## INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
Engle Printing & Publishing Co., Inc.  
Employee Benefit Plan  
Lancaster, Pennsylvania

### **Opinion on the Financial Statements**

We have audited the accompanying financial statements of Engle Printing & Publishing Co., Inc. Employee Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for plan benefits - modified cash basis and plan benefit obligations - modified cash basis as of December 31, 2024 and 2023, and the related statements of changes in net assets available for plan benefits - modified cash basis and plan benefit obligations - modified cash basis for the year ended December 31, 2024 and 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statement present fairly, in all material respects, the net assets available for plan benefits - modified cash basis of the Plan as of December 31, 2024 and 2023, and the changes in net assets available for plan benefits - modified cash basis for the year ended December 31, 2024 and 2023, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion on the Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Basis of Accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## **Responsibilities of Management for the Financial Statements (Continued)**

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

# ENGLE PRINTING & PUBLISHING CO., INC. EMPLOYEE BENEFIT PLAN

## NOTES TO FINANCIAL STATEMENTS

---

### Note 1. Description of the Plan

The following brief description of the Engle Printing & Publishing Co., Inc. Employee Benefit Plan (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan was formed on September 1, 1988, and provides health benefits covering substantially all eligible employees of Engle Printing & Publishing Co., Inc. (the Company). The Plan is designed as an employee welfare benefit plan and subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was most recently amended May 21, 2021.

Benefits: The Plan provides health benefits (medical and prescription drugs) covering all full-time employees of the Company scheduled to work at least 30 hours per week, and receiving verifiable wages or salary, and their dependents, immediately upon hire.

Self-Insured Benefits: Medical and prescription drug benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The payment for these claims is paid by the Plan's custodial account, which is funded by the general assets of the Plan. Despite the Plan's utilization of third-party claim's processing, the ultimate responsibility for payments to providers and participants is retained by the Plan.

COBRA - Consolidated Omnibus Budget Reconciliation Act: Generally effective for Plan years beginning on or after July 1, 1986, the Plan was required to offer continuation of benefits for a specified period of time to qualified employees and their dependents that would not otherwise be eligible for continued coverage because of a particular qualifying event as required by law. Each qualifying individual pays his/her premiums to the third-party administrators. COBRA claims and other COBRA expenses are paid by the third-party administrators.

Stop Loss Coverage: The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims in excess of the stop loss deductible, as well as aggregate exposure for all claims). The insurance arrangement limits the Plan's liability for individual annual claims to a maximum of \$95,000 for the years ended December 31, 2024 and December 31, 2023, per each participant. Premiums for stop loss reinsurance are paid by funds deposited into the Plan. Refunds due as of the financial statement date, if any are reported as a receivable, with the offset netted against claims paid. Stop-loss refunds totaling \$288,8999 and \$-0- for the years ended December 31, 2024 and 2023, respectively, have been netted with claims paid in the accompanying statement of changes in benefit obligations and net assets available for benefits. Stop loss receivables of \$42,626 were included in stop loss refunds as of December 31, 2024. These amounts were received in January and February 2025.

Contributions: The Company deposits to the Plan such amounts necessary for timely payment of all claims and reasonable administrative expenses of the Plan. The Company provides for stop-loss insurance over a specified amount as per agreement with the excess loss carrier, with the premiums being paid by funds deposited in the Plan. Participant contributions represent a percentage of participant and dependent costs. The Plan is contributory.

### NOTES TO FINANCIAL STATEMENTS

---

#### Note 1. Description of the Plan (Continued)

Administrative Fees: The Plan pays administrative expenses that consist primarily of administrative fees paid to the third-party claims administrator. These expenses are reported on the Statement of Changes in Net Assets Available for Plan Benefits - modified cash basis. All other administrative expenses, such as professional fees, may be paid by the Company.

#### Note 2. Summary of Significant Accounting Policies

Basis of Accounting: The Plan follows the practice of presenting its financial statements in accordance with the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (US GAAP). Under the modified cash basis of accounting, only revenues collected, costs and expenses paid, and assets and liabilities arising as a result of cash transactions or from the recognition of income due from insurance companies for claims paid or deferred employer contributions are recognized. Therefore, accrued income and expenses, payables, and certain deferred expenses, which may be material in amount, are not reflected on the accompany financial statement,

Cash and Cash Equivalents: The checking account includes restricted cash deposits with a financial institution to pay claims billed by the third-party administrators. The checking account is FDIC insured up to \$250,000. At times, the Plan's cash account may be in excess of the FDIC insurance limit. Management believes the Company is not exposed to any significant credit risk from balances in excess of FDIC insured limits.

Use of Estimates: The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, incurred but not reported claims (IBNR), claims payable, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits: Premiums paid by the Plan are recorded as premium payments in the accompanying Statements of Changes in Net Assets Available for Plan Benefits. Claim payments are recorded when paid by the third-party claims processor. Out of network fees associated with claims are recorded in benefit payments.

Estimated Liability for Claims Incurred but not Reported: The Plan's liabilities for claims incurred, but not reported as of December 31, 2024 and 2023, were estimated by the Plan's claims processing administrator actuary. The estimate includes (1) unreported claims; (2) reported but unprocessed claims; and (3) processed but unpaid claims. Claim settlement expense liabilities are not included. A method is used that applies a factor (the reserve factor) to a credible best estimate volume measurement of paid claims. The calculation was performed for medical and prescription drug coverage. Due to the short nature of the reserve liability, time value of money was not used to discount future payments.

#### **Note 2. Summary of Significant Accounting Policies (Continued)**

Subsequent Events: In preparing these financial statements, the Plan Administrator has evaluated events and transactions for potential recognition or disclosure through October 9, 2025, the date the financial statements were available to be issued.

#### **Note 3. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of participants, to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, the Company must pay the claims incurred and expenses of the Plan up to the date of termination plus extended benefits, if any, provided under the Plan. Also, any remaining assets will be applied in a uniform and non-discriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or used for any other purpose other than the exclusive benefit of the Plan participants.

#### **Note 4. Tax Status**

The Trust established under the Plan to hold the Plan's net assets is qualified pursuant to section 501(c)(9) of the internal revenue code (IRC), and accordingly, the trust's net investment income is exempt from income taxes. The trust obtained its latest determination letter on July 24, 1990, in which the Internal Revenue Service (IRS) stated that the trust, as then designed, was in compliance with the applicable requirements of the IRC. The trust has been amended since receiving the determination letter: however, the Plan Administrator believes that the trust is currently designed and being operated in compliance with the applicable requirements of the IRC.

Plan Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 5. Related Party Transactions and Party-in-Interest Transactions**

The Plan has administrative arrangements with third party service providers. These transactions are party-in-interest transactions under ERISA.

## ENGLE PRINTING & PUBLISHING CO., INC. EMPLOYEE BENEFIT PLAN

### NOTES TO FINANCIAL STATEMENTS

---

#### **Note 6. Risks and Uncertainties**

Benefit Obligations: The Plan's estimate of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimation and assumption process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.
