INDEPENDENT AUDITORS' REPORT

To the Trustees and Plan Administrator
Consumer Direct Management Solutions 401(k) Plan
Missoula, Montana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Consumer Direct Management Solutions 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT

(Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT

Supplementary Schedules Required by ERISA

The supplementary schedule of assets (held at end of year) for the year ended December 31, 2024, and schedule of delinquent participant contributions as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that is agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that is agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Consumer Direct Management Solutions 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

1. PLAN DESCRIPTION

The following description of the Consumer Direct Management Solutions 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General The Plan is a voluntary defined contribution plan qualifying under Section 401(k) Plan of the *Internal Revenue Code* of 1986. It covers substantially all employees of Consumer Direct Management Solutions, Inc. and participating related employers (the Company) who are age 18 or older and completed three months of service, except employees covered by a collective bargaining agreement, leased employees, and nonresident aliens. The Plan is classified as a single employer plan and includes the following entities operating under common control: Montana Health Solutions, Inc. dba Consumer Direct Management Solutions; Nightingale Nursing Services, Inc.; Consumer Direct Personal Care, LLC; Consumer Direct Services for Nevada, LLC; New Mexico Consumer Direct Personal Care, LLC; Alaska Consumer Direct Personal Care, LLC; Arizona Consumer Direct Personal Care, LLC; Idaho Consumer Direct Personal Care, LLC; Consumer Direct for Wisconsin, LLC; Alamo Consumer Direct, LLC; Consumer Direct for Florida, LLC; Consumer Direct District of Columbia, LLC; Consumer Direct for Colorado, LLC; Consumer Direct Care Network Virginia, LLC; Consumer Direct Care Network Washington, LLC; Consumer Direct Care Network South Dakota; and Consumer Direct Care Tennessee, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The original effective date of the Plan is May 1, 2008. The Plan has been subsequently amended and restated.

Company Contributions The Company may make discretionary matching or profit sharing contributions. The Board of Directors did not declare any matching or profit sharing contributions for the years ended December 31, 2024 and 2023. However, qualified nonelective contributions of \$295 and \$13,549 were made for the years ended December 31, 2024 and 2023, respectively.

Participant Contributions Participants may elect to have a portion of their compensation contributed to the Plan on a pre-tax basis subject to an annual limit of the lesser of 90% of eligible compensation or the maximum amount allowed by law. Eligible participants age 50 or older by the end of a calendar year may make catch-up contributions to the Plan. Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts Each participant's account is credited with their participant contributions and allocations of: (a) Company contributions, if any, and, (b) related investment earnings and losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting Participants are immediately vested in their contributions and earnings thereon. Discretionary nonsafe harbor matching contributions and discretionary profit sharing contributions are subject to vesting. A participant is 100% vested after six years of credited service.

Notes Receivable From Participants Participants may obtain loans from their vested account balance. The amount of the loan permitted by the Plan is a minimum of \$1,000, up to a maximum equal to \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the vested balance in the participant's account and bear an interest rate that is commensurate with local prevailing rates as determined by the Plan administrator. Participants are allowed a maximum of one loan outstanding at any one time. Principal and interest are paid ratably through bi-weekly payroll deductions. Delinquent participant loans are deemed as distributions based upon the terms of the Plan agreement.

Payment of Benefits On termination of service, participants may elect to receive a lump-sum amount equal to the vested value of their account or may transfer the vested value of their account to another retirement investment vehicle. If, upon termination, the participant's account balance does not exceed \$5,000, and no participant election is made, the account balance will be automatically distributed. Any distribution greater than \$1,000 will be rolled over into an individual retirement account and invested in funds designed to preserve principal. Those under \$1,000 will be paid in cash to the participant in accordance with the Plan agreement. Participants may make withdrawals prior to termination of employment in the event the participant is experiencing financial hardship.

At December 31, 2024 and 2023, the Plan held vested allocations of withdrawn participants' accounts that have not been paid of \$414,111 and \$392,196, respectively.

Forfeitures Forfeitures are the nonvested portion of a participant's account upon termination of employment. Any forfeitures occurring during the Plan year may be applied to reduce contributions of the Company. However, forfeitures shall first be used to pay administrative expenses under the Plan, if so directed by the Company. At December 31, 2024 and 2023, there were no forfeited nonvested accounts and no forfeitures for the years then ended.

Plan Termination Although it has not expressed any intent to do so, the Company has the right to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a plan termination, participants would become 100% vested in their Company contributions.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting The Plan uses the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition Investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and the trustee. Fair value measurements are discussed below. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments purchased and sold, as well as held during the year.

Fair Value Measurements The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Interest-Bearing Cash: Assets are money market mutual funds which are valued at the net asset value (NAV), generally \$1 per share, and are reported on the active market on which securities are traded.

Mutual Funds: Assets are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

See note 4 for the classification of these assets within the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes Receivable from Participants Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Delinquent participant notes receivable are recorded as distributions in accordance with the terms of the Plan agreement.

Payment of Benefits Benefits are recorded when paid.

Expenses Certain operating expenses of the Plan are deducted from participant accounts and the remaining expenses are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

Evaluation of Subsequent Events Management has evaluated subsequent events through October 13, 2025, the date the financial statements were available to be issued.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such an election, the investments and notes receivable from participants included in the statements of net assets available for benefits, and the investment income and interest income on notes receivable from participants included in the statements of changes in net assets available for benefits as of and for the years ended December 31, 2024 and 2023, were not subject to auditing procedures and have been certified as complete and accurate by Fidelity Management Trust Company (Fidelity). Fidelity is a qualified institution that prepared and certified the information in accordance with 29 CFR 2520.103-5.

4. FAIR VALUE MEASUREMENTS

The following tables present by level, within the fair value hierarchy, the Plan's assets at fair value:

December 31, 2024	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ 152,517	\$ -	\$ -	\$ 152,517
Mutual funds	10,551,940	-	-	10,551,940
Investments at Fair Value	\$ 10,704,457	\$ -	\$ -	\$ 10,704,457

December 31, 2023	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ 91,636	\$ -	\$ -	\$ 91,636
Mutual funds	7,676,443	-	-	7,676,443
Investments at Fair Value	\$ 7,768,079	\$ -	\$ -	\$ 7,768,079

5. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Company is the administrator of the Plan. The Plan's administrator may designate other persons to carry out the day-to-day operations of the Plan. The Plan has an investment contract with Fidelity. Fidelity, as the Plan's broker, qualifies as a party in interest with respect to the investments managed by them; however, they are exempt from the prohibited transaction rules under ERISA. Fees paid by the Plan for investment management services amounted to \$30,861 and \$25,847 for the years ended December 31, 2024 and 2023, respectively.

6. TAX STATUS

The Plan has adopted a pre-approved non-standardized profit sharing plan established by Fidelity. The pre-approved plan obtained an opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the form of the pre-approved plan, as then designed, was acceptable under Section 401 of the *Internal Revenue Code* (IRC). Although the Plan has been amended since adopting the pre-approved plan, the Plan administrator believes that the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified and the related trust is tax exempt.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan has had delinquent participant contributions for a number of years. Management has corrected the late remittances and is confident the prohibited transactions will not adversely affect the qualified status of the Plan.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits of the financial statements to Form 5500:

December 31	2024		2023
