To the Plan Administrator of
H&M Bay, Inc. Corporate Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of H&M Bay, Inc. Corporate Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of H&M Bay, Inc. Corporate Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in the footnote entitled "**CERTIFIED INVESTMENTS**" of the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investments information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of H&M Bay, Inc. Corporate Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about H&M Bay, Inc. Corporate Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transaction that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of H&M Bay, Inc. Corporate Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about H&M Bay, Inc. Corporate Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) for the year ending December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DESCRIPTION OF PLAN

The following description of the H&M Bay, Inc. (the Company) Corporate Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all non-union employees of the Company who have completed one year and 1,000 hours of service. Leased employees are excluded from participation in the Plan. Eligible employees may enter the Plan on the first day of the months of January, April, July, and October following completion of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute a portion of their pretax and after-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Company made a safe harbor matching contribution of 4% of each participant's compensation up to the amount of each participants deferral in 2024.

Contributions are subject to certain IRS limitations.

Investment options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various registered investment companies, a collective trust and a stable value fund as investment options for participants. Participants may direct contributions in investment options in percent increments or fixed dollar amounts. All employer contributions are invested in the same funds in which the participants invest their own contributions.

Participant accounts

Each participant's account is credited with the participant's elective contributions and the Company's safe harbor matching contributions as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, accounts balances, and specific participants transaction, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested with respect to any elective deferrals, rollover contributions, plus the actual earnings thereon. Participants are also immediately vested with respect to company safe harbor contributions.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

DESCRIPTION OF PLAN (Continued)

Recently Adopted Accounting Guidance – Allowance for Credit Losses

Effective January 1, 2023, the Plan implemented FASB ASC 326 which significantly changed how entities will measure credit losses for most financial statements. Financial assets held by the Plan that are subject to the guidance in FASB ASC 326 were participant loans. The impact of the adoption was not considered material to the financial statements and primarily resulted in new and enhanced disclosures.

Recently Passed Legislation

The Secure 2.0 Act of 2022 was signed in to law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans that became effective in 2023 and beyond. All currently effective provisions have been adopted.

Participant loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, reduced by the aggregate dollar amount of loans outstanding. Loan terms range from 1 to 5 years or longer if the loan is for the purchase of a primary residence provided documentation as to the purpose of the loan is made available. The loans are secured by the balance in the participant's account. The loan must bear a reasonable rate of interest. Principal and interest are paid ratably through payroll deductions or by direct payments to the plan's trustee.

Payment of benefits

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's interest in his or her account. For termination of service due to other reasons, the plan administrator is required to distribute to the participant his or her interest in a single lump-sum payment as soon as administratively feasible. Participants with vested balances in excess of \$5,000 may elect to maintain their investments in the Plan, rollover their investments to another qualified plan, or receive their interest as a lump-sum distribution.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its' contributions at any time and terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

Forfeited accounts

Forfeited accounts totaled \$8,170 and \$934 as of December 31, 2024 and 2023, respectively, this account will be used to offset future employer contributions.

DESCRIPTION OF PLAN (Continued)

Administration of plan assets

The Plan's assets are currently held in Lincoln National Corporation with recordkeeping and investment services provided by Lincoln National Corporation, the service provider for the Plan, that provides third-party administrative services including preparation of all required annual filings. Administrative expenses are paid first by the Plan's earnings, prior to being allocated to the participant accounts. During the years ending December 31, 2024 and 2023, \$88,328 and \$76,729 was paid out in administrative expenses, respectively.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

Except for the Lincoln Stable Value Separate Account, a fully benefit-responsive investment contract, plan investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Lincoln Stable Value Separate Account is measured at contract value, which represents contributions made under the contract, plus earned interest, less participant withdrawals and administrative expenses. Contract value is relevant measure for the portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because a contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See **FAIR VALUE MEASUREMENTS** note for discussion of fair value measurements.

Purchases and sales of funds in the Plan are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Loans

Participant are measured at their unpaid principal balance plus any accrued and unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

H&M BAY, INC. CORPORATE PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

No allowance for credit loss has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of benefits

Benefits are recorded when paid.

Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Subsequent events

The Plan has evaluated subsequent events through October 13, 2025, the date which the financial statements were available to be issued.

CERTIFIED INVESTMENTS

The following investment information was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Lincoln Financial Group Trust Company, Inc., the trustee and custodian of the Plan, for the years ended December 31,:

NOTES TO FINANCIAL STATEMENTS

FINANCIAL ASSETS CARRIED AT CONTRACT VALUE

The following table provides information as of December 31, 2024 and 2023 about the financial assets carried at contract value:

Investments	December 31,	
	2024	2023
Lincoln Stable Value Separate Account	\$ 259,785	\$ 230,764

The Plan has a fully benefit-responsive contract with Lincoln Financial Group Trust Company, Inc. The funds are maintained in a general account. Interest is credited daily and the contract amount maintained in the Lincoln Stable Value Separate Account is guaranteed against loss of principal, minus all withdrawals, including charges and adjustments. The guarantee is based on Lincoln's ability to meet its financial obligations from general assets. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The methodology used to calculate the interest crediting rate is discretionary to Lincoln. The crediting rates are set to be at least as high as the guaranteed minimum (currently 1%). They are communicated to plan sponsors before they go into effect, and are guaranteed for at least one quarter. There are restrictions on the amount that can be transferred from the Guaranteed Stable Value Account by a 90-day equity wash.

Limitations on the Ability of the Fund to Transact at Contract Value

Certain events may limit the ability of the Plan to transact at contract value. Examples of such events include the following:

- Premature terminations of the contracts
- Plan terminations
- Bankruptcy of the Plan Sponsor
- Merger initiated by the Plan Sponsor

The Plan Administrator does not believe that the occurrence of such events are probable.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

FINANCIAL ASSETS CARRIED AT CONTRACT VALUE (Continued)

Limitations on the Ability of the Fund to Transact at Contract Value (continued)

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Examples of such events include the following:

- If the contract owner breaches the contract in some way, such as failure to pay Lincoln charges, failure to furnish requested documentation and misrepresentation of any material information by the contract owner
- If the plan ceases to meet the requirements of the appropriate Internal Revenue Code Sections.
- If, after a reasonable amount of time, the account has not grown significantly. Guidelines for the contract termination are as follows:
 - Following the end of the third contract year, the account value is less than \$15,000.
 - Following the end of the third contract year, there is no deposit activity for a 24-consecutive-month period and the account value is less than \$50,000

FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

Level 2	Inputs other than quoted prices included within Level 1, to the valuation methodology include <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
---------	--

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
---------	---

H&M BAY, INC. CORPORATE PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during December 31, 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Valued at the NAV of shares in each account held by the Plan at year end. The net asset value is not a public-quoted price in an active market. The NAV, as provided by the trustee, is used as a practical expedient fair value.

The methods used above may product a fair value calculation that is not indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

Fair Value Measurements at December 31, 2024				
	(Level 1)	(Level 2)	(Level 3)	Total
Mutual funds	\$ 16,981,217			\$ 16,981,217
Investments measured at NAV				722,097
Investments at fair value	\$ 16,981,217	\$	\$	\$ 17,703,314

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

Fair Value Measurements at December 31, 2023:				
	(Level 1)	(Level 2)	(Level 3)	Total

FAIR VALUE MEASUREMENTS (Continued)

Transfers between levels –

For the year ended December 31, 2024 and 2023 there were no transfers in or out of Levels 1, 2 or 3.

PARTICIPANT LOANS

As indicated in the Description of the Plan footnote, the Plan permits participants to borrow from their vested fund accounts. For purposes of the Statement of Net Assets Available for Benefits, participant loans are presented at the amount of their outstanding principal balances, plus accrued interest. The loans were secured by the participant's accounts to the extent of their loan balance which approximate fair market values. The loans bear interest at 4.25% - 9.50%, which were commensurate with local prevailing rates at the inception of the loans as determined by the plan administrators.

RELATED PARTY TRANSACTIONS AND PARTIES-IN-INTEREST

The Plan is funded with a contract agreement with Lincoln Financial Group. As Lincoln Financial Group Trust Company, the trustee, is a part of the Lincoln Financial Group transactions with the Plan and Lincoln Financial Group qualify as party-in-interest transactions. As described in the Summary of Significant Accounting Policies, the Plan paid certain expenses related to plan operations to various service providers. These transactions are party-in-interest transactions under ERISA.

As described in the Summary of Accounting Policies, the Plan made a direct payment to the third party administrator, Lincoln Financial Group, totaling \$88,328 and \$76,729 for the years ended December 31, 2024 and 2023, respectively, which was not covered by revenue sharing. The Plan Sponsor pays directly any other fees related to the Plan's operations.

H&M BAY, INC. CORPORATE PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

TAX STATUS

The volume submitter document, upon which the Plan was designed received a favorable opinion letter from the Internal Revenue Service (“IRS”) stating that the Plan is qualified under Section 401(a) of the Code and therefore, is exempt from taxation dated June 30, 2020. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan was amended subsequent to receiving the opinion letter, however, the Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income tax has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

RISKS AND UNCERTAINTIES

The Plan provides for various investment options in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.
