Ladies and Gentlemen:

This representation letter is provided in connection with your engagement to audit the financial statements and supplemental schedules of the BGDC Distribution LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements (collectively referred to as the financial statements). As permitted by Regulation Section 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Principal Trust Company (Principal), in accordance with DOL Regulation Section 2520.103-5, except for comparing such information with the related information included in the financial statements and supplemental schedules. We understand that the form and content of the information in the financial statements and supplemental schedules, other than that derived from the information certified by Principal has been audited by you in accordance with auditing standards generally accepted in the United States, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 2, 2025, the following representations made to you during your audit.

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated March 19, 2025, including our responsibility for the preparation and fair presentation of the financial statements.

2. We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit as of December 31, 2024 and 2023 and for the year ended December 31, 2024, and this election does not affect our responsibility for the financial statements and for determining the following:
 - a) The circumstances permit an ERISA Section 103(a)(3)(C) audit.
 - b) A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
 - c) The certification meets the 29 CFR 2520.103-5 requirements.
 - d) The certified investment information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
3. The financial statements referred to above are fairly presented in conformity with U.S. GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedules referred to above, including their form and content, are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
4. We acknowledge our responsibility for administering the Plan and determining that the transactions of the Plan that are presented and disclosed in the financial statements are in conformity with the provisions of the Plan, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
5. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
6. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
7. The methods, significant assumptions, and data used in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement, or disclosure that is reasonable in accordance with U.S. GAAP.
8. Related-party relationships and transactions, including relationships and transactions with parties-in-interest, as defined by ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP and ERISA Section 3(14) and regulations thereunder. We have disclosed to you the identity of the related parties and parties-in-interest to the Plan and all the related-party and parties-in-interest relationships and transactions of which we are aware.
9. All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.

10. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted an attorney concerning litigation, claims, or assessments. We have disclosed to you all known actual or possible pending or threatened litigation, claims, or assessments or unasserted claims whose effects should be considered when preparing the financial statements.
11. Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status of the Plan or trust) that legal counsel has advised us that must be disclosed have been properly disclosed.
12. Significant estimates and material concentrations, if any, have been properly disclosed in accordance with U.S. GAAP.

17. All transactions have been recorded in the accounting records and are reflected in the financial statements.
 18. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
 19. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
 - a) Management;
 - b) Employees who have significant roles in internal control; or
 - c) Others when the fraud could have a material effect on the financial statements.
 20. We have no knowledge of any allegations of fraud or suspected fraud affecting the financial statements of the Plan communicated by employees, former employees, participants, regulators, beneficiaries, service providers, or third-party administrators, or others that could result in a misstatement of the financial statements or otherwise affect the financial reporting of the Plan.
 21. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and Internal Revenue Service (IRS) regulations) whose effects should be considered when preparing the financial statements.
 22. The Plan, or the related trust, has satisfactory title to all owned assets, which are recorded at fair value, or contract value as disclosed and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed. All assets to which the Plan, or the related trust, has satisfactory title appear in the statements of net assets available for benefits. There are no material commitments for the acquisition of financial instruments or other assets.
 23. We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities and have no knowledge of any matters affecting the Sponsor of the Plan that could be significant to the Plan.
 24. We have no intentions to terminate the Plan.
 25. We have complied with all aspects of contractual agreements, including employee benefits related contracts that would have a material effect on the financial statements in the event of noncompliance and have not breached our fiduciary responsibilities.
 26. There are no significant deficiencies, including material weaknesses, in the design or operation of internal controls that could adversely affect the ability of the Plan to record, process, summarize, and report financial data. There have been no significant changes in internal control since December 31, 2024.

27. We have obtained and reviewed the service auditor's SOC 1 reports and are performing the applicable user controls.
28. There are no estimates that may be subject to a material change in the near term that have not been properly disclosed in the financial statements. We understand that near term means the period within one year of the date of the financial statements. In addition, we have no knowledge of concentrations existing at the date of the financial statements that make the Plan vulnerable to risk of severe impact that have not been properly disclosed in the financial statements.
29. There are no conditions or events, considered in the aggregate, that raise substantial doubt about the ability of the Plan to continue as a going concern for at least one year after the date of this letter.
30. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan. There have been no communications from regulatory agencies or government representatives concerning investigations or allegations of noncompliance with laws or regulations in any jurisdiction, or deficiencies in financial reporting practices, or other matters that could have a material effect on the financial statements.
31. We have no knowledge of any omissions from the participant data provided to the recordkeeper of the Plan for the purpose of determining the allocations to individual accounts used in the preparation of the financial statements.
32. All required amendments and filings of BGDC Distribution LLC 401(k) Plan documents with the appropriate agencies have been made.
33. Amendments to the instrument of the Plan, including amendments to comply with applicable laws, have been properly recorded or disclosed in the financial statements (if significant) or to the auditors.
34. We recognize that the audit procedures performed did not encompass all of the procedures necessary to determine the tax-qualified status of the Plan, nor the tax consequences of the Sponsor or participants of the Plan. We are aware of certain operational failures that, if not properly corrected, could be treated by the Internal Revenue Service (IRS) as "Qualification Failures," as defined in IRS Revenue Procedures 2021-30, which in turn could affect the tax-qualified status of the Plan and the related trust. We will be taking steps to correct these issues. If necessary, the tax qualification issues will be resolved directly with the IRS. A favorable resolution is expected. Accordingly, we believe that the Plan will retain the tax-qualified status.
35. We are aware that the required tax compliance testing related to the plan year under audit has not yet been completed. We will undertake to complete the required testing as soon as possible. We do not anticipate corrections. However, based on the test results, we will make sure that any required corrections, if needed, are made on a timely basis so as to maintain the qualified status of the Plan.
36. We have chosen to rely on the current Internal Revenue Service pre-approved plan opinion letter issued on behalf of the pre-approved plan, which we have adopted. We have determined, in accordance with IRS guidance, that we are eligible to rely on the pre-approved plan opinion letter and, therefore, have not applied for a determination letter on our adoption of the Plan. We understand that this letter does not cover some of the key requirements of the Internal Revenue Code covering tax qualified plans.

37. The Plan has complied with the fidelity bonding requirements of ERISA.
38. The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions and loan repayments, if applicable, to trusts containing assets for the Plan (other than as disclosed in the supplemental schedules).
39. We acknowledge our responsibility for presenting the required supplemental schedules in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the form and content of the required supplemental schedules have been fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
40. We have adopted ASU No. 2015-12 regarding the reporting of fully benefit-responsive investment contracts, which requires investment contracts held by a defined contribution plan to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents the cost plus contributions made under the contracts plus interest at the contract rates less withdrawals and administrative expenses. The statements of net assets available for benefits present the contract value of the investment in the guaranteed investment contract.

There are no intentions to terminate any benefit responsive investment contracts.

41. We are responsible for making the fair value measurements and disclosures included in the financial statements, including determining the fair value of investments for which a readily determinable fair value does not exist. As part of fulfilling this responsibility, we have established an accounting and financial reporting process for determining the fair value measurements and disclosures, selected appropriate valuation methods, identified and adequately supported any significant assumptions used, prepared the valuation, and ensured that the presentation and disclosure of the fair value measurements are in accordance with U.S. GAAP and ensured that the Form 5500 is reported at fair value. We believe the assumptions and methods used by us, including those used by specialists engaged by us, are appropriate in the circumstances and the resulting valuations and disclosures are reasonable. Our valuation methodologies have been consistently applied from period to period.
42. We are not aware of any potential uncertain tax positions that would, if necessary, meet the more likely than not threshold and require us to record a liability as of December 31, 2024.
43. As Sponsor and Administrator of the Plan, we are responsible for ensuring that all fee disclosure rules under Regulation Section 408(b)(2) of ERISA have been met.

We have obtained the required written agreement(s)/contract(s) and fee disclosures from covered service providers. We are also aware that we are responsible for determining that the fees paid by the Plan are reasonable and have taken action, or will take action, including plan fee/service benchmarking, to make that determination.

As Sponsor and Administrator of the Plan, we are also responsible for ensuring that all participant disclosure rules under Regulation Section 404(a)(5) of ERISA have been met. We have delivered to the participants the required disclosures under the regulation.

44. We are not aware of any violations of independence.
45. We will not modify your report or the financial statements referenced in your report.
46. We are not aware of any cyber security incidents that have occurred during the reporting period or through the date of this letter.
