Independent Auditor's Report

Plan Administrator
Health Care Plan of PCI Group, Inc.
Fort Mill, South Carolina

Opinion

We have audited the accompanying financial statements of the Health Care Plan of PCI Group, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits and changes in benefit obligations for the years then ended, and the related notes to the financial statements (collectively, the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Our use of the terms "our firm" and "we" and "us" and terms of similar import, denote the alternative practice structure conducted by Elliott Davis, LLC and Elliott Davis Advisory, LLC.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

Supplemental Schedule Required by ERISA, Continued

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

December 31, 2024 and 2023

Note 1. Description of the Plan

The following description of the Health Care Plan of PCI Group, Inc. (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

The Plan was formed effective January 1, 2021. The sponsoring employer, PCI Group, Inc. (the "Plan Sponsor"), has agreed in writing to be bound by the terms and conditions of the Trust Agreement establishing the Plan. The Plan is an employee benefit plan subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA), as amended.

The Plan is established to provide medical and prescription drug benefits to eligible employees of PCI Group, Inc. ("Plan Sponsor" or "Company"). The Plan is administered through the PCI Group, Inc. Health Benefit Trust ("Trust"). The Trust is established to receive and hold funds contributed by the Plan Sponsor and participants. All of the Trust's assets are available for the payment of Plan benefits and are to be used for the sole and exclusive benefit of the Plan's participants. The Trust is intended to constitute a Voluntary Employee Beneficiary Association ("VEBA") within the meaning of Section 501(c)(9) of the Internal Revenue Code (the "Code"). Oversight of the Plan's activities is provided by the Company's Plan Administrator.

Eligibility:

All full-time employees working 30 hours or more per week on average are eligible for medical and prescription drug benefits in the Plan on the first day of the month following a month of continuous employment. Participants will receive coverage for any month in which they remain eligible for the Plan and for which the Plan's sponsor makes contributions to the Plan on their behalf. The participant's coverage will end at midnight on the last day of the month in which eligibility ceases.

Benefits:

The Plan provides medical and prescription drug insurance coverage to participants who are eligible for benefits. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA). The Plan's benefits are self-insured. The claims for self-insured benefits are processed by UnitedHealthcare ("UH"), the Plan's third-party claims processor, under an administrative services only ("ASO") arrangement. Despite the Plan's utilization of third-party claim's processors, ultimate responsibility for payments to providers and participants is retained by the Plan. UH pays claims directly to or on behalf of participants and is then reimbursed by the Plan through participant and Plan Sponsor contributions held in the Plan's Trust. The costs of benefits, including claims and expenses of the Plan, that exceed participant contributions, are funded through Plan Sponsor contributions on a pay-as-you-go basis.

Stop loss coverage:

The Plan maintains stop loss insurance to limit its exposure for self-insured benefits to losses on any one individual of \$75,000 in a year for December 31, 2024 and \$70,000 in a year for December 31, 2023 and aggregate of \$1,000,000 on all claims for both years. The Plan recovered \$362,710 and \$150,462 under reinsurance agreements for the year ended December 31, 2024 and 2023, respectively.

Note 1. Description of the Plan, Continued

Contributions:

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Premiums for participation are withheld from the participant's paychecks. The Plan Sponsor directs the payment of contributions to the Trust to fund claims and expenses in excess of participant's contributions. Any deficiency of the Plan's net assets over benefit obligations is funded through Plan Sponsor contributions on a pay-as-you-go basis.

Amount to be refunded to the plan sponsor:

As of December 31, 2023, amounts to be refunded to the Plan Sponsor are \$110,462. These were due to an overpayment to the Trust of the claims fund in 2023. There were no overpayments to the Trust of the claims fund in 2024.

Trust:

The Plan Sponsor established the PCI Group, Inc Health Benefit Trust to receive participant contributions for participation in the Plan. Reimbursements to UH are paid first from the assets available in the Trust, and the balance is funded through Plan Sponsor contributions.

Note 2. Summary of Significant Accounting Policies

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, benefit obligations and changes therein, incurred but not reported eligibility credits, claims payable and disclosure of contingent assets, and liabilities, Actual results could differ from those estimates.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment provider See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Note 2. Summary of Significant Accounting Policies, Continued

Stop loss:

Premiums for stop loss insurance are recorded in stop loss reinsurance premiums in accompanying statement of changes in net assets available for benefits.

Payment of benefits:

Claim payments are recorded when paid by the third-party claims processor and are reported in the statement of changes in net assets available for benefits. Amounts due to claims processors that have yet to be reimbursed by the Plan, if any, are recorded as reimbursements payable to claims administrators in the accompanying statements of net assets available for benefits.

Administrative expenses:

Certain administrative expenses of the Plan are paid directly by the Plan Sponsor, as provided by the Plan document. The Trust receives certain vendor rebates for prescription drugs that are purchased under the Plan. The rebates are remitted, net of certain administrative service costs of UH, to the Trust to help defray the costs of benefits provided under the plan, as well as the costs of administering the plan. Rebates for the year ended December 31, 2024 and 2023 totaled \$48,806 and \$51,428, respectively.

Subsequent events:

The Plan has evaluated subsequent events through October 14, 2025, the date the financial statements were available to be issued.

Recently issued accounting pronouncements:

Accounting standards that have been issued or proposed by the Financial Accounting Standards Board (FASB) or other standards-setting bodies are not expected to have a material impact on the Plan's financial statements.

Note 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and

Note 3. Fair Value Measurements, Continued

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Interest bearing cash: Valued at amortized cost plus accrued interest, which approximates fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets:

	<u>December 31, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest bearing cash	\$ -	\$ 2,780	\$ -	\$ 2,780
Total assets at fair value	\$ -	\$ 2,780	\$ -	\$ 2,780

Note 4. Claims Incurred But Not Reported

Plan obligations at December 31, 2024 and 2023 for claims incurred but not reported are estimated using estimates prepared by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrators and estimates prepared using actual claims payment history reported in periods subsequent to year-end. These amounts are paid by the Plan only if claims are submitted and approved for payment.

Notes to Financial Statements

December 31, 2024 and 2023

Note 5. Related-Party and Party in Interest Transactions

UH is the administrative service provider for insurance claims of the Plan and OptumHealth Financial Services ("Optum") on behalf of Unimerica Insurance Company provides the stop loss insurance for the Plan. During 2023, the stop loss insurance provider was Everest Reinsurance Company ("Everest"). Administrative fees paid to UH and Optum are considered party-in-interest transactions. Of total plan expenses, \$175,125 and \$184,537 was paid to UH, the remaining \$299,969 was paid to Optum in 2024 and \$297,920 was paid to Everest in 2023.

Note 6. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, and can discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If such termination occurs, all balances in the Plan shall be maintained by the Plan Sponsor until such time as the assets of the Plan have been distributed in accordance with the principal purpose of the Plan.

Note 7. Tax Status

The Plan and the Trust are required to operate in conformity with the Internal Revenue Code ("IRC") to maintain tax-exempt status of the Trust. While the Plan Administrator has not requested an Internal Revenue Service ("IRS") determination letter for the Trust, the Plan Administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related Trust is tax-exempt. However, as a result of the Plan's funding policy, from time to time the Trust may be subject to income taxes. No federal or state income taxes have been recorded in 2024 and 2023 for unrelated business taxable income, and Plan management believes no liability for unrelated business taxable income has been incurred.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Risks and Uncertainties

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, healthcare inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Management's estimate of claims incurred but not reported (Note 4) is a material estimate that involves management judgement, assumptions, and the evaluation of uncertainties. Due to the nature of such estimate, it is reasonably possible that management's estimate of obligations will change in the near term, and the change, if any, could be material.
