## Independent Auditors' Report

### The Plan Administrator of Sekisui Aerospace, Inc. 401(k) Retirement Plan

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of Sekisui Aerospace, Inc. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (a qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplemental Schedule Required by ERISA***

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

**The Plan Administrator of  
Sekisui Aerospace, Inc. 401(k) Retirement Plan**  
Page 4

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Sekisui Aerospace, Inc. 401(k) Retirement Plan**

Notes to Financial Statements  
December 31, 2024

### **1. Description of Plan**

The following description of the Sekisui Aerospace, Inc. 401(k) Retirement Plan (the "Plan") is provided for general information only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### ***General***

The Plan is a defined contribution profit sharing plan covering all domestic eligible employees of Sekisui Aerospace, Inc. ("Sekisui Aerospace"), Sekisui Aerospace Auburn, Inc., and Sekisui Aerospace Sumner, Inc., (collectively, the "Company" or "Employer") who are 18 years of age or older and have completed 30 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance. Sekisui Aerospace is the Plan's sponsor and administrator, and is responsible for oversight of the Plan. Principal Trust Company is the trustee of the Plan.

#### ***Contributions***

Eligible employees are automatically enrolled in the Plan upon reaching 30 days of service. Under the terms of the automatic enrollment provision, the Employer withholds 3% of each eligible employee's eligible compensation each payroll period, unless the participant makes an affirmative election not to defer or to defer more or less than the automatic deferral percentage. Participants may contribute up to 100% of their eligible compensation into the Plan on a pre-tax basis, subject to certain limitations as defined by the Internal Revenue Code (the "Code"). Participants may elect to categorize a portion or all of their contributions under the Plan's Roth deferral feature on a post-tax basis, subject to certain limitations as defined by the Code.

Eligible participants may make "catch-up" contributions subject to certain limitations as defined by the Code. Contributions are funded to the Plan following each pay date. Participants may also make rollover contributions from other qualified plans.

The Employer may elect, at its discretion, to make matching or non-elective contributions to the Plan. Participants are eligible to receive Employer contributions after they have completed 30 days of service. During 2024, the Employer matched 50% of each eligible participant's contributions (excluding rollovers) up to 3% of eligible compensation. Matching contributions were funded subsequent to each pay period. There were no non-elective contributions to the Plan for the year ended December 31, 2024.

Notes to Financial Statements  
December 31, 2024

### **1. Description of Plan (continued)**

#### ***Participant Accounts***

Each participant's account is credited with the participant's contributions, as well as an allocation of the Employer contributions, if any, and Plan earnings (losses) thereon. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. All investments are participant directed.

#### ***Vesting***

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on years of continuous service. To earn a year of service, a participant must be credited with at least 1,000 hours of service during a plan year. A participant vests at the following rate: 0% vested before completing two years of credited service, and 100% vested after two years of credited service. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### ***Notes Receivable from Participants***

Participants may borrow from their accounts a minimum amount of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan will bear a commercially reasonable rate of interest. Principal and interest is paid ratably through payroll deductions. A participant can only have two loans outstanding from the plan at one time.

#### ***Payment of Benefits***

On termination of service due to death, disability, retirement, or for other reasons, a participant or their beneficiary may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or fixed period and fixed payment installments. Distributions may also be made in installments to comply with required minimum distribution rules required by the Code. The Plan permits in-service withdrawals to participants who have attained age 59 ½. Benefits can also be distributed in the event of the participant's immediate and heavy financial need. Such distributions, which are considered

#### ***Forfeited Accounts***

Forfeitures of the non-vested portion of terminated participants' accounts are maintained in a separate account and may be used to pay administrative expenses or to reduce future Employer contributions. At December 31, 2024 and 2023, forfeited accounts totaled \$126,900 and \$81,363. During 2024, \$73,120 of forfeitures were used to offset administrative expenses. During 2024, no forfeitures were used to reduce Employer contributions.

### **2. Summary of Significant Accounting Policies**

#### ***Basis of Accounting and Use of Estimates***

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### ***Fair Value Measurements***

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the net asset value (“NAV”) per share as a practical expedient are not categorized within the fair value hierarchy.

#### ***Investment Valuation and Income Recognition***

The Plan’s investments are stated at fair value except for the investment in the group annuity contract, which is valued at contract value. The common/collective trusts are valued at the NAV of units held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Pooled separate accounts are reported at the value reported to the Plan by the insurance company, which represents the fair value of the underlying investments comprising the accounts. Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily NAV and to transact at that price. These mutual funds are deemed to be actively traded. The group annuity contract is valued at contract value, which represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in value of investments includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

### **2. Summary of Significant Accounting Policies (continued)**

#### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded, when a distributable event occurs.

#### ***ERISA Budget Account***

The Plan has established an ERISA Budget Account with the Plan's recordkeeper, Principal Life Insurance Company ("Principal"), to pay for certain allowable Plan expenses. Amounts credited to the ERISA Budget Account are funded through the Plan's annual service and recordkeeping fees. The Plan Sponsor has elected to have all plan-level fees, including the ERISA Budget allocation, deducted from participant accounts through a reduction in investment returns. The ERISA Budget Account totaled \$0 at December 31, 2024 and 2023. During 2024, \$79,515 of Plan expenses were paid from this account.

#### ***Payments of Benefits***

Benefits are recorded when paid.

#### ***Expenses***

Certain expenses of maintaining the Plan are paid by the Employer and are excluded from these financial statements. Investment related expenses are included in net appreciation in value of investments. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

#### ***Subsequent Events Evaluation by Management***

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 10, 2025.

### **3. Information Certified (Unaudited)**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Trust Company, a qualified institution.

### 4. Investments

The following are the major categories of investments measured at fair value on a recurring basis at December 31, grouped by the fair value hierarchy:

	2024			
	Level 1	Level 2	Other Investments Measured at NAV *	Total
Common/collective trusts	\$ -	\$ -	\$ 23,357,269	\$ 23,357,269
Pooled separate accounts	-	5,202,395	-	5,202,395
Mutual funds	<u>2,364,042</u>	<u>-</u>	<u>-</u>	<u>2,364,042</u>
	<u>\$ 2,364,042</u>	<u>\$ 5,202,395</u>	<u>\$ 23,357,269</u>	<u>\$ 30,923,706</u>
	2023			
	Level 1	Level 2	Other Investments Measured at NAV *	Total
Common/collective trusts	\$ -	\$ -	\$ 21,883,634	\$ 21,883,634
Pooled separate accounts	-	4,700,099	-	4,700,099
Mutual funds	<u>2,274,617</u>	<u>-</u>	<u>-</u>	<u>2,274,617</u>
	<u>\$ 2,274,617</u>	<u>\$ 4,700,099</u>	<u>\$ 21,883,634</u>	<u>\$ 28,858,350</u>

(\*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

The group annuity contract is valued at contract value, which amounted to \$977,480 and \$964,140 at December 31, 2024 and 2023.

### 5. Common/Collective Trusts

#### ***Benefit Trust Company Collective Investment Trusts***

The Plan offers common/collective trusts called the Collective Investment Trusts ("CITs"). These CITs include: the U.S. Asset Conservative Fund; the U.S. Asset Moderate Fund; and the U.S. Asset Aggressive Fund. Benefit Trust Company ("BTC") serves as the trustee of the CITs.

#### ***Wilmington Trust BlackRock Russell 1000 Value Index R***

The Wilmington Trust BlackRock Russell 1000 Value Index R ("WT Fund") is a collective investment fund. Wilmington Trust, N.A. serves as the trustee of the WT Fund.

## **Sekisui Aerospace, Inc. 401(k) Retirement Plan**

Notes to Financial Statements  
December 31, 2024

### **5. Common/Collective Trusts (*continued*)**

The unit value of the common/collective trusts is determined on a daily basis. Units are issued and redeemed at their unit value. Net investment income and realized and unrealized gains and losses on investments are not distributed to participants but are reflected in the unit value. The common/collective trusts have no unfunded commitments at December 31, 2024 and 2023.

### **6. Group Annuity Contract**

The Principal Fixed Income Guaranteed Option (the "PFIGO") is a guaranteed group annuity contract backed by the general account of Principal Life Insurance Company. Because the PFIGO is benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the PFIGO. Contract value represents contributions, plus earnings, less participant withdrawals and administrative expenses.

A rate of interest is contractually guaranteed by Principal Life Insurance Company and is credited to participant's account balances. The rate is reset on a semiannual basis.

Benefit payments are made at contract value (i.e. no market value adjustments or surrender charge adjustments) for plan benefit events including: retirement, death, disability, termination of employment, loans, withdrawals, or Plan termination. An employer-level liquidation or employer initiated transfer of the Plan's interest in the PFIGO will be subject to either a 12-month advance notice or a 5% surrender charge, whichever the Employer chooses. Notification of a plan's intent to terminate its interest may be revoked within 90 days of the receipt of such notice, after which time, the notice becomes irrevocable. A 5% surrender charge will also apply if the cumulative percentage of participant transfers from the PFIGO exceeds 20% of the Plan's interest in the contract during the 12-month period immediately preceding the employer-level surrender of the Plan's interest in the contract. If this scenario occurs, the surrender charge will be billed to the Employer. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

### **7. Party-in-Interest Transactions**

Certain investments of the Plan are managed by an affiliate of Principal Trust Company. Principal Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

Certain administrative functions related to the Plan are performed by employees of the Company; the Employer pays the salaries of these individuals, and no costs are charged to the Plan.

### **8. Tax Status**

The IRS has determined and informed the prototype document preparer by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Code. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

### **9. Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

### **10. Risk and Uncertainties**

Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
