Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed audits of the accompanying financial statements of International Bay Clubs, LLC Savings and Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of International Bay Clubs, LLC Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of International Bay Clubs, LLC Savings and Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt International Bay Clubs, LLC Savings and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of International Bay Clubs, LLC Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about International Bay Clubs, LLC Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters — Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2024 and Schedule H, line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Administrative Committee
International Bay Clubs, LLC Savings and Retirement Plan

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INTERNATIONAL BAY CLUBS, LLC SAVINGS AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 DESCRIPTION OF PLAN

The following description of the International Bay Clubs, LLC Savings and Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all nonunion employees of International Bay Clubs, LLC (the Company). The Plan, effective February 1, 1992, was established to provide a pretax savings plan for nonunion employees under Section 401(k) of the Internal Revenue Code of 1986 (IRC). Employees who have reached the age of 21 are eligible for elective deferral into the Plan and may enter the Plan on the first day of eligibility. There is a minimum service requirement of 60 days of service to be eligible for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the IRC, as amended.

Contributions

Participants may contribute 100% of their annual wages for up to a maximum amount as prescribed by law. In addition, participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. At the discretion of the Board of Directors, the Company may make matching contributions, additional discretionary contributions, and/or qualified nonelective contributions. For the year ended December 31, 2024, the Board of Directors elected to match 50% of the participant's eligible elective contribution of up to 6% of the participant's pay in a Company-matching account.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. The matching and nonelective contributions made by the Company plus actual earnings thereon are based on years of vesting service and are vested 100% after three years of credited service.

INTERNATIONAL BAY CLUBS, LLC SAVINGS AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting (Continued)

Company contributions and earnings shall also become 100% vested if the Plan is terminated or any of the following events should occur: a participant reaches normal retirement age under the Plan, death, or disability of the participant while employed.

Notes Receivable from Participants

Participants may borrow against their Plan account balance within Plan guidelines. Loan terms are at the discretion of the borrower but generally cannot exceed five years. The loan amount can be a minimum of \$1,000 but cannot exceed the lesser of (a) one-half of the participant's nonforfeitable interest under the Plan or (b) \$50,000. Interest is charged on the outstanding balance at rates determined by the Plan administrator based on prevailing interest rates. Principal and interest are paid ratably through biweekly payroll deductions. The loans are secured by the vested account balance in the participant's account, and a participant can only have two outstanding loans at any time.

Benefit Payments

Upon termination of employment, a participant may be entitled to a distribution from the Plan in which the availability of the distribution will depend on the amount of the participant's vested account balance. The participant may elect to take the distribution in any of the following forms: lump-sum payment or transfer, installment payments, or annuity payments. Additionally, under certain circumstances of financial hardship or upon attaining the age of 59½, participants are allowed to withdraw their vested funds from the Plan.

Forfeitures

Forfeitures of the employee's nonvested portion of the Company's contributions are used to reduce future employer's contributions and pay administrative expenses. At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$78,206 and \$44,564, respectively. During the year ended December 31, 2024, the Plan used \$5,077 of the forfeiture balance to pay Plan expenses.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee received compensation from the Plan. Some administrative expenses incurred by the Plan are absorbed by the Company.

Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis and are reflected as a component of net appreciation in fair value of investments. Fees related to the administration of participant loans and benefit payments are deducted from the applicable participants' accounts.

INTERNATIONAL BAY CLUBS, LLC SAVINGS AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). References to the “ASC” hereafter refer to the Accounting Standards Codification established by the Financial Accounting Standards Board (FASB) as the source of authoritative U.S. GAAP.

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

At December 31, 2024 and 2023, the fair value of the Plan’s investments in pooled separate accounts and common collective trusts is measured using net asset value per share (NAV) as a practical expedient. Each unit in a pooled separate account invests directly in a unit of the mutual fund. Unit values are calculated based on the observable NAV of the underlying investment in the mutual funds. As further described in Note 11, fair value of the Plan’s pooled separate accounts and common/collective trust investments are measured using NAV as a practical expedient.

The Plan’s mutual fund investments are stated at fair value at December 31, 2024 and 2023. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 11 for a discussion of fair value measurements.

At December 31, 2024 and 2023, the value of the Plan’s guaranteed interest contract is measured at contract value, as more fully described in Note 5.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gains and/or losses are reported the day after the trade date.

Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments.

Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for doubtful accounts has been recorded as of December 31, 2024 and 2023. Delinquent participant loans are reclassified as deemed distributions based upon terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The process of preparing financial statements in accordance with U.S. GAAP requires the use of estimates and assumptions regarding certain types of assets and liabilities, revenues and gains, and expenses and losses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

NOTE 3 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 4 INVESTMENTS PREPARED AND CERTIFIED BY THE TRUSTEE AND CUSTODIAN

Pursuant to certain reinsurance and administration agreements entered into between Empower Annuity Insurance Company of America and Massachusetts Mutual Life Insurance Company (MassMutual), Mass Mutual has appointed Empower as Mass Mutual's administrative agent and attorney-in-fact to perform all necessary administrative services for the group variable annuity contracts and the funding agreements issued by Mass Mutual.

As Mass Mutual's administrative agent and attorney-in-fact, Empower Annuity Insurance Company of America, the qualified institution, on behalf of Mass Mutual, has supplied the Plan Administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023 and , the statement of changes in net assets available for benefits for the year ended December 31, 2024, and the supplemental schedule of assets (held at end of year) as of December 31, 2024.

**NOTE 4 INVESTMENTS PREPARED AND CERTIFIED BY THE TRUSTEE AND CUSTODIAN
(CONTINUED)**

Empower Trust Company, LLC, the trustee, has supplied the Plan Administrator with a certification as to the completeness and accuracy of the notes receivable from participants and related interest income presented on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, and the statement of changes in net assets available for benefits for the year ended December 31, 2024, and the supplemental schedule of assets (held at year end) as of December 31, 2024.

NOTE 5 GUARANTEED INTEREST CONTRACT

The Plan entered into a guaranteed interest contract (the Contract), which is a traditional benefit-responsive investment contract, with Massachusetts Mutual Life Insurance Company (MassMutual). MassMutual maintains the contributions in a guaranteed interest account provided through a group annuity contract. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, because the Contract is fully benefit responsive, contract value is the relevant measurement attribute to the Contract. Contract value, as reported to the Plan by MassMutual, represents contributions made under the Contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The average yield earned by the Contract and the crediting interest rate paid to participants was 3.00% at December 31, 2024 and 2023.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the Contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with Contract issuers or that would limit the ability of the Plan to transact at contract value with the participants.

Under the Contract, a crediting rate is established for a six-month period of time (rate period); all assets invested in the Contract are credited with that rate. At the expiration of each rate period, a new crediting rate is declared. MassMutual assumes market, credit, and interest rate risk for the assets supporting the Contract.

NOTE 5 GUARANTEED INTEREST CONTRACT (CONTINUED)

MassMutual re-sets Contract rates semiannually, taking into consideration a number of factors, including the following: (1) investment year method experience of the Contract or pool, (2) projected levels of cash flows within the current interest rate environment, and (3) projected maturity of the underlying investments. Contract crediting rates will typically show less volatility than current market rates.

In addition, certain events allow the issuer to terminate the Contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the Contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants would become fully vested in their accounts.

NOTE 7 EXCESS CONTRIBUTIONS PAYABLE

ERISA requires the Plan to satisfy certain nondiscrimination provisions. At December 31, 2024 and 2023, the Plan is required to return some contributions in order to satisfy these provisions. As of December 31, 2024 and 2023, the excess contributions payable were \$18,965 and \$14,034, respectively.

NOTE 8 TAX STATUS

The Plan is placing reliance on an opinion letter from the Internal Revenue Service (IRS) on the prototype plan indicating that the Plan is designed in accordance with the applicable section of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 WITHDRAWN PARTICIPANTS

At December 31, 2024 and 2023, there were no amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not been paid.

NOTE 10 PARTIES-IN-INTEREST

The investments in pooled separate accounts and the Contract are managed by Empower, the custodian; therefore, these investments qualify as party-in-interest transactions. Additionally, notes receivable from participants represent loans to employees and therefore qualify as party-in-interest transactions. The Plan has a number of service providers. Such providers are parties in interest under ERISA.

NOTE 11 FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the assets or liabilities; or
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 11 FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at December 31, 2024 and 2023.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets, measured on a recurring basis, at fair value as of December 31, 2024:

	2024			Total
	Level 1	Level 2	Level 3	
Mutual Funds	\$ 4,970,149	\$ -	\$ -	\$ 4,970,149

NOTE 13 DIFFERENCES ON THE FORM 5500

The financial statements have been prepared on the accrual basis as required by U.S. GAAP. However, at December 31, 2024 and 2023, the Form 5500 to be filed with the IRS has been prepared on the cash basis. The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2024 and 2023:

	2024	2023
Net Assets Available for Benefits per Financial Statements	\$ 17,691,572	\$ 15,186,696
Add: Receivables	(2,425)	(19,260)
Add: Excess Contributions Payable	18,965	14,034
Net Assets Available for Benefits per Form 5500	\$ 17,708,112	\$ 15,181,470

The following is a reconciliation of total increase in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2024:

Total Increase in Net Assets Available for Benefits per the Financial Statements	\$ 2,504,876
Less: Prior Year Excess Contributions Payable	(14,034)
Less: Current Year Receivables	(2,425)
Add: Current Year Excess Contributions Payable	18,965
Add: Prior Year Receivables	19,260
Total Increase in Net Assets Available for Benefits per the Form 5500	\$ 2,526,642

The Mass Mutual pooled separate accounts, as classified in the financial statements included herein did not file a Form 5500 for the direct filing entity, therefore, the underlying assets have been reported on Form 5500, Schedule H.

NOTE 14 NON-EXEMPT TRANSACTION

The Company failed to remit employee 401(k) deferral contributions for certain payroll periods within the time frame prescribed by the Department of Labor. This is deemed a prohibited transaction in accordance with ERISA and the Internal Revenue Code. The Company has corrected certain 2023 prohibited transactions of \$88,926 by depositing the lost earnings, filing the required Form 5330 with the Internal Revenue Service and paying the appropriate excise tax. The Company is in the process of correcting certain 2024 prohibited transactions of \$2,189.

NOTE 15 SUBSEQUENT EVENTS

Events occurring after December 31, 2024, have been evaluated for possible adjustment to the financial statements or disclosure as of October 13, 2025, which is the date the financial statements were available to be issued.
