Basis of Valuation

This report has been prepared in accordance with generally accepted actuarial principles and practices. Assumptions have been selected in accordance with applicable standards of practice, except as prescribed by law or regulation. Measurements of liabilities and assets have been performed in accordance with applicable standards of practice, except as prescribed or allowed by law or regulation. Census and trust data have been reviewed for consistency and reasonableness in a manner consistent with applicable standards of practice.

Other than the assumptions and methods prescribed by law or regulation, in my opinion the assumptions and methods used in this valuation are reasonable and appropriate for the purpose used.

In preparing this report, I have relied upon census information provided by the plan sponsor and asset information provided by the plan trustee. I certify that I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein.

Highlights

While there has been no significant legislation impacting the funding of the plan, a number of regulations have been issued, or are pending.

A number of rules remain unclear, pending guidance.
