans Receivable**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have one loan outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan Administrator. The interest rate shall remain fixed throughout the duration of the loan.

**Forfeitures**

Unallocated forfeitures at December 31, 2024 and 2023, were \$16,214 and \$4,314, respectively. During 2024 and 2023 no forfeitures were used to pay administrative expenses or reduce employer contributions.

**Payment of Benefits**

Distributions may be made in the following ways: a lump-sum payment of cash, a direct rollover of the vested assets to another qualified plan or to an IRA, or a combination of both methods. Eligible contributions may be withdrawn by a participant at any time for reasons of hardship, as defined by the Plan document. Withdrawal for reasons other than hardship is restricted to all or any portion of the vested amount credited to a participant's account under the Plan for participants attaining the age of 59 1/2.

In the event that a participant dies prior to the complete distribution of his or her account under the Plan, the related account shall become immediately vested, and the designated beneficiary under the Plan will be entitled to receive all undistributed amounts credited to the deceased participant's Plan account.

DECEMBER 31, 2024 AND 2023

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Significant Accounting Policies**

The significant accounting policies employed in the preparation of the accompanying financial statements follow.

**Valuation of Investments** - The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. The Plan's investment in a common collective trust is stated at fair value using net asset value as a practical expedient which represents a managed account.

**Investment Income** - All transactions are recorded on the modified cash basis. Security transactions are recorded on the settlement date, and the determination of gains or losses on security transactions is determined using the average cost of securities. Investment income (interest and dividends) is recorded on the date received. Expenses are recorded on the date of payment.

**Method of Accounting** - Whereas modified cash basis accounting represents a departure from accounting principles generally accepted in the United States of America, it is not a prohibited method of accounting for 401(k) saving plans under the reporting requirements of the Employee Retirement Income Security Act of 1974. The result of the use of modified cash basis accounting is that dividends and interest receivable, security trades made but not settled, contributions receivable from the employer and liabilities at December 31, 2024 and 2023, are not included in the accompanying financial statements. Accordingly, the financial statements are not intended to present financial status and changes in net assets in conformity with accounting principles generally accepted in the United States of America.

**Participant Loans Receivable** - All transactions are measured at their unpaid principal balance plus any accrued but unpaid interest. The FASB believes that any individual credit risk related to participant loans is mitigated by the fact that these loans are secured by the participant's vested balance. If a participant were to default, the participant's account balance would be offset by the unpaid balance of the loan, and the participant would be subject to tax on the unpaid loan balance. As such, the participant is the only party affected in the event of a default.

**Use of Estimates** - The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

***Payment of Benefits*** - Benefits are recorded when paid.

***Administrative Expenses*** - Certain administrative expenses for maintaining the Plan are paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Participant accounts are charged with an allocation of certain administrative expenses, such as recordkeeping fees, which are paid by the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

***Plan Amendments*** - On December 29, 2022, the "Setting Every Community Up for Retirement Enhancement (SECURE) 2.0 Act" was signed into law in the Under States. The Secure 2.0 Act is an expansion of the Secure Act passed during 2019. The Act includes several mandatory and optional provisions that will become effective across several years. The Secure 2.0 Act aims to expand retirement access, increase retirement savings, and simplify plan administration. Plans may choose to operationally implement the provisions of the Secure 2.0 Act; however plan administrators have until December 31, 2026 to officially amend the plan document to reflect the provisions adopted by the plan.

***Date of Management's Review***

Management has evaluated subsequent events through October 10, 2025, the date which the financial statements were available to be issued.

**NOTE C - RELIANCE ON TRUSTEE'S REPORT**

The administrator of the Plan chose the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Under that section, no auditing procedures are required to be performed with respect to the investment information certified by the trustee of the Plan, Fidelity Management Trust Company, other than comparing such information to that contained in the financial statements and supplemental schedule.

**NOTE D - FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board Accounting Standards Codification 820-10 establishes a valuation hierarchy for disclosure of the inputs to the valuation used to measure fair value. This hierarchy prioritizes the inputs into three broad levels.

*Level 1* inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities. *Level 2* inputs are quoted prices to similar assets and liabilities in active markets or inputs that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument. *Level 3* inputs are unobservable inputs based on our own assumptions used to measure assets and liabilities at fair value.

A financial asset or liability's classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement.

- (a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits--modified cash basis.

Investments in money market fund and shares of registered investment company mutual funds have quoted prices for identical assets in active markets; therefore, the investments are measured at fair value using these readily available Level 1 inputs.

Common collective trusts are stated at net asset value per share as a practical expedient.

We confirm there were no unfunded commitments on the Fidelity Managed Income Portfolio as of December 31, 2024 and 2023.

Participant level transactions take place daily. The liquidation is requested on one day and processed on the next business day.

Plan level liquidations require notice to Fidelity and could result in the plan's investment in managed income portfolio being placed into an investment only account for up to twelve months.

**NOTE F - PLAN TERMINATION AND AMENDMENTS**

The Company currently intends to continue the Plan indefinitely. However, the Company reserves the right to amend or terminate the Plan at any time. If the Plan is amended, the benefits already credited to participants under the Plan will not be reduced unless required by the Internal Revenue Service. If the Plan is terminated or if contributions to the Plan are permanently discontinued, participants will become fully vested in all amounts credited to the participants' separate accounts in the Plan.

**NOTE G - TAX STATUS**

The Plan utilizes a non-standardized prototype profit-sharing plan sponsored by FMR LLC. The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. The non-standardized profit-sharing plan has obtained a favorable tax opinion letter from the Internal Revenue Service dated June 30, 2020, and the Plan sponsor believes that the Plan continues to qualify and operate as designed. The Plan has been amended since receiving the letter, but the Plan Sponsor believes the Plan is still in compliance with IRS requirements.

In accordance with the modified cash basis of accounting, plan management evaluates tax positions taken by the Plan and recognizes a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax position by the Plan and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or assets or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## **401(k) SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

### **NOTE H - RELATED-PARTY TRANSACTIONS**

The Plan invests in shares of mutual funds, a common collective trust, and a money market fund managed by an affiliate of Fidelity Management Trust Company, the trustee of the Plan, and therefore, all transactions involving these investments qualify as party-in-interest transactions. In addition, the Plan issues loans to participants, which are secured by balances in the participants' accounts. These transactions are allowable party-in-interest transactions under ERISA guidelines.

### **NOTE I - RISKS AND UNCERTAINTIES**

Investments of the Plan are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect investment assets reported in participant account balances and in the statements of net assets available for benefits--modified cash basis.
