INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Galleria Stone and Tile 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Galleria Stone and Tile 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 (as restated) and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023 (as restated), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year ended December 31, 2023 (as restated), stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Restatement of Financial Statements

As discussed in Note 9 to the financial statements, the accompanying financial statements as of and for the year ended December 31, 2023 have been restated to reflect the transfer of net assets to another plan due to a merger that occurred at year-end. The restatement resulted in a reduction of net assets available for benefits to zero as of December 31, 2023. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GALLERIA STONE AND TILE 401(K) PLAN

Notes to Financial Statements

December 31, 2023 (as restated) and 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Galleria Stone and Tile 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan established for the benefit of eligible employees of the participating Companies ("Company" or "Employer"). All employees of the Company who have completed sixty consecutive days of service are eligible to participate, provided they are at least 18 years of age. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions - Participants may elect to make pre-tax contributions equal to any whole dollar amount or whole percentage of his/her compensation, up to 100% of compensation. The contribution may not exceed the amount specified in Section 402(g)(5) of the Internal Revenue Code ("IRC"), as indexed for inflation. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate, with a default deferral rate set to 3% of eligible compensation. The Plan allows certain catch-up contributions if the participant is age 50 or over. The Plan provides for a discretionary matching contribution by the Company as specified by resolution of the Board of Directors each Plan year. The Company may also contribute a discretionary amount, which amount shall be deemed an Employer's non-elective contribution. There were no Employer contributions made to the Plan for the year ended December 31, 2023.

The Plan also has a Roth 401(k) investment option which allows participants to elect to designate all or a portion of their annual compensation, subject to the maximum limitation as defined in the IRC, as an after-tax contribution. The Roth 401(k) contributions are invested separately in funds selected by the participant. The participants' Roth 401(k) account balances and earnings thereon may be withdrawn tax-free subject to the provisions of the Plan document, as revised.

Participant Accounts - Each participant's account is credited with the participant's contribution, the Company's contributions, if applicable, and an allocation of Plan earnings and charged with an allocation of administrative expenses. Earnings allocations are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their voluntary pre-tax and after-tax contributions plus actual earnings thereon. Participants are fully vested in their account balances upon attaining their normal retirement date while in active service of the Company or upon the termination of credited services as a result of death or disability. Otherwise, vesting on the discretionary contributions and the matching contributions are determined on years of service based on the following vesting schedule:

<u>Vesting Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

A participant must complete 1,000 hours of service during a Plan year to be credited with a year of service.

GALLERIA STONE AND TILE 401(K) PLAN

Notes to Financial Statements

December 31, 2023 (as restated) and 2022

NOTE 1 - DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants - Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or one-half of the vested portion of their account balance. The Plan provides for a \$1,000 minimum loan requirement. A participant may have up to two loans outstanding at any time. Loan terms range from one to five years, or longer if used for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with prevailing rates. The notes currently bear interest at rates between 4.25% and 9.50% at December 31, 2023 and between 4.25% and 6.50% at December 31, 2022. Principal and interest is paid ratably in payments made no less frequently than quarterly through payroll deductions.

Payment of Benefits - On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the vested interest in his or her account by way of lump-sum distribution. If the value of the terminated participant's vested benefit exceeds \$1,000 but does not exceed \$5,000, the entire vested benefit may be paid to the participant by a direct rollover to an individual retirement account.

Investment Elections - Upon enrollment in the Plan, a participant may direct contributions among investment options in increments of one percent. Participants may change their investment choices at any time.

Forfeited Accounts - At both December 31, 2023 and 2022, forfeited nonvested accounts totaled \$18. These accounts can be used to pay administrative expenses or to reduce Employer contributions. For the year ended December 31, 2023, no administrative expenses were reduced by forfeited nonvested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative Expenses - Expenses incurred by the custodian and trustees with regard to the management of the Plan assets are paid for by the Plan. The Company pays for other expenses, such as administrative and accounting fees. Certain investment related expenses are included in net appreciation in fair value of investments.

Payment of Benefits - Benefits are recorded when paid.

Subsequent Events - The Plan has evaluated subsequent events occurring between December 31, 2023 and October 3, 2025, the date the financial statements were available to be issued, and has determined that there are no material events that require disclosure in the financial statements, except as disclosed in Note 9.

NOTE 3 - CERTIFIED INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments, at fair value and notes receivable from participants held at December 31, 2022, and net appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants for the year ended December 31, 2023 (as restated), was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Capital Bank and Trust Company (the custodian of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability;

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 or 2022.

Registered Investment Companies (Mutual Funds) - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund - Valued at the daily closing price as reported by the fund. The money market fund held by the Plan is an open-end fund that is registered with the Securities and Exchange Commission. The fund is required to publish its daily NAV and to transact at that price, which approximates \$1. The money market fund held by the Plan is deemed to be actively traded.

The following presents by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31,:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Assets:				
Mutual funds	\$ 4,229,117	\$ -	\$ -	\$ 4,229,117
Money market fund	82,807	-	-	82,807
Total	<u>\$ 4,311,924</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,311,924</u>

NOTE 5 - TAX STATUS

On March 31, 2014, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualifies under Section 401(a) of the IRC. Although the Plan has not received a determination letter specific to the Plan itself, and the Plan has since been amended, the Plan administrator believes that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is as least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Plan assets include investments managed by Capital Bank and Trust Company, an affiliate of American Funds. Capital Bank and Trust Company is the Plan's custodian and, as such, transactions with the custodian qualify as party-in-interest transactions. Assets invested in the American Funds at 2022 totaled \$4,311,924,. Total fees paid to Capital Bank and Trust Company by the Plan for administrative expenses were \$2,515 for the year ended December 31, 2023, and are also considered exempt party-in-interest transactions. The Company pays directly any other fees related to the Plan's operations.

The plan provides for loans to participants. Transactions in such investments qualify as party-in-interest transactions as defined by ERISA.

NOTE 8 – PLAN MERGER AND RESTATEMENT OF FINANCIAL STATEMENTS

Subsequent to the issuance of the original financial statements, management became aware that the Plan had merged into Choice Pooled Employer Plan I, another qualified retirement plan effective December 31, 2023. As a result of the merger, all assets and liabilities of the Plan were transferred to the successor plan. Although the actual transfer of assets occurred subsequent to year-end, the merger was legally effective as of December 31, 2023.

The original financial statements did not reflect this transaction. Accordingly, the financial statements as of and for the year ended December 31, 2023 have been restated to reflect the transfer of net assets out of the Plan and the reduction of the Plan's net assets available for benefits to zero as of year-end. The transfer was completed in March 2024, and all participant account balances were fully transferred to the successor plan.

This restatement had no impact on participant account balances or benefits, as all assets were transferred in full to the successor plan. Management has evaluated the restatement and determined it to be necessary to fairly present the financial position of the Plan as of December 31, 2023.
