REPORT OF INDEPENDENT AUDITORS

PLAN ADMINISTRATOR
THOMAS STEEL STRIP CORPORATION
SUPPLEMENTAL UNEMPLOYMENT BENEFIT PLAN

Opinion on the 2024 Financial Statements

We have audited the accompanying financial statements of Thomas Steel Strip Corporation Supplemental Unemployment Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Thomas Steel Strip Corporation Supplemental Unemployment Benefit Plan as of December 31, 2024, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of Thomas Steel Strip Corporation Supplemental Unemployment Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Thomas Steel Strip Corporation Supplemental Unemployment Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is

higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Thomas Steel Strip Corporation Supplemental Unemployment Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Thomas Steel Strip Corporation Supplemental Unemployment Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Financial Statements

We performed an audit of the 2023 financial statements of Thomas Steel Strip Corporation Supplemental Unemployment Benefit Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, our audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. In our report dated October 3, 2024, we indicated that in our opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Thomas Steel Strip Corporation Supplemental Unemployment Benefit Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE A – DESCRIPTION OF PLAN

The following description of Thomas Steel Strip Corporation Supplemental Unemployment Benefit Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

In connection with a negotiated contract, the Supplemental Unemployment Benefit Plan (the "Plan") for employees of Thomas Steel Strip Corporation (the "Company"), established pursuant to agreement with United Steelworkers of America, provides payment of supplemental unemployment to eligible employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974.

Funding

The amount of the required contribution is determined by the asset value of the Plan and the number of hours worked by union employees during the period.

Payment of Benefits

Benefits are payable to eligible employees. To be eligible, an employee must meet certain service requirements and the layoff must be qualified under the Union Agreement. The amount of the weekly benefit is a function of the employee's compensation, number of dependents, state unemployment benefits to which the employee is eligible and other provisions of the Plan, including a specified maximum benefit. The benefit period varies with the "credit units" earned by the employee and the asset value of the Plan.

Plan Termination

Pursuant to the Union Agreements, either party may serve written notice of termination of the Plan. The Plan shall remain in effect until the expiration of 120 days after the service of such notice. Upon termination of the Plan, the assets then remaining in the Fund, the collateral liability, and additional collateral liability shall be used until exhausted to pay benefits to employees in order of their entitlement.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Contributions

Contributions from the Company are accrued based on provisions of the Agreement on Supplemental Unemployment Benefits. These contributions are not required to be funded by the Company until benefits are payable. Due to the contingent nature of this asset/liability, no contributions are required for the years ended December 31, 2024 and 2023.

Payment of Benefits

Benefits are recorded when paid.
