Independent Auditor's Report

To the Plan Administrator
CB Flooring, L.L.C. 401(k) Plan
Columbia, MD

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of CB Flooring, L.L.C. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of CB Flooring, L.L.C. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CB Flooring, L.L.C. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CB Flooring, L.L.C. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CB Flooring, L.L.C. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CB Flooring, L.L.C. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets Held at End of Year as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CB FLOORING, L.L.C. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE A – DESCRIPTION OF PLAN

CB Flooring, L.L.C. 401(k) Plan (the “Plan”) is a defined contribution plan that was established on January 1, 2000. The Plan covers the employees of CB Flooring, L.L.C. (the “Company” or “Plan Sponsor”). The Company is the plan administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Effective January 1, 2016, the Company amended the Plan’s adoption agreement to allow participants to elect to transfer any amount, not otherwise distributable under the Plan, to a designated Roth Elective Deferral Account (or sub-account) maintained for the participant within the Plan. The Plan will not be in violation of the provisions of Code sections 401(k)(2)(B)(i) as a result of such transfer. Amounts transferred will retain the restrictions on distributions the account had prior to such transfers. The Plan was also amended to permit the automatic enrollment of eligible employees at a pre-tax election rate of 6% of compensation. An employee may decline to participate in the Plan at any time. Effective January 1, 2020, the Plan was also amended to apply certain provisions with respect to the Plan entry date, and deferral and matching eligibility requirements. There were no additional changes made to the Plan during the year.

Effective August 15, 2024, the Plan was amended and restated under a new custodian, American Trust Company. There were no significant changes to the Plan documents as a result of the restatement of the Plan.

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

Eligibility

All full-time employees of the Company who have completed a minimum of three months of service and are age twenty-one years or older are eligible to participate in the Plan, make elective deferral contributions, and receive employer matching contributions. However, an employee may become a participant of the Plan with respect to non-elective contributions through the automatic enrollment provision, after the completion of one year of eligible service and the attainment of age twenty-one.

Participant Contributions

Participants may contribute a percentage of their annual pre-tax compensation, as defined in the Plan, not to exceed the maximum allowable amounts under the Internal Revenue Code (“IRC”). Participants who are age 50 or older during the calendar year may make additional catch-up deferral contributions as defined in the IRC.

NOTE A – DESCRIPTION OF PLAN – continued

Rollover Contributions

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, subject to Plan provisions.

Employer Contributions

The Company may decide to make a discretionary matching contribution to the Plan for each participant. During the years ended December 31, 2024 and 2023, the Company matched employee contributions up to 25% on the first 6% of gross wages. Additionally, the Company may make a discretionary profit sharing contribution to the Plan. For the years ended December 31, 2024 and 2023, there were no profit sharing contributions made to the Plan.

Investment Options

The Plan provides for participant-directed investment programs, whereby, the Plan Sponsor determines which investment options are available and the participants may choose among the available options. Participants may have their accounts invested in any or a combination of mutual funds or a common collective trust (stable value fund). Participants may also change their investment options at any time. Automatically enrolled participants' contributions are invested in a designated balanced fund until changed by the participant. Participants may change their deferral contributions percentage or amount at any time.

Participant Accounts

Each participant's account is self-directed and credited with the participant's pre-tax or after-tax contributions (including elective deferrals, catch-up contributions, and/or rollover contributions), the Company's contributions, share of any investment earnings, and increases in the value of investments. Participant accounts are reduced by any withdrawals or distributions, investment losses, decreases in values of investments, and share of fees and expenses, as applicable. Allocations are based on participant earnings or account balances, subject to the Plan provisions.

Payment of Benefits

Benefits may be paid from participant accounts at age 59 1/2, or upon disability, termination of employment, death, or upon the Plan's termination. Participants who are age 72 and over are required by the Internal Revenue Service ("IRS") to make certain required minimum distributions. If a participant's account is valued at \$5,000 or less upon termination of employment, the Company may liquidate the value of the account and distribute the funds to the former participant. The taxable portion of a withdrawal is subject to federal and state income taxes and an additional tax if the participant has not reached retirement age, unless the amount is rolled over into another eligible plan or an Individual Retirement Account. Eligible participants may request an in-service hardship distribution of elective deferrals and any vested employer

contributions, subject to the Plan’s provisions. Vested benefits may be paid to the participants in a lump-sum distribution or as a direct rollover distribution to another qualified plan.

Loans

Loans to participants are not permitted.

Vesting

Participants are immediately vested in their contributions plus actual earnings on elective deferral contributions. All contributions are 100% vested upon attaining normal retirement age, death or disability. Employer contributions not already fully vested when made (i.e., Safe Harbor matching) are subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vesting Interest</u>
Less than one year	0%
One year but less than two years	20%
Two years but less than three years	40%
Three years but less than four years	60%
Four years but less than five years	80%
Five or more years	100%

Forfeited Accounts

Forfeitures attributable to profit sharing contributions, not used to pay administrative expenses, will be reallocated to participants in the current or next succeeding Plan year. During the years ended December 31, 2024 and 2023, forfeited non-vested account balances totaled \$3,134 and \$2,769, respectively, which were used to fund the Company’s matching contributions and/or administrative expenses.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and in the disclosures of contingent assets and liabilities. Accordingly, actual results could differ from these estimates.

Payment of Benefits

Benefit payments to participants are recorded when the related expenses are incurred.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the collective trust (stable value fund), which is reported at net asset value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for a discussion of the fair value measurement.

Net asset value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to common collective trust investment contracts, because net asset value is the amount participants would receive, if they were to initiate permitted transactions under the terms of the Plan.

Interest is recorded as earned and dividend income is accrued as of the ex-dividend date. Purchases and sales of investments are recorded on a trade date basis. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Excess deferral contributions made by Plan participants during the year are returned to the participants during the first quarter of the following year. Excess contributions payable totaled \$64,772 and \$81,996 as of December 31, 2024 and 2023, respectively.

Administrative Expenses

Administrative costs, including investment fees that are paid out of the related participant accounts, are absorbed by the Plan. For the years ended December 31, 2024 and 2023, administrative expenses totaled \$56,682 and \$60,909, respectively.

Reclassification

For the year ended December 31, 2023, employee contributions receivable of \$76,477 was reclassified on the statement of net assets available for benefits to separately present employee contributions receivable of \$35,865 and employer contributions receivable of \$40,612. This reclassification was made in order to align more closely with the current year’s presentation. The reclassification had no effect on the previously reported net assets available for benefits or changes in net assets available for benefits.

NOTE C – INFORMATION CERTIFIED BY CUSTODIAN

The plan administrator has elected the alternative method of compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, information certified by American Trust Company and Matrix Trust Company (the "Custodians" of the Plan), as of and for the years ended December 31, 2024 and 2023, respectively, was not audited, except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

Certain information related to investments from participants disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by the Custodian.

The following investment information has been certified by the Custodian as of and for the years ended December 31, 2024 and 2023:

	2024	2023
Investments, at fair value	\$ 14,999,909	\$ 13,734,610
Interest and dividends	666,833	361,081
Net appreciation (depreciation) in fair value of investments	1,281,721	1,937,804

NOTE D – FAIR VALUE MEASUREMENT

The Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 820, *Fair Value Measurement*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

CB FLOORING, L.L.C. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023
(continued)

NOTE D – FAIR VALUE MEASUREMENT – continued

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include a) quoted prices for similar assets or liabilities in active markets; b) quoted prices for identical or similar assets or liabilities in inactive markets; c) inputs other than quoted prices that are observable for the asset or liability; and d) inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The fair value of mutual funds is determined by using the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan invests in a collective trust (stable value fund) (the "Trust") in the Reliance Trust Company Stable Value Fund, for which the quoted prices are not available in active markets. The Trust is measured by using net asset value per share, or its equivalent, as a practical expedient. The Trust invests in fully benefit-responsive investment contracts issued by insurance companies and other financial institutions, fixed income securities, and money market funds. There are no unfunded commitments and the redemption frequency is daily. The Trust is valued at net asset value ("NAV") as a practical expedient, as determined by the custodian.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D – FAIR VALUE MEASUREMENT – continued

The following table presents the Plan’s fair value hierarchy for investments measured at fair value on a recurring basis as of December 31, 2024 and 2023:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 14,438,646	\$ -	\$ -	\$ 14,438,646
Investments measured at NAV practical expedient				561,263
Total investments, at fair value				\$ 14,999,909
	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,928,749	\$ -	\$ -	\$ 12,928,749
Investments measured at NAV practical expedient				805,861
Total investments, at fair value				\$ 13,734,610

In accordance with FASB ASC Topic 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarize the Plan’s investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective trust (stable value fund)	<u>\$ 561,263</u>	N/A	daily	up to 12 months

NOTE E – INCOME TAX STATUS

The Internal Revenue Service (“IRS”) has determined that as of September 16, 2003, the Principal Financial Group Prototype Non-Standardized Profit Sharing Plan with CODA was designed in accordance with applicable sections of the Internal Revenue Code. The plan administrator is not aware of any course of action or series of events that have occurred that might affect the Plan’s tax-exempt status and, therefore, believes that the Plan and the related trust are tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. There were no uncertain tax positions identified by the Plan.

The Plan’s Form 5500 is subject to examination by the IRS for a period of three years from the date it was filed, except under certain circumstances. The Plan’s Form 5500 for the years 2021 through 2023, are open for a tax examination by the IRS, although no request has been made as of the date of these financial statements.

NOTE F – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Custodian of the Plan receives fees based on a percentage of total investments for managing the Plan’s assets, which qualifies the Custodian as a party-in-interest to the Plan. For the year ended December 31, 2023, Matrix Trust served as the Plan’s custodian. In 2024, Matrix Trust continued as custodian through August 15, 2024, after which American Trust Company became the Plan’s custodian for the remainder of the year. In addition, Columbia Benefits Consultants, Inc. receives payment from the Plan for providing administrative and bookkeeping services. For the years ended December 31, 2024 and 2023, fees paid by the Plan for investment management and administrative services totaled \$56,682 and \$60,909, respectively.

NOTE G – PRIORITIES UPON PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to amend the Plan, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances as of the date of termination.

NOTE H – RISKS AND UNCERTAINTIES

The Plan provides for investments in different investment securities that are exposed to various risks such as interest rate, credit risks, and overall market volatility. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE I – SUBSEQUENT EVENTS

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through October 10, 2025, the date the financial statements were available to be issued. There were no events or transactions that were discovered during the evaluation that required further recognition or disclosure.
