Independent Auditors' Report

Plan Administrator of Ace Hotel Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements (modified cash basis) of Ace Hotel Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions (modified cash basis) for the year ended December 31, 2024 and (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules (modified cash), other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules (modified cash) that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules (modified cash basis), other than the information in the supplemental schedules (modified cash basis) that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules (modified cash basis) related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Ace Hotel Group 401(k) Plan

Notes to Financial Statements
(Modified Cash Basis)
December 31, 2024

1. Description of Plan

The following description of Ace Hotel Group 401(k) Plan (“Plan”) is provided for general information purposes only. Participants and all others should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established on October 1, 2012 that covers eligible employees of Ace Group International LLC (the “Company”) and its properties managed in the United States (“US”) who elect to participate in the Plan. Employees who have attained the age of twenty-one and completed one year of service, are eligible to participate in the Plan. A year of service is defined as having been compensated by the Company for 1,000 hours or more during a twelve-month period of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Participant Accounts

Each participant’s account is credited with the participant’s contribution, employer contributions and applicable fund earnings and charged with any applicable withdrawals, fund losses and administrative expenses, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Prior to January 1, 2017, employer matching contributions were vested in 20% increments for each year of service. Effective January 1, 2017, employer safe harbor matching contributions are 100% vested. Participants also become 100% vested at either normal retirement age (65), disability (as defined in the Plan document) or date of death or Plan termination.

Notes Receivables from Participants

Participants may borrow against their account balance in the form of a promissory note. Such borrowings must be a minimum amount of \$1,000 and may not exceed the lesser of \$50,000 or one-half of the participant’s vested account balance prior to the borrowing, and borrowings must generally be repaid within five years at an interest rate commensurate with local prevailing rates determined by the Plan administrator. Loans can be repaid over a period of thirty years if they are used to acquire a principal residence.

If the borrower does not repay the loan and related interest due in accordance with the schedule set forth in the promissory note or other writing permitted by applicable law representing the loan, their loan will be deemed as in default. Defaults in loans are treated as deemed distributions at the time of default against the participant’s account.

1. Description of Plan (*continued*)

Payment of Benefits

Upon termination of service due to death, disability, retirement or other reason, a participant is entitled to receive a distribution in the amount equal to the value of the participant's vested interest in his or her account. Upon retirement, distributions may be made in a single sum or paid by installments at the election of the participant.

A participant may apply for a hardship withdrawal at any time. This withdrawal must be for an immediate financial need for which funds are not reasonably available from other resources. Hardships include post-secondary educational expenses for the participant or their dependents, medical expenses to the extent not otherwise reimbursed under the Company's medical programs, expenses for the purchase of a principal residence or major alteration thereto, to prevent eviction from or foreclosure on a principal residence and to pay for funeral or burial expenses or immediate and heavy financial needs as determined based on Internal Revenue Service ("IRS") Regulations. In accordance with IRS Regulations participants must first exhaust all other assets reasonably available to them prior to obtaining a hardship withdrawal.

Contributions

Eligible employees may contribute up to 100% of their eligible compensation up to the annual limit determined by the Internal Revenue Code ("IRC"). Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Employee contributions to the Plan can be made on a pre-tax or post-tax (Roth) basis.

The Plan is referred to as a safe harbor 401(k) plan. The employer will make safe harbor matching contributions equal to 1) 100% of an employee's salary deferral that does not exceed 3% of the employee's compensation, plus 2) 50% of an employee's salary deferral that exceeds 3% of the employee's compensation but does not exceed 6% of an employee's compensation. The Company made contributions of \$478,869, net of forfeitures, into the Plan for the year ended December 31, 2024.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan should be terminated or partially terminated, all amounts allocated to the account of a Plan participant, or their beneficiary, become payable to the Plan participant, or their beneficiary, and shall be distributed in a lump sum.

1. Description of Plan (*continued*)

Forfeitures

Forfeitures of terminated participants' nonvested account balances serve to reduce employer contributions or pay administrative expenses of the Plan. The balance in the forfeiture account at December 31, 2024 and 2023 amounted to \$3,867 and \$4,131, respectively. During the year ended December 31, 2024, participant forfeitures were \$13,106 and \$13,370 was used to reduce employer contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis, which is a basis of accounting other than accounting principles generally accepted in the United States of America ("U.S. GAAP"). Investment and contribution income is recognized when received and disbursements and expenses are recognized when made, except for investments which are reflected at fair value. Plan management has determined that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements.

Use of Estimates

The preparation of financial statements requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions to net assets available for benefits during the period. Accordingly, actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are valued at outstanding principal amounts. If a participant ceases to make loan repayments and the Plan administrator deems the loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

2. Summary of Significant Accounting Policies (continued)

Payment of Benefits

Benefits are recorded when paid.

Fair Value Measurement and Investment Valuation

The Plan measures and reports certain investments at fair value. U.S. GAAP defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

Investments in registered investment companies are determined by quoted market prices, based on Level 1 inputs, which represents the net asset value (“NAV”) of shares held by the Plan at year end and are registered with the Securities and Exchange Commission.

The common/collective trusts are valued at the NAV, which is used as a practical expedient based on the fund’s underlying investments. Investment in the common/collective trust is recorded at the value reported to the Plan by Transamerica Trust Company, which represents fair value of the underlying investments. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Pursuant to U.S. GAAP guidance common/collective trusts where fair value is measured using NAV per share as a practical expedient are not categorized within the fair value hierarchy.

The Plan’s Stable Value Core Account is recorded at contract value, as reported to the Plan by Transamerica Financial Life Insurance Company Inc. (“TFLIC”). Contract value represents contributions made, plus earnings, less participant withdrawals and administrative expenses.

Purchases and sales of securities are recorded on the trade date with realized and unrealized gains and losses calculated on a moving average basis. Interest and dividend income is recorded when received. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

2. Summary of Significant Accounting Policies (continued)

Subsequent Events

The Plan has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date the financial statements were available to be issued, which date is October 14, 2025.

3. Tax Status

The prototype plan document preparer has received a favorable opinion letter dated June 30, 2020, from the IRS regarding the Plan's compliance with the applicable requirements of Section 401(a) of the IRC. Effective May 24, 2021, the Plan was amended and restated and was executed July 15, 2021. Management believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC, therefore, they believe the Plan is qualified.

The Plan recognizes the effect of income tax positions only if those positions are more likely-than-not to be sustained upon examination by the taxing authorities. As of December 31, 2024, the Plan has determined that it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. As of December 31, 2024, tax years for all years since December 31, 2021 remain open to examination by the IRS.

4. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in value of investments, dividend and interest income, and interest on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by TFLIC, Transamerica Trust Company, and Reliance Trust Company, qualified institutions.

5. Transamerica Stable Value Core Account

The Plan has a fully benefit-responsive investment contract (the "Contract") with TFLIC. Because the Contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits. Contract value, as reported by TFLIC, is the beginning balance plus any deposit and credited interest, less any withdrawals, charges, or expenses, a measurement that approximates fair value. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Ace Hotel Group 401(k) Plan

Notes to Financial Statements
(Modified Cash Basis)
December 31, 2024

5. Transamerica Stable Value Core Account *(continued)*

The stable value core account invests in Guaranteed Investment Contracts. This investment seeks to protect against any loss of principal while generally providing returns in excess of money market funds and one year U.S. Treasury bills. The investment has a portfolio investment rate design in which all deposits are credited with the same interest rate, on a daily basis, and with no set maturity. The effective credited interest rate is set semi-annually and effective on the first day of the semi-annual period. Contract charges may reduce this return. The value of the Contract at December 31, 2024 and 2023 was \$1,495,176 and \$1,690,073, respectively, and represented approximately 14% and 16% of net assets, respectively.

Certain events limit the ability of the Plan to transact at contract value with TFLIC. Such events include the following: (1) the Plan is changed so as to significantly affect TFLIC's obligations to the Contract, (2) the Contract can no longer be treated as a pension plan contract, (3) the Plan is terminated, (4) failure to comply with the Contract's requirements, (5) failure to provide information, (6) the sum of the Contract account values at any time equals \$20,000 or less, or (7) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator is not aware of any events, which would limit the Plan's ability to transact at contract value with participants that are probable. Issuances and redemptions of units are made on each business day. There are no unfunded commitments.

6. Transamerica LifeGoal Funds

The Transamerica LifeGoal Funds are collective trust funds consisting primarily of mutual funds managed by BlackRock Institutional Trust Company, N.A. and/or an affiliate and a group annuity contract issued by and supported by the general account of Transamerica Life Insurance Trust Company, and may also invest in other mutual funds, exchange-traded funds, group annuity contracts and/or collective investment trusts. The funds seek to maximize returns while maintaining a level of risk appropriate for a person to retire in or about the calendar year designated in the fund's name. Issuances and redemptions of units are made on each business day. There are no unfunded commitments.

7. Party-in-Interest Transactions

Certain investments of the Plan are managed by TFLIC, the custodian as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA. Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA and are reflected in the statements of net assets available for benefits as notes receivable from participants. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Ace Hotel Group 401(k) Plan

Notes to Financial Statements
(Modified Cash Basis)
December 31, 2024

8. Prohibited Transactions

During the 2024 and 2023 Plan years, certain of the Company's managed properties failed to transmit to the Plan participant contributions and participant loan repayments totaling \$156,897 within the period described by Department of Labor regulations. Delays in remitting these amounts to the Plan were due to an administrative oversight. The Company's managed properties are in the process of calculating and remitting lost earnings.

9. Risks and Uncertainties

The Plan's investments include investment securities that, in general, are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023 to the Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 10,729,169	\$ 10,471,750
