REPORT OF INDEPENDENT AUDITORS

PLAN ADMINISTRATOR
LIVE EVENTS HOLDINGS 401(K) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Live Events Holdings 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Live Events Holdings 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Live Events Holdings 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Live Events Holdings 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Live Events Holdings 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Live Events Holdings 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to, or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Live Events Holdings 401(k) Plan NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN

The following description of Live Events Holdings (the "Company") 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all hourly and salaried employees of the Company. Employees must be at least 21 years of age and have at least three months of service to participate. Once an employee meets the eligibility requirements, the employee is automatically enrolled in the Plan and 2% of the employees' compensation is automatically withheld ("automatic deferral provision") each payroll unless the employee makes a contrary election. Participants' elective deferrals are also increased by 1% at the beginning of each plan year up to a maximum deferral of 6%, unless the participant makes a contrary decision. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants may elect to contribute, on a salary-deferral basis, amounts of their annual compensation not to exceed the maximum amount allowed by law. The Company contributes a safe harbor match in an amount equal to 100% of the first 3% of Plan compensation plus 50% of the amount contributed between 3% and 5%. Participants are immediately 100% vested in safe harbor matching contributions. The Company, at its discretion, may contribute an additional matching contribution and/or share of its current and/or accumulated net profits to the Plan as determined at the sole discretion of the Company. Discretionary matching and profit sharing contributions are subject to the vesting provisions outlined below. During the years ended December 31, 2024 and 2023, no discretionary contributions were made by the Company.

Participant Accounts

Each participant's account is credited with the participant's contribution, safe harbor matching contribution, discretionary matching contribution, an allocation of the Company's discretionary profit sharing contribution, and the Plan earnings and losses and administrative expenses. Allocations of the Plan's earnings and losses are based on each participant's earnings and losses to their individual accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in their voluntary contributions and safe harbor matching contributions plus actual earnings thereon. A participant becomes vested in employer discretionary contributions as follows:

Years of Service	Vested Percentage of Employer Discretionary Contributions
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN (continued)

Payment of Benefits

Benefits are payable in an amount equal to the value of the participant's vested interest in his or her account in a lump-sum payment.

Forfeitures

If a participant is not vested upon termination, the nonvested portion of their account balance contributed by the employer and the earnings thereon are forfeited. Forfeited amounts are first used to pay plan expenses and then to reduce employer contributions. The balance of forfeiture assets for the years ended December 31, 2024 and 2023 were \$1,183 and \$250, respectively. No amounts were utilized from the forfeiture accounts to pay plan expenses or reduce employer contributions during the years ended December 31, 2024 and 2023.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their accounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

NOTE C - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEES

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments held as of December 31, 2024 and 2023, and net appreciation in fair value of investments and interest and dividends for the years then ended was obtained by management and agreed to or derived from information certified as complete and accurate by the Plan's trustee, Fidelity Management Trust Company.

NOTE D - FAIR VALUE MEASUREMENTS

Financial accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2 fair value inputs are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly. Observable inputs include quoted market prices in active markets for similar assets, quoted prices in markets that are not active for identical or similar assets and other market observable inputs such as interest rate, credit spread and foreign currency exchange rates observable in the marketplace or derived from market transactions.

Level 3 fair values are based on at least one significant unobservable input for the asset. Level 3 securities contain unobservable market inputs and as a result considerable judgment may be used in determining the fair values.

Certain investments are measured at fair value using the net asset value (NAV) per share, or its equivalent, as a practical expedient. These investments include commingled funds which may include money market funds, common collective trusts and pooled separate accounts which are typically valued using the NAV provided by the administrator of the fund. The Plan assets include common collective trusts. In accordance with accounting guidance, these investments have not been classified in the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at quoted market prices on the last business day of the Plan year.

Common collective trust: Units held in collective investment trusts are valued using the NAV of the fund, as a practical expedient. The NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The NAV of a collective investment fund is calculated based on a compilation of primarily observable market information. The number of units of the fund that are outstanding on the calculation date is derived from observable purchase and redemption activity in the fund.

NOTE D - FAIR VALUE MEASUREMENTS (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023 on a recurring basis:

**Assets Measured at Fair Value at December 31, 2024 on a
Recurring Basis**

	Level 1	Level 2	Level 3	Total
Investments measured at fair value:				
Mutual funds	\$ 9,613,251	\$ -	\$ -	\$ 9,613,251

Investment at net asset value:

Total				<u>\$ 9,930,132</u>

**Assets Measured at Fair Value at December 31, 2023 on a Recurring
Basis**

	Level 1	Level 2	Level 3	Total
Investments measured at fair value:				
Mutual funds	\$ 6,880,340	\$ -	\$ -	\$ 6,880,340
Subtotal investments at fair value	<u>6,880,340</u>	<u>-</u>	<u>-</u>	<u>6,880,340</u>
Investment at net asset value:				
Common collective trust				413,227
Total				<u>\$ 7,293,597</u>

None of the common collective trusts are currently subject to withdrawal limitations. Unfunded commitments typically are found in private equity funds and therefore not applicable to common collective trusts or mutual funds. Common collective trusts can be redeemed on a daily basis.

NOTE E - TAX STATUS

The Internal Revenue Service issued an opinion letter dated June 30, 2020, indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code. Although the Plan has been amended from the original prototype document, Plan management believes that the Plan is currently being operated in accordance with the Internal Revenue Code.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

Certain parties provide services or have fiduciary responsibilities to the Plan, including the Plan Sponsor. These services are parties-in-interest transactions. The Plan also invested in certain mutual funds which are owned and managed by the Trustee. These transactions also qualify as party-in-interest transactions.

NOTE G - RISKS AND UNCERTAINTIES

The Plan provides various investment options which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H - SUBSEQUENT EVENTS

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 1, 2025, which is the date the financial statements were available to be issued.

REPORT OF INDEPENDENT AUDITORS

PLAN ADMINISTRATOR
LIVE EVENTS HOLDINGS 401(K) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Live Events Holdings 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Live Events Holdings 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Live Events Holdings 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Live Events Holdings 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Live Events Holdings 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Live Events Holdings 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to, or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Live Events Holdings 401(k) Plan NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN

The following description of Live Events Holdings (the "Company") 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all hourly and salaried employees of the Company. Employees must be at least 21 years of age and have at least three months of service to participate. Once an employee meets the eligibility requirements, the employee is automatically enrolled in the Plan and 2% of the employees' compensation is automatically withheld ("automatic deferral provision") each payroll unless the employee makes a contrary election. Participants' elective deferrals are also increased by 1% at the beginning of each plan year up to a maximum deferral of 6%, unless the participant makes a contrary decision. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants may elect to contribute, on a salary-deferral basis, amounts of their annual compensation not to exceed the maximum amount allowed by law. The Company contributes a safe harbor match in an amount equal to 100% of the first 3% of Plan compensation plus 50% of the amount contributed between 3% and 5%. Participants are immediately 100% vested in safe harbor matching contributions. The Company, at its discretion, may contribute an additional matching contribution and/or share of its current and/or accumulated net profits to the Plan as determined at the sole discretion of the Company. Discretionary matching and profit sharing contributions are subject to the vesting provisions outlined below. During the years ended December 31, 2024 and 2023, no discretionary contributions were made by the Company.

Participant Accounts

Each participant's account is credited with the participant's contribution, safe harbor matching contribution, discretionary matching contribution, an allocation of the Company's discretionary profit sharing contribution, and the Plan earnings and losses and administrative expenses. Allocations of the Plan's earnings and losses are based on each participant's earnings and losses to their individual accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in their voluntary contributions and safe harbor matching contributions plus actual earnings thereon. A participant becomes vested in employer discretionary contributions as follows:

Years of Service	Vested Percentage of Employer Discretionary Contributions
Less than 2	0%
2	20%
3	40%

Live Events Holdings 401(k) Plan
NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN (continued)

Payment of Benefits

Benefits are payable in an amount equal to the value of the participant's vested interest in his or her account in a lump-sum payment.

Forfeitures

If a participant is not vested upon termination, the nonvested portion of their account balance contributed by the employer and the earnings thereon are forfeited. Forfeited amounts are first used to pay plan expenses and then to reduce employer contributions. The balance of forfeiture assets for the years ended December 31, 2024 and 2023 were \$1,183 and \$250, respectively. No amounts were utilized from the forfeiture accounts to pay plan expenses or reduce employer contributions during the years ended December 31, 2024 and 2023.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their accounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

NOTE C - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEES

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments held as of December 31, 2024 and 2023, and net appreciation in fair value of investments and interest and dividends for the years then ended was obtained by management and agreed to or derived from information certified as complete and accurate by the Plan's trustee, Fidelity Management Trust Company.

NOTE D - FAIR VALUE MEASUREMENTS

Financial accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2 fair value inputs are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly. Observable inputs include quoted market prices in active markets for similar assets, quoted prices in markets that are not active for identical or similar assets and other market observable inputs such as interest rate, credit spread and foreign currency exchange rates observable in the marketplace or derived from market transactions.

Level 3 fair values are based on at least one significant unobservable input for the asset. Level 3 securities contain unobservable market inputs and as a result considerable judgment may be used in determining the fair values.

Certain investments are measured at fair value using the net asset value (NAV) per share, or its equivalent, as a practical expedient. These investments include commingled funds which may include money market funds, common collective trusts and pooled separate accounts which are typically valued using the NAV provided by the administrator of the fund. The Plan assets include common collective trusts. In accordance with accounting guidance, these investments have not been classified in the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at quoted market prices on the last business day of the Plan year.

Common collective trust: Units held in collective investment trusts are valued using the NAV of the fund, as a practical expedient. The NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The NAV of a collective investment fund is calculated based on a compilation of primarily observable market information. The number of units of the fund that are outstanding on the calculation date is derived from observable purchase and redemption activity in the fund.

NOTE D - FAIR VALUE MEASUREMENTS (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023 on a recurring basis:

**Assets Measured at Fair Value at December 31, 2024 on a
Recurring Basis**

	Level 1	Level 2	Level 3	Total
Investments measured at fair value:				
Mutual funds	\$ 9,613,251	\$ -	\$ -	\$ 9,613,251
Subtotal investments at fair value	<u>9,613,251</u>	<u>-</u>	<u>-</u>	<u>9,613,251</u>
Investment at net asset value:				
Common collective trust				316,881
Total				<u>\$ 9,930,132</u>

**Assets Measured at Fair Value at December 31, 2023 on a Recurring
Basis**

	Level 1	Level 2	Level 3	Total
Investments measured at fair value:				
Mutual funds	\$ 6,880,340	\$ -	\$ -	\$ 6,880,340
Subtotal investments at fair value	<u>6,880,340</u>	<u>-</u>	<u>-</u>	<u>6,880,340</u>
Investment at net asset value:				
Common collective trust				413,227
Total				<u>\$ 7,293,597</u>

None of the common collective trusts are currently subject to withdrawal limitations. Unfunded commitments typically are found in private equity funds and therefore not applicable to common collective trusts or mutual funds. Common collective trusts can be redeemed on a daily basis.

NOTE E - TAX STATUS

The Internal Revenue Service issued an opinion letter dated June 30, 2020, indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code. Although the Plan has been amended from the original prototype document, Plan management believes that the Plan is currently being operated in accordance with the Internal Revenue Code.

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

Certain parties provide services or have fiduciary responsibilities to the Plan, including the Plan Sponsor. These services are parties-in-interest transactions. The Plan also invested in certain mutual funds which are owned and managed by the Trustee. These transactions also qualify as party-in-interest transactions.

NOTE G - RISKS AND UNCERTAINTIES

The Plan provides various investment options which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H - SUBSEQUENT EVENTS

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 1, 2025, which is the date the financial statements were available to be issued.

REPORT OF INDEPENDENT AUDITORS

PLAN ADMINISTRATOR
LIVE EVENTS HOLDINGS 401(K) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Live Events Holdings 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Live Events Holdings 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Live Events Holdings 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Live Events Holdings 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Live Events Holdings 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Live Events Holdings 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to, or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Live Events Holdings 401(k) Plan NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN

The following description of Live Events Holdings (the "Company") 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all hourly and salaried employees of the Company. Employees must be at least 21 years of age and have at least three months of service to participate. Once an employee meets the eligibility requirements, the employee is automatically enrolled in the Plan and 2% of the employees' compensation is automatically withheld ("automatic deferral provision") each payroll unless the employee makes a contrary election. Participants' elective deferrals are also increased by 1% at the beginning of each plan year up to a maximum deferral of 6%, unless the participant makes a contrary decision. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants may elect to contribute, on a salary-deferral basis, amounts of their annual compensation not to exceed the maximum amount allowed by law. The Company contributes a safe harbor match in an amount equal to 100% of the first 3% of Plan compensation plus 50% of the amount contributed between 3% and 5%. Participants are immediately 100% vested in safe harbor matching contributions. The Company, at its discretion, may contribute an additional matching contribution and/or share of its current and/or accumulated net profits to the Plan as determined at the sole discretion of the Company. Discretionary matching and profit sharing contributions are subject to the vesting provisions outlined below. During the years ended December 31, 2024 and 2023, no discretionary contributions were made by the Company.

Participant Accounts

Each participant's account is credited with the participant's contribution, safe harbor matching contribution, discretionary matching contribution, an allocation of the Company's discretionary profit sharing contribution, and the Plan earnings and losses and administrative expenses. Allocations of the Plan's earnings and losses are based on each participant's earnings and losses to their individual accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in their voluntary contributions and safe harbor matching contributions plus actual earnings thereon. A participant becomes vested in employer discretionary contributions as follows:

Years of Service	Vested Percentage of Employer Discretionary Contributions
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Live Events Holdings 401(k) Plan
NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN (continued)

Payment of Benefits

Benefits are payable in an amount equal to the value of the participant's vested interest in his or her account in a lump-sum payment.

Forfeitures

If a participant is not vested upon termination, the nonvested portion of their account balance contributed by the employer and the earnings thereon are forfeited. Forfeited amounts are first used to pay plan expenses and then to reduce employer contributions. The balance of forfeiture assets for the years ended December 31, 2024 and 2023 were \$1,183 and \$250, respectively. No amounts were utilized from the forfeiture accounts to pay plan expenses or reduce employer contributions during the years ended December 31, 2024 and 2023.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their accounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

Live Events Holdings 401(k) Plan
NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE C - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEES

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments held as of December 31, 2024 and 2023, and net appreciation in fair value of investments and interest and dividends for the years then ended was obtained by management and agreed to or derived from information certified as complete and accurate by the Plan's trustee, Fidelity Management Trust Company.

NOTE D - FAIR VALUE MEASUREMENTS

Financial accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2 fair value inputs are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly. Observable inputs include quoted market prices in active markets for similar assets, quoted prices in markets that are not active for identical or similar assets and other market observable inputs such as interest rate, credit spread and foreign currency exchange rates observable in the marketplace or derived from market transactions.

Level 3 fair values are based on at least one significant unobservable input for the asset. Level 3 securities contain unobservable market inputs and as a result considerable judgment may be used in determining the fair values.

Certain investments are measured at fair value using the net asset value (NAV) per share, or its equivalent, as a practical expedient. These investments include commingled funds which may include money market funds, common collective trusts and pooled separate accounts which are typically valued using the NAV provided by the administrator of the fund. The Plan assets include common collective trusts. In accordance with accounting guidance, these investments have not been classified in the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at quoted market prices on the last business day of the Plan year.

Common collective trust: Units held in collective investment trusts are valued using the NAV of the fund, as a practical expedient. The NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The NAV of a collective investment fund is calculated based on a compilation of primarily observable market information. The number of units of the fund that are outstanding on the calculation date is derived from observable purchase and redemption activity in the fund.

NOTE D - FAIR VALUE MEASUREMENTS (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023 on a recurring basis:

**Assets Measured at Fair Value at December 31, 2024 on a
Recurring Basis**

	Level 1	Level 2	Level 3	Total
Investments measured at fair value:				
Mutual funds	\$ 9,613,251	\$ -	\$ -	\$ 9,613,251
Subtotal investments at fair value	<u>9,613,251</u>	<u>-</u>	<u>-</u>	<u>9,613,251</u>
Investment at net asset value:				
Common collective trust				316,881
Total				<u>\$ 9,930,132</u>

**Assets Measured at Fair Value at December 31, 2023 on a Recurring
Basis**

	Level 1	Level 2	Level 3	Total
Investments measured at fair value:				
Mutual funds	\$ 6,880,340	\$ -	\$ -	\$ 6,880,340
Subtotal investments at fair value	<u>6,880,340</u>	<u>-</u>	<u>-</u>	<u>6,880,340</u>
Investment at net asset value:				
Common collective trust				413,227
Total				<u>\$ 7,293,597</u>

None of the common collective trusts are currently subject to withdrawal limitations. Unfunded commitments typically are found in private equity funds and therefore not applicable to common collective trusts or mutual funds. Common collective trusts can be redeemed on a daily basis.

NOTE E - TAX STATUS

The Internal Revenue Service issued an opinion letter dated June 30, 2020, indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code. Although the Plan has been amended from the original prototype document, Plan management believes that the Plan is currently being operated in accordance with the Internal Revenue Code.

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

Certain parties provide services or have fiduciary responsibilities to the Plan, including the Plan Sponsor. These services are parties-in-interest transactions. The Plan also invested in certain mutual funds which are owned and managed by the Trustee. These transactions also qualify as party-in-interest transactions.

NOTE G - RISKS AND UNCERTAINTIES

The Plan provides various investment options which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H - SUBSEQUENT EVENTS

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 1, 2025, which is the date the financial statements were available to be issued.
