INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Anderson Erickson Employee Short Term Sick Benefit Plan

Opinion

We have audited the financial statements of Anderson Erickson Employee Short Term Sick Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the net assets available for benefits as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 — DESCRIPTION OF THE PLAN

The following description of the Anderson Erickson Employee Short Term Sick Benefit Plan (the Plan), formally known as the Anderson Erickson Dairy Employees' Sick Benefit Plan, is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's information.

General

The Plan is a defined benefit health and welfare plan designed to partially protect union employees of Anderson Erickson Dairy Company (the Company) from loss of income because of illness or injury. Participation in the Plan is voluntary. A committee, consisting of union employees of the Company, controls and manages the operation and administration of the Plan. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974, as amended (ERISA).

Benefits

Sick pay benefits begin with the second working day in which a participant is unable to work because of illness or injury the first time an employee uses the Plan. The second time an employee uses the Plan, there is a two-day loss of pay. The loss of pay continues to correlate with the number of times the Plan is used by an employee from July 1 through June 30 of each fiscal year. The amount of the benefit is the greater of \$15 or 65% of the participant's average compensation per day, reduced by any workers' compensation or disability benefits to which a participant is entitled for such illness or injury. No participant is entitled to receive benefits under the Plan because of the same illness or injury for a period greater than 132 working days.

If the Plan does not contain sufficient assets to pay all benefits authorized, the Company may elect to make a discretionary advance to the Plan; otherwise, the benefit to be paid to a participant will be an amount equal to a proportionate share of Plan assets determined based on the ratio of the participant's authorized benefits to total authorized benefits.

Contributions

Participants contribute 1.5% of their compensation to the Plan, and the Company contributes an amount equal to 50% of participants' contributions. When the net assets of the Plan, as defined in the Plan document, exceed \$75,000, the obligation of participants to contribute ceases for those who have participated in the Plan for at least twenty-four months. When the net assets of the Plan become less than \$30,000, these participants resume contributions.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash

Contributions made to the plan are held in a cash account until distributed. The cash balance has historically been within Federal Deposit Insurance Corporation limits.

Contributions

Contributions from participants and matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Administrative Expenses

Certain expenses of maintaining the Plan are absorbed by the Company and are excluded from these financial statements.

Benefit Obligations

Benefit payments to participants are recorded upon distribution. Management considers benefits payable at year-end to be all unpaid claims at December 31 for work periods through December 31. Benefits incurred but not paid as of December 31, 2024 and 2023 were \$2,308 and \$8,327, respectively.

NOTE 3 — TAX STATUS

The trust, established under the Plan to hold the Plan's assets, is a taxable trust but has had no taxable income since inception. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. As of December 31, 2024 and 2023, no such positions exist.

NOTE 4 — PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right, under the Plan, to modify the benefits provided to, and contributions required of, participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, the remaining assets, if any, will be distributed in accordance with Plan provisions.
