Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **CATHEDRAL CPAS & ADVISORS LLP**

(2) EIN: **99-2232952**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
Everett Financial, dba Supreme Lending 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **Everett Financial, dba Supreme Lending 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by John Hancock Life Insurance Company, the Custodian and the Trustee of the plan; an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2023 Financial Statements

The 2023 financial statements of **Everett Financial, dba Supreme Lending 401(k) Plan** were audited by predecessor auditors whose report dated July 30, 2024, expressed an unmodified opinion on those financial statements and included an other-matter paragraph that provided an opinion that the information in the 2023 supplemental schedule was fairly stated in all material respects in relation to the financial statements as a whole.

EVERETT FINANCIAL, DBA SUPREME LENDING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

For the Year Ended December 31, 2024

1. Description of the Plan

The following description of the **Everett Financial, DBA Supreme Lending** (the "Company") 401(K) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions. The Plan includes participants from the Company, MyAMC, LLC, and Base Capital Funding LLC (Collectively, the "affiliated employers").

General

The Plan is a defined contribution plan covering all full-time employees of the Company and affiliated employers who have completed 30 days of service and attained the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Record-Keeper of the Plan is John Hancock Retirement and the Custodian and Trustee of the Plan is John Hancock Life Insurance Company. The Company and its respective management are responsible for the oversight of the Plan.

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. In no event may participant pre-tax and after-tax contributions exceed any statutory limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Plan document provides the Company the option to make discretionary matching contributions, discretionary profit-sharing contributions, and discretionary qualified non-elective contributions. These contributions are subject to certain Internal Revenue Service ("IRS") limitations. Participants directed the investment of participant and employer contributions into various investment options offered by the Plan. During the year ended December 31, 2024, the Company did not elect to make discretionary matching contributions, discretionary profit-sharing contributions, and discretionary qualified non-elective contributions to the Plan.

Participant accounts

Each participant's account was credited with the participant's contributions and allocations of (a) the Company's contributions, (b) discretionary matching contributions, discretionary profit-sharing contributions, and discretionary qualified non-elective contributions, (c) Plan earnings and (d) an allocation of administrative expenses. Allocations were based on participant earnings or account balances, as defined. The benefit to which a participant was entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, and the Company's discretionary qualified non-elective contributions plus actual earnings thereon.

EVERETT FINANCIAL, DBA SUPREME LENDING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

For the Year Ended December 31, 2024

1. Description of the Plan (Continued)

Vesting (Continued)

Vesting in the Company's matching and discretionary contribution and discretionary profit-sharing contribution portion of their accounts, plus actual earnings thereon, were as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than 1 year	0%
1-2 years	20%
2-3 years	40%
3-4 years	60%
4-5 years	80%
5 or more years	100%

Participants will become immediately 100% vested in employer contributions if the following events occur: meets the normal retirement age as defined by the Plan, death, or disabled.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account based on the rates available for similar notes from commercial lending institutions. Interest rates on all outstanding loan balances were between 4.25% and 9.50% as of December 31, 2024 and 2023. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Payment of benefits

On termination of service due to death, disability, or retirement, a participant or the beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten-year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, less applicable taxes. Hardship distributions are permitted upon demonstration of financial hardship. If, after termination, the vested portion of a participant's account balance is less than \$7,000, a lump-sum distribution may automatically be made without election on the part of the participant. All fully vested balances are available for distribution after the participant reaches the age of 59½.

Forfeitures

Forfeited nonvested accounts are used to reduce future employer contributions and pay Plan expenses. During the years ended December 31, 2024 and 2023, there were no forfeited non-vested account balance.

2. Summary of Significant Accounting Policies

Basis of presentation

The financial statements of the Plan have been prepared on the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP") as detailed in the Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC").

EVERETT FINANCIAL, DBA SUPREME LENDING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

For the Year Ended December 31, 2024

2. Summary of Significant Accounting Policies (Continued)

Use of estimates

The preparation of financial statements in conformity with GAAP requires the Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. As of December 31, 2024 and 2023, the Plan has no fully benefit-responsive investment contracts.

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the custodian (See Note 4 – Fair Value Measurements).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Additionally, investment related expenses are also included in the net appreciation (depreciation).

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for losses has been recorded as of December 31, 2024 and 2023. Loans that are in default due to noncompliance with repayment terms (e.g., missed payments beyond the allowable grace period) are treated as deemed distributions in accordance with Internal Revenue Code. Although these loans are considered taxable to the participant, they remain outstanding and are still subject to repayment under the Plan.

Upon default, the participant has the opportunity to repay the loan, resume current status of the loan by paying any missed payment plus interest, or requesting distribution of the note, if distribution is available under the Plan. If the loan remains in default, the Plan administrator offsets the participant's vested account balance by the outstanding balance of the loan to the extent permitted by law.

The Plan administrator treats the note as repaid to the extent of any permissible offset. Pending final disposition of the note, the participant remains obligated to any unpaid principal and accrued interest. The outstanding note remains in notes receivables in the statements of net assets available for benefits.

EVERETT FINANCIAL, DBA SUPREME LENDING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

For the Year Ended December 31, 2024

2. Summary of Significant Accounting Policies (Continued)

Excess contribution payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions payable as of December 31, 2024 and 2023, respectively.

Payment of benefits

Benefits are recorded when paid.

Plan expenses

Certain expenses in connection with the administration of the Plan are paid directly by the Company and are excluded from these financial statements. All other administration expenses related to the Plan are paid by the participants through the Plan. Fees related to the administration of notes receivable from participants and distributions, along with the participant's share of investment related expenses (including investment advisory fees) are charged directly to the participant's account and are included in administrative expenses.

3. Investment Certification

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election John Hancock Life Insurance Company, the Custodian, of the Plan, has certified to the completeness and accuracy of all investments and related investment activity in the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, the statement of changes in net assets available for benefits for the year December 31, 2024 and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2024.

4. Fair Value Measurements

ASC Topic 820, *Fair Value Measurement*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value (ASC Topic 820). The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

EVERETT FINANCIAL, DBA SUPREME LENDING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

For the Year Ended December 31, 2024

4. Fair Value Measurements (Continued)

The three levels of the fair value hierarchy are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Pooled separate accounts ("PSA"): Valued at the net asset value ("NAV"), as a practical expedient, based on the market value of the underlying investments. The NAV is not a publicly quoted price in an active market. The pooled separate accounts are comprised of a wide variety of underlying investments such as equities and pooled separate accounts.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31:

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Investments, at fair value				
Total investment assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV (A)				
Pooled separate accounts	-	-	-	59,255,149
Total investments, at fair value	\$ -	\$ -	\$ -	\$ 59,255,149

	December 31, 2023			Total
	Level 1	Level 2	Level 3	
Investments, at fair value				
Total investment assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV (A)				
Pooled separate accounts	-	-	-	54,642,209
Total investments, at fair value	\$ -	\$ -	\$ -	\$ 54,642,209

(A) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. There were no transfers in or out of Levels 1, 2 or 3 during the year ended December 31, 2024.

The following tables for December 31, 2024 and 2023 sets forth a summary of the Plan's investments reported at NAV as a practical expedient to estimate fair value:

Investment	December 31, 2024			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption notice period
Pooled separate accounts (a)	\$ 59,255,149	n/a	Daily	See below

4. Fair Value Measurements (Continued)

Investment	December 31, 2023			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption notice period
Pooled separate accounts (a)	\$ 54,642,209	n/a	Daily	See below

(a) These accounts mainly invest in equity (domestic and international) and fixed income securities, target date funds, collective investment trusts, and short-term investments. The fair value of each investment is determined using Level 1 inputs. The investment strategies of the Plan's PSA vary generally based on the investment objectives of the asset class of which they are a part. Such investment strategies include investments in fixed income securities and investments in equity securities in domestic and international markets for growth and value objectives as well as to replicate market indexes and to invest in emerging markets. The Plan had no unfunded commitments related to PSA. The redemption of PSA is subject to the preference of individual Plan participants and contains no restrictions on the timing of redemption. These investments are excluded from the fair value hierarchy.

5. Tax Status

The Plan has adopted a Prototype Non-Standardized Profit-Sharing Plan sponsored by Armanino, LLP. On June 30, 2020, the IRS stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code ("IRC") and therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan's Administrator and the tax advisor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

6. Related Party and Party-in-Interest Transactions

Certain Plan investments are shares of funds managed by John Hancock Life Insurance Company. John Hancock Retirement was considered the record-keeper, John Hancock Life Insurance Company is custodian and trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Furthermore, there are certain fees paid to Armanino, LLP, the Plan's third-party administrator, and the Plan's investment advisor for various administrative and advisory services.

The Plan made direct payments to these parties in interest totaling \$282,853 during the year ended December 31, 2024. These fees are included in administrative expenses on the Statement of Changes in Net Assets Available for Benefits. The Plan Sponsor pays directly any other fees related to the Plan's operations.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan Termination, the participants would become 100% vested in the employer contributions.

8. Mutual Fund Fees

Investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940. These annual fees are used to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments on December 31, 2024 may not necessarily be indicative of amounts that could be realized in a current market exchange.

On December 29, 2022, the SECURE 2.0 Act of 2022 was signed into law. The SECURE 2.0 Act of 2022 contains provisions designed to make retirement plans more accessible to employees and less complicated for employers to establish and administer. While plan amendments are not required immediately, they must be adopted by the end of the first plan year beginning on or after January 1, 2025.

10. Concentrations

The Plan invests in one PSA that approximate 13% and 11% of the Plan's investments as of December 31, 2024 and 2023, respectively.

11. Subsequent Events

The Plan has evaluated subsequent events through October 14, 2025, the date the financial statements were available to be issued. Plan management believes that no such events occurred which would require disclosure in these financial statements.
