Independent Auditor's Report

Audit Committee
Community Bank of the Chesapeake Employee Stock Ownership Plan and Trust
Waldorf, Maryland

Opinion

We have audited the financial statements of Community Bank of the Chesapeake Employee Stock Ownership Plan and Trust, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 (in liquidation) and 2023 (in liquidation), and the related statement of changes in net assets available for benefits for the year ended December 31, 2024 (in liquidation), and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Community Bank of the Chesapeake Employee Stock Ownership Plan and Trust as of December 31, 2024 (in liquidation) and 2023 (in liquidation), and the changes in its net assets available for benefits for the year ended December 31, 2024 (in liquidation), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1 to the financial statements, the Board of Directors of Community Bank of the Chesapeake, the Plan's sponsor, voted on June 30, 2023, to terminate the Plan, and management determined liquidation is imminent. As a result, the Plan used the liquidation basis of accounting in presenting the 2024 and 2023 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Community Bank of the Chesapeake Employee Stock Ownership Plan and Trust's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Community Bank of the Chesapeake Employee Stock Ownership Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Community Bank of the Chesapeake Employee Stock Ownership Plan and Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Audit Committee
Community Bank of the Chesapeake Employee Stock Ownership Plan and Trust

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

1. GENERAL DESCRIPTION OF PLAN

The following brief description of the Community Bank of the Chesapeake Employee Stock Ownership Plan and Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for complete information.

Community Bank of the Chesapeake (the "Bank") established the Plan effective as of October 1, 1989 and amended thereafter several times. The Plan operated as an employee stock ownership plan ("ESOP"), subject to compliance with regulations of the Internal Revenue Code ("Code") and applicable provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The main purpose of the Plan was to enable employees to acquire an ownership interest in the holding company of the Bank, The Community Financial Corporation (NASDAQ: TCFC) (the "Company"). Responsibility and authority for general administration of the Plan rests with the Bank.

Effective June 30, 2023, the Trustees elected to amend the Plan just prior to the merger effective July 1, 2023 of the Company and Bank with Shore Bancshares, Inc. (NASDAQ:SHBI) and its wholly owned subsidiary Shore United Bank ("SUB"). The amendment of the Plan effectively terminated the plan, which resulted in freezing participation and contributions to the Plan, fully vesting all participants, and provided that no distributions will be made until the Internal Revenue Service ("IRS") issues a favorable determination letter, except for distributions required under the terms of the Plan upon the occurrence of retirement, death, disability or termination of employment, or any other event, other than the Plan termination, that requires a Plan distribution.

On July 3, 2023, SHBI announced that it had completed the acquisition, effective July 1, 2023 (closing date). Pursuant to the terms of the merger agreement, each outstanding share of TCFC 's common stock was converted into the right to receive 2.3287 shares of SHBI's common stock. ESOP TCFC shares were converted to SHBI shares.

Eligibility

Prior to the Plan's termination, each employee (other than excluded employees as defined in the plan document) of the Bank became eligible to participate in the Plan after the entry date coinciding with the date on which the employee had completed a year of service, measured during the "eligibility computation period", provided the employee had attained age twenty-one (21) and was credited with 1,000 hours of service during the computation period. Participants were permitted to enter the plan on January 1 and July 1.

Participant Accounts

The Plan maintained separate individual accounts for each participant. Prior to the Plan's termination each participant's account was credited as of the last day of each plan year with an allocation of the cash contributions or shares of common stock released by the Trustee from the unallocated account and forfeitures of terminated participants' nonvested accounts. Only participants eligible the last day of the Plan year received an allocation. Allocations of contributions were based on a participant's eligible compensation, relative to total eligible compensation. Plan earnings were allocated to each participant's account based on the ratio of the participant's account balance to all participants' account balances.

Section 13.5 of the Plan Agreement specifically states that allocation will be made upon Plan termination using the termination date as the Valuation Date, so on June 30, 2023 contributions were allocated based on eligible compensation on that date. Participants received an allocation if they were actively employed on June 30, 2023 and were credited with at least 500 hours of service as of June 30, 2023.

In June 2023, the Bank contributed to the ESOP \$180,909 to pay accrued interest and prepay the \$173,534 remaining in outstanding loans that was previously secured with unallocated common shares. The principal payments released the equivalent of 11,350 SHBI common shares that were allocated to participants based on the participant account allocation rules described in the Plan.

Vesting

Prior to the Plan's termination, vesting in the Company's contribution portion of participant accounts was based on years of continuous service. A participant was 100 percent vested after three years of credited service. As a result of the Plan termination, all participants became fully vested in their account balances on June 30, 2023.

Voting Rights

ESOP shares that remain in Trust before final Plan distributions held by the Trust shall be voted by the Trustees of the Plan in accordance with instructions from the Bank. Notwithstanding the foregoing, participants and/or beneficiaries shall be entitled to direct the voting of any voting shares of stock allocated to their participant stock accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

Due to the Termination and Merger in 2023, management determined that liquidation of the Plan is imminent, and the financial statements have been prepared using the liquidation basis of accounting. Under liquidation basis of accounting, assets are measured at the expected cash proceeds from liquidation and liabilities are measured in accordance with accounting principles generally accepted in the United States that otherwise apply to those liabilities.

Investment Valuation and Income Recognition

The common shares of SHBI are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Net appreciation includes the Plan's gains and losses on assets bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

Administrative Expenses and Administration of Plan Assets

The Plan's assets, which consist principally of SHBI common shares, are held by the Trustees of the Plan. Prior to the termination of the Plan, Bank contributions were held and managed by the Trustees. The Trustees remain responsible until final distributions of Plan assets occur to invest cash, receive interest and dividend income, and make required distributions to participants.

Certain administrative functions are performed by officers or employees of SHBI or its subsidiaries. No such officer or employee receives compensation from the Plan. For Plan years ending December 31, 2024 and 2023, all expenses of maintaining the Plan were paid by either SUB or the Bank.

3. FAIR VALUE MEASUREMENTS

The Plan has adopted Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, "Fair Value Measurements and Disclosures" which provides a framework for measuring and disclosing fair value under GAAP. FASB ASC Topic 820 requires disclosures about the fair value of assets and liabilities recognized in the balance sheet in periods subsequent to initial recognition, whether the measurements are made on a recurring basis or on a nonrecurring basis.

FASB ASC Topic 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. FASB ASC Topic 820 also establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

COMMUNITY BANK OF THE CHESAPEAKE
EMPLOYEE STOCK OWNERSHIP PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

The Plan utilizes fair value measurements to record fair value adjustments to certain assets and to determine fair value disclosures. Under FASB ASC Topic 820, the Plan groups assets and liabilities at fair value in three levels, based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine the fair value. These hierarchy levels are:

Level 1 inputs - Unadjusted quoted process in active markets for identical assets or liabilities that the entity has the ability to access at the measurement date.

Level 2 inputs - Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These might include quoted prices for similar assets and liabilities in active markets, and inputs other than quoted prices that are observable for the asset or liability, such as interest rates and yield curves that are observable at commonly quoted intervals.

Level 3 inputs - Unobservable inputs for determining the fair values of assets or liabilities that reflect an entity's own assumptions about the assumptions that market participants would use in pricing the assets or liabilities.

Following is a description of valuation methodologies used for assets and liabilities recorded at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Common Stock: Quoted prices in principal active markets for identical assets as of the valuation date (Level 1).

The fair value estimates presented herein are based on pertinent information available to the Plan as of December 31, 2024 and 2023. Although the Trustees are not aware of any factors that would significantly affect the estimated fair value amounts, such amounts have not been comprehensively revalued for purposes of these financial statements since that date and, therefore, current estimates of fair value may differ significantly from the amount presented herein. As of December 31, 2024 and 2023, Plan assets consisted of Level 1 common stock accounted for at fair value on recurring basis of \$3,667,865 and \$3,789,902, respectively.

4. MARKET RISK

The Plan's investment in the Company's common shares is exposed to equity market volatility. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

5. TERMINATION

On July 1, 2023, SHBI completed its acquisition of TCFC. Just prior to the merger on June 30, 2023, the Trustees elected to terminate the Plan. All participants became 100% vested as of that date. Due to the merger and decision to terminate in 2023, the Company is winding down operations of the Plan. Termination of the Plan was subject to final determination of the IRS and a final determination letter was received by the IRS on February 10, 2025.

In 2025, the Plan will gather distribution request forms from participants, which dictate how their distributions should be received. Liquidating distribution payments to participants will be made based on the Plan's records and the participants' distribution request forms. The remaining assets of the Plan are expected to be distributed during 2025 with final distribution of the remaining assets expected to occur before December 31, 2025.
