INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Lee Lewis Construction 401(k) Plan
Lubbock, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Lee Lewis Construction 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits and of accumulated plan benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits and of changes in accumulated plan benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Lee Lewis Construction 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lee Lewis Construction 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

LEE LEWIS CONSTRUCTION 401(K) PLAN
INDEPENDENT AUDITOR'S REPORT, CONTINUED

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lee Lewis Construction 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lee Lewis Construction 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lee Lewis Construction 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

LEE LEWIS CONSTRUCTION 401(K) PLAN
INDEPENDENT AUDITOR'S REPORT, CONTINUED

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Lee Lewis Construction 401(k) Plan
Notes to the Financial Statements
December 31, 2024 and 2023

NOTE A – DESCRIPTION OF THE PLAN

Lee Lewis Construction, Inc. (the “Sponsor”) is the plan sponsor for the Lee Lewis Construction 401(k) Plan (“the Plan”). The Plan was established January 1, 1995. Participants should refer to the plan documents for a complete description of plan provisions.

General

The Plan is a defined contribution plan covering all employees of the Sponsor, except those covered under a collective bargaining agreement for which retirement benefits have been the subject of good faith negotiations, non-resident aliens, and independent contractors for whom the employer does not file Form W-2 and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Employees determine how much they would like to contribute to the Plan, either as a percentage of gross wages or as a flat dollar amount. They may contribute up to 75% of their compensation, subject to the limits implemented by the Internal Revenue Service. Contributions may be made pre- or post-tax. Changes to contribution rates may be made effective as of each pay period. Employees may make rollover contributions to the plan even if they have not yet met the eligibility requirements of the plan.

The Sponsor makes matching safe-harbor contributions to the Plan each year equal to 100% of the participants’ contributions equal to the first 3% of participants’ compensation plus 50% of the participants’ contributions up to the next 2% of the participants’ compensation. Employer matching contributions made on employee catch-up contributions are not safe-harbor contributions. The Sponsor may also make discretionary contributions to the Plan, as determined annually. The Sponsor did not make any discretionary contributions to the Plan in 2024 or 2023.

Employees also may roll over eligible amounts from other qualified plans.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Sponsor’s contributions and (b) Plan earnings (losses), and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Participant Loans

Participant loans are not permitted by the Plan.

NOTE A – DESCRIPTION OF THE PLAN, CONTINUED

Vesting

Participants are immediately vested in their own contributions and the Sponsor’s safe harbor contributions plus actual earnings thereon. Vesting in the Sponsor’s matching contributions portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant vests over a period of six years as follows:

<u>Year</u>	<u>Vesting Percentage</u>
< 2 Years	0%
2 Years	20%
3 Years	40%
4 years	60%
5 Years	80%
6 Years	100%

Investments

The Plan participants may direct the investments of their accounts amongst one or more investment funds. The Plan is intended to constitute a plan described in section 404(c) of ERISA, which means Plan fiduciaries may be relieved of liability for participant losses that are the result of participant investment elections. The investment fund options include a variety of stock, bond, and money market funds with different levels of risk and related earnings. These investment funds are held inside an account with Fidelity Management Trust Company (the “Trustee”). The Trustee values the accounts each business day.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant who is entitled to receive a distribution under the Plan will receive a single lump-sum payment equal to the value of the participant’s vested interest in his or her account. For termination of service due to other reasons, a participant will be entitled to receive only the vested percentage of their account balance, and the remainder of their account balance will be forfeited.

The Plan permits in-service and hardship withdrawals under certain conditions.

Forfeited Accounts

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. These accounts will be used to reduce future employer contributions and may be used for plan administration expenses. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$400 and \$254, respectively.

NOTE A – DESCRIPTION OF THE PLAN, CONTINUED

Termination of the Plan

The Sponsor may terminate the plan at its own discretion. Participants become 100% vested in their accounts in the event of the termination of the Plan. The Sponsor has no plans to terminate the plan as of October 1st, the date the financial statements were available to be issued.

NOTE B – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared in accordance with the accounting principles generally accepted in the United States of America (“US GAAP”), including specialized industry practices as specified in the American Institute of Certified Public Accountants audit and accounting guide titled *Audits of Employee Benefit Plans*. Accordingly, the financial statements are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

Valuation of Investments

The Plan’s investments are stated at fair value based on quoted market prices. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. The Statement of Changes in Net Assets reflects the net appreciation (depreciation) in the fair value of its investments, which includes the realized and unrealized gains and losses on those investments. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date, if applicable.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Certain administrative services and the use of the office fixtures and equipment are provided to the Plan by the Sponsor, with no provision for these costs included in the accompanying financial statements. Administrative expenses paid by the Sponsor were not material to the Plan for the year ended December 31, 2024.

NOTE B – SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Prohibited Transactions

A “party-in-interest” is a fiduciary or employee of the Plan, any person who provides services to the Plan, the Sponsor, or an employee association whose members are covered by the Plan; a person who owns 50 percent or more of the Sponsor; or such employee association or relatives of such person just listed.

Under ERISA, a Plan fiduciary is prohibited from causing the Plan to engage in the following transactions with a party-in-interest, with certain conditional exemptions provided by ERISA:

- A sale, exchange, or lease of property;
- A loan or other extension of credit;
- The furnishing of goods, services, or facilities;
- A transfer of plan assets to party-in-interest for the use or benefit of a party-in-interest; or
- An acquisition of employer securities or real property.

A fiduciary is also generally prohibited from using the Plan’s assets for his or her own interest or account, acting in any Plan transactions on behalf of a party whose interests are adverse to those of the Plan or its participants and receiving consideration for his or her own account from a party dealing with the Plan in connection with a transaction involving the Plan’s assets.

The Plan did not engage in any prohibited transactions for the years ended December 31, 2024 and 2023.

Tax Status

The Internal Revenue Service (IRS) has issued an opinion letter dated July 7, 2020, determining that the prototype standardized plan is acceptable under Section 401(a) of the Internal Revenue Code (“IRC”). It is not a ruling or determination as to whether the Plan itself qualified under IRC Sec. 401(a). However, an employer adopting the prototype non-standardized plan may rely on the opinion letter with respect to the qualification of its plan under IRC Sec. 401(a).

The IRS has determined and informed the Sponsor by a letter dated July 7, 2020, that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since revising the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and is tax exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Open audit years for the Plan include 2022 through 2024.

NOTE C – INVESTMENTS

FASB ASC 820-10 requires that investments be measured at fair value using one of three levels. Level 1 measurements use unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. Level 2 measurements generally use available indirect information, such as quoted prices for similar assets or liabilities in active markets, quote prices for identical or similar assets or liabilities in markets that are not active, or inputs that are observable for the asset or liability, such as interest rates or yield curves. Level 3 measurements are the most subjective and are generally based on the entity’s own assumptions developed using the best information available in the circumstances.

All investments held in the Plan are valued using Level 1 measurements. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company (the “Trustee”).

Investments held by the Trustee at December 31, 2024 are valued as follows. Investments that represent 5% or more of the Plan’s net assets are separately identified:

	<u>Fair Value</u>	<u>% of Total</u>
Fidelity Advisors Freedom 2020 I Fund	\$1,657,033	11.1839%

During 2024 and 2023, the Plan's investments, including investments bought, sold, and held during the year, increased by \$1,009,516 and \$1,474,794, respectively.

NOTE D – RISKS AND UNCERTAINTIES

Investment securities are exposed to various risks including interest rates, market fluctuations, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits. The Plan assets are not covered under any collateralization agreements or other credit risk mitigating financial arrangements.

NOTE E – RELATED PARTIES

All plan assets are held in trust by Fidelity Management Trust Company (the trustee). A significant amount of plan assets are invested in companies advised by the trustee or affiliated entities and, therefore, these transactions qualify as party-in-interest transactions.

NOTE F – UNAUDITED INFORMATION CERTIFIED BY THE TRUSTEE

The Plan's assets were held by the Trustee during the years ended December 31, 2024 and December 31, 2023. The Plan's financial statements are presented based on information certified by Fidelity as complete and accurate in accordance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
