Independent Auditor's Report

Administrative Committee
Ellis George LLP 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Ellis George LLP 401(K) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 and schedule of nonexempt transactions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and

reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**ELLIS GEORGE LLP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

1. Description of Plan

The following description of the Ellis George LLP 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan originally established on April 1, 2010 and subsequently amended and restated as of January 1, 2022, by Ellis George Cipollone O'Brien Annaguey LLP (the "Company", "Employer" or "Plan Sponsor"). During 2024, the Plan Sponsor name changed to Ellis George LLP and the Plan name changed to Ellis George LLP 401(k) Plan. The Plan was formed under the provisions of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

b. Administration

The Plan administrator is responsible for the day-to-day administration and operation of the Plan. Empower Trust Company, LLC (the "Custodian") is the custodian of the Plan's assets and Empower Retirement LLC (the "Recordkeeper") maintains the individual participant account balances for the years ended December 31, 2024 and 2023. The Custodian has the power to administer the Plan and apply all of its provisions on behalf of the Plan Sponsor. Actuaries Unlimited, LLC (the "TPA") is the Plan's third-party administrator. The Plan Sponsor has the discretion to appoint or remove any trustee or agent of the Plan.

c. Eligibility

The Plan generally covers all employees of the Company who are age 21 or older and have completed 500 hours of service in a 6 month period, provided that the individual is an eligible employee on such date. The service requirement shall be deemed met no later than the end of an eligibility computational period during which the employee completes 1,000 hours of service, provided that the individual is an eligible employee on the applicable entry date. Excluded employees include employees who are included in a unit of employees covered by a collective bargaining agreement, if retirement benefits were the subject of good faith bargaining, and if the collective bargaining agreement does not provide for participation in this Plan, as well as non-resident aliens. Employees may enter the Plan on the first day of each Plan quarter coincident with or next to when the eligibility requirements have been met.

d. Participant Contributions

Participants may contribute to the Plan up to 100% of eligible compensation through pre-tax salary deferrals, subject to IRC limit of \$23,000 and \$22,500 for the years ended December 31, 2024 and 2023, respectively. Upon reaching the age of 50, participants may make additional catch-up contributions limited to \$7,500 for the years ended December 31, 2024 and 2023.

Participants may also make rollover contributions from other qualified defined contribution or benefit plans and certain individual retirement accounts.

e. Employer Contributions

The Company makes safe harbor non-elective contributions equal to an amount not less than 3% of the Plan participant's compensation. Participants become eligible to participate in safe harbor non-elective contributions upon satisfying the eligibility requirements for elective deferrals. Safe harbor non-elective contributions totaled \$141,661 and \$158,085 for the years ended December 31, 2024 and 2023, respectively.

The Company may make a discretionary profit sharing contribution. The Company may determine, in its discretion, whether these discretionary profit sharing contributions shall be limited to participants who are credited with at least a certain number of hours of service during the Plan year and/or who remains as an employee on the last day of the Plan year. Discretionary additional profit sharing contributions totaled \$434,290 and \$585,908 for the years ended December 31, 2024 and 2023, respectively.

f. Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions, the employer's contributions, and an allocation of the Plan's earnings and expenses. Participants can direct their account into a variety of investments offered by the Custodian. The benefit to which a participant is currently entitled is the benefit that can be provided from the participant's vested account.

g. Vesting

Participants are always 100% vested in their employee deferral contributions, catch-up contributions, rollover contributions, safe harbor non-elective contributions, and discretionary employer profit sharing contributions, and the earnings thereon.

Participants or their beneficiaries become 100% vested in their accounts if they are employed with the Company and reach normal retirement age (59 ½), become totally disabled, upon death, or upon Plan termination.

h. Notes Receivable from Participants

Participants may borrow from their accounts the lesser of \$50,000 or 50% of their vested account balance, subject to a minimum of \$1,000. Loans are repayable in equal installments of principal and interest per pay period and are paid through regular

withholding from payroll. Generally, the maximum term of a loan will be 5 years unless the loan is used to acquire a principal residence, in which case the term may be for a period of 30 years. The collateral for a loan made shall be 50% of the participants vested account balance. New loans bear interest at the prime rate plus 1% per annum and are fixed at the inception of the loan. As of December 31, 2024, loans mature through 2028 and bear interest at rates ranging between 4.25% and 9.50% per annum which is commensurate with local prevailing rates as determined by the Plan administrator at the time of the loan.

i. Payment of Benefits

Upon termination of service, a participant may elect to receive the value of the vested interest in their account in the form of a lump sum distribution. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions. Participants must take all non-taxable loans before applying for a hardship distribution. If a participant terminates employment and the participant's account balance does not exceed \$7,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$7,000, the Company may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

j. Administrative Expenses

All reasonable expenses of administration may be paid out of the Plan assets unless paid by the Company. Expenses, to the extent not paid by the Company, are paid by the Plan and allocated to participants based on their account balances. For the years ended December 31, 2024 and 2023, the Plan paid expenses of \$65,477 and \$54,991, respectively. Expenses that relate solely to a specific participant, such as fees for notes receivable or benefit payments, are assessed to the participant. Certain expenses are included in the transaction prices of investments bought and sold and cannot be separately quantified.

2. **Summary of Significant Accounting Policies**

a. Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP") as set forth by the Financial Accounting Standards Board (the "FASB").

b. Use of Estimates

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the amounts of net assets available for benefits, changes therein, accompanying footnote disclosures and the supplemental schedules. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Net appreciation in fair value of investments consists of the net change in unrealized gains or losses during the year and the realized gain or loss on investments sold during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

d. Payment of Benefits

Benefits are recorded when paid.

e. Subsequent Events

The Plan administrator has evaluated subsequent events through October 13, 2025, the date the financial statements were made available for issuance.

3. Information Certified by the Custodian (Unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA section 103(a)(3)(C) pursuant to Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2024 and 2023, and net appreciation (depreciation) in fair value of investments, and interest and dividends for the years ended December 31, 2024 and 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company LLC.

The classification of the investments into the appropriate fair value hierarchy levels (1, 2 or 3) as disclosed in Note 5 is not certified by Empower Trust Company LLC and is the responsibility of the Plan's management.

4. Investments

All Plan investments are participant-directed and held by the Custodian as of December 31, 2024 and 2023. Participants can direct their accounts among various mutual funds, a money market fund, and self-directed brokerage accounts.

5. Fair Value Measurements

Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets,
 - Quoted prices for identical or similar assets or liabilities in inactive markets,
 - Inputs other than quoted prices that are observable for the asset or liability, and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
 - If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's investments at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Money Market Fund, Mutual Funds, and Self-Directed Brokerage Accounts

The money market fund, mutual funds, and self-directed brokerage accounts are valued at quoted market prices which are available on active markets and, therefore, are classified as Level 1 within the valuation hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

<u>Investments at Fair Value as of December 31, 2024</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market fund	\$ 571,961	\$ -	\$ -	\$ 571,961
Mutual funds	10,926,714	-	-	10,926,714
Self-directed brokerage accounts	<u>1,022,357</u>	<u>-</u>	<u>-</u>	<u>1,022,357</u>
Total investments at fair value	<u>\$ 12,521,032</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,521,032</u>

<u>Investments at Fair Value as of December 31, 2023</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market fund	\$ 430,516	\$ -	\$ -	\$ 430,516
Mutual funds	9,842,233	-	-	9,842,233
Self-directed brokerage accounts	<u>845,836</u>	<u>-</u>	<u>-</u>	<u>845,836</u>
Total investments at fair value	<u>\$ 11,118,585</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,118,585</u>

For the year ended December 31, 2024, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

6. Party-in-Interest Transactions

A party-in-interest is defined as a fiduciary or employee of the Plan, any person who provides service to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or a relative of such persons mentioned.

Certain Plan investments were managed by the Custodian as of December 31, 2024 and 2023. Accordingly, the investment transactions with the Custodian qualify as party-in-interest transactions.

For the years ended December 31, 2024 and 2023, RBC Capital Markets LLC and Actuaries Unlimited, Inc. provided services to the Company related to the Plan and earned fees on these services. Therefore, RBC Capital Markets LLC and Actuaries Unlimited, Inc. qualify as a party-in-interest.

The Company is a party-in-interest to the Plan. However, there were no transactions with the Company other than the funding of contributions to the Plan and the payment of certain administrative expenses.

7. Plan Termination

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue employer contributions at any time and to terminate the Plan subject to the provisions of ERISA.

8. Tax Status

The Plan utilizes a Non-Standardized Pre-Approved Profit Sharing Plan Document which received an opinion letter dated December 7, 2020, in which the Internal Revenue Service ("IRS") stated that as of that date the Plan document was designed in compliance with the applicable IRC requirements. The Plan has been amended since receiving the opinion letter. However, Plan management believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, Plan management believes that the Plan is qualified and the related trust is tax exempt as of December 31, 2024 and 2023 and for the years then ended.

Assuming it meets certain initial and ongoing requirements, the Plan is generally exempt from federal and state income taxes. However, GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax

positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks such as interest rate, credit, foreign currency and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Prohibited Transactions

In August 2022, the Company deposited approximately \$73,500 of 2021 discretionary profit sharing contributions into two participants' accounts in error. In December 2022, one participant who incorrectly received a discretionary profit sharing contribution was approved to borrow more than 50% of their vested account balance. As of December 31, 2024, the total balance owed back to the Plan was \$15,282. The Plan administrator has determined that this was a prohibited transaction due to the fact that these assets were incorrectly withdrawn from the Plan due to the participant's incorrect vested balance. The Plan administrator is currently in the process of correcting these errors. The prohibited transactions are reflected on Schedule G of the 2024 Form 5500, and also included as a supplemental schedule herein.
