INDEPENDENT AUDITORS' REPORT

Plan Administrator
RBC U.S.A. Health and Welfare Benefit Plan
Minneapolis, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the RBC U.S.A. Health and Welfare Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of RBC U.S.A. Health and Welfare Benefit Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of RBC U.S.A. Health and Welfare Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the RBC U.S.A. Health and Welfare Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the RBC U.S.A. Health and Welfare Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the RBC U.S.A. Health and Welfare Benefit Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Part 4, Line 4j – Schedule of Reportable Transactions as of and for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RBC U.S.A. HEALTH AND WELFARE BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2024 AND 2023

DESCRIPTION OF THE PLAN

The following description of the RBC U.S.A. Health and Welfare Benefit Plan (the “Plan”) is provided for general information purposes only. RBC USA Holdco Corporation (“RBC”) is the principal sponsor of the Plan. Participants should refer to the Plan document for complete information regarding the Plan’s definitions, benefits, eligibility, and other matters.

General Information and Eligibility — The Plan is a self-insured employee welfare benefit plan that provides medical, pharmacy and dental benefits to eligible employees and former employees (exclusive of retirees) of U.S. subsidiaries of Royal Bank of Canada (the “Employer”) covered under the Consolidated Omnibus Budget Reconciliation Act (COBRA). Eligibility requirements are the same for all U.S. subsidiaries. In general, all full-time employees are able to participate in the Plan. Part-time employees are generally eligible if they work at least a specified number of hours. Coverage for spouses, dependents, and domestic partners is also available at the option of the participant. Terminated previously eligible employees (exclusive of retirees) are eligible to participate under COBRA and pay the full benefit cost.

The Plan’s administrator is the RBC USA Pensions and Benefits Committee (the “Administrator”). The Plan’s trustee is Comerica Bank and Trust, N.A. (the “Trustee”).

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan was restated effective January 1, 2023. ERISA plan documents are subject to an update every six years per the IRS requirements to reflect recent legislative and regulatory changes. This restatement was done to remain in compliance with those laws and regulations.

Contributions — The Employer charges a portion of the cost of coverage to the participant. The amount charged varies based on the health coverage elected, level of employee and/or dependent coverage, tobacco usage and compensation level. The dollar range for employee contributions is \$5 to \$3,079 per month. Any difference between the cost of coverage and the portion of the cost that is charged to the participant is funded by the Employer by making contributions to the Trust from the general assets of the Employer and any deficiency of the Plan’s net assets over benefit obligation is funded by the Employer on a pay-as-you-go basis. The Employer is not contractually obligated to continue contributions to the Plan and reserves the right to reduce, suspend, or discontinue any or all employer contributions at any time and for any reason. Former employees (excluding retirees) who are no longer on the payroll but are qualified to receive benefits or eligible dependents who are qualified to receive benefits, and who are responsible for contributions, make such contributions in the amount and manner directed by the US Pension and Benefits Team (the “Team”). Participants are not entitled to any refunds, rebates, discounts, or other arrangements based on the actual cost of providing benefits under the Plan.

The Employer has established a VEBA as a funding vehicle for the benefit program under the Plan within the meaning of Section 501(c)(9) of the Internal Revenue Code (IRC). The Team has the

authority to establish administrative rules with respect to the funding and payment of benefits from the VEBA.

Interest Bearing Cash— The Plan deposits contributions in a Comerica Business Money Market Investment Account (the “Account”) which is interest bearing. The Account is a deposit product which offers a fixed interest rate, and the interest is calculated daily and credited to the Plan’s account monthly. Interest income is automatically reinvested into the Account. The Plan allows for access with no limitations on the number or size of deposits.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting — The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) on an accrual basis of accounting.

Use of Estimates — The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, claims incurred but not reported (IBNR), claims payable, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from these estimates. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would-be material to the financial statements.

Payment of Benefits — Claims payments are recorded when paid by the third-party claims processor. These payments are recorded as claims paid in the accompanying Statement of Changes in Net Assets Available for Benefits.

Income Recognition — Interest income is recorded on an accrual basis.

Administrative Expenses — Administrative expenses represent costs that are incurred directly by the Plan and are paid by the Plan through the Trust. Administrative expenses mainly relate to charges to the Plan by claims administrators Blue Cross Blue Shield of Minnesota, Express Scripts, and Delta Dental (collectively, the “Claims Administrators”). All other administrative expenses, such as professional fees, are paid by the Trust on behalf of the Plan. Included in administrative expenses is stop loss insurance through Blue Cross Blue Shield.

Stop Loss Coverage — The Plan maintains a stop-loss insurance policy as a supplement to its self-insured provisions. The policy covers payments on behalf of eligible participants for allowable benefits that exceed \$1,000,000 per person per policy year with no annual exclusions. After a covered individual reaches \$1,000,000 in claims, the stop loss insurance reimburses the Plan for claims paid above that amount. The 2024 stop-loss reimbursement from the insurance was \$1,782,656, \$1,317,322 of that amount was received in 2024 and netted with total medical benefits claims reported this year. The remaining \$465,334 of the amount is recorded as a Stop-Loss Receivable as of year-end. In 2023 there were no single participant total claims that exceeded \$1,000,000.

Self-insured Benefits — All Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan’s third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Plan’s VEBA Trust. Despite the Plan’s utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan. The Plan

utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Risks and Uncertainties — Plan obligations on December 31 for claims incurred but not reported are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrators and dependent on certain assumptions pertaining to inflation rates, interest rates, and employee demographics. These amounts are paid by the Plan only if claims are submitted and approved for payment. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions will occur in the near term and, due to the uncertainties inherent in setting assumptions, that the effect on such changes could be material to the financial statements.

Claims Paid and Rebates — Claims are recorded when paid by the Trust. Pharmacy claims paid are partially offset by rebates received and receivable from the Claims Administrators during the year. The total pharmacy rebates received in 2024 were \$13,569,483 and were netted against the pharmacy claims paid in the statement of changes in net assets available for benefits. \$6,932,960 out of these rebates relate to 2024 activity rebates. Rebates receivable as of December 31, 2024, and 2023, were \$7,945,848 and \$6,636,523, respectively.

2. CLAIMS INCURRED BUT NOT REPORTED

The Plan's liability for its incurred but not reported (IBNR) claims is estimated using actuarial methods that use historical trend information and information provided by health benefits vendors. Changes in the estimate related to prior periods, resulting from more complete claim information identified in the current period, are included in the total claims paid reported for the current period. The health care cost trend rates were then applied to paid claims amounts to estimate claims incurred but not reported at year-end. The health care cost trend rates for the year ended December 31, 2024, were 6.5%, 3.0%, and 11.0% and for the year ended December 31, 2023 were 6.5%, 3.0% and 10.0% for medical, dental, and pharmacy claims, respectively. Total obligations at December 31, 2024 for claims incurred but not reported are estimated at \$22,034,148.

3. INFORMATION CERTIFIED BY THE TRUSTEE

The following is a summary of the unaudited information regarding the Plan's investment balances and related information as of December 31, 2024, and 2023, and for the year ended December 31, 2024. All investment balances and investment information included in the Plan's financial statements, notes to financial statements and supplemental schedules, that were derived from information prepared by Comerica Bank and Trust, N.A., the Trustee of the Plan, and furnished to the Plan administrator are certified, accurate and complete.

Accrued interest receivable	481	40,652
Statements of changes in net assets available for benefits:		
Interest income	23,308	284,129

4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. The investment committee determines the Plan's valuation policies. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to the unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Observable inputs such as unadjusted quoted prices in active markets.

Level 2 – Inputs, other than quoted prices in active markets, that are observable either directly or indirectly; and

Level 3 - Unobservable inputs where there is little or no market data, which requires the reporting entity to develop its own assumptions.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation Techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following valuation methodologies have been used to value the Plan's investments:

Money Market Fund

The money market fund is valued at quoted prices reported in active markets.

The following tables set forth by Level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024

Total assets at fair value	\$ 10,193,787	\$ -	\$ -	\$ 10,193,787

5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's deposit in the Comerica Business Money Market Investment Account is with Comerica Bank and Trust, N.A., who is the Trustee as defined by the Plan, and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for the administrative services were \$9,136 for the year ended December 31, 2024. As of December 31, 2024, and 2023 there were \$2,165 and \$1,936 respectively, fees still payable and included in other payables in the statements of net assets available for benefits. The Plan also pays expenses for claims administration to Blue Cross Blue Shield of Minnesota, Express Scripts, and Delta Dental. The administrative expenses paid to each of these health benefits administrators were \$5,638,737, \$627,104 and \$375,717, respectively, for the year ended December 31, 2024.

6. FEDERAL TAX STATUS

The Trust established under the Plan to hold the Plan's assets is intended to qualify for tax exemption pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC), and accordingly, the Trust's net investment income is exempt from income taxes. The Trust has obtained an exemption letter from the Internal Revenue Service dated March 25, 2004, stating that the Trust is tax exempt. The Plan sponsor believes that the Trust, as amended, continues to qualify and to operate in accordance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions as well as to amend and terminate the Plan subject to the provisions set forth in ERISA. In the event of termination, the Employer will contribute the necessary amounts to fund and pay all claims incurred prior to the termination of the Plan.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500

A reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2024, and 2023 is as follows:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 20,409,461	\$ 16,331,413
Benefit obligations currently payable	<u>(22,043,148)</u>	<u>(16,380,000)</u>
Net assets available for benefits per the Form 5500	<u>\$ (1,633,687)</u>	<u>\$ (48,587)</u>

The following is a reconciliation of benefits paid for participants per the financial statements to the Form 5500:

	<u>2024</u>
Benefits paid for participants per the financial statements	\$184,718,577
Add: Amounts payable - December 31, 2024	22,043,148
Less: Amounts payable - December 31, 2023	<u>(16,380,000)</u>
Benefits paid for participants per the Form 5500	<u>\$190,381,725</u>

Amounts currently payable on behalf of participants are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to December 31, 2024 but not yet paid as of that date and IBNR estimates.

9. SUBSEQUENT EVENTS

Management has evaluated all subsequent events or transactions for potential recognition or disclosure through October 08, 2025, the date the financial statements were available to be issued and has determined that except for the information discussed below there are no subsequent events requiring adjustments to or disclosure in the financial statements.
