# Financial Statements and Independent Auditor's Report

Aspen ML LLC  
401 (k) Profit  
Sharing Plan

December 31, 2024  
and 2023

## **INDEPENDENT AUDITOR'S REPORT**

To the Trustees of  
Aspen ML LLC 401(k) Profit Sharing Plan Trust:

### **Opinion**

We have audited the accompanying financial statements of Aspen ML LLC 401(k) Profit Sharing Plan Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date when the financial statements are available to be issued.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Supplemental Schedule Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule titled Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## ASPEN ML LLC 401(K) PROFIT SHARING PLAN TRUST

### NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2024 AND 2023

---

#### 1. DESCRIPTION OF PLAN

The following description of the Aspen ML LLC 401(k) Profit Sharing Plan Trust (the “Plan”) provides only general information. Participants should refer to the Plan Document and related Adoption Agreement, and the Summary Plan Description for a more complete description of the Plan’s provisions.

**General** – The Plan is a defined contribution plan covering all full-time employees of Aspen ML LLC (the “Company”) who have completed two consecutive months of eligibility service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions** – Each year, participants may make elective deferred contributions, traditional and Roth, up to 96% of pretax annual compensation, as defined in the Plan, subject to limits imposed under the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (a rollover contribution). The Company will make a safe harbor matching contribution for all employees who have made elective deferrals equal to 100% of the first 3 percent of base compensation that a participant contributes to the Plan and 50% of the next 2% of base compensation that a participant contributes to the Plan. Additional profit sharing amounts may be contributed at the option of the Company. For the years ended December 31, 2024 and 2023, the Company did not make any profit sharing contribution to the Plan.

**Participants’ Accounts** – The Plan offers an array of mutual funds as investment options, and participants direct the investment of their contributions into these investment options. Each participant’s account is credited with the participant’s contribution, the Company’s safe harbor matching contribution and an allocation of (a) the Company’s profit sharing contribution, if any, (b) Plan earnings, and (c) forfeitures of terminated participants’ non-vested accounts and charged with an allocation of any administrative expenses paid by the Plan. Allocation of Plan earnings are based on participant’s account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Vesting** – Participants are 100% vested in their elective contributions and in Company safe harbor matching contributions at all times. Company profit sharing contributions are subject to a graduated vesting schedule. As there have been no Company profit sharing contributions, there have been no forfeitures.

**Payment of Benefits** – Participants are eligible for benefit payments upon retirement, termination of employment, death, permanent disability, or upon turning 59½. The Plan does not permit hardship distributions. Benefits are payable in cash in the form of lump-sum distributions or other options as described in the plan agreement.

**Notes Receivable from Participants** – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 95% of one-half the vested account balance or 95% of the total vested account balance excluding the Roth Elective Deferral balance. Under no event, the loan amount is to exceed \$50,000. Loans must be repaid within 5 years, unless the loan proceeds are used to acquire the participant’s principal residence. The loans are secured by the balance in the participant’s account and shall bear interest at the prime rate plus 1%. The interest rate on the loans outstanding at December 31, 2024 ranged from 4.25% to 8.75% per annum. Principal and interest is paid ratably through payroll deductions and are credited to the participant’s account. Loans are secured by the balance in the participant’s account.

#### 2. SIGNIFICANT ACCOUNTING POLICIES

***Basis of Accounting*** – The financial statements of the Plan are prepared on the accrual basis of accounting.

***Use of Estimates*** – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Contributions Receivable*** represents employee deferrals withheld from the last payroll paid in December and the related employer matching contributions. These amounts were satisfied in January the following year, therefore, no allowance for expected credit losses is necessary.

***Administrative Expenses*** – The Company has a service agreement with Fidelity to provide administrative services. Charges by Fidelity, to the extent paid by the Plan, are reflected as administrative expenses in the accompanying statements. Certain other costs of administering the Plan such as audit fees and payroll expenses of administrative and clerical personnel are incurred by the Company without charge to the Plan.

***Investment Valuation and Income Recognition*** – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan sponsor determines the Plan's valuation policies using the information provided by the custodians. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded when earned. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Payment of Benefits*** – Benefits are recorded when paid.

***Income Tax Status*** – The IRS has determined and informed the Company that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). From time to time the Plan may be amended, however, the Plan administrator and the Plan's tax counsel believe that the Plan is presently designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The Plan management believes it is not subject to income tax examinations for all periods prior to December 31, 2021.

## **ASPEN ML LLC 401(K) PROFIT SHARING PLAN TRUST**

### **NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2024 AND 2023**

---

#### **3. RECENTLY ADOPTED ACCOUNTING GUIDANCE**

In June 2016, the FASB issued guidance (FASB ASC 326) Allowance for Credit Losses. The Plan adopted the standard effective January 1, 2023. The impact of the adoption was not material to the financial statements.

#### **4. PARTICIPANT DIRECTED INVESTMENTS**

All investments are participant directed. The Plan offers an array of mutual funds from which participants may choose.

#### **5. PLAN TERMINATION**

Although they have not expressed any intention to do so, the Plan sponsor has the right under the Plan to agree to discontinue contributions and to terminate the Plan subject to the provisions of ERISA.

#### **6. RISKS AND UNCERTAINTIES**

The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonable possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### **7. NOTES RECEIVABLE FROM PARTICIPANTS**

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when earned. No allowance for expected credit losses has been recorded as of December 31, 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. There were \$151,849 and \$42,278 loans in default recorded in benefit payments at December 31, 2024 and 2023, respectively.

#### **8. FAIR VALUE MEASUREMENTS**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

## ASPEN ML LLC 401(K) PROFIT SHARING PLAN TRUST

### NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2024 AND 2023

#### 8. FAIR VALUE MEASUREMENTS - Continued

**Level 1 Fair Value Measurements** – The fair value of money market funds and mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market funds	\$ 5,064	\$ -	\$ -	\$ 5,064
Mutual funds	<u>11,509,104</u>	<u>-</u>	<u>-</u>	<u>11,509,104</u>
	<u>\$ 11,514,168</u>	<u>\$ -</u>	<u>\$ -</u>	11,514,168
Investment measured at net assets value				<u>6,562</u>
Total investments at fair value				<u>\$ 11,520,730</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market funds	\$ 1,620	\$ -	\$ -	\$ 1,620
Mutual funds	<u>14,347,750</u>	<u>-</u>	<u>-</u>	<u>14,347,750</u>
	<u>\$ 14,349,370</u>	<u>\$ -</u>	<u>\$ -</u>	14,349,370
Investment measured at net assets value				<u>50,054</u>
Total investments at fair value				<u>\$ 14,399,424</u>

**Changes in Fair Value Levels** – The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported on the actual date of the event or change in circumstances that caused the transfer.

The Plan's management evaluates the significance of transfers, if any, between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits.

**Investments Measured Using the Net Asset Value per Share Practical Expedient** – The Plan invests in a common collective trust for which fair value is measured using the net asset value per share as a practical expedient at December 31, 2024 and 2023. There is no redemption restriction.

#### **9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

There were no differences between the Form 5500 and the financial statements as of December 31, 2024 and 2023 and for the year ended December 31, 2024.

#### **10. PARTIAL PLAN TERMINATION**

During 2024, the Plan sponsor closed its largest business unit, Gregory Funding, LLC. This action resulted in a partial termination of the Plan under Section 411(d)(3) of the Internal Revenue Code. Prior to and after the partial termination, all participant accounts were 100% vested.

#### **11. SUBSEQUENT EVENTS**

Management of the Plan has evaluated events and transactions occurring after December 31, 2024 through October 13, 2025, the date of the financial statements were available for issuance, for potential recognition or disclosure in the financial statements and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

# Financial Statements and Independent Auditor's Report

Aspen ML LLC  
401 (k) Profit  
Sharing Plan

December 31, 2024  
and 2023

## **INDEPENDENT AUDITOR'S REPORT**

To the Trustees of  
Aspen ML LLC 401(k) Profit Sharing Plan Trust:

### **Opinion**

We have audited the accompanying financial statements of Aspen ML LLC 401(k) Profit Sharing Plan Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date when the financial statements are available to be issued.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Supplemental Schedule Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule titled Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## ASPEN ML LLC 401(K) PROFIT SHARING PLAN TRUST

### NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2024 AND 2023

---

#### 1. DESCRIPTION OF PLAN

The following description of the Aspen ML LLC 401(k) Profit Sharing Plan Trust (the “Plan”) provides only general information. Participants should refer to the Plan Document and related Adoption Agreement, and the Summary Plan Description for a more complete description of the Plan’s provisions.

**General** – The Plan is a defined contribution plan covering all full-time employees of Aspen ML LLC (the “Company”) who have completed two consecutive months of eligibility service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions** – Each year, participants may make elective deferred contributions, traditional and Roth, up to 96% of pretax annual compensation, as defined in the Plan, subject to limits imposed under the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (a rollover contribution). The Company will make a safe harbor matching contribution for all employees who have made elective deferrals equal to 100% of the first 3 percent of base compensation that a participant contributes to the Plan and 50% of the next 2% of base compensation that a participant contributes to the Plan. Additional profit sharing amounts may be contributed at the option of the Company. For the years ended December 31, 2024 and 2023, the Company did not make any profit sharing contribution to the Plan.

**Participants’ Accounts** – The Plan offers an array of mutual funds as investment options, and participants direct the investment of their contributions into these investment options. Each participant’s account is credited with the participant’s contribution, the Company’s safe harbor matching contribution and an allocation of (a) the Company’s profit sharing contribution, if any, (b) Plan earnings, and (c) forfeitures of terminated participants’ non-vested accounts and charged with an allocation of any administrative expenses paid by the Plan. Allocation of Plan earnings are based on participant’s account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Vesting** – Participants are 100% vested in their elective contributions and in Company safe harbor matching contributions at all times. Company profit sharing contributions are subject to a graduated vesting schedule. As there have been no Company profit sharing contributions, there have been no forfeitures.

**Payment of Benefits** – Participants are eligible for benefit payments upon retirement, termination of employment, death, permanent disability, or upon turning 59½. The Plan does not permit hardship distributions. Benefits are payable in cash in the form of lump-sum distributions or other options as described in the plan agreement.

**Notes Receivable from Participants** – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 95% of one-half the vested account balance or 95% of the total vested account balance excluding the Roth Elective Deferral balance. Under no event, the loan amount is to exceed \$50,000. Loans must be repaid within 5 years, unless the loan proceeds are used to acquire the participant’s principal residence. The loans are secured by the balance in the participant’s account and shall bear interest at the prime rate plus 1%. The interest rate on the loans outstanding at December 31, 2024 ranged from 4.25% to 8.75% per annum. Principal and interest is paid ratably through payroll deductions and are credited to the participant’s account. Loans are secured by the balance in the participant’s account.

#### 2. SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting** – The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates** – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Contributions Receivable** represents employee deferrals withheld from the last payroll paid in December and the related employer matching contributions. These amounts were satisfied in January the following year, therefore, no allowance for expected credit losses is necessary.

**Administrative Expenses** – The Company has a service agreement with Fidelity to provide administrative services. Charges by Fidelity, to the extent paid by the Plan, are reflected as administrative expenses in the accompanying statements. Certain other costs of administering the Plan such as audit fees and payroll expenses of administrative and clerical personnel are incurred by the Company without charge to the Plan.

**Investment Valuation and Income Recognition** – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan sponsor determines the Plan's valuation policies using the information provided by the custodians. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded when earned. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits** – Benefits are recorded when paid.

**Income Tax Status** – The IRS has determined and informed the Company that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). From time to time the Plan may be amended, however, the Plan administrator and the Plan's tax counsel believe that the Plan is presently designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The Plan management believes it is not subject to income tax examinations for all periods prior to December 31, 2021.

### **NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2024 AND 2023**

#### **3. RECENTLY ADOPTED ACCOUNTING GUIDANCE**

In June 2016, the FASB issued guidance (FASB ASC 326) Allowance for Credit Losses. The Plan adopted the standard effective January 1, 2023. The impact of the adoption was not material to the financial statements.

#### **4. PARTICIPANT DIRECTED INVESTMENTS**

All investments are participant directed. The Plan offers an array of mutual funds from which participants may choose.

#### **5. PLAN TERMINATION**

Although they have not expressed any intention to do so, the Plan sponsor has the right under the Plan to agree to discontinue contributions and to terminate the Plan subject to the provisions of ERISA.

#### **6. RISKS AND UNCERTAINTIES**

The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonable possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### **7. NOTES RECEIVABLE FROM PARTICIPANTS**

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when earned. No allowance for expected credit losses has been recorded as of December 31, 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. There were \$151,849 and \$42,278 loans in default recorded in benefit payments at December 31, 2024 and 2023, respectively.

#### **8. FAIR VALUE MEASUREMENTS**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

#### 8. FAIR VALUE MEASUREMENTS - Continued

**Level 1 Fair Value Measurements** – The fair value of money market funds and mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market funds	\$ 5,064	\$ -	\$ -	\$ 5,064
Mutual funds	<u>11,509,104</u>	<u>-</u>	<u>-</u>	<u>11,509,104</u>
	<u>\$ 11,514,168</u>	<u>\$ -</u>	<u>\$ -</u>	11,514,168
Investment measured at net assets value				<u>6,562</u>
Total investments at fair value				<u>\$ 11,520,730</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market funds	\$ 1,620	\$ -	\$ -	\$ 1,620
Mutual funds	<u>14,347,750</u>	<u>-</u>	<u>-</u>	<u>14,347,750</u>
	<u>\$ 14,349,370</u>	<u>\$ -</u>	<u>\$ -</u>	14,349,370
Investment measured at net assets value				<u>50,054</u>
Total investments at fair value				<u>\$ 14,399,424</u>

**Changes in Fair Value Levels** – The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported on the actual date of the event or change in circumstances that caused the transfer.

The Plan's management evaluates the significance of transfers, if any, between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits.

**Investments Measured Using the Net Asset Value per Share Practical Expedient** – The Plan invests in a common collective trust for which fair value is measured using the net asset value per share as a practical expedient at December 31, 2024 and 2023. There is no redemption restriction.

#### 9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There were no differences between the Form 5500 and the financial statements as of December 31, 2024 and 2023 and for the year ended December 31, 2024.

#### 10. PARTIAL PLAN TERMINATION

During 2024, the Plan sponsor closed its largest business unit, Gregory Funding, LLC. This action resulted in a partial termination of the Plan under Section 411(d)(3) of the Internal Revenue Code. Prior to and after the partial termination, all participant accounts were 100% vested.

#### 11. SUBSEQUENT EVENTS

Management of the Plan has evaluated events and transactions occurring after December 31, 2024 through October 13, 2025, the date of the financial statements were available for issuance, for potential recognition or disclosure in the financial statements and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.
