INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Investment Committee
Odfjell Holdings (US) Inc. 401(k) Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Odfjell Holdings (US) Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024, and the supplemental schedule of delinquent participant contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ODFJELL HOLDINGS (US) INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF THE PLAN:

The following description of the Odfjell Holdings (US) Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, adopted January 1, 1994, amended and restated January 1, 2024, is a defined contribution plan covering substantially all U.S. employees of Odfjell Holdings (US) Inc., Odfjell USA (Houston) Inc., Odfjell Terminals (Houston) Inc., Odfjell Terminals (Charleston), LLC, and Odfjell Terminals Management Inc. (collectively, the Employer or Company). The Plan is a salary reduction plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employees of the Company who have attained the age of 18 are eligible to participate in the Plan immediately upon employment. Participants are eligible for Employer matching contributions immediately upon employment.

Principal Trust Company (Principal) serves as the trustee and recordkeeper of the Plan and maintains and administers the Plan's investment assets for the benefit of participants.

Contributions

A participant may make elective contributions to the Plan up to 90% of eligible compensation as defined under the Plan and within the limitations prescribed by law. The Plan has an automatic enrollment provision, and deferrals will automatically be calculated on 6% of total eligible compensation as defined under the Plan document, unless an election is made not to participate. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Employer makes matching contributions equal to 100% of participant contributions not exceeding 3% of qualified participant compensation, plus 50% of participant contributions that exceed 3% of the qualified participant compensation but that do not exceed 5% of the qualified participant compensation. The Employer may also make discretionary contributions, as determined annually. No discretionary contributions were made by the Employer for the years ended December 31, 2024 or 2023.

1. DESCRIPTION OF THE PLAN (CONTINUED):

Participant Accounts

Each participant's account is credited with their contribution and the related Employer matching contribution. Plan earnings and losses and administrative expenses are allocated to participant accounts based upon account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their voluntary contributions, any rollover contributions, the Employer matching contribution, and the actual earnings on these amounts. Vesting in the discretionary Employer contribution, profit sharing contribution, and related earnings is based on length of service. A participant earns 20% vesting for each year of service and is 100% vested after five years of service.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have a maximum of two loans outstanding at any one time, and the loans are made for terms not to exceed five years, including for the purchase of a principal residence. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant, or beneficiary in the case of death, may elect to receive: (a) a single lump-sum amount equal to the value of the participant's vested interest in his or her account, (b) installments over a period of not more than his or her assumed life expectancy, or (c) a different form of annuity. For vested benefits not exceeding \$5,000 and for termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan also permits in-service withdrawals due to circumstances of financial hardship, in accordance with provisions specified in the Plan document.

Forfeited Accounts

At December 31, 2024 and 2023, there were no forfeited nonvested accounts and no forfeitures were used during the years ended December 31, 2024 and 2023. Forfeitures are used to reduce future Employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Presentation

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and recordkeeper. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in the employee contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Expenses of the Plan

The Employer generally pays the Plan's administrative expenses. However, certain fees are charged to and paid by participants. Expenses that are paid directly by the Company are excluded from these statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. Investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Subsequent Events

The Plan's management has evaluated subsequent events for adjustment to or disclosure in the Plan's financial statements through October 14, 2025, the date the financial statements were available to be issued. Except as noted below, no recordable or disclosable events occurred through this date.

Effective January 1, 2025, the Plan was amended to remove the adopting employer, Odfjell Terminals Management Inc.

3. FAIR VALUE MEASUREMENTS:

The Plan accounts for all financial assets and liabilities at fair value in the financial statements on a recurring basis. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

ODFJELL HOLDINGS (US) INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

3. FAIR VALUE MEASUREMENTS (CONTINUED):

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trust – Valued at NAV of units held by the Plan after adjustment to reflect the fair values of the collective trust's underlying investments, including direct and indirect interests in fully benefit-responsive contracts, based on information reported by the investments advisor. The NAV is used as a practical expedient to estimate fair value. The fund invests in conventional, synthetic and separate account investment contracts with stable fixed-income methodology and prudent risk assumption for preservation of capital, stability, predictability of returns, and liquidity to pay Plan benefits. Participant transactions (purchases and sales) are processed daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal, up to twelve months, from the fund in order to ensure that securities liquidations will be carried out in an orderly business manner. As of December 31, 2024 and 2023, there were no unfunded commitments.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value, as of December 31, 2024:

<u>Description</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

3. FAIR VALUE MEASUREMENTS (CONTINUED):

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value, as of December 31, 2023:

<u>Description</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 22,335,728	\$ ---	\$ ---	\$ 22,335,728
Total investments in the fair value hierarchy	<u>\$ 22,335,728</u>	<u>\$ ---</u>	<u>\$ ---</u>	22,335,728
Collective investment trust*				1,139,418
Total investments, at fair value				<u>\$ 23,475,146</u>

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. CERTIFIED INFORMATION:

The plan administrator has elected, for the years ended December 31, 2024 and 2023, the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974. Accordingly, Principal, the trustee, has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate at December 31:

	<u>2024</u>	<u>2023</u>
Mutual funds	\$ 26,342,397	\$ 22,335,728
Collective investment trust	1,092,676	1,139,418

Net appreciation in fair value of investments	2,434,410	3,099,711

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

4. CERTIFIED INFORMATION (CONTINUED):

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

5. TRANSACTIONS WITH PARTIES-IN-INTEREST:

Certain Plan investments are managed by Principal. Principal is the trustee and recordkeeper of the Plan's assets and, therefore, qualifies as a party-in-interest.

Certain investment advisory services are provided by PNC Bank NA. PNC Bank NA receives revenue from the Plan for investment advisory services provided to the Plan and, therefore, qualifies as party-in-interest.

The Plan issues notes to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

6. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. TAX STATUS:

On June 15, 2022, the Plan was restated under a Non-Standardized Pre-Approved Profit Sharing Plan with CODA, for which the Internal Revenue Service (IRS) provided an opinion letter dated June 30, 2020, stating that the Non-Standardized Pre-Approved Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

8. CONCENTRATIONS:

Four funds comprised approximately 45% of net assets available for benefits as of December 31, 2024. Two funds comprised approximately 26% of net assets available for benefits as of December 31, 2023.

9. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in economic factors and conditions in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500 at December 31:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 28,387,381	\$ 24,664,550

Net assets available for benefits per Form 5500	<u>\$ 28,387,382</u>	<u>\$ 24,604,385</u>

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2024:

Net increase in net assets available for benefits per the financial statements	\$ 3,722,831
Net change in participant contributions receivable	60,165

11. PROHIBITED TRANSACTIONS:

As described in the schedule of delinquent participant contributions (included in the supplemental information), the Employer did not remit certain contributions to the Plan in a timely manner, as defined by ERISA. The Employer has intention to correct such instances and will reimburse affected participants for lost income associated with the delay in contributions. These contributions are considered non-exempt party-in-interest transactions, which may result in the imposition of a 15% excise tax on the amount of the transactions. The tax status of the Plan is not affected by these non-exempt transactions as the Employer intends to pay all fines that may be imposed; however, were the Employer not to complete corrections in a timely manner, the Plan could become disqualified.
