INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Justice Innovation, Inc. as Sponsor
of the Justice Innovation, Inc. 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Justice Innovation, Inc. 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**JUSTICE INNOVATION, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Justice Innovation, Inc. 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. The Plan was effective as of January 1, 2022.

A. General – The Plan is a defined contribution plan covering all employees of Justice Innovation, Inc. d/b/a Center for Justice Innovation (the “Employer” or “Sponsor”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Board of Directors of the Sponsor is responsible for oversight of the Plan. The custodian of the Plan is the Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (the “Custodian” or “Principal”) and the record keeper is the Principal Trust Company, a member of the Principal Financial Group.

B. Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation or participant compensation is earned.

Employee Contributions

Each year, participants may contribute to the Plan a portion of their pre-tax or after-tax annual compensation, as defined in the Plan, subject to the Internal Revenue Service (“IRS”) limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan does not have an auto-enrollment feature.

Employer Contributions

The Sponsor will contribute a matching contribution of two times the employee’s contribution to the Plan up to a maximum of five percent of the participant’s annual compensation calculated on a per-pay period basis. Participants are eligible to receive a matching contribution after completing six months of service and obtaining the age of 21 during the Plan year.

Rollover Contributions

An eligible employee may transfer to the Plan contributions and such other amounts from an eligible rollover plan that meet the requirements of the Internal Revenue Code (the “Code”) and the Plan at the time of transfer.

C. Eligibility – Employees are eligible to enroll into the Plan upon hire.

D. Participant Accounts – Each participant’s account is credited with the participant’s contribution, Employer matching contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

E. Vesting – Participants are vested immediately in their voluntary contributions and rollover contributions plus actual earnings thereon. Vesting in the Employer’s contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after two years of credited service.

JUSTICE INNOVATION, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF PLAN (Continued)

- F. Notes Receivable from Participants** – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The number of outstanding loans for a participant shall be limited to one. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions.
- G. Payment of Benefits** – Upon termination of service due to death, hardship, disability, retirement or separation, a participant or their beneficiary may elect to receive a lump sum payment.
- H. Forfeited Accounts** – Any forfeiture amounts will be used to reduce future Employer contributions or pay reasonable Plan expenses. During the years ended December 31, 2024 and 2023, forfeited non-vested accounts amounted to \$149,204 and \$75,935, respectively. During the years ended December 31, 2024 and 2023 forfeited amounts of \$45,307 and \$8,797, respectively, were used to pay Plan expenses. The forfeited account balance amounted to \$199,105 and \$83,162, respectively, as of December 31, 2024 and 2023.
- I. Secure Act Provisions** – The Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE 1.0 Act) and further by the SECURE 2.0 Act lowered the eligibility requirements to enable long-term part-time workers to participate in 401(k) and 403(b) plans, effective for the 2024 and 2025 calendar plan years, respectively.

The SECURE 2.0 Act increases the limit for catch-up contributions for individuals ages 60 to 63, effective for the taxable year beginning after December 31, 2024.

Earners making \$145,000 or more must make catch-up contributions on a Roth basis rather than pretax contributions, effective January 1, 2026.

Under the SECURE 1.0 Act, participants may defer receipt of their required minimum distribution until age 72 from the previous age of 70½. The SECURE 2.0 Act increased the age at which individuals must begin taking required minimum distributions to age 73 from 72, beginning January 1, 2023, as well as other increases starting in 2030.

For a terminated participant with a balance of \$5,000 or less, the participant will receive the value of the vested interest as a lump-sum distribution. The SECURE 2.0 Act increased that limit to \$7,000 effective for distributions in 2024.

In addition, the SECURE 1.0 Act and further by the SECURE 2.0 Act lowered the eligibility requirements to enable part-time workers to participate in 401(k) plans. These rules for long-term, part-time workers are expanded to apply to ERISA 403(b) plans, as well. The SECURE 2.0 Act changes the eligibility requirements under 401(k) so that it is easier for part-time employees to participate in them. The enacted law, the SECURE 1.0 Act, allows plans to limit eligibility for participation of part-time employees who reach the later of: (1) age 21 or completion of one 12-month period in which the employee worked at least 1,000 hours (pre-SECURE 1.0 Act rule); or (2) three consecutive years of service with 500 or more hours in each year. Under the SECURE 2.0 Act, a plan must allow a part-time employee to participate if the employee has either satisfied the above rule #1, or if the employee has completed two consecutive 12-month periods in which the employee worked at least 500 hours in each one of the two periods and reached age 21 by the end of the second 12-month period.

JUSTICE INNOVATION, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. Basis of Accounting** – The financial statements of the Plan are prepared on the accrual basis of accounting. The Plan adheres to accounting principles generally accepted in the United States of America (“U.S. GAAP”).
- B. Use of Estimates** – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.
- C. Investment Valuation and Income Recognition** – The Plan’s investments, except for the fully benefit-responsive contract, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation in fair value of investments includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Fully benefit-responsive investment contracts held by a defined contribution plan are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the Plan.

- D. Payment of Benefits** – Benefits are recorded when paid.
- E. Expenses** – Substantially all expenses incurred in connection with the administration of the Plan are paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant’s account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.
- F. Notes Receivable from Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023. A loan that is considered in default is reported as a deemed distribution, which is a taxable event for the participant.
- G. Excess Contributions Payable** – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2024 excess contributions to the applicable participants prior to March 15, 2025.

NOTE 3 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan administrator has elected the method of compliance in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information was certified as complete and accurate by the Plan's custodian, and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to information included in the Plan's financial statements.

Principal, the Custodian of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants included in the financial statements as of December 31:

	<u>2024</u>	<u>2023</u>
Fully benefit – responsive investment contract	\$ 65,380	\$ 17,563
Investments, at fair value	<u>24,451,475</u>	<u>15,810,187</u>
Total investments	<u>\$ 24,516,855</u>	<u>\$ 15,827,750</u>
Notes receivable from participants	<u>\$ 690,502</u>	<u>\$ 269,774</u>

Investment activity consists of the following for the years ended December 31:

	<u>2024</u>	<u>2023</u>
Dividends and other income on investments	\$ 577,867	\$ 312,817
Net appreciation in fair value of investments	<u>2,073,049</u>	<u>1,691,270</u>
	<u>\$ 2,650,916</u>	<u>\$ 2,004,087</u>
Interest income on notes receivable from participants	<u>\$ 37,901</u>	<u>\$ 13,933</u>

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

**JUSTICE INNOVATION, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024.

Mutual Funds

Mutual funds are valued at quoted market prices determined in an active market.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. Plan management has evaluated the significance of transfers between levels based upon the nature of the financial instrument and the size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2024 and 2023, there were no transfers.

Financial assets carried at fair value are classified as follows as of December 31:

	<u>Level 1</u>	<u>2024</u>	<u>Level 1</u>	<u>2023</u>
Mutual funds	\$ 24,451,475	\$ 24,451,475	\$ 15,810,187	\$ 15,810,187

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The contract value of the fully benefit-responsive investment contract is as follows as of December 31:

	<u>2024</u>	<u>2023</u>
Fully benefit-responsive investment contract	\$ 65,380	\$ 17,563

The Plan has a fully benefit-responsive investment contract with Principal Life Insurance Company (the "Insurance Company") through a Group Annuity Contract-Custodial Guaranteed Interest Contract (the "Contract"). The Insurance Company maintains the contributions in a general account. The account is credited with earnings and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2C, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is included in the financial statements at contract value as reported by Principal Trust Company as of December 31, 2024.

**JUSTICE INNOVATION, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)

Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There were no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on an agreed-upon formula with the issuer, but cannot be less than zero. The crediting rate was approximately 5% as of both December 31, 2024 and 2023.

Certain events limit the ability of the Plan to transact at contract value with the issuers. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity-wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract typically does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments in Principal funds are held and managed by Principal, the Custodian, and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the Custodian services provided to the Plan are reflected as administrative expenses in the accompanying financial statements. The total amount of administrative expenses amounted to \$62,294 and \$42,218 for the years ended December 31, 2024 and 2023, respectively.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Employer contributions. Any unallocated assets of the Plan shall be allocated to the participant accounts and distributed in such a manner as the Plan Sponsor may determine.

NOTE 8 – TAX STATUS

The Company has adopted a pre-approved plan document that has received an opinion letter from the IRS dated March 31, 2017, stating that the form of the pre-approved Plan document was in compliance with the applicable requirements of the Code. Although, the Plan has been amended since adopting the pre-approved Plan document, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code, and therefore, believes that the Plan is qualified.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**JUSTICE INNOVATION, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – REFUND OF EXCESS CONTRIBUTIONS LIABILITY

Subsequent to December 31, 2024, certain participant contributions were deemed to be excess contributions under the IRC. Such contributions and the related investment earnings thereon were refunded to Plan participants. A liability for excess contributions of \$36,412 was recorded in the Plan financial statements as of December 31, 2024.

NOTE 11 – SUBSEQUENT EVENTS

Management has evaluated, for potential recognition and disclosure, events subsequent to the date of the statement of net assets available for benefits through October 14, 2025, the date the financial statements were available to be issued.
