INDEPENDENT AUDITOR'S REPORT

To the Retirement Plan Committee and Participants of the
Pixelle Specialty Solutions Hourly 401(k) Savings Plan (Union)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Pixelle Specialty Solutions Hourly 401(k) Savings Plan (Union) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedule Required by ERISA

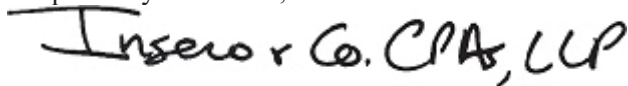

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PIXELLE SPECIALTY SOLUTIONS HOURLY 401(k) SAVINGS PLAN (UNION)

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

Note 1 **Description of the Plan**

The following description of Pixelle Specialty Solutions Hourly 401(k) Savings Plan (Union) (the Plan) provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, established effective November 30, 2018, covering all eligible hourly employees of Pixelle Specialty Solutions LLC (the Company) Spring Grove and Ohio Groups, as defined in the Plan document. Spring Grove Group A and B are immediately eligible upon completion of 60 days of service. Ohio Group A and B employees are immediately eligible upon completion of 90 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Transfers

Plan transfers occur in the normal course of plan operations between the Plan and Pixelle Specialty Solutions 401(k) Savings Plan due to changes in employees union and non-union status.

Contributions

Participants are permitted to contribute up to 85% of their pre-tax compensation, subject to certain limitations under the terms of the Plan and the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

The Plan includes an auto-enrollment provision whereby all newly eligible employees hired on or after June 1, 2022 are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation. The automatic deferral percentage will increase by 1% on April 1 of each year until their deferral reaches 10% of eligible compensation, unless they elect otherwise.

Participants in Spring Grove Group B and Ohio Group B, as defined in the Plan document, are subjected to a basic contribution period in which they must contribute 3% as a condition of their employment for the first five years.

The Company may make discretionary matching or fixed contributions to eligible participants of the Plan. The formula for determining the matching and fixed contributions depends on the participant's respective collective bargaining agreement, prior participation in the Pixelle Specialty Solutions LLC 401(k) Savings Plan C, and their status as either Grandfathered or Non-grandfathered in the Pixelle Retirement Plan.

PIXELLE SPECIALTY SOLUTIONS HOURLY 401(k) SAVINGS PLAN (UNION)

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

***Note 1* Description of the Plan - Continued**

Contributions – Continued

Except for participants whose accounts were transferred from the Pixelle Specialty Solutions LLC 401(k) Savings Plan C on June 1, 2022, the Company provides a matching contribution equivalent to 50% of the participant's contributions not to exceed 3% of the participant's eligible compensation. Additionally, the Company contributes 4% of eligible compensation to Spring Grove Group B and Ohio Group B employees, in accordance with applicable collective bargaining agreements.

During 2024, participants whose accounts were transferred from the Pixelle Specialty Solutions LLC 401(k) Savings Plan C on June 1, 2022, who are Grandfathered union employees, as defined in the union agreement, received a Company discretionary matching contribution equal to 100% of the first 3% of a participant's compensation contributed. The Non-grandfathered union employees received a Company discretionary matching contribution equal to 100% of the first 2% of a participant's compensation contributed and 50% of the next 4% of a participant's compensation contributed, up to a maximum of 4% of pay.

Additionally, the Company may choose to make a nonelective contribution, as defined in the Plan document. During 2024, the Grandfathered union employees whose accounts were transferred from the Pixelle Specialty Solutions LLC 401(k) Savings Plan C on June 1, 2022, received a nonelective contribution equal to 3% of a participant's eligible compensation. The Non-grandfathered union employees received a nonelective contribution equal to a range of 2.5% to 6.5% of eligible compensation based on employee's age plus years of vesting service.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and investment earnings (losses), and charged with withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is equal to the value of the participant's vested account. All amounts in participant accounts are participant-directed.

Vesting

Participants are immediately vested in their voluntary contributions to the Plan. Company contributions vest as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	25%
3	50%
4	75%
5 or more	100%

PIXELLE SPECIALTY SOLUTIONS HOURLY 401(k) SAVINGS PLAN (UNION)

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

***Note 1* Description of the Plan - Continued**

Vesting - Continued

Participants whose accounts were transferred from the Pixelle Specialty Solutions LLC 401(k) Savings Plan C on June 1, 2022, are immediately vested in their voluntary contributions and Company matching contributions to the Plan. For nonelective Company contributions, participants become fully vested after completing three years of service.

Forfeitures

In accordance with the Plan document, forfeitures of Company contributions and earnings thereon are used to pay for administrative expenses of the Plan or to reduce future employer contributions. During 2024, \$1,393 was used to pay administrative expenses and \$117,062 was used to reduce employer contributions. Forfeited non-vested accounts totaled \$509,551 and \$324,975 as of December 31, 2024 and 2023, respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of (a) 50% of their vested account balance; or (b) \$50,000 reduced by the excess of the highest outstanding loan balance in the previous 12 months. The loans are collateralized by the balance in the participant's account and bear interest at the Prime rate plus one percent. Principal and interest is paid ratably through payroll deductions. Loans are to be repaid over a period not to exceed five years, or 15 years for the purchase of a primary residence. Participants located at Ohio and Spring Grove locations may only have three outstanding loans at one time. Participants located at Stevens Point locations may only have two outstanding loans at one time.

Payment of Benefits

The Plan provides for normal retirement benefits in the form of installment payments or lump sum distributions upon reaching the age of 65 and has provisions for disability, death and termination benefits for those participants who are eligible to receive such benefits. Withdrawals for hardship, upon attainment of age 59½, and distributions out of rollover contributions are permitted by the Plan, provided the participant is still employed by the Company at that time.

Administrative Expenses

All expenses of administering the Plan may be paid by the Plan, unless elected to be paid by the Company.

***Note 2* Summary of Significant Accounting Policies**

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

PIXELLE SPECIALTY SOLUTIONS HOURLY 401(k) SAVINGS PLAN (UNION)

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

***Note 2* Summary of Significant Accounting Policies - Continued**

Subsequent Events

In preparing the financial statements, management has evaluated events and transactions for potential recognition or disclosure through October 14, 2025, the date that the financial statements were available to be issued.

Notes Receivable from Participants

Notes receivable from participants (participant loans) are measured at their unpaid principal balance, plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in investment securities which are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as inflation, a pandemic or international conflict. Due to the level of risk associated with these securities, it is at least reasonably possible that changes in their values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

***Note 3* Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan follows the fair value measurement guidance required by accounting principles generally accepted in the United States of America for financial and nonfinancial assets and liabilities. This guidance defines fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

PIXELLE SPECIALTY SOLUTIONS HOURLY 401(k) SAVINGS PLAN (UNION)

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

***Note 3* Investment Valuation and Income Recognition - Continued**

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for investments measured at fair value:

Registered Investment Companies: These investments are valued using the Net Asset Value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market.

Self-Directed Brokerage Account: The self-directed brokerage account consists primarily of common stock, mutual funds, corporate bonds and money market funds. Common stock and corporate bonds are valued at the closing price reported on the investments' respective stock exchange or active market. Mutual funds and money market funds are valued using NAV. All investments are classified within level 1 of the valuation hierarchy.

Common Collective Trusts: Valued at NAV based on the underlying assets of the trust. The NAV is used as a practical expedient to estimate fair value and is obtained from information provided by the investment advisor using the audited financial statements of the common collective trusts at year end.

PIXELLE SPECIALTY SOLUTIONS HOURLY 401(k) SAVINGS PLAN (UNION)

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

Note 3 Investment Valuation and Income Recognition - Continued

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There have been no changes in the methodologies used at December 31, 2024 and 2023.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments measured at fair value as of:

	<u>Investments at Fair Value as of</u> <u>December 31, 2024</u>	
	<u>Level 1</u>	<u>Total</u>
Registered Investment Companies	\$ 25,283,311	\$ 25,283,311
Self-Directed Brokerage Account	1,879,125	1,879,125
Common Collective Trusts Measured at NAV ^(a)		<u>70,499,901</u>
Total Investments, at Fair Value	<u>\$ 27,162,436</u>	<u>\$ 97,662,337</u>

	<u>Investments at Fair Value as of</u> <u>December 31, 2023</u>	
	<u>Level 1</u>	<u>Total</u>
Registered Investment Companies	\$ 21,363,352	\$ 21,363,352
Self-Directed Brokerage Account	1,555,456	1,555,456
Common Collective Trusts Measured at NAV ^(a)		<u>66,385,334</u>
Total Investments, at Fair Value	<u>\$ 22,918,808</u>	<u>\$ 89,304,142</u>

^(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PIXELLE SPECIALTY SOLUTIONS HOURLY 401(k) SAVINGS PLAN (UNION)

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

Note 4 **Tax Status**

The Plan adopted a non-standardized defined contribution pre-approved plan sponsored by Empower Retirement LLC. The Internal Revenue Service (IRS) has determined and informed the pre-approved plan, by a letter dated November 14, 2022, that the plan is designed in accordance with applicable sections of the IRC. The opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. The Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5 **Certified Information**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC, the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, the schedule of assets (held at end of year) as of December 31, 2024, the related investment activity (including interest and dividend income and net appreciation in fair value of investments), and interest income on notes receivable from participants reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2024.

Note 6 **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant becomes 100% vested and the net assets of the Plan will be distributed as prescribed by ERISA.

Note 7 **Party-in-Interest Transactions**

Notes receivable from participants qualify as party-in-interest transactions.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

Note 8 **Subsequent Events**

Effective May 28, 2025, the Stevens Point, Wisconsin facility was sold. The Plan sponsor intends to merge the affected participants from the Plan into a new retirement plan associated with the acquiring entity.

Effective August 10, 2025, the Company closed its mill in Chillicothe, Ohio, resulting in the involuntary termination of a significant number of employees who were participants in the Plan. This event is expected to result in a partial plan termination under Internal Revenue Code Section 411(d)(3). As required by applicable regulations, all affected participants will become 100% vested in their employer contributions, regardless of the Plan's vesting schedule. The Plan Sponsor is currently identifying impacted participants and will restore any previously forfeited amounts where required.
