## INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
403(b) Retirement Plan of Mercy Ships  
Lindale, Texas

### ***Opinion***

We have audited the financial statements of the 403(b) Retirement Plan of Mercy Ships (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America (GAAP).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Plan Administrator  
403(b) Retirement Plan of Mercy Ships  
Lindale, Texas

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Plan Administrator  
403(b) Retirement Plan of Mercy Ships  
Lindale, Texas

***Supplemental Schedule Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i–Schedule of Assets Held at End of Year as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

# 403(b) RETIREMENT PLAN OF MERCY SHIPS

## Notes to the Financial Statements

December 31, 2024 and 2023

### 1. DESCRIPTION OF THE PLAN:

The following brief description of the 403(b) Retirement Plan of Mercy Ships (the Plan) provides only general information. Participants should refer to the Summary Plan Document for a more complete description of the Plan's provisions.

#### GENERAL

The Plan is a 403(b) defined contribution retirement plan established February 1, 2019 and amended and restated January 1, 2021 and June 1, 2023, covering all eligible employees of Mercy Ships (the Organization). Eligible employees are defined as those other than nonresident aliens, leased employees, and employees who normally work less than 20 hours per week. Eligible employees may make contributions to the Plan starting the first day of the month following employment and are eligible to receive a discretionary employer matching contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The retirement plan committee has overall responsibility for the Plan. This includes the power to interpret the provisions of the Plan and to determine questions concerning eligibility, participation, and benefits, and such other powers and duties as are necessary to the operation and administration of the Plan. This committee also determines the appropriateness of the Plan's investment offerings and monitors investment performance.

#### CONTRIBUTIONS

Participants may make elective deferral contributions up to limits prescribed by law. The Organization made discretionary matches to the Plan of a dollar for dollar match up to 3% of employee compensation for the year ended December 31, 2024. Participants direct the investment of all contributions into various investment options offered by the Plan. Participants may also make contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Plan includes an auto-enrollment provision for eligible employees. Eligible employees are automatically enrolled at 3% of compensation unless a different selection is made.

#### PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of the Organization's contribution and Plan earnings and charged with an allocation of Plan expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### VESTING

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Organization's contributions to their accounts and related earnings is based on years of service. The vesting schedule is as follows: at one year of service a participant is vested at 25%, at two years of service a participant is vested at 50%, and at three years of service a participant is 100% vested.

## Notes to the Financial Statements

December 31, 2024 and 2023

### 1. DESCRIPTION OF THE PLAN, continued:

#### NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates between 4.25% and 10.5%. Interest rates are set at prime plus 1% on a quarterly basis. Principal and interest are paid ratably through payroll deductions.

#### FORFEITURES

Amounts that are forfeited due to a participant's termination of employment prior to 100% vesting in employer contributions made on the participant's behalf are used to reduce future employer contributions. As of December 31, 2024 and 2023, the balance in forfeited nonvested accounts was \$3,922 and \$0, respectively. Forfeitures used to reduce employer contributions were \$16,738 for the year ended December 31, 2024.

#### PAYMENT OF BENEFITS

Upon termination of service, disability, or attaining age 65, participants with vested account balances greater than \$1,000 generally receive payments in the form of a lump sum, partial payment, installment payments or purchase of annuity contracts. Participants with vested account balances of \$5,000 or less will receive a single lump-sum payment. Participants may also withdraw amounts from employee deferrals and related earnings upon reaching age 59 1/2, or in the event of a hardship.

#### ADMINISTRATIVE EXPENSES

Custodial and investment fees, along with other maintenance expenses, are paid from Plan assets. For the year ended December 31, 2024, \$66,653 was paid from Plan assets for administrative expenses. Any other administrative expenses are paid by the Organization.

### 2. SIGNIFICANT ACCOUNTING POLICIES:

#### BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

#### USE OF ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

## Notes to the Financial Statements

December 31, 2024 and 2023

### 2. SIGNIFICANT ACCOUNTING POLICIES, continued:

#### INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### PAYMENT OF BENEFITS

Benefits are recorded when paid.

#### NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent loans are reclassified as distributions based upon the terms of the Plan document.

### 3. FAIR VALUE MEASUREMENTS:

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measured date.

The *Fair Value Measurements and Disclosure* topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

Mutual funds are valued using Level 1 inputs, and are valued at the daily closing price as reported by the fund.

There were no changes to valuation methodologies during the year.

## Notes to the Financial Statements

December 31, 2024 and 2023

### 3. FAIR VALUE MEASUREMENTS, continued:

	Fair Value Measurements Using:			
	Fair Value	Quoted Prices in Active Markets For Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2024:				
Mutual funds	<u>\$ 9,224,145</u>	<u>\$ 9,224,145</u>	<u>\$ -</u>	<u>\$ -</u>
December 31, 2023:				
Mutual funds	<u>\$ 6,922,100</u>	<u>\$ 6,922,100</u>	<u>\$ -</u>	<u>\$ -</u>

### 4. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become vested 100% in their employer contributions.

### 5. TAX STATUS:

The Plan has adopted a prototype plan document sponsored by T. Rowe Price. The prototype plan document has obtained an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan has not received a determination letter from the IRS; however the Plan administrator and the Plan's counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

### 6. PARTIES-IN-INTEREST:

During the Plan year, the Plan investments were held by T.Rowe Price; therefore certain transactions with these parties qualify as party-in-interest transactions. As of December 31, 2024 and 2023, the Plan is invested in mutual funds managed by T.Rowe Price, which provides recordkeeping services for the Plan. During the year ended December 31, 2024, the Plan paid fees to T.Rowe Price of \$66,653 related to these services.

### 7. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
