The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

#### ***Disclaimer of Opinion***

We do not express an opinion on the accompanying financial statements of Asian Community Center of Sacramento Valley, Inc. 403(b) Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

***Basis for Disclaimer of Opinion***

Asian Community Center of Sacramento Valley, Inc. 403(b) Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

As described in Note 1 to the financial statements, the Asian Community Center of Sacramento Valley, Inc. 403(b) Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America (GAAP) require that these accounts and the related income and distributions be included in the accompanying financial statements.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Asian Community Center of Sacramento Valley, Inc. 403(b) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Our responsibility is to conduct an audit of Asian Community Center of Sacramento Valley, Inc. 403(b) Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Asian Community Center of Sacramento Valley, Inc. 403(b) Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

***Other Matter***

## Notes to Financial Statements

---

### NOTE 1 – DESCRIPTION OF PLAN

The following description of the Asian Community Center of Sacramento Valley, Inc. 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of the Plan's provisions.

**General** – The Plan is a defined contribution plan covering substantially all employees of Asian Community Center of Sacramento Valley, Inc., and is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan as originally created in 1987 was not an ERISA-covered plan. On January 1, 2009, the Plan was amended and restated to comply with ERISA-applicable reporting requirements. As part of that amendment, the Plan excluded certain pre-January 1, 2009, investments maintained in annuity contracts and custodial accounts from plan assets as permitted by the U.S. Department of Labor Field Assistance Bulletin 2009-02. Asian Community Center of Sacramento Valley, Inc. (the Company) is the Plan's sponsor and serves as Plan administrator.

**Eligibility** – All employees of the Company, except for those who normally work less than 20 hours a week, are eligible to participate in the Plan immediately.

Effective August 1, 2024, the Plan is amended that all employees of the Company are eligible to participate in the Plan immediately.

### Contributions

*Participant contributions* – Each year, participants may contribute between 1% and 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Effective August 1, 2024, the Plan is amended that Participants may also elect to make Roth contributions utilizing after-tax contributions.

*Company discretionary nonelective contribution* – Each year, at their discretion, the Company may make nonelective contribution at an equal discretionary dollar amount to all eligible full-time participants and one half of that discretionary dollar amount to eligible regular part-time participants. The participant must be employed on the last day of the plan year to share in the nonelective contribution for the plan year. A participant's lowest status at any point in the plan year dictates which category they are for allocation purposes. A participant who receives an "annual" bonus is not eligible to receive the allocation. There was no such contribution for the plan year ended December 31, 2024.

Contributions are subject to regulatory limitations.

## **Asian Community Center of Sacramento Valley, Inc. 403(b) Plan Notes to Financial Statements**

---

**Participant accounts** – Each participant’s account is credited with the participant’s contributions and employer discretionary nonelective contributions, if any, as well as plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Participants direct the investment of their account into various investment options offered by the Plan.

**Vesting** – Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company’s contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service.

**Payment of benefits** – On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant’s vested interest in his or her account, or annual installments spread out over a period of not more than his or her expected life. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

**Forfeitures** – Forfeitures are the nonvested portion of a participant’s account that is lost upon termination of employment. Forfeitures are retained in the Plan and may be used to pay the Plan’s administrative expenses, and to reduce future Company contributions. The Plan had no significant forfeitures during 2024 or at December 31, 2024 and 2023.

### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of accounting** – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), using the accrual method of accounting.

**Use of estimates** – The preparation of financial statements in conformity with GAAP requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Investment valuation** – The investments are reported at fair value as certified by the Plan’s custodian, Reliance Trust Company. If available, quoted market prices are used to value investments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability (the exit price) in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

**Income recognition** – Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net appreciation in fair value of investments consists of both the realized gains and losses and unrealized appreciation and depreciation of those investments.

**Payment of benefits** – Benefits are recorded when paid.

## **Asian Community Center of Sacramento Valley, Inc. 403(b) Plan Notes to Financial Statements**

---

**Expenses** – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Administrative and investment advisory expenses paid by the Plan may include distribution fees charged to participants' accounts and administrative plan fees. Several of the investment fund options are subject to investment and administrative fees based on a percentage of invested assets, as disclosed in the fund's prospectus. All such fees are charged directly against the fund's investment performance; thus, they are not separately disclosed in the accompanying financial statements.

**Subsequent events** – Subsequent events are events or transactions that occur after the statement of net assets available for benefits date, but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits but arose after the statement of net assets available for benefits date and before the financial statements are available to be issued. The Plan has evaluated subsequent events through September 25, 2025, which is the date the financial statements were available to be issued.

### **NOTE 3 – FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

**Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the plan has the ability to access.

**Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

## Asian Community Center of Sacramento Valley, Inc. 403(b) Plan Notes to Financial Statements

---

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2024 and 2023.

*Registered investment companies (mutual funds) and money market mutual fund* – Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission.

*Guaranteed investment contract (Note 4)* – Valued at book value, which approximates fair value, representing contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables disclose, within the fair value hierarchy, the plan assets by level as of December 31:

	Fair Value Measurement at December 31, 2024			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 4,148,382	\$ -	\$ -	\$ 4,148,382
Guaranteed investment contract	-	-	521,280	521,280
Investments in the fair value hierarchy	<u>\$ 4,148,382</u>	<u>\$ -</u>	<u>\$ 521,280</u>	<u>\$ 4,669,662</u>
	Fair Value Measurement at December 31, 2023			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 3,766,122	\$ -	\$ -	\$ 3,766,122
Guaranteed investment contract	-	-	502,939	502,939
Total assets in the fair value hierarchy	<u>\$ 3,766,122</u>	<u>\$ -</u>	<u>\$ 502,939</u>	<u>\$ 4,269,061</u>

There was no transfer between levels during 2024.

## Asian Community Center of Sacramento Valley, Inc. 403(b) Plan Notes to Financial Statements

---

The following table presents the Plan's Level 3 investment, the valuation technique used to measure the fair value as of December 31, 2024 and 2023, and the significant unobservable inputs and ranges of values for those inputs:

Name	2024 Fair Value	2023 Fair Value	Valuation Technique	Unobservable Inputs	Range of Input Values/ (Weighted Avg)
Standard Insurance Company Stable Asset Fund II	\$ 521,280	\$ 502,939	Book value	Crediting rate	3.00% - 3.10%
Balance, December 31, 2023					\$ 502,939
Unrealized gain for the year relating to assets still held at the year end					15,518
Purchases					7,719
Disposals					(4,896)
Balance, December 31, 2024					<u>\$ 521,280</u>

In estimating fair value of Level 3 assets, the Plan administrator may use third-party pricing sources. In substantiating the reasonableness of the pricing data provided by third parties, the Plan administrator evaluates a variety of factors including review of methods and assumptions used by external sources, economic conditions, industry and market developments, and overall credit ratings.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

The Plan administrator evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits.

#### **NOTE 4 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY**

The Company has a group annuity contract (the Contract) with Standard Insurance Company (Standard) for the Plan. Under the Contract, certain Plan asset is invested in Standard Stable Asset Fund II (the Fund). The Contract does not meet the fully benefit-responsive investment contract criteria, therefore, investments in the Fund are reported at fair value (Note 3).

The Fund is invested in a portfolio of publicly traded bonds, plus small commercial mortgage loans within Standard's general account. The Fund's guaranteed annualized net crediting rate is declared in advance and is reset quarterly. The declared crediting rate will never be below 1%. Principal and interest are guaranteed by Standard.

The Fund is backed by a diversified portfolio of fixed-income assets held in the general account of Standard. Guarantees are subject to the claims paying ability of the issuer. Restrictions or fees may apply to exchanges or withdrawals.

## **Asian Community Center of Sacramento Valley, Inc. 403(b) Plan Notes to Financial Statements**

---

The Contract provides for the payment of certain withdrawals and exchanges at book value during the terms of the Contract. In order to maintain Standard's promise to pay such withdrawals and exchanges at book value, the Contract subjects the Fund and its participants to certain restrictions. For example, withdrawals prompted by certain events (e.g., layoffs, early retirement windows, spin-offs, sale of a division, facility closings, plan terminations, partial plan terminations, changes in laws or regulations) may be paid at the market value of the Fund's securities, which may be less than the book value balance or may restrict withdrawals in these events.

Certain investment options offered by the Plan (e.g., money market funds, short term bond funds, certain asset allocation/lifecycle funds and brokerage window) may be deemed by Standard to "compete" with this Fund. The term of the Contract prohibits participants from making a direct exchange from this Fund to such competing funds. Instead, participants must first exchange to a noncompeting fund for 90 days.

Certain events might limit the ability of the Plan to transact at book value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract.

In addition, certain events allow Standard to terminate the Contract with the Plan and settle at an amount different from book value. Examples of such events include the following: (1) An uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreements without the consent of Standard.

No events are probable of occurring that might limit the Plan's ability to transact at book value with Standard and that also would limit the ability of the Plan to transact at book value with the participants.

### **NOTE 5 – TAX STATUS**

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (IRC). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for participants under Section 403(b).

The Plan has adopted a pre-approved plan document that received a favorable opinion letter from the Internal Revenue Service dated March 1, 2018, which stated that the plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since the date of the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

In accordance with guidance on accounting for uncertainty in income taxes, the Plan administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **NOTE 6 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with investment securities, that changes in the values of the investments in the near term could materially affect a participant's account balance and the amounts reported in the statement of net assets available for benefits.

### **NOTE 7 – CERTIFIED INVESTMENT INFORMATION**

The following information related to investments was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, a qualified institution:

- Investments on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023.
- Net appreciation in fair value of investments, interest, and dividends reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Investments reflected on the schedule of assets (held at end of year).

### **NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS**

The Plan paid expenses related to plan operations and investment management to various service providers. T. Rowe Price is the recordkeeper of the Plan and, therefore, transactions with this entity qualify as exempt party-in-interest transactions.

### **NOTE 9 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. If the Plan is terminated, amounts allocated to a participant's account become fully vested.

### **NOTE 10 – RECONCILIATION TO FORM 5500**

The Form 5500 has certain items that differ from amounts shown on the accompanying financial statements. These differences relate to classification only and have no effect upon net assets available for benefits for either period.
