Profit Sharing 401(k) Plan

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Buco Transportation Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Buco Transportation Profit Sharing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements, referred to above other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Buco Transportation Profit Sharing 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Buco Transportation Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Buco Transportation Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Buco Transportation Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

BUCO TRANSPORTATION PROFIT SHARING 401(k) PLAN

December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN

The following brief description of BUCO Transportation Profit Sharing 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General:

The Plan is a defined contribution plan covering all eligible employees of BUCO Transportation, Inc. and Campbell Bus Company (the Companies). The service requirement is one year of service during which the employees must complete at least 400 hours of service to become eligible for participation in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, but total deferrals in any taxable year may not exceed a dollar limit that is set by law. Participants may also contribute amounts representing distributions from other qualified plans. The Companies make a 3% non-elective safe harbor contribution for all eligible participants regardless of their decision to defer into the Plan. The Companies can also make matching and profit sharing contributions at the discretion of the Companies' Board of Directors. The Companies have elected to make matching contributions of 25% on up to 6% of compensation and profit sharing contributions of 2% to all eligible participants.

Participants' Accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Companies' contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their elective deferral contributions and the Companies' non-elective safe harbor contributions plus actual earnings thereon. Vesting in the Companies' matching and profit sharing contribution portions of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service. Participants are 20%, 40%, 60% and 80% vested after 2, 3, 4 and 5 years of credited service, respectively. A participant is 0% vested for less than 2 years of credited service.

Notes Receivable from Participants:

Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest is paid ratably through monthly payroll deductions.

PROFIT SHARING 401(k) PLAN**

December 31, 2024

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Allowance for Credit Losses:

Plan receivables include employee contributions receivable and employer contributions receivable. Plan receivables are stated at the amounts owed from either participants or the employer. The potential risk is limited to the amount recorded in the financial statements. Plan management has determined that no allowance for credit losses is necessary due to the nature of the receivables and historical loss information at December 31, 2024 and 2023.

Forfeitures:

Upon termination of a participant, the employers' matching contribution to which the participant is not vested shall be used first to reduce employer contributions and any remaining forfeitures shall be allocated to participants. Any nonvested profit sharing contributions shall be allocated to participants. As of December 31, 2024 and 2023, forfeited nonvested accounts totaled \$231 and \$878, respectively. During the years ended 2024 and 2023, \$878 and \$1,292 of forfeitures were used to reduce Company contributions.

Payment of Benefits:

Participants may receive a distribution of their vested account balance when employment is terminated. Distributions to deceased, disabled, retired or terminated participants are made as soon as administratively possible. Distributions from the Plan are made in the form of a single lump-sum payment.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates:

The preparation of financial statements in accordance with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

Assets of the Plan are held by Mid Atlantic Trust Company in mutual funds and common/collective trusts. Investments into those funds are at the direction of each participant. The accounts are credited with actual earnings on the underlying investments and charged for Plan withdrawals. Mutual funds are carried at fair value, which represents the net assets held by the Plan at year end. Units of the common/collective trusts are valued at fair value at year end. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits:

Benefit payments to participants are recorded upon distribution.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events:

Management evaluated all activity of the Plan through October 10, 2025, the date the financial statements were available to be issued and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications from Mid Atlantic Trust Company that all information relating to the Plan's investments and related investment income are complete and accurate as of and for the years ending December 31, 2024 and 2023. Information as to the value of the investments in the trust fund managed by the trustee, investment income and the information presented in the schedule of assets held for investment purposes at year end except for notes receivable and related interest earned.

NOTE D - PARTIAL PLAN TERMINATION

During the year ended December 31, 2024, the Plan experienced a partial termination as defined under Internal Revenue Code Section 411(d)(3) and related regulations. The partial termination resulted from the termination of the transportation services contract between Campbell Bus Company and Moniteau School District, which led to the involuntary termination of a significant number of employees following the conclusion of the 2023-2024 school year, with most terminations effective June 30, 2024.

As a result of this event, all affected employees—defined as participants who were involuntarily terminated due to the contract loss—became 100% vested in their account balances as of the date of their termination, in accordance with the requirements of IRC Section 411(d)(3). The Plan has adjusted the vesting status of these participants accordingly, and all affected employees are entitled to the full value of their account balances as of the termination date.

Management has determined that the partial termination was limited to those participants whose employment was involuntarily terminated as a direct result of the contract loss with Moniteau School District. No other Plan provisions were affected, and the Plan continues to operate for remaining participants in accordance with its terms.

NOTE E - INCOME TAX STATUS

The Plan was established using a prototype plan document, which, according to an opinion letter dated June 30, 2020 from the Internal Revenue Service, may be relied upon by an employer to adopt and qualify as an approved plan under the applicable sections of the Internal Revenue Code (IRC).

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The audit fee and certain other plan expenses are borne by Buco Transportation, Inc., the Plan Sponsor. Certain Plan investments are invested in funds managed by AMI Benefit Plan Administrators, Inc. AMI Benefit Plan Administrators, Inc. is the third party administrator as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Additionally, a portion of the Plan's assets are investments of funds managed by Mid-Atlantic Trust Company. Mid-Atlantic Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Recordkeeping, custodial and other expenses paid by the Plan were incurred with parties-in-interest as defined in Section 3(14) of ERISA.

NOTE G - FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of the mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

Assets are comprised of the following:

| | <u>Assets at Fair Value</u> | |
|---------------------------------|-----------------------------|---------------------|
| | <u>(Level 1)</u> | <u>Total</u> |
| <u>December 31, 2024</u> | | |
| Investments at fair value: | | |

NOTE G - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments. The redemption notice period is applicable only to the Plan.

| December 31, 2024 | Fair Value | Unfunded Commitments | Redemption Frequency (If Currently Eligible) | Redemption Notice Period |
|-------------------------------------|--------------|-------------------------|--|-----------------------------|
| Federated Capital Preservation Fund | \$ 2,035,202 | N/A | Daily | 12 months |

| December 31, 2023 | Fair Value | Unfunded Commitments | Redemption Frequency (If Currently Eligible) | Redemption Notice Period |
|-------------------------------------|--------------|-------------------------|--|-----------------------------|
| Federated Capital Preservation Fund | \$ 1,994,398 | N/A | Daily | 12 months |

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I - SETTING EVERY COMMUNITY UP FOR RETIREMENT ENHANCEMENT ACT 2.0

The Setting Every Community Up for Retirement Enhancement Act 2.0 (the "SECURE Act 2.0") was enacted on December 29, 2022. The SECURE Act 2.0 includes a retirement-related provisions which directly impact the 401(k) Plan. The provisions of the SECURE Act 2.0 may be effective and operationalized immediately (i.e., prior to amending the Plan document). The Plan has adopted certain measures included in the SECURE Act 2.0 as follows:

- Increase the RMD age from 72 to 73 for participants reaching age 72 after December 31, 2022
- Application of top-heavy rules to defined contribution plans covering excludable employees
- Recovery of retirement plan overpayments
- Employer may rely on employee certifying that deemed hardship distribution conditions are met
- Expansion of employee plans compliance resolution system

The timing and manner for formal plan amendments, as determined by the CARES Act, is for the Plan year ending December 31, 2025.
