Independent Auditors' Report

To the 401(k) Committee and Plan Administrator of the
Envision Healthcare Operating Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Envision Healthcare Operating Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Envision Healthcare Operating Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2024 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of Envision Healthcare Operating Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Envision Healthcare Operating Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Envision Healthcare Operating Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Envision Healthcare Operating Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2023 Financial Statements

The financial statements of Envision Healthcare Operating Inc. 401(k) Plan as of December 31, 2023, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 14, 2024 indicated that in their opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedule, other than the information in the 2023 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2023 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Envision Healthcare Operating Inc. 401(k) Plan

Notes to Financial Statements

Years Ended December 31, 2024 and 2023

1. Plan Description

The following description of Envision Healthcare Operating Inc. 401(k) Plan (the “Plan”) provides general information only. Participants should refer to the plan agreement and related union agreements, if applicable, for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Envision Healthcare Operating Inc. (formerly Envision Healthcare Corporation) (the “Company” or “Employer”) and any other employer that adopts the Plan. The multiple-employer plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

In 2014, AMSURG Corp. acquired Sheridan Healthcorp Inc. Subsequent to the acquisition, AMSURG and Sheridan Healthcorp Inc. maintained separate retirement plans. Effective January 1, 2016, all accounts and assets of the AMSURG 401(k) plan were merged into the Sheridan Healthcorp, Inc. and their Identified Subsidiaries and Affiliates 401(k) Profit Sharing Plan, and participants in the aforementioned plan began participating in the Plan as of that date. As a result of this merger a new Volume Submitter Defined Contribution Agreement was entered into. In addition, the plan name was changed from the AMSURG/Sheridan 401(k) Plan to the Envision Healthcare Corporation 401(k) Plan on January 1, 2017. Additionally, the plan sponsor was changed to Envision Healthcare Corporation.

The assets from the Associated Physicians Retirement 401(k) Plan and the Employee 401(k) were merged into the Envision Healthcare Corporation 401(k) Plan effective March 1, 2019.

During 2021, assets were transferred to the Plan from Surgical Center of Morehead 401K Profit Sharing Plan Trust and Metropolitan Gastroenterology APMC Profit Sharing Plan.

On January 1, 2022, assets were transferred to the Plan from the Center for Ambulatory Surgery 401(k) Plan.

On November 1, 2022, US Eye 401(k) Retirement Savings Plan were transferred from this plan to another plan.

On September 30, 2023, assets were transferred to the Plan from other plans.

On November 3, 2023, Envision Healthcare Corporation emerged from bankruptcy and was required to change the corporation entity and the plan FEIN. Therefore, Plan sponsor was changed to Envision Healthcare Operating, Inc. and the Plan name was changed to Envision Healthcare Operating, Inc. 401(k) Plan.

AMSURG separated and became an independent entity from Envision Healthcare on November 3, 2023. Per the terms of the Transition Service Agreement, former AMSURG participants participated in the Plan until December 31, 2023 and plan assets attributable to former AMSURG participants transferred to a new plan effective January 1, 2024.

During 2024, assets were transferred to the Plan from AMSURG LLC 401(k) Plan.

Eligibility

All employees of the Company and other employers that adopt the Plan are eligible to participate in the Plan, except as otherwise provided in the Plan document. Enrollment to the Plan is automatic upon employment for non-physician population only.

Plan Administration

Fidelity Management Trust Company has been appointed as Trustee for the Plan (“Fidelity” or “Trustee”). The Trustee also serves as the custodian of the Plan’s investments. Employees may make an election to not participate in the Plan, by the Trustee or by enacting such change in their accounts via the Trustee’s website.

Notes to Financial Statements

Years Ended December 31, 2024 and 2023

1. Plan Description (continued)

Contributions

Each year, participants may elect to contribute up to 75 percent of their eligible compensation, as defined in the Plan, subject to maximum dollar limitations established by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans (“rollovers”). The maximum allowable tax deferred contribution per employee under the Internal Revenue Code was \$23,000 plus catch-up contributions of \$7,500 for employees age 50 or over for 2024.

Company contributions, if any, are made at the discretion of the Employer and are subject to certain limitations and allocated to participants as specified in the Plan. The Company contributions may be a flat amount or an amount equal to a uniform percentage, determined yearly by the Company, of participants’ eligible compensation. Company contributions were \$44,261,453 for the year ended December 31, 2024. As of December 31, 2024, \$24,656,137 of employer contributions and \$2,632,379 of employee contributions remained outstanding and were funded to the Plan in 2025.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, any discretionary Company contributions and allocations of investment earnings or losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum equal to 50% of the vested value of the participant’s account, provided the total of all loans outstanding at any one time does not exceed \$50,000 reduced by the highest loan balance during the one-year period preceding the application for this loan. Participants may only have one loan outstanding at any one time. The loans are secured by the balances in the participant’s account. The loans bear interest at rates commensurate with local prevailing rates at the date of issuance, as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions. Interest rates ranged from 3.75% to 10.25% for loans outstanding as of the year ended December 31, 2024.

Vesting

Participants are immediately vested in their elective contributions and rollover contributions plus actual earnings thereon. Participants’ vesting in Company contributions, if any, is based upon the following schedule (except as defined in Plan documents where employees who are members of certain classes receive a different vesting schedule for certain contributions):

Years of Service	Percentage
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

The non-vested account balances of participants with less than four years of service become 100% vested when they attain the age of 63 and upon death or disability.

Notes to Financial Statements

Years Ended December 31, 2024 and 2023

1. Plan Description (continued)

Investment Options

Upon enrollment in the Plan, a participant may direct contributions plus actual earnings thereon to be invested in any of the investment options offered by the Plan. Participants may change their investment options at their discretion.

Benefit Payments

Upon death, disability or retirement, participant accounts become 100% vested and participants or their beneficiaries may elect to receive an amount equal to the value of the participant's interest in his or her account in either a lump sum or rollover distribution if the benefit payable does not exceed \$5,000. If the benefit exceeds \$5,000, the participant or their beneficiaries may elect to receive a single lump sum payment or partial withdrawals.

Upon termination of service, benefits relating to employee contributions and vested employer contributions are distributed and subject to the applicable taxes and penalties, or rolled over if the total investment amount is \$5,000 or less. If the investment amount is greater than \$5,000, a participant may elect to have the funds remain in the Plan, until age 70-1/2. Upon termination of service, an automatic lump-sum distribution will be made for vested amounts less than \$1,000 and unless otherwise directed by the participant, automatic individual retirement account rollovers will be made for vested amounts between \$1,000 and \$5,000. If the investment amount is greater than \$5,000, a distribution of the participant's account may not be made without the participant's consent, until age 70-1/2. Benefit payments are recorded as deductions from net assets available for benefits when paid.

Forfeitures

Forfeitures of non-vested account balances are used to reduce the Company's discretionary contributions. As of ended December 31, 2024 and 2023, unallocated forfeited non-vested accounts totaled \$3,057,637 and \$4,050,243, respectively. In addition, approximately \$3,526,900 was transferred from the forfeiture account and was applied to reduce the 2024 employer contribution.

Termination

While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA. Upon termination of the Plan, participants become 100 percent vested in their account balances.

2. Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Envision Healthcare Operating Inc. 401(k) Plan

Notes to Financial Statements

Years Ended December 31, 2024 and 2023

2. Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net Appreciation in Fair Value of Investments

Net realized and unrealized appreciation of the fair value of investments is recorded as net appreciation in fair value of investments and includes the Plan's realized gains and losses on investments bought and sold during the year, as well as unrealized gains and losses on investments held at the end of the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2024.

Risks and Uncertainties

The Plan provides for investment options in a variety of investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, market volatility, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Administration of Plan

Certain administrative functions are performed by officers or employees of the Company. No such officers or employees receive compensation from the Plan. All costs, expenses, and fees incurred in administering the Plan, to the extent not paid by the Company, are incurred by the participants and are included in the net depreciation in fair value of investments.

3. Information Certified by the Plan's Trustee

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. The Trustee, has certified that the following data included in the financial statements and supplemental schedule is complete and accurate:

- Investments at fair value and notes receivable from participants, as shown in the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023.
- Investment loss and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024.

Envision Healthcare Operating Inc. 401(k) Plan

Notes to Financial Statements

Years Ended December 31, 2024 and 2023

3. Information Certified by the Plan's Trustee (continued)

- Schedule H, Line 4i – Schedule of assets (held at end of year), as of December 31, 2024.

The Plan's independent certified public accountants did not perform auditing procedures with respect to this information, except for comparing such information certified by the Trustee to the related information included in the accompanying financial statements and supplemental schedule.

4. Tax Status

The Company has adopted a volume submitter profit sharing plan with a deferral arrangement. The Internal Revenue Service ("IRS") has determined and informed the Company by letter dated March 31, 2014, that the volume submitter profit sharing plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended subsequent to receiving the determination letter. The Plan management believes the Plan is designed and is currently operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

5. Fair Value Measurements

Accounting Standards Codification ("ASC") 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Envision Healthcare Operating Inc. 401(k) Plan

Notes to Financial Statements

Years Ended December 31, 2024 and 2023

5. Fair Value Measurements (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Transfers between levels within the fair value hierarchy are recognized by the Plan on the date of the change in circumstances that require such transfer.

The following is a description of the valuation methodologies used for assets measured at fair value:

Registered investment company funds – Valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust funds – The fair value of common collective trust funds is determined by the trustee of the common collective trust fund based on the underlying assets, which represents the net asset value. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

Corporate bonds, U.S. Government securities, and other rights and options - The fair value of corporate bonds, U.S. Government securities, and other rights and options are valued using a market approach on yields currently available on comparable securities of issuers with similar credit ratings.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

- ⁽¹⁾ In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023, respectively.

December 31, 2024	Fair Value	Unfunded Commitments	Redemption frequency	Redemption notice period
Collective trust funds	\$2,296,086,922	n/a	Daily	n/a

December 31, 2023	Fair Value	Unfunded Commitments	Redemption frequency	Redemption notice period
