## Report of Independent Auditors

The Retirement Plan Investment Board of FedEx Corporation  
FedEx SCA Employees' 401(k) Retirement Savings Plan  
(formerly FedEx SCA 401(k) Retirement Savings Plan)

### **Opinion**

We have audited the financial statements of FedEx SCA Employees' 401(k) Retirement Savings Plan (formerly FedEx SCA 401(k) Retirement Savings Plan) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

**Shape the future  
with confidence**

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

**Shape the future  
with confidence**

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion of the financial statements as a whole. The supplemental schedules of assets (held at end of year) as of December 31, 2024, and delinquent participant contributions for the year then ended (referred to as the “supplemental schedules”), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the supplemental schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

December 31, 2024

**1. Description of Plan**

The following description of the FedEx SCA Employees' 401(k) Retirement Savings Plan (formerly FedEx SCA 401(k) Retirement Savings Plan) (the Plan) is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the plan document.

**General**

The Plan was established May 1, 2006, and is a contributory defined contribution plan covering all eligible service employees of GENCO Infrastructure Solutions, Inc. (Company), a subsidiary of FedEx Supply Chain Distribution System, Inc. (formerly GENCO Distribution System, Inc. (GENCO)). On January 30, 2015, FedEx Corporation (FedEx) completed the acquisition of GENCO. The Plan was amended on April 24, 2020, to make FedEx Corporation the plan sponsor. A service employee is one whose hourly wages and hourly benefits are governed by the McNamara-O'Hara Service Contract Act of 1965. Participation in the Plan generally only requires employment with the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective January 1, 2024, the Plan name was changed to FedEx SCA Employees' 401(k) Retirement Savings Plan.

**Eligibility**

Employees are eligible to participate in the Plan the first day of the month coincident with or next following the date on which they have completed one month of service. Eligible Employees include full-time, part-time, seasonal, and temporary employees. Employees who are covered by a collective bargaining agreement are not eligible to participate, unless the Plan is specifically incorporated into such agreement.

**1. Description of Plan (continued)**

**Plan Administration**

Overall responsibility for administering the Plan resides with the Retirement Plan Investment Board (Investment Board), which was appointed by the Compensation Committee of the Board of Directors of FedEx. Effective June 1, 2024, the Investment Board delegated responsibility for day-to-day administrative activities and vendor management to the Retirement Services Department of Federal Express Corporation; prior to this date, these responsibilities were handled by the Retirement Services Department of FedEx Services, Inc.

Under a trust agreement effective January 1, 2017, Vanguard Fiduciary Trust Company (the Trustee) was appointed trustee for the Plan. The trust agreement authorizes the Trustee to invest and reinvest all or part of the Plan's assets in accordance with the participants' investment directions in any available investment fund selected by the Investment Board. The Trustee has been granted authority to make payments from the Plan's assets as directed by the Investment Board.

**Contributions**

Eligible employees may generally contribute up to 50% of eligible compensation on a pretax and effective January 1, 2024 Roth basis (combined) up to the allowable amount under the Internal Revenue Code (Code). Participants who are age 50 or older (or who attain age 50 before the end of the plan year) are eligible to make catch-up contributions and effective January 1, 2024 Roth catch-up contributions, up to 30% of eligible compensation, subject to certain limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company will make Qualified Non-Elect Wage Rate contributions to the Plan equal to the applicable fringe benefit rate specified by a contract subject to the limits defined by the Code, multiplied by the total service hours not to exceed 40 hours per week, less amounts properly credited by the Company to other bona fide fringe benefits elected by the participant. Service employees performing services on the Company's Jacksonville contract site are not eligible for such deficiency contributions.

FedEx SCA Employees' 401(k) Retirement Savings Plan  
(formerly FedEx SCA 401(k) Retirement Savings Plan)

Notes to Financial Statements (continued)

**1. Description of Plan (continued)**

Contributions from plan participants are recorded in the year in which the employee contributions are withheld from compensation. Company contributions are recorded when earned.

Participants direct the investment of their contributions and the company contributions. The Plan currently offers several mutual or money market funds and collective trusts, as well as a brokerage option, as investment options for participants. Participants who do not select an investment option(s) are automatically invested in a Qualified Default Investment Arrangement (QDIA), which is a date-specific Vanguard Target Retirement Trust based on the participant's age and an assumed retirement age of 65.

**Benefits**

Benefits provided by the Plan are paid from assets available for benefits at retirement, disability, death, or termination of employment. Payment may be in the form of a lump-sum distribution or a direct rollover. Participants can also elect to receive distributions in the form of fixed installments or partial distributions. A participant may request that all or any portion of his or her distribution be paid directly to an eligible retirement plan. The Plan provides for in-service withdrawals in accordance with the terms of the Plan.

**Participant Accounts**

Each participant's account is credited with the participant's contribution, company contributions (in the form of Qualified Non-Elect Wage Rate Contributions, if eligible), plus his or her pro rata share of plan earnings or losses based upon participant account balances and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants are fully vested in all of their accounts in the Plan.

(formerly FedEx SCA 401(k) Retirement Savings Plan)

Notes to Financial Statements (continued)

**1. Description of Plan (continued)**

**Administrative Expenses**

Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. The Company pays all administrative expenses of the Plan, except for the administrative costs of certain mutual funds and brokerage transactions and hardship origination fees, which are charged directly to the participants. Mutual fund expenses may include, but are not limited to, investment management, record-keeping, and administration as well as ancillary expenses incurred in conjunction with operating the defined contribution Plan.

A fee of \$14 per year is assessed to the accounts of those who have separated from employment beginning the quarter following separation.

The hardship withdrawal fee is \$50.

Effective July 1, 2024, a qualified domestic relations order determinations fee of \$350 will be charged directly to a participant's account.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedules. Actual results could differ from those estimates.

(formerly FedEx SCA 401(k) Retirement Savings Plan)

Notes to Financial Statements (continued)

**2. Summary of Significant Accounting Policies (continued)**

**Investment Valuation and Income Recognition**

Investments held by the Plan directly and indirectly through its investment in the FedEx Diversified Bond Fund Master Trust (Diversified Bond Trust) and the FedEx International Active Equity Fund Master Trust (International Active Equity Trust) are reported at fair value. Refer to Note 4 for discussion of fair value measurements and Note 5 for discussion of master trusts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Benefit Payments**

Benefits are recorded when paid.

**Plan Termination**

FedEx intends to continue the Plan indefinitely. However, FedEx has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participants will remain 100% vested and all plan assets will be distributed to the participants or their beneficiaries.

**3. Risks and Uncertainties**

The Plan invests in various investment securities. The fair values of investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported on the statements of net assets available for benefits.

FedEx SCA Employees' 401(k) Retirement Savings Plan  
(formerly FedEx SCA 401(k) Retirement Savings Plan)

Notes to Financial Statements (continued)

**4. Fair Value Measurements**

Fair value is defined as the exit price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2 – Inputs are quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.

Level 3 – Valuations are derived from unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Investments are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. Following is a description of the valuation methodologies used for investments measured at fair value.

Shares of mutual funds and money market funds are valued at quoted market prices determined in an active market, which represent the net asset value (NAV) of shares held by the Plan at year-end.

Collective trusts and the fixed-income collective funds are valued at the NAV of shares held as determined by the issuer. The NAV is considered published but trades in nonpublic markets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

FedEx SCA Employees' 401(k) Retirement Savings Plan  
(formerly FedEx SCA 401(k) Retirement Savings Plan)

Notes to Financial Statements (continued)

**4. Fair Value Measurements (continued)**

The following table sets forth by level within the fair value hierarchy the Plan investments at fair value as of December 31, 2024 (in thousands):

	<b>Assets at Fair Value as of December 31, 2024</b>			
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
Mutual funds	\$ 16	\$ –	\$ –	\$ 16
Money market fund	18	–	–	18
Common/collective trust funds	4,225	–	–	4,225
Total assets at fair value	\$ 4,259	\$ –	\$ –	\$ 4,259

In the prior year's financial statements, the money market fund was classified as Level 2. Upon further analysis, it was determined that a Level 1 classification was more appropriate. In 2024, the Plan revised its fair value hierarchy classification from Level 2 to Level 1, and the 2023 presentation has been adjusted accordingly for this immaterial amount.

The following table sets forth by level within the fair value hierarchy the Plan investments at fair value as of December 31, 2023 (in thousands):

	<b>Assets at Fair Value as of December 31, 2023</b>			
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>

Money market fund	15	–	–	15
Common/collective trust funds	3,664	–	–	3,664

**5. Master Trusts**

The FedEx SCA Employees' 401(k) Retirement Savings Plan participates in the Diversified Bond Trust along with the FedEx Corporation Retirement Savings Plan, FedEx Corporation Retirement Savings Plan II (effective January 1, 2022), and the FedEx Office and Print Services, Inc. 401(k) Retirement Savings Plan. Each participating plan has a specific interest in the Diversified Bond Trust determined by participants' investment elections. The master trust assets are allocated among the participating plans by assigning to each plan those transactions (primarily contributions, benefit payments, and plan-specific expenses) that can be specifically identified and by allocating among all plans, in proportion to the fair value of the assets assigned to each plan, income and expenses resulting from the collective investment of the assets of the master trust. The net appreciation in fair value of investments of the Diversified Bond Trust was \$2,179 thousand for the year ended December 31, 2024.

The FedEx SCA Employees' 401(k) Retirement Savings Plan participates in the International Active Equity Trust along with the FedEx Corporation Retirement Savings Plan, FedEx Corporation Retirement Savings Plan II (effective January 1, 2022), FedEx Office and Print Services, Inc. 401(k) Retirement Savings Plan, and the FedEx Corporation Retirement Savings Plan for Puerto Rico. Each participating plan has a specific interest in the International Active Equity Trust determined by participants' investment elections. The master trust assets are allocated among the participating plans by assigning to each plan those transactions (primarily contributions, benefit payments, and plan-specific expenses) that can be specifically identified and by allocating among all plans, in proportion to the fair value of the assets assigned to each plan, income and expenses resulting from the collective investment of the assets of the master trust. The net appreciation in fair value of investments of the International Active Equity Trust was \$25,480 thousand for the year ended December 31, 2024.

(formerly FedEx SCA 401(k) Retirement Savings Plan)

Notes to Financial Statements (continued)

**6. Income Tax Status**

The Plan received a determination letter from the IRS dated January 7, 2016, stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Subsequent to the determination by the IRS, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**7. Party-in-Interest Transactions**

Certain plan investments are shares of mutual funds and collective trusts managed by the Trustee; therefore, these transactions qualify as party-in-interest transactions.

**8. Subsequent Events**

Plan management has evaluated subsequent events through October 9, 2025, the date on which the accompanying financial statements were available to be issued.
