REPORT OF INDEPENDENT AUDITORS

**To the Trustees of the
The Chimes, D.C., Inc. Health & Welfare Plan
Baltimore, Maryland**

Opinion

We have audited the financial statements of The Chimes, D.C., Inc. Health & Welfare Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2024 and the related statements of changes in net assets available for benefits and changes in benefit obligations for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of The Chimes, D.C., Inc. Health & Welfare Plan as of December 31, 2024, and the changes in net assets available for benefits and changes in benefit obligations for the year ended December 31, 2024 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of The Chimes, D.C., Inc. Health & Welfare Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Chimes, D.C., Inc. Health & Welfare Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2024 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Chimes, D.C., Inc. Health & Welfare Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Chimes, D.C., Inc. Health & Welfare Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) December 31, 2024 and supplemental schedule of reportable (5%) transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Auditors' Report 2023 Financial Statements

The financial statements of The Chimes, D.C., Inc. Health & Welfare Plan for the year ended December 31, 2023, before the restatement described in Note H, were audited by another auditor whose report dated October 15, 2024, expressed an unmodified opinion on those statements. As part of our audit of the December 31, 2024 financial statements, we also audited the adjustments described in Note H that were applied to restate the December 31, 2023 financial statements. In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review, or apply any procedure to the 2023 financial statements of the entity other than with respect to the adjustments and, accordingly, we do not express an opinion or any other form of assurance on the 2023 financial statements as a whole.

THE CHIMES, D.C., INC. HEALTH & WELFARE PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE A – GENERAL DESCRIPTION OF THE PLAN

The following description of The Chimes D.C., Inc. Health & Welfare Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Descriptions for a complete description of the Plan's provisions.

The Plan and Trust was established May 17, 1995 to provide health and other benefits to eligible participants. The sponsoring employer, The Chimes D.C., Inc. (the Company), has agreed in writing to be bound by the terms and conditions of the Trust Agreement establishing the Plan. The Plan is an employee benefit plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits

The Plan provides health benefits (medical, vision, dental and prescription drugs), basic life insurance, and basic accidental death and disability benefits. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Insured Benefits

The Plan fully insures the life insurance benefits and accidental death and disability benefits. The Plan also fully insures the indemnity medical benefits (including prescription drug coverage) for part-time employees. The Company purchases annual insurance contracts for these insured benefits. Premiums for all insured benefits are paid from the assets of the trust.

Stop Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Self-Insured Benefits

All other Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processor under an administrative services only (ASO) arrangement. The claims processor pays claims directly to or on behalf of participants and is then reimbursed by the Plan's trust. Despite the Plan's utilization of a third-party claims processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM), which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

NOTE A – GENERAL DESCRIPTION OF THE PLAN – Continued

Contributions

Benefits are funded primarily by Company contributions. In addition to deductibles, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections for covered dependents. The Company pays the full cost of life insurance, accidental death and dismemberment insurance, and stop-loss insurance.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements are prepared using the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, claims incurred but not reported, eligibility credits, claims payable and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Allowance for Credit Losses – The Plan adopted Accounting Standard Codification (ASC) 326, *Financial Instruments – Credit Losses*, as of January 1, 2023, with the cumulative-effect transition method with the required prospective approach. The measurement of expected credit losses under the current expected credit loss (CECL) methodology is applicable to financial assets measured at amortized cost, which include employer and participant contributions receivable. An allowance for credit losses under the CECL methodology is determined using the loss-rate approach and measured on a collective (pool) basis when similar risk characteristics exist. Where financial instruments do not share risk characteristics, they are evaluated on an individual basis. The CECL allowance is based on relevant available information, from internal and external sources, related to past events, current conditions and reasonable supportable forecasts. Management recorded no allowance for credit losses as of December 31, 2024 and 2023, as all amounts were determined to be fully collectible.

Payment of Benefits – Premium payments are recorded when paid by the Plan. Claim payments are recorded when paid by the third-party claims processor.

Administrative Expenses – The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators, consultants, and the trustee. These expenses are reported on the statements of changes in net assets available for benefits as administrative expenses. All other administrative expenses are paid by the Company on behalf of the Plan.

Employer Contributions – Employer contributions are recognized as income in the month the employees worked. Employer contributions due but not paid at year-end are recorded as contributions receivable.

Benefit Claims Payable – The obligation for benefit claims payable is an estimate for self-funded benefits incurred on or prior to December 31, but paid after December 31. The estimate was calculated based on a review of actual claims paid subsequent to year-end, with incurred and received dates of December 31, and prior.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Claims Incurred But Not Reported – Plan obligations at December 31, 2024 and 2023, for claims incurred but not reported are estimated using claims experience data provided by the Plan’s third-party claims administrator. These amounts are paid by the Plan only if claims are submitted and approved for payment.

Stop Loss – Premiums for stop loss insurance are included in premiums paid in the accompanying statements of changes in net assets available for benefits. Stop Loss refunds netted with claims paid in the statements of changes in net assets available for benefits totaled \$31,252 and \$57,053 for the years ended December 31, 2024 and 2023, respectively.

Refunds – Refunds due from the Plan’s PBM are recorded when earned. Refunds due as of the financial statement date have been reported as a receivable, with the offset being netted against claims paid. Pharmacy rebates totaling \$518,969 and \$390,387 have been netted with claims paid in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, respectively.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan’s valuation policies and procedures and reports to the Sponsor’s Board of Trustees. See Note C for discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan’s gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Subsequent Events – In preparing these financial statements as of December 31, 2024, management considered the impact of subsequent events occurring through October 13, 2025, the date the financial statements were available to be issued, for potential recognition or disclosure in these financial statements.

NOTE C - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

NOTE C - FAIR VALUE MEASUREMENTS - Continued

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds and interest-bearing cash: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

As of December 31, 2024 and 2023, the Plan's assets at fair value are \$8,300,966 and \$-0-, respectively and are included in Level 1 of the fair value hierarchy.

NOTE D – INCOME TAXES

The trust established under the Plan to hold the Plan's assets has not applied for exemption from state or federal income taxes, and is currently subject to income tax on its net investment income. The trustees believe that the trust does not have any net taxable income for the tax years ended December 31, 2024 and 2023 and, therefore, no tax liability is reflected in these financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more than likely would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE E – TERMINATION OF THE PLAN

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE F – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan engages in transactions with service providers that are considered party-in-interest transaction under the Employee Retirement Income Security Act of 1974 (ERISA). The following fees were paid to such parties during the years ended December 31, 2024 and 2023:

Benefits payable per Form 5500, prior year	<u>672,216</u>	<u>606,144</u>
Net income (loss) per the Form 5500	<u>\$ 789,168</u>	<u>\$(10,083,153)</u>

NOTE H – RESTATEMENT – CORRECTION OF AN ERROR

During the year ended December 31, 2024, the Plan identified an error in the beginning net assets available for benefits, related to employer fringe contributions receivable for the year ended December 31, 2023. Specifically, certain employer fringe contributions due to the Plan but not received as of December 31, 2023 were inadvertently omitted from the financial statements.

In accordance with the Employee Retirement Income Security Act of 1974 (ERISA) and applicable accounting standards for health and welfare benefit plans, the Plan has corrected this error by restating the 2023 financial statements. As a result of the correction, employer contributions receivable, employer contributions, and net assets available for benefits as of December 31, 2023 were each increased by \$938,899, to properly reflect amounts due to the Plan at that date.
