3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: CBIZ CPAS PC

(2) EIN: 43-1947695

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X

Independent Auditors' Report

Plan Administrator
Care New England 403(b) Match and Savings Plan
Providence, Rhode Island

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the Care New England 403(b) Match and Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CARE NEW ENGLAND 403(b) MATCH AND SAVINGS PLAN

Notes to Financial Statements

Note 1 - Description of the Plan

The following description of the Care New England 403(b) Match and Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan most recently amended January 1, 2022. The Plan covers eligible employees of Care New England Health System and other affiliated organizations, (the “Employer”) as specifically described in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Substantially all investments are participant-directed.

Eligibility

Employees are eligible to participate in the deferral portion of the Plan on the first day of employment.

Effective January 1, 2018, Women & Infants Hospital employees who are members of the Law Enforcement Officers Security Union became eligible for the Plan.

Effective January 1, 2017, Memorial Hospital of Rhode Island physicians and PhDs and employees of The Providence Center, Inc. became eligible for the Plan.

Effective September 26, 2016, employees of Primary Care Centers of New England, Inc. became eligible for the Plan.

Effective June 29, 2015, Women & Infants Brown University Academic Faculty hired prior to October 1, 2011 became eligible for the Plan.

Effective January 1, 2015, employees of Blackstone Health, Inc. are eligible for the Plan and current became eligible Memorial Plan participants became participants in this Plan.

Effective January 1, 2014, employees who transfer from The Memorial Hospital of Rhode Island (“Memorial”) to the Employer as a result of the transaction between the Employer and Memorial received credit for service performed with Memorial for purposes of eligibility and vesting (but not for non-elective contributions) under the Plan. For purposes of the non-elective contributions, these employees are deemed hired on or after January 1, 2013.

Participant Contributions

Each year, participants may contribute from 1% to 100% of their respective annual compensation, subject to limitations established by the Plan and the Internal Revenue Service. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“Rollovers”). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Contributions from participants are recorded in the year in which contributions are withheld from compensation.

Notes to Financial Statements

Note 1 - Description of the Plan (Continued)

Employer Matching Contribution

The discretionary matching contribution is for those eligible participants who have completed one year of service, as defined in the Plan. For the year ended December 31, 2024, the Employer provided a matching contribution equal to 100% on the first \$500 of elective deferrals, plus 50% on elective deferrals in excess of \$500 – with a maximum matching contribution of \$500 or 2% of plan year eligible compensation, whichever is greater. Certain amounts, as required, will be provided to the eligible Kent Union participants.

Participants excluded from the discretionary matching contribution include: Memorial Hospital of Rhode Island residents, Butler Hospital interns and physicians in residence; Women & Infants Hospital interns and physicians in residence; and any Women & Infants Hospital employee or Butler Hospital employee who is a member of a unit of employees covered by a collective bargaining agreement with the Employer that does not provide for the employee's eligibility for matching contributions.

Non-Elective Contributions

A non-elective contribution will be allocated to each eligible participant hired prior to January 1, 2013, who are not physicians, and who are employees employed by Kent County Memorial Hospital as members of a unit of employees covered by a collective bargaining agreement. The non-elective contribution to be allocated as a percentage of compensation is based on the number of years of service credited to each such participant as of the first day of the Plan year for which the non-elective contribution is made, as follows:

<u>Years of Service</u>	<u>Non-elective Contribution as a Percentage of Compensation</u>
Less than 1	0.00%
1-5	3.00%
6-10	3.50%
11-15	4.00%
16-20	4.50%
21-25	5.50%
26 or more	6.50%

CARE NEW ENGLAND 403(b) MATCH AND SAVINGS PLAN

Notes to Financial Statements

Note 1 - Description of the Plan (Continued)

Non-Elective Contributions (Continued)

A non-elective contribution will be allocated to employees who are physicians (other than Memorial Hospital of Rhode Island physicians) as a percentage of compensation based on the number of points credited to each such participant as of the first day of the Plan year for which the non-elective contribution is made, as follows:

<u>Points</u>	<u>Non-elective Contribution as a Percentage of Compensation</u>
Less than 40	3.00%
40-44	3.50%
45-49	4.00%
50-54	4.50%
55-59	5.00%
60-64	5.50%
65-69	6.00%
70-74	7.00%
75-79	8.00%
80 or more	9.00%

A participant was credited with one point for each complete year of the participant's age and one point for each complete year of service (as defined for purposes of vesting). No partial points are credited through December 31, 2016.

Effective January 1, 2017, eligible participants who are not physicians receiving allocations in accordance with the above points schedule prior to January 1, 2017 shall have their points determined and frozen as of January 1, 2017. Those participants will receive the greater of the allocation percentage under the years of service schedule compared to the allocation under the points schedule, subject in any event to a maximum allocation of 7% of compensation. Participants will continue to advance under the year of service schedule.

Effective January 1, 2017, Memorial Hospital of Rhode Island physicians and PhDs are eligible for the Plan and are eligible for a non-elective contribution equal to 3% of compensation. In addition, employees of The Providence Center, Inc. are eligible for the Plan and are eligible for a non-elective contribution equal to 3% of compensation.

Employees hired on or after January 1, 2013 and who are not physicians or who are not employed by Kent County Memorial Hospital as members of a unit of employees covered by a collective bargaining agreement, and any employees employed by Memorial Hospital of Rhode Island, Blackstone Health, Inc. and Primarily Care Centers, Inc. shall receive a non-elective contribution equal to 3% of compensation.

CARE NEW ENGLAND 403(b) MATCH AND SAVINGS PLAN

Notes to Financial Statements

Note 1 - Description of the Plan (Continued)

Non-Elective Contributions (Continued)

Participants excluded from the non-elective contributions include: Memorial Hospital of Rhode Island residents, Butler Hospital interns and physicians in residence, Women & Infants Hospital interns and physicians in residence, and any Women & Infants Hospital employee or Butler Hospital employee who is a member of a unit of employees covered by a collective bargaining agreement with the Employer that does not provide for the employee's eligibility for non-elective contributions under this Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Employer non-elective and matching contributions, and a pro rata allocation of the Plan's investment gains or losses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the vested portion from the participant's account.

Forfeitures

At December 31, 2024 and 2023, forfeited non-vested balances totaled \$9,935 and \$2,657, respectively. These amounts will be used to reduce future Employer contributions or pay plan expenses. Forfeitures used to reduce a portion of the Employer contributions during the year ended December 31, 2024 amounted to \$2,677.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer's matching and non-elective contributions are based on years of continuous service. A participant is 100% vested after three years of service.

Notes Receivable from Participants

Participants may borrow, subject to provisions, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1-5 years or longer for the purchase of a principal residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest are paid directly to VALIC Trust Company Inc. and The Variable Annuity Life Insurance Company ("VALIC") by the Participants.

CARE NEW ENGLAND 403(b) MATCH AND SAVINGS PLAN

Notes to Financial Statements

Note 1 - Description of the Plan (Continued)

Payment of Benefits

In-service withdrawals from any account fully vested by the participant are permitted only due to financial hardship or upon reaching age 59½. Participants can withdraw amounts from their rollover accounts at any time. Hardship withdrawals may be taken from a participant's deferral or rollover account only. Upon termination of service, or upon death, disability or retirement, a participant may receive a lump-sum amount or annuity options available equal to the vested value of his or her account approximately 60 days following severance from employment if requested as described in the Plan document. Upon termination, if a participant's account balance does not exceed \$5,000, and the participant does not elect to take a distribution, the Plan administrator may distribute the participant's vested account balance directly to the participant without consent.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its discretionary matching and non-elective contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Employer may determine.

Note 2 - Summary of Accounting Principles

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments, Investment Valuation and Income Recognition

Investments other than fully benefit-responsive investment contracts (valued at contract value) are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the Employer are recorded in the year in which the employee contributions are withheld from compensation.

CARE NEW ENGLAND 403(b) MATCH AND SAVINGS PLAN

Notes to Financial Statements

Note 2 - Summary of Accounting Principles (Continued)

Notes Receivable from Participants

Notes receivable from Participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Revenue Credit and Administrative Expenses

Administrative expenses are generally paid by the Plan. The Plan has a service agreement with AIG for a term of five years and renewing for successive two-year periods thereafter unless terminated. The expenses related to the Plan charged by AIG includes an administrative fee of \$60 per year per participant and another \$26 per participant. These fees are all assessed and calculated quarterly. In addition, another fee of \$34 per participant is assessed and calculated quarterly. These amounts are deposited into a plan expense account that can be used to cover plan expenses, such as auditing, legal and consultant fees or be allocated back to participants. These amounts are not available to reduce Employer contributions.

The amount available in the expense budget account at December 31, 2024 and 2023 is \$206,730 and \$249,536, respectively. The amounts used from the expense budget account to offset expenses during the year ended December 31, 2024 amounted to \$243,062.

For the year ended December 31, 2024, \$186,207 of revenue credits were earned and \$557,749 was charged to participant accounts and included in the total plan expenses.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from those estimates.

Subsequent Events

The Employer and Plan management have evaluated subsequent events through October 13, 2025, the date the financial statements were available to be issued. During 2025, the Employer transferred its recordkeeping and/or administrative services agreement to Fidelity Workplace Service LLC, effective on or about June 23, 2025.

CARE NEW ENGLAND 403(b) MATCH AND SAVINGS PLAN

Notes to Financial Statements

Note 3 - Information Certified by the Custodian and Insurance Companies

Plan investments are held by the Plan's custodian and insurance company, VALIC Trust Company Inc. and The Variable Annuity Life Insurance Company ("VALIC"). The fair and contract value of investments as of December 31, 2024 and 2023 and all investment transactions for the year ended December 31, 2024 are reported to the Plan and certified as complete and accurate by the custodian and insurance company. Investment transactions include interest and dividends and net appreciation in fair value of investments. Information included in the supplemental schedule and notes receivable from participants have also been derived from information certified by the custodian and insurance company. The Plan offers investment choices to allow Participants to create a diversified portfolio of assets based on a participant's risk tolerance. Participants in the Plan may direct contributions to a variety of investment options.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

- Level 1* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2* Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3* Inputs that are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

CARE NEW ENGLAND 403(b) MATCH AND SAVINGS PLAN

Notes to Financial Statements

Note 4 - Fair Value Measurements (Continued)

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

All mutual fund investments held at December 31, 2024 and 2023, totaling \$520,206,999 and \$456,008,340, respectively, are Level 1 within the fair value hierarchy.

Note 5 - Investment Contract with Insurance Company

The Fixed Interest Option is a group fixed annuity product issued by VALIC. Contract or accumulation value, as reported to the Plan by VALIC, represents contributions, earnings, participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. At December 31, 2024 and 2023, the contract value amounted to \$24,923,609 and \$25,740,192, respectively.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate will be declared annually by VALIC and that will apply to either the entire accumulation value, or separately to amounts in separate time periods. An interest rate will be set in advance of the period to which it relates and will be at least 1% per year for the first 5 contract years and at least 1% thereafter.

The investment will have a guaranteed interest rate of 2% for the first twelve months that began December 3, 2020. The crediting interest rate was 2.65% at December 31, 2024.

The Plan’s ability to receive amounts due is dependent on the issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

In the event of a discontinuance of the contract, the fixed income option investment allows the plan sponsor to withdraw the contract value either in five equal installments or a decreasing balance method. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan’s ability to transact at contract value with participants, is probable.

CARE NEW ENGLAND 403(b) MATCH AND SAVINGS PLAN

Notes to Financial Statements

Note 6 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events such as an international conflict, which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 7 - Related-Party Transactions and Exempt Party-in-Interest Transactions

Certain Plan investments are managed by AIG, the Custodian, and VALIC; therefore, these transactions qualify as party-in-interest. Fees incurred by the Plan to Fiducient Advisors for investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment, and totaled \$144,850. For the Plan year ended December 31, 2024, administrative fees of \$557,749 were paid to VALIC and other service providers, net of \$186,207 of revenue credits. Notes receivable from Participants also qualify as exempt party-in-interest transactions.

Note 8 - Income Tax Status

The Plan adopted The Angel Pension Group, Inc. volume submitter 403(b) plan and that prototype plan has received an opinion letter from the Internal Revenue Service ("IRS") dated March 31, 2017 stating that the form of the plan is qualified under Section 403(b) of the Internal Revenue Code ("Code"). The Plan has been amended since receiving the opinion letter; however, the Plan administrator believes the Plan is currently designed and is being operated in compliance with the applicable provisions of the Code and, therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
