(1) Name: **MERSEREAU, LAZENBY & ROCKAS, LLC**

(2) EIN: **58-2115374**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITORS' REPORT

Plan Administrator
TenCate Protective Fabrics Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the TenCate Protective Fabrics Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section,

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the TenCate Protective Fabrics Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the TenCate Protective Fabrics Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the TenCate Protective Fabrics Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the TenCate Protective Fabrics Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 - is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TENCATE PROTECTIVE FABRICS SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1: PLAN DESCRIPTION

The following description of the TenCate Protective Fabrics Savings Plan (the "Plan") provides only general information. For a more complete description, refer to the Plan document which is available from the Plan administrator.

General

The Plan is a defined contribution plan covering substantially all employees of Southern Mills, Inc. dba TenCate Protective Fabrics (the "Sponsor" or the "Company"). The Plan was formed in September 2021 when the Company's ownership changed, ceased its participation in a former plan (the TenCate USA Savings Plan), and subsequently established the Plan with the effective date of September 8, 2021. As a result, the accounts of participants employed by the Company were transferred to the new Plan. The Sponsor serves as the Plan administrator. Employees become eligible participants of the Plan upon their completion of three months of service with the Company (as defined).

Contributions

Participants may contribute to the Plan from 1% to 100% of their compensation or up to the allowable Internal Revenue Service ("IRS") maximum - whichever is lower. Participants reaching age 50 or older during the calendar year may also make additional catch up contributions up to the allowable IRS maximum. The Plan also includes an automatic deferral feature whereby a participant is treated as electing to defer 5% of eligible compensation unless the participant made an affirmative election otherwise. Matching contributions are equal to 100% of up to 3% of participant compensation and 50% of up to the next 2% of participant compensation.

Both participant and Company matching contributions are remitted to the Plan trustee and allocated to the investment fund(s) elected by the participants.

Participant Accounts and Investments

A separate account is maintained for each participant. The account balance of each participant is adjusted daily for contributions and investment income transactions. Plan participants may elect to place contributions in the investment accounts listed in the supplemental schedule.

Vesting

Participants are immediately vested in their voluntary contributions, Plan earnings, and the Company's matching contributions. Participants are vested in Company nonelective contributions, if any, on a six-year graded schedule.

Forfeitures

Forfeitures result from unvested balances from former participants. Forfeited amounts may be used to pay the Plan's administrative expenses or reduce Company contributions. At December 31, 2024 and 2023, the forfeiture account balances were zero.

Termination

While the Company has not expressed any intention to terminate the Plan, it may do so at any time, subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). If the Plan is terminated, each participant shall receive a payment equal to the value of his or her account.

NOTE 1: PLAN DESCRIPTION (continued)

Withdrawals and Benefit Payments

Withdrawals of any portion of a participant's account prior to his or her termination of employment may be made only after the participant attains the normal retirement age of age 65, upon a participant becoming disabled, as a qualified reservist distribution, or in the event of a financial hardship as determined by the Plan administrator, and as specified by the Plan.

Upon death, retirement, or termination of employment, the balance in the participant's account will be paid to the participant or the participant's beneficiaries in accordance with the distribution option elected.

Notes Receivable from Participants

In accordance with the Plan, participants may borrow funds from their individual accounts, subject to certain limitations. Participants may borrow up to 50% of their account balance, except that total borrowings may not exceed \$50,000 for any participant. The minimum permissible loan amount is \$1,000. The term for repaying such loans shall be level payments over a period of at least 1 year but no more than 5 years, except for loans used to purchase a principal residence, for which the repayment period may be extended over a reasonable amount of time but is not to exceed 10 years. Such loans bear interest at the Prime rate plus 1%. Interest and principal paid by participants are deposited to their individual accounts.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP") and, accordingly, reflect all significant receivables, payables and other liabilities.

Use of Estimates

The preparation of the financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodians.

See Note 3 for discussion of fair value measurements. Fully benefit-responsive investment contracts are valued at contract value. Contract value represents contributions made under the contract, plus interest at the contract rate, less participant withdrawals and administrative expenses. See Note 4 for further details. Purchases and sales of investments are recorded on a trade date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid balance plus any accrued but unpaid interest. According to the Plan document and the Plan's loan policy, when conditions of default arise, such as missed payments or broken terms under the promissory note, the participant is given a period of time to cure the default. If default is not cured in a timely manner, the loan is offset or deemed distributed and reported to the IRS. Offset loans satisfy the repayment obligation but are only available when a participant is eligible for a distribution. Accordingly, offset loans are reported as distributed and removed from the statement of net assets available for benefits. When distributions are not available, defaulted loans are deemed distributed, which does not remove the participant's repayment obligations. Accordingly, the deemed loan balances of active participants are included in the notes receivable in the statements of net assets available for benefits, when applicable.

Payments of Benefits

Benefits are recorded when paid.

Plan Expenses

Certain expenses for Plan administration (participant recordkeeping, statements, and reporting platforms), education and communication, legal and compliance services, and trustee services are paid to OneAmerica Retirement Services, LLC and Matrix Trust Company by the Plan Sponsor according to an asset-based service fee. Such expenses are not included in the statement of changes in net assets available for benefits. Investment management fees are paid from the various investment fund earnings based on disclosed expense ratios. Transaction-specific fees, such as for distributions and loans, are deducted directly from participant accounts. Distribution and loan processing fees were \$21,275 and \$21,449 for the years ended December 31, 2024 and 2023, respectively.

NOTE 3: FAIR VALUE MEASUREMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. US GAAP establishes a hierarchy of inputs to valuation of that price using three levels described below:

- Level 1 - Observable inputs such as quoted prices in active markets.
- Level 2 - Directly or indirectly observable inputs other than quoted prices in active markets
- Level 3 - Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

The hierarchy gives the highest priority to Level 1 inputs and the lowest to Level 3 inputs. Accordingly, the degree of judgement exercised in determining fair value is greatest for Level 3 assets. The Plan measures assets at fair value on a recurring basis, and does not have any liabilities measured at fair value. Additionally, there are no assets or liabilities measured at fair value on a nonrecurring basis.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

TENCATE PROTECTIVE FABRICS SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 3: FAIR VALUE MEASUREMENTS (continued)

Mutual funds - Mutual funds are publicly traded investments and are valued at the daily closing price reported on the active market on which the funds are traded.

Collective investment fund - The investment in a public investment vehicle is valued using the NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is used as a practical expedient to estimate fair value. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 34,057,719	\$ -	\$ -	\$ 34,057,719
Investments measured at NAV*				340,507
Investments at fair value				\$ 34,398,226
	December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 30,566,569	\$ -	\$ -	\$ 30,566,569
Investments measured at NAV*				-
Investments at fair value				\$ 30,566,569

*In accordance with US GAAP (and ASU 2015-07), certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023. The investments in the Plan are participant-directed. There are no redemption restrictions on participant-initiated transactions. Sponsor-initiated transactions (such as terminating the Plan, or removing the investment option) may require a 12-month notice; however, the investment trustee may waive or reduce the restriction period in its sole discretion.

TENCATE PROTECTIVE FABRICS SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 4: FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan's fully benefit-responsive fixed interest investment option is a guaranteed investment contract managed by American United Life Insurance Company. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The fixed interest investment option issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The contract may be subject to a market value adjustment upon contract termination. Crediting interest rates on the fixed fund portion of the insurance investment contract are determined quarterly by the issuer with a minimum rate of 1.25%, subject to limitations relating to Plan termination, early retirements, etc.

As described above, because the fixed interest investment option is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fixed interest investment option. Contract value, as reported to the Plan by the issuer, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 5: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There are no reconciling items between the financial statements and the Form 5500.

NOTE 6: INCOME TAX STATUS

The Plan operates under a non-standardized adoption agreement in conjunction with a volume submitter 401(k) profit sharing plan sponsored by OneAmerica Financial Partners, Inc. The Plan relies on the volume submitter practitioner's favorable opinion letter dated August 19, 2020 that the Plan document is a qualified plan under 401(a) of the Internal Revenue Code ("IRC"). The Plan administrator and the Plan's advisors believe that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC. Accordingly, the Plan is not subject to tax under present income tax law. The Plan files Form 5500 Annual Return/Report of Employee Benefit Plan.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a federal or state tax jurisdiction. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there were no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7: INFORMATION CERTIFIED BY TRUSTEES OF THE PLAN

As of December 31, 2024 and 2023, and for the years then ended, the Plan administrator elected, as permitted by Section 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, to have financial information certified by the trustee, Matrix Trust Company. The following information was certified by the trustee as being complete and accurate and not subjected to normal audit procedures:

- a. Statements of Net Assets Available for Benefits – fully benefit-responsive investment at contract value, notes receivable from participants (participant loans) at amortized cost, and all other investments at fair value.
- b. Statements of Changes in Net Assets Available for Benefits – Dividend and interest investment income, interest income on participant loans, net appreciation (depreciation) in fair value of investment accounts.
- c. Schedule H, Line 4i - Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024.

NOTE 8: PARTIES IN INTEREST

The Plan used the services of Matrix Trust Company (trustee and custodian), OneAmerica Retirement Services, LLC (recordkeeping, and participant services), HB Retirement (benefits advisor from March 2023), Gallagher Benefits Services, Inc. (benefits advisor through March 2023), and Mersereau, Lazenby & Rockas, LLC (Plan auditor), which are parties in interest with respect to the Plan. Transactions with these service providers are not considered prohibited transactions under the IRC and are not prohibited by ERISA. Substantially all of the Plan's administrative costs are paid by the Sponsor.

NOTE 9: SUBSEQUENT EVENTS

In early 2025, Voya Financial, Inc. acquired the parent company of the Plan's recordkeeper (OneAmerica Financial, Inc.) and its full-service retirement plan business. Plan management does not expect the transaction to have an effect on the Plan's 2024 financial statements or on the Plan's ability to continue providing substantially similar benefits to participants. According to U.S. GAAP, no adjustments have been recorded to the accompanying financial statements as a result of this event.

The Plan administrator has evaluated subsequent events through October 14, 2025, which is the date the financial statements were available to be issued.
