## INDEPENDENT AUDITOR'S REPORT

To the Trustees  
Central Mississippi Civic Improvement  
Association, Inc. Profit Sharing Plan  
Jackson, Mississippi

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audit of the accompanying financial statements of Central Mississippi Civic Improvement Association, Inc., Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Central Mississippi Civic Improvement Association, Inc., Profit Sharing Plan's, financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Central Mississippi Civic Improvement Association, Inc., Profit Sharing Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Mississippi Civic Improvement Association, Inc., Profit Sharing Plan's, ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Central Mississippi Civic Improvement Association, Inc., Profit Sharing Plan's, internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Mississippi Civic Improvement Association, Inc., Profit Sharing Plan's, ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedule of assets held a year end is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CENTRAL MISSISSIPPI CIVIC IMPROVEMENT ASSOCIATION, INC., PROFIT SHARING PLAN  
Notes to the Financial Statements  
December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Central Mississippi Civic Improvement Association, Inc., Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Summary Plan Description, which is available from the plan administrator, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Central Mississippi Civic Improvement Association, Inc., (Company) who have at least one (1) year of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, the Company may make contributions to the Plan at the discretion of the Company's Board of Directors. The contributions are invested in a portfolio of investments as directed by the Participants.

Participant Accounts

Each participant's account is credited with the Company's contribution and an allocation of plan earnings net of administrative expenses. Contributions are allocated based on the participant's earnings or account balances, as defined. Earnings net of administrative expenses are allocated based on the participant's account balance at the beginning of the plan year less withdrawals. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Vesting in the Company's contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is fully vested after five years of continuous service. The nonvested balance is forfeited upon termination of service. Forfeitures are used to reduce employer contributions in the subsequent year.

Payment of Benefits

Upon termination of service, an employee may elect to receive either a lump-sum amount equal to the value of his account or a joint survivor annuity.

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

CENTRAL MISSISSIPPI CIVIC IMPROVEMENT ASSOCIATION, INC., PROFIT SHARING PLAN  
Notes to the Financial Statements  
December 31, 2024 and 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Forfeitures

Forfeitures are created when a Participant terminated employment before becoming entitled to 100% of the accounts derived from the Employer's contributions. There were no unallocated forfeitures as of December 31, 2024.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date-basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America and with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Plan Tax Status

The plan has not obtained a tax status determination letter from the Internal Revenue Service. The Plan is based on a prototype plan and management believes that the Plan qualifies under section 401(a) of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits is prepared using contract value for the fully benefit-responsive investment contract.

CENTRAL MISSISSIPPI CIVIC IMPROVEMENT ASSOCIATION, INC., PROFIT SHARING PLAN  
Notes to the Financial Statements  
December 31, 2024 and 2023

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

	Fair Value Measurement at Reporting Date Using:	
<u>December 31, 2024</u>	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
Mutual Funds	\$ 3,450,179	\$ 3,450,179
Real estate investment trusts	139,958	139,958
Total	\$ 3,590,137	\$ 3,590,137

	Fair Value Measurement at Reporting Date Using:	
<u>December 31, 2023</u>	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
Mutual Funds	\$ 3,459,392	\$ 3,459,392
Real estate investment trusts	142,557	142,557
Total	\$ 3,601,949	\$ 3,601,949

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair values of mutual funds are valued at the net asset value (NAV) of shares held by the plan at year-end and real estate investment trusts are based on quoted market prices, when available.

CENTRAL MISSISSIPPI CIVIC IMPROVEMENT ASSOCIATION, INC., PROFIT SHARING PLAN  
Notes to the Financial Statements  
December 31, 2024 and 2023

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	2024	2023
Investments at Fair Value as Determined by Quoted Market Price		
Mutual Funds	\$ 3,450,179	\$ 3,459,392
Investments at Contract Value:		
Investment contract with Variable Annuity Life Insurance Company	<u>4,304,886</u>	<u>3,724,379</u>
	<u>\$ 7,755,065</u>	<u>\$ 7,183,771</u>

NOTE 5 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into an investment contract with VOYA Financial, Inc. VOYA maintains the contributions in a pooled account. The accounts are credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses charged by VOYA. The contracts are included in the financial statements at contract value (which represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses) because it is fully benefit-responsive. For example, participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contracts at December 31, 2024 was \$4,304,886.

NOTE 6 - RELATED PARTY TRANSACTIONS

The Plan investments are managed by VOYA Financial, Inc. (VOYA). VOYA is the custodian as defined by the Plan and, therefore, these investments and investment transactions qualify as party-in-interest transactions.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

CENTRAL MISSISSIPPI CIVIC IMPROVEMENT ASSOCIATION, INC., PROFIT SHARING PLAN  
Notes to the Financial Statements  
December 31, 2024 and 2023

**NOTE 8 - INFORMATION CERTIFIED BY THE TRUSTEE AND CUSTODIAN**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, VOYA, the custodian of the Plan, has certified as being complete and accurate the investments on the statements of net assets available for benefits, the investment activity reflected in the statements of changes in net assets available for benefits, and the investment information included in the supplemental schedule of the financial statements as of and for the year ended December 31, 2024. The custodian of the Plan has also certified as being complete and accurate the investments on the statements of net assets available for benefits as of December 31, 2023. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified as complete and accurate by the Plan's custodian for their respective periods.

**NOTE 9 - SUBSEQUENT EVENTS**

Subsequent events have been evaluated through October 6, 2025, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
