INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
C.M. Tucker Lumber Companies, LLC 401(k) Savings and Retirement Plan
Pageland, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of C.M. Tucker Lumber Companies, LLC 401(k) Savings and Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 (in Liquidation) and 2023 (Ongoing), and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of C.M. Tucker Lumber Companies, LLC 401(k) Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of C.M. Tucker Lumber Companies, LLC 401(k) Savings and Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As discussed in Note A to the financial statements, management of C.M. Tucker Lumber Companies, LLC, the Plan's sponsor elected to terminate the Plan, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the December 31, 2023 financial statements to the liquidation basis used in presenting the December 31, 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about C.M. Tucker Lumber Companies, LLC 401(k) Savings and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of C.M. Tucker Lumber Companies, LLC 401(k) Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about C.M. Tucker Lumber Companies, LLC 401(k) Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of delinquent participant contributions as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

C.M. TUCKER LUMBER COMPANIES, LLC
401(k) SAVINGS AND RETIREMENT PLAN
Notes to Financial Statements

December 31, 2024 (in Liquidation) and 2023 (Ongoing)

NOTE A – DESCRIPTION OF THE PLAN

The following description of the C.M. Tucker Lumber Companies, LLC 401(k) Savings and Retirement Plan (the “Plan”) provides only general information concerning the operation of the Plan. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of C.M. Tucker Lumber Companies, LLC (the “Company”) who had completed one year of service as defined by the Plan and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On October 15, 2024, the Plan Sponsor approved the termination of the Plan, and Plan amendment became effective on that day. As of this date, no additional employees could become eligible, no further contributions were allowed, and all employees became fully vested in the Plan.

Contributions

Participants could elect to contribute up to 25 percent of annual compensation to the Plan subject to statutory limitations. The contributions could be traditional pre-tax contributions or post-tax contributions under the Roth 401(k) provisions of the Plan. Participants could also make rollover contributions from other qualified plans. The Company contributed an amount to the Plan equal to 50 percent of the first 7 percent of compensation contributed by each participant. The matching contributions for the years ended December 31, 2024 and 2023 totaled \$278,284 and \$377,403, respectively. During the year ended December 31, 2024 forfeitures of \$30,969 were allocated to participants. There was no such forfeiture and allocation for the year ended December 31, 2023.

Participant Accounts

Each participant’s account was credited with the participant’s contributions, the Company’s contributions and an allocation of Plan earnings or losses. Allocations were based on participant earnings or account balances, as defined. Forfeitures of terminated participants’ nonvested accounts were used to reduce the Company’s future matching contributions, administrative expenses, or allocated directly to participants. The benefit to which a participant was entitled was the benefit that could be provided from the participant’s vested amount.

Investment Options

Upon enrollment in the Plan, a participant could direct all contributions in any of the investment options offered by the Plan.

Notes to Financial Statements

December 31, 2024 (in Liquidation) and 2023 (Ongoing)

Payment of Benefits

Upon termination of service due to death, disability, retirement or other reasons, a participant could elect to receive an amount equal to the value of the participant's vested interest in the participant's account in either a lump-sum amount or in installments over a specified period of time not to exceed the participant's life expectancy.

Vesting

Participants were immediately vested in their voluntary contributions plus actual earnings thereon. Prior to termination of the Plan, vesting in the Company contributions portion of their accounts plus earnings thereon was based on years of service as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures of nonvested participant account balances were used to pay administrative expenses, reduce Company matching contributions, or allocated directly to participants. During the year ended December 31, 2024, \$30,969 forfeitures were allocated to participants. During the year ended December 31, 2023, forfeited balances of \$19,893 were used to reduce administrative expenses. There were no unallocated forfeitures as of December 31, 2024.

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2025 (the issuance date of the financial statements) and has determined that there were no subsequent events to recognize or disclose in these financial statements.

NOTE B – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying 2023 financial statements were prepared on the accrual basis of accounting. Due to the termination of the Plan, the accompanying 2024 financial statements were prepared on the liquidation basis of accounting. This change in basis had no impact on the Plan's financial statements.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Expenses

Administrative expenses are paid either by the Plan or the Company, as provided in the plan agreement. Investment related expenses were included in net appreciation in fair value of investments.

NOTE C – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 or Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

December 31, 2024 (in Liquidation) and 2023 (Ongoing)

The following table provides fair value information of the Plan as of December 31, 2023:

<u>Mutual Funds</u>	<u>Fair Value</u>	<u>Fair Value Measurement Using: Quoted Prices in Active Markets for Identical Assets (Level 1)</u>
December 31, 2023	\$ 17,481,477	\$ 17,481,477

Level 1 Fair Value

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

NOTE D – TAX STATUS

The Plan is a prototype plan which received its latest determination letter on June 30, 2020. In the determination letter, the Internal Revenue Service stated that the prototype plan, and related trust was designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan was designed and operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust was tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan has determined that it does not have any material unrecognized tax benefits or obligations as of December 31, 2024. The Plan was subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress including years 2021, 2022, and 2023.
