INDEPENDENT AUDITOR'S REPORT

To The Board of Directors of
Affordable Business Solutions Retirement Plan
Macon, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Affordable Business Solutions Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Affordable Business Solutions Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Affordable Business Solutions Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Affordable Business Solutions Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Affordable Business Solutions Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Affordable Business Solutions Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) (page 12) is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Affordable Business Solutions Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

Eligibility for Participation

The Affordable Business Solutions Retirement Plan is a defined contribution plan covering all permanent employees with no minimum service or age requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligible Employee - An “Eligible Employee” is someone who is employed by Affordable Business Solutions or any affiliate (the “Company”) who has adopted the Plan. For Safe Harbor Contributions, the term “Eligible Employee” for the exclusion of classes of employees shall have the same meaning as Elective Deferrals. However, the participant is not an “Eligible Employee” if he/she is a member of any of the following classes of employees:

For purposes of Elective Deferral Contributions, Non-Safe Harbor Matching Contributions, Safe Harbor Matching Contributions and Profit Sharing Contributions, any employee who is included in a unit of employees covered by a collective bargaining agreement, if retirement benefits were the subject of good faith bargaining, and if the collective bargaining agreement does not provide for participation in this Plan.

For purposes of Elective Deferral Contributions, Non-Safe Harbor Matching Contributions, Safe Harbor Matching Contributions and Profit Sharing Contributions, any leased employee.

For purposes of Elective Deferral Contributions, Non-Safe Harbor Matching Contributions, Safe Harbor Matching Contributions and Profit Sharing Contributions, any employee who is a non-resident alien who received no earned income which constitutes income from services performed within the United States.

Elective Deferral Contributions, Non-Safe Harbor Matching Contributions, Safe Harbor Matching Contributions and Profit Sharing Contributions - Participants will become eligible to make Elective Deferral Contributions and receive Non-Safe Harbor Matching Contributions, and Safe Harbor Matching Contributions and Profit Sharing Contributions on the first day of the calendar month, coinciding with or next following the date the participant performed an Hour of Service as an Eligible Employee.

Contributions

The Company will contribute a Safe Harbor Matching Contribution in an amount equal to 100% of the Matched Employee Contributions that are not in excess of 4% of Compensation. The Company may make Safe Harbor Matching Contributions in addition to the preceding.

The Company may make Matching Contributions in addition to the above.

Allocation of Matching Contributions - Matching Contributions will be made to the Plan and allocated to the Matching Contribution Accounts of Participants as soon as administratively feasible after the end of each pay period.

The Internal Revenue Code may also further restrict Matching Contributions for highly compensated employees.

AFFORDABLE BUSINESS SOLUTIONS
RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED

Profit Sharing Employees - The Company may, in its sole discretion, make a Profit Sharing Contribution to the Plan on the participant's behalf. Participants will be eligible to receive an allocation if they have completed at least 1,000 hours of service during the Plan Year and are employed by the Company on the last day of the Plan Year. For purposes of this Section, an employee who is not paid on a per-hour basis will be credited with forty-five (45) hours of service for each week, or partial week of service with the Company.

Profit Sharing Contributions will be allocated to the Profit Sharing Contribution Accounts of each Participant eligible to share in such allocations after the end of the Plan Year. Such contributions will be allocated to the Profit Sharing Contribution Account of each Participant eligible in pro rate shares based on each eligible participant's compensation to total compensation of all eligible participants.

Participant Accounts

Each participant's account is credited with the participant's contributions, company matching contributions, earnings, and charged with an allocation of administrative expenses. The participant directs the investments of his or her account by allocating amounts among the investment choices provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans

Participant loans are not permitted as defined in the Plan Document.

Vesting

Participants are always fully (100%) vested in their Elective Deferral Account, Rollover Contribution Account, Qualified Non-Elective Contribution Account and Safe Harbor Matching Contribution Account.

Year of Vesting Service

"Year of Vesting Service" means a 12-month period of time beginning on the participant's date of hire. All periods of service and less than whole year periods of service will be aggregated on the basis that twelve (12) months of service (30 days are deemed to be a month in the case of the aggregation of fractional months) or 365 days of service are equal to a whole year of service. The participant will also receive credit for any period of severance of less than 12 consecutive months.

Discretionary Non-Safe Harbor Matching Contribution Account and Profit Sharing Contribution Account - Participant interest in their Discretionary Non-Safe Harbor Matching Contribution Account and Profit Sharing Contribution Account will be based on the participant's Year of Vesting Service (defined below) in accordance with the following schedule:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than One Year	0%
One Year but Less than Two Years	20%
Two Years but less than Three Years	40%
Three Years but less than Four Years	60%
Four Years but less than Five Years	80%
Five or More Years	100%

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED

Special Vesting Rules - Participants will become fully (100%) vested upon their attainment of Normal Retirement Age while an employee, death while an employee, or become disabled while an employee.

Payment of Benefits

On termination of service due to death, disability, retirement, or termination of employment, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Forfeitures

If a Participant Receives a Distribution - If the participant's employment with the Company terminates and they receive a distribution of the entire vested portion of their Account, they will forfeit the non-vested portion of their Account. If the value of the vested Account balance is zero (0), they will be deemed to have received a distribution of their Account.

If a Participant Does Not Receive a Distribution - If the participant's employment with the Company terminates and they do not receive a complete distribution of the vested portion of their Account, they will forfeit the non-vested portion of their Account after the date they incur five (5) consecutive One-Year Periods of Severance.

Re-employment - If the participant receives or is treated as receiving a distribution and they resume employment, the amounts that have been forfeited (if any) will be restored if they repay the full amount of the previous distribution before the earlier of five (5) years after the first date on which they are subsequently reemployed, or the date they incur five (5) One-Year Periods of Severance following the date of distribution.

Subsequent Events

Subsequent events were evaluated through March 3, 2025, which is the date the financial statements were available to be issued.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation And Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Substantially all of the expenses of maintaining the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value investments.

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Account Standards Codification ("ASC") 820-10-50, Fair Value Measurements and Disclosures, provide the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1), and the lowest priority to unobservable inputs (Level 3). The 3 levels of fair value hierarchy under FASB ASC 820-10-50 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level or any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual Funds	<u>\$ 3,624,197</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,624,197</u>

December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	<u>\$ 2,975,516</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,975,516</u>

NOTE 4 - CERTIFIED INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments and interest and dividend income for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Charles Schwab Trust Bank, the custodian of the Plan for the period January 1, 2023 through December 31, 2023.

NOTE 5 - FORFEITURES

During the plan years 2023 and 2022, no forfeitures were used to fund employer contributions, as allowed by the plan.

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain Plan investments are units of mutual funds managed by Charles Schwab Trust Bank. Charles Schwab Trust Bank is the custodian of the Plan's assets, and therefore qualifies as party-in-interest. Fees paid by the Plan for the investment management services amounted to \$24,657 and \$24,782 for the years ended December 31, 2023 and 2022. These party-in-interest transactions are exempt from the Prohibited Rules of ERISA. There are no other related party or party-in-interest transactions.

NOTE 7 - PLAN TERMINATION

Although the participating employers have not expressed any intent to do so, they have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 - INCOME TAX STATUS

The Plan uses a volume submitter 401(k) plan created by Bluestar Retirement Services, Inc., the Plan's third-party administrator. Bluestar Retirement Services, Inc. received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states the volume submitter 401(k) plan satisfies the applicable provisions of the Internal Revenue Code ("IRC"). Although the plan has not obtained an individual determination letter and has been amended since receiving the Bluestar Retirement Services, Inc. opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. The Plan Administrator believes that the Plan has no income subject to unrelated business income tax. The Plan's income tax returns for the past three years are subject to examination by taxing authorities and may change upon examination.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
