401(k) PLAN**

**Financial Statements
Together with Independent Auditors' Report
For the Years Ended December 31, 2024 and 2023**

INDEPENDENT AUDITORS' REPORT

To the Luminis Health Care Services, Inc. 401(k) Plan
and its Participants:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Luminis Health Care Services, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

LUMINIS HEALTH CARE SERVICES, INC. 401(k) PLAN

Notes to the Financial Statements For the Years Ended December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN

The following description of the Luminis Health Care Services, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by Anne Arundel Healthcare Enterprises, Inc. effective August 6, 1996. Effective June 1, 2022, the Plan was amended to change the name of the Plan from Anne Arundel Health Care Enterprises, Inc. 401(k) Plan to Luminis Health Care Services, Inc. 401(k) Plan and to change the Plan sponsor name from Anne Arundel Healthcare Enterprises, Inc. to Luminis Health Care Services, Inc (the Company).

Substantially all employees of the Company are eligible to participate in the Plan on their employment commencement date, as defined by the Plan. The Plan is administered by Luminis Health (formerly Anne Arundel Health System, Inc.), the parent of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Contributions

Under the terms of the Plan, an employee may contribute by making pre-tax contributions up to 90% of their compensation, as defined by the Plan, not to exceed the maximum allowable contribution under the Internal Revenue Code (the Code), which totaled \$23,000 and \$22,500 during the years ended December 31, 2024 and 2023, respectively. Participants are permitted to make Roth elective contributions to the Plan. The participants' Roth elective contributions are allocated to a separate account maintained for such contributions. Roth elective contributions are treated as elective contributions for all purposes under the Plan. Participants who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to limitations imposed by the Code, which totaled \$7,500 during each of the years ended December 31, 2024 and 2023. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants are permitted to roll over funds from other qualified plans into the Plan.

The Plan has an automatic enrollment feature whereby employees are automatically enrolled in the Plan on the second pay date following 30 days of employment at a contribution level of 6% of pre-tax annual compensation, unless they elected not to contribute or contribute a different amount.

401(k) PLAN

Notes to the Financial Statements For the Years Ended December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN - cont'd.

Company Matching Contributions

The Company may make a discretionary matching contribution, as defined by the Plan. For each of the years ended December 31, 2024 and 2023, the Company made a fixed matching contribution of each participant's deferral up to 6% on a per payroll basis as described below:

<u>Years of Service</u>	<u>Company Matching Contributions</u>
Less than 12	50% of participant contributions up to 6%
12 or more	75% of participant contributions up to 6%

Company matching contributions, net of forfeitures applied, totaled \$1,177,297 and \$1,139,532 for the years ended December 31, 2024 and 2023, respectively.

Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contributions and allocations of (a) the Company's contributions, (b) Plan earnings or losses and (c) administrative expenses. During the years ended December 31, 2024 and 2023, participants also had the option to have their account professionally managed by an investment adviser that is a wholly-owned subsidiary of Empower Annuity Insurance Company of America (Empower), the Custodian of the Plan. Allocations of earnings or losses and administrative expenses are based on the proportion of each participant's account balance to the total of all account balances within the respective fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective and rollover contributions to the Plan plus actual earnings thereon. Participants who terminated from the Company on or prior to December 31, 2009 vested in the amounts contributed on their behalf by the Company plus earnings thereon according to the following graduated vesting schedule:

<u>Years of Service Completed</u>	<u>Percentage Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes to the Financial Statements
For the Years Ended December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN - cont'd.

Vesting - cont'd.

Participants who have completed one or more hours of service effective January 1, 2010 vest in the amounts contributed on their behalf by the Company plus earnings thereon according to the following graduated vesting schedule:

<u>Years of Service Completed</u>	<u>Percentage Vested</u>
Less than 2	0%
2	20%
3	50%
4	75%
5 or more	100%

Participants become fully vested in their account balances upon death, permanent disability or reaching normal retirement age.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to reduce Company contributions or pay administrative expenses. Forfeited balances available totaled \$240,037 and \$97,824 as of December 31, 2024 and 2023, respectively. During the years ended December 31, 2024 and 2023, forfeitures totaling \$41,616 and \$33,957 were applied to reduce Company contributions, respectively. During the years ended December 31, 2024 and 2023, forfeitures totaling \$24,624 and \$23,562 were applied to pay administrative expenses, respectively.

Payment of Benefits

Upon termination of service, death, disability, retirement (age 65), or attainment of age 59½, a participant or beneficiary, in the event of death, is entitled to a distribution of their vested account balance. Distributions are made in either a lump sum equal to the value of the participant's vested interest in their account, a single sum distribution of a portion of their vested balance, or installments for a specified term. Prior to retirement, distributions from the Plan are payable in the form of a lump sum payment. Upon proof to the satisfaction of the Plan administrator of an immediate and heavy financial need, amounts contributed by the participant may be withdrawn for a hardship purpose. Distributions are subject to the applicable provisions of the Plan agreement. Certain income tax penalties may apply to withdrawals or distributions prior to age 59½. As of December 31, 2024 and 2023, there were no net assets available for benefits of the Plan allocated to participants who had elected to withdraw from the Plan who had not received such distributions as of year-end.

1. DESCRIPTION OF THE PLAN - cont'd.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance, not to exceed \$50,000, without regard to the intended use of the funds. The minimum note amount is \$1,000 and a participant can have no more than one note outstanding at any time. Notes are collateralized by the participant's vested account balance. Note repayments are made through payroll deductions and bear interest at a rate commensurate with local prevailing rates at the time of loan origination, as determined quarterly by the Plan administrator. Notes for reasons other than the purchase of a primary residence are to be repaid within five years. Notes for the purchase of a primary residence are to be repaid within fifteen years.

Plan Expenses

All administrative expenses are paid with the assets of the Plan, unless paid by the Company, at its discretion. During the years ended December 31, 2024 and 2023, the Company elected to pay a portion of the Plan's direct expenses. Expenses that are paid directly by the Company are excluded from the Plan's financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to participant accounts and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

The Plan entered into a revenue sharing arrangement with Empower whereby the Plan is to receive .25% of the revenue rate that is credited to the Plan's investment options, prorated quarterly, and based on account balances as of the calculation date. This revenue is credited by Empower into the Plan account. The funds credited to this account are to be used by the Plan to pay recordkeeping fees. As of December 31, 2024 and 2023, the balance in this account totaled \$515 and \$1,607, respectively. During the years ended December 31, 2024 and 2023, administrative fees paid through this arrangement totaled \$24,624 and \$25,240, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

LUMINIS HEALTH CARE SERVICES, INC.
401(k) PLAN

Notes to the Financial Statements
For the Years Ended December 31, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to net assets available for benefits and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates and assumptions.

Risks and Uncertainties

The Plan provides for investments in assets that are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur and materially affect the amounts reported in the accompanying statements of net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts (Note 4). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the Custodian and Trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowances for credit losses have been recorded as of December 31, 2024 and 2023. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes are treated as distributions based on the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interests in registered investment companies: Valued at the closing price reported in the active market in which the funds are traded.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2024 and 2023.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	\$ 29,024,333	\$ -	\$ -	\$ 29,024,333

The following table sets forth by level, within the fair value hierarchy, the Plan's investments as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	\$ 24,541,075	\$ -	\$ -	\$ 24,541,075

Subsequent Events

The Plan evaluated for disclosure any subsequent events through October 13, 2025, the date the financial statements were available to be issued, and determined there were no material subsequent events that warrant disclosure, except as disclosed in Note 8.

3. INVESTMENTS

All investment data contained in the accompanying financial statements and supplemental schedule, including assets held at December 31, 2024 and 2023, and interest and dividend income and net appreciation (depreciation) in fair value of investments for the years then ended was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by both Empower and Empower Trust Company, LLC, the Custodian and Trustee of the Plan, respectively.

LUMINIS HEALTH CARE SERVICES, INC.

401(k) PLAN

Notes to the Financial Statements For the Years Ended December 31, 2024 and 2023

4. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan holds a portfolio of traditional investment contracts. These contracts meet the fully benefit-responsive investment contract criteria and, therefore, are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The following represents the disaggregation of traditional contract values held by the Plan, as of December 31,:

	2024	2023
Guaranteed fixed fund	\$ 53,010	\$ 98,410
Guaranteed interest fund	858,279	531,401
Total investment contracts	<u>\$ 911,289</u>	<u>\$ 629,811</u>

With traditional investment contracts, the Plan owns only the contract itself, and not the underlying investments. Traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers.

The traditional investment contracts held by the Plan are a guaranteed interest fund contract and a guaranteed fixed fund contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent. The crediting rate is reviewed on a periodic basis for resetting. The contract cannot be terminated by the issuer before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(k) of the Code.
2. Premature termination of the contracts.
3. Plan termination or merger.
4. Changes to the Plan's prohibition on competing investment options.
5. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

401(k) PLAN

Notes to the Financial Statements
For the Years Ended December 31, 2024 and 2023

4. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS – cont’d.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines.
2. A breach of material obligation under the contract.
3. A material misrepresentation.
4. A material amendment to the agreements without the consent of the issuer.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer or that would limit the ability of the Plan to transact at contract value with the participants.

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower. Empower acts as the Custodian for the Plan and is a related entity to the Trustee of the Plan. The Plan allows for participants to take out notes against their vested account balances. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

6. INCOME TAX STATUS

The Plan sponsor and ERISA counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and is qualified under Section 401(a) of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. Given the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2024 and 2023.

The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits for any periods in progress.

401(k) PLAN

Notes to the Financial Statements
For the Years Ended December 31, 2024 and 2023

7. PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Company terminates the Plan, all affected participants will become 100% vested in their accounts.

8. OPERATIONAL FAILURES

Subsequent to December 31, 2024, the Company became aware of certain operational failures with respect to missed Company contributions for a small subset of participants who work on an unscheduled basis but completed over 1,000 hours in a Plan year. Management believes this error occurred for the Plan years 2023 through 2024. Management is working with the Plan's Trustee and legal counsel to calculate missed contributions for these participants and will correct these errors in accordance with procedures under the IRS Employee Plans Compliance Resolution System. The Company does not believe that the correction of such operational failures are material to the Plan's financial statements.

During 2024, the Company became aware of certain operational failures with respect to missed required minimum distributions for certain Plan participants. Management is working with the Plan's Trustee and legal counsel to correct these matters in accordance with procedures under the IRS Employee Plans Compliance Resolution System to avoid any penalties to the Plan or Plan sponsor and preserve the tax status of the Plan. The Company does not expect that the correction of such operational failures will result in any material adjustments to the Plan's financial statements.
