INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
Michael Lewis Company 401(k) Plan
McCook, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Michael Lewis Company 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Michael Lewis Company 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in the Information Prepared and Certified by Custodian note to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Michael Lewis Company 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Michael Lewis Company 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Michael Lewis Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Michael Lewis Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MICHAEL LEWIS COMPANY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

DESCRIPTION OF PLAN

The following description of the Michael Lewis Company ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General - The Plan is a defined contribution plan with 401(k) provisions covering all full-time non-union employees of the Company and related entity, MLCo Integrated Logistics LLC, who have completed 250 hours of service within three consecutive months from the initial date of employment and are twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustees are responsible for oversight of the Plan, and they determine the appropriateness of the Plan's investment offerings and monitor investment performance.
2. Contributions - Each year, participants over 21 years old may contribute to the Plan on a pre-tax basis and/or after-tax Roth basis. Contributions are subject to certain maximum limitations imposed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. New hires are automatically enrolled in the Plan, when eligible, and deferrals into the Plan begin to be deducted on a pre-tax basis at a rate of 6% from the eligible participant's compensation. Effective January 1, 2022, the Company makes a safe harbor matching contribution and may elect to make discretionary profit sharing contributions. All 401(k) contributions are participant directed and invested in an assortment of mutual funds and a collective trust fund.
3. Participants' Accounts - Each active participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) Plan earnings and charged with an allocation of administrative expenses and (c) forfeitures of terminated participants' non-vested accounts. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. Investment Options - Upon enrollment in the Plan, each participant directs the investment of all amounts allocated to their account based on the list of investment alternatives available under the Plan.
5. Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. The employer safe harbor matching contributions are immediately vested. Vesting in the Company's matching and profit sharing contributions that are not safe harbor plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.
6. Notes Receivable From Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50%

DESCRIPTION OF PLAN (Continued):

of their vested account balance. Loans provide for periodic repayment over a period of five years or less unless the loan is in connection with the participant's principal residence. The interest rates and types of collateral required are contained in the Plan document. Principal and interest is paid ratably through periodic payroll deductions or by check. All interest paid with respect to these loans is credited to the participant's individual account. Any loss or expense associated with the loan is borne by the participant.

7. Payment of Benefits - Upon eligibility for benefits, the participant may elect one of several methods to distribute the value of a participant's vested account balance, as defined by the Plan. Benefits are recorded when paid. As of December 31, 2024 and 2023, the vested but unpaid balances of terminated participants amounted to \$2,933,262 and \$2,494,639, respectively.
8. Forfeited Accounts - There were no forfeited funds at December 31, 2024 and 2023. At the Plan Administrator's discretion, forfeitures may be used to offset Plan administration expenses or to reduce the employer's contributions to the Plan.
9. Administrative Expenses - Investment management services and expenses related to the administration of the Plan are substantially paid by the Plan. The Company absorbs a portion of these expenses.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those assumptions and estimates.

Investment Valuation and Income Recognition:

Shares of mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The collective trust fund is measured using the NAV practical expedient of the collective trust fund as reported by the fund's managers. The NAV practical expedient is based on the fair value of the

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Investment Valuation and Income Recognition (Continued):

underlying assets owned by the collective trust fund, less the liabilities, and divided by the number of units outstanding.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on an accrual basis and dividends are recorded on the ex-dividend date.

The Plan presents, in the Statements of Changes in Net Assets Available for Benefits, the net appreciation in the fair value of its investments, which consists of the realized gains and the unrealized gains of those investments. Investment related expenses are included in net appreciation of fair value of investments.

Notes Receivable from Participants:

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

FAIR VALUE MEASUREMENTS

Accounting principles generally accepted in the United States of America have established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- Quoted prices for similar assets in active markets;
 - Quoted prices for identical or similar assets in inactive markets;
 - Inputs other than quoted prices that are observable for the asset;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset.

MICHAEL LEWIS COMPANY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

FAIR VALUE MEASUREMENTS (Continued):

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. See the *Summary of Significant Accounting Policies* note for a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2024 and 2023.

The valuation methods described in the *Summary of Significant Accounting Policies* note may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

| | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u> |
|---|----------------|----------------|----------------|---------------|
| Mutual Funds | \$ 39,865,471 | | | \$ 39,865,471 |
| Total Assets in Fair Value Hierarchy | \$ 39,865,471 | | | 39,865,471 |
| Investments Measured at NAV Practical Expedient | | | | 4,672,150 |

MICHAEL LEWIS COMPANY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

INVESTMENT IN COLLECTIVE TRUST

The Plan holds an investment in a collective trust, specifically the Morley Stable Value Fund (the "MSVF"). The MSVF invests in investment contracts issued by insurance companies and other financial institutions, fixed income securities and money market funds, and investments may also include derivative instruments such as futures contracts and swap agreements to provide daily liquidity. The investment contract issuers seek to preserve the principal investment and earnings but cannot guarantee that they will be able to do so. The MSVF is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. There are no unfunded commitments and the redemption frequency is daily.

RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

RELATED PARTY TRANSACTIONS

Certain employees of the Company provide accounting and administrative services to the Plan. These employees do not receive any compensation from the Plan for their services. Also certain administrative expenses were paid by the Company on behalf of the Plan and were excluded from these financial statements.

INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and

MICHAEL LEWIS COMPANY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

INCOME TAX STATUS (Continued):

believes that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

Generally accepted accounting principles in the United States of America requires that Plan management evaluate each tax position taken by the Plan and recognize a liability (or asset) if the Plan has taken an uncertain tax position that more-likely-than-not (i.e., a likelihood of more than 50%), based on the technical merits, would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken. Accordingly, the Plan has recognized no interest and penalties associated with any liability for unrecognized tax benefits. The Plan's policy is to record such amounts, if any, as income tax expense. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following is a summary of the investment information regarding the Plan as of December 31, 2024 and 2023, and for the years then ended, included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information prepared by the custodian of the Plan and furnished to the Plan Administrator. The information has been certified as complete and accurate by the custodian in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
