### **INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator and Trustees of the  
Hanover Direct, Inc. Savings and Retirement Plan

#### ***Opinion***

We have audited the accompanying financial statements of the Hanover Direct, Inc. Savings and Retirement Plan, (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Hanover Direct, Inc. Savings and Retirement Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Hanover Direct, Inc. Savings and Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## **RICCI AND COMPANY, CPA, P.C.**

80 Orville Dr. Suite 100

Bohemia, NY 11716

(631) 372-6174

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Hanover Direct, Inc. Savings and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
  
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Bohemia, NY 11716

(631) 372-6174

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Hanover Direct, Inc. Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Hanover Direct, Inc. Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplemental Schedules Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

**RICCI AND COMPANY, CPA, P.C.**

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

# HANOVER DIRECT, INC. SAVINGS AND RETIREMENT PLAN

## Notes to Financial Statements

### December 31, 2024 and 2023

---

#### Note 1 - Description of Plan

The Hanover Direct, Inc. Savings and Retirement Plan (the “Plan”) commenced April 1, 1983. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

#### General

Participation in the Plan is available to all eligible employees of Hanover Direct, Inc. and its subsidiaries (the “Company”) that have attained the age of 21, have credit for at least one year of service and credit for more than 1,000 hours, and have applied for participation in the Plan. Eligible employee does not include anyone subject to a collective bargaining agreement, independent contractor, or a leased employee. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974, (“ERISA”).

#### Contributions

Participants whose annual base salary is under \$155,000 and \$150,000 in 2024 and 2023, respectively, may make pre-tax contributions of up to 20% of their total annual compensation (“Employee Contribution”), up to a maximum of \$23,000 and \$22,500 in 2024 and 2023, respectively, plus an additional \$7,500 for catch up contributions if they are 50 years old or over. The participants have the right to allocate contributions among any combination of sixteen funds administered by T. Rowe Price Retirement Plan Services, Inc. (“TRP”).

A participant whose total annual compensation is in excess of \$155,000 and \$150,000 in 2024 and 2023, respectively, is a highly compensated employee (“HCE”), as defined by the Internal Revenue Code (“IRC”), and is limited to pre-tax contributions of 5% of their total annual compensation, up to a maximum compensation limit of \$345,000 and \$330,000 in 2024 and 2023, respectively.

#### Participant Accounts

Each participant’s account is credited with his or her contribution, the Company-matching contribution, if applicable, and an allocation of plan earnings (losses) and administrative expenses. The benefit to which a participant is entitled is the vested portion of the benefit that can be provided from the participant’s account.

**Notes to Financial Statements**  
**December 31, 2024 and 2023**

---

**Note 1 - Description of Plan (continued)**

**Notes Receivable from Participants**

Participants are allowed to take out loans ranging from a minimum of \$500 up to the lesser of 50% of their individual vested account balance or \$50,000. The loans can be for a period of up to five years and bear a fixed rate of interest of prime rate plus one percent, determined at the time of the loan issuance. For a loan to purchase a primary residence, an individual must borrow a minimum of \$2,500, and may take up to 30 years to repay the loan. Each participant can have only one loan outstanding at any one time and the loan can be repaid before the end of the original term. The loans are secured by the participants' balances until fully paid off by the participants. Interest is payable at a rate of 9.0%. Principal and interest is paid ratably through payroll deductions.

**Vesting**

A participant will fully vest in the account value of the employer's contribution upon the earlier of: the completion of three calendar years of vesting service at 33% each year, retirement or termination after reaching age 65, death while an employee, retirement due to permanent disability, or upon termination of the Plan by the Company. Employee contributions vest immediately.

**Forfeitures**

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$99,761 and \$104,373, respectively. Forfeitures by reason of termination, withdrawal, or lapse of participation will be used to pay administrative expenses of the Plan, reduce the Company's matching contributions and will be allocated among remaining active participants. Forfeitures of \$10,300 and \$5,779 were used to pay administrative expenses for the years ended December 31, 2024 and 2023, respectively.

**Payment of Benefits**

Participants' vested account balances are payable upon retirement. Payments are permitted prior to retirement in the case of disability, death, financial hardship or termination of employment. Generally, Plan participants who have separated from service are entitled to receive 100% of their vested account balances in the form of a lump sum distribution. Terminated or retired participants may elect to defer distributions of account balances, but must commence distributions by April 1st following the calendar year in which the participant reaches the age of 72.

**Note 1 - Description of Plan (continued)**

**Plan Termination**

The Company has the right under the Plan to amend, alter or terminate the Plan at any time subject to the provisions of ERISA. In the event of the Plan's termination, the Plan provisions require that the net assets available for benefits be distributed to the participants in accordance with their individual account balances.

**Note 2 - Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements of the plan are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Management fees and operating expenses charged to the plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

**Notes to Financial Statements**  
**December 31, 2024 and 2023**

---

**Note 2 - Summary of Significant Accounting Policies (continued)**

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

**Benefit Payments**

Benefit payments are recorded when paid.

**Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

**Note 3 - Investment Certification**

All investment information reported in the accompanying financial statements, notes to the financial statements, and supplemental schedule, net appreciation in fair value of investments, dividend income and interest from participant loans for the year ended December 31, 2024 and the accompanying supplemental schedule, Schedule H, line 4i, schedule of assets (held at end of year) as of December 31, 2024, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the trustee of the Plan in accordance with section 29 CFR 2520.103-8 of the Department of Labors' Rules and Regulations for Reporting and Disclosure under ERISA.

**Note 4 - Fair Value Measurements**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**HANOVER DIRECT, INC. SAVINGS AND RETIREMENT PLAN**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

---

**Note 4 - Fair Value Measurements (continued)**

Level 1            Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2            Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3            Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There are no plan assets requiring the use of Level 3 inputs for the period presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

**HANOVER DIRECT, INC. SAVINGS AND RETIREMENT PLAN**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

---

**Note 4 - Fair Value Measurements (continued)**

*Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common/collective trust*: Valued at quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023, respectively:

	<b>Fair Value Measurements at the End of the Reporting Period Using:</b>	
	<b>Quoted Prices in Active Markets for Identical Assets (Level 1)</b>	<b>Total</b>
<b><u>December 31, 2024</u></b>		
Mutual funds	<u>\$ 9,785,819</u>	<u>\$ 9,785,819</u>
	<b>Quoted Prices in Active Markets for Identical Assets (Level 1)</b>	<b>Total</b>
<b><u>December 31, 2023</u></b>		
Mutual funds	<u>\$ 9,961,590</u>	<u>\$ 9,961,590</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023 are reported in net appreciation (depreciation) in fair value of investments.

**HANOVER DIRECT, INC. SAVINGS AND RETIREMENT PLAN**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

---

**Note 4 - Fair Value Measurements (continued)**

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2024 and 2023, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

**Note 5 - Common/Collective Trust**

During 2024 and 2023, the Plan held a benefit-responsive Common/Collective Trust contract with T. Rowe Price Trust Company. T. Rowe Price Trust Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for the participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by T. Rowe Price Trust Company. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The common/collective trust issuer is contractually obligated to repay the principal at a specified interest rate that is guaranteed to the Plan.

The Plan's collective investment trust, the T. Rowe Price Stable Value Common Trust Fund ("the Fund"), invests principally in investment and synthetic investment contracts ("SICs") and short-term investments issued by banks, insurance companies, and other high-quality issuers. The crediting rate for SICs is recalculated quarterly, and these contracts do not provide for a minimum crediting rate. The total return of the Fund, net of fees, was 3.07% and 2.75% for the years ended December 31, 2024 and 2023, respectively. The crediting interest rate for the contracts and short-term investments had a range from 2.92% to 5.09% as of December 31, 2024 and a range of 2.31% to 5.68% at December 31, 2023. All contracts have no scheduled maturity date but may be terminated by the trust or the issuer at any time subject to the notice period under the terms of the contract. No valuation reserve was recorded at December 31, 2024 and 2023.

As described in Note 2, because the common/collective trust is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the common/collective trust.

**HANOVER DIRECT, INC. SAVINGS AND RETIREMENT PLAN**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

---

**Note 5 - Common/Collective Trust (continued)**

The are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract at December 31, 2024 and 2023 was \$629,772 and \$743,905 respectively.

Certain events limit the Plan’s ability to transact at contract value with T. Rowe Price Trust Company. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan’s prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure to the Fund to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan’s ability to transact at contract value with the Plan participants are probable of occurring.

The Common/Collective Trust contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

	2024	2023
Average yields:		
Based on actual earnings	3.07%	2.75%
Based on interest rate credited to participants	1.15%	3.12%

**Note 6 - Tax Status**

The Plan has received a favorable determination letter from the Internal Revenue Service (“IRS”) stating that the Plan, as of August 19, 2020, is qualified under applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax exempt.

**HANOVER DIRECT, INC. SAVINGS AND RETIREMENT PLAN**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

---

**Note 6 - Tax Status (continued)**

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 7 - Related Party Transactions**

Certain Plan investments are shares of mutual funds managed by TRP. TRP is the trustee and the record-keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Investment advisory and management fees are deducted by each investment option's management company before the daily price or performance is calculated. Fees pay for trading securities within the investment options and other management services and are charged by the trustee and included in net appreciation of fair value of investments, as they are paid through revenue sharing, rather than a direct payment. Fees paid by the Plan for TRP's services were \$11,220 and \$5,779 for the years ended December 31, 2024 and 2023, respectively.

**Note 8 - Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near future and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
