## Independent Auditor's Report

Trustees  
Culligan Safe Harbor Retirement Savings Plan  
Rosemont, Illinois

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Culligan Safe Harbor Retirement Savings Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Culligan Safe Harbor Retirement Savings Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of Culligan Safe Harbor Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Culligan Safe Harbor Retirement Savings Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the "Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements" section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Culligan Safe Harbor Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Culligan Safe Harbor Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment

information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Culligan Safe Harbor Retirement Savings Plan**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

---

**Note 1. Description of Plan**

The following description of the Culligan Safe Harbor Retirement Savings Plan (Plan) provides only general information. Participants should refer to the plan agreement for more detailed descriptions of the Plan's provisions.

**General**

The Plan is a defined contribution plan covering all full-time employees of the Culligan International Company (Company) and the adopting employers who have completed one month of service and are age 21 or older. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA), as amended by subsequent legislation.

The Plan was amended and restated effective April 1, 2021. At this time, the plan name was changed from Waterco of the Pacific North W 401(k) Profit Sharing Plan & Trust (Plan Number 001) to Culligan Safe Harbor Retirement Savings Plan and the sponsor was changed from WaterCo Holding, LLC (EIN 61-1662663 PN 001) to Culligan International Company.

**Contributions**

Participants may contribute between 1% and 100% of pretax annual compensation subject to the applicable annual limit on pretax contributions of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. Upon reaching eligibility requirements, participants are enrolled in the Plan at a deferral rate of 3%, with annual increases of 1% each up to 15% of compensation.

During 2024, the Company contributed 100% of the first 1% of eligible compensation plus 50% of the next 5% of eligible compensation that a participant contributed to the Plan. The matching Company contribution is invested according to the investment direction specified by the participant. Employees may also make rollover contributions from other approved plans (as defined in the Plan). All contributions are subject to certain limitations (as defined in the Plan). Additional discretionary contribution amounts may be contributed at the option of the Company's Board of Directors. No additional discretionary contributions were made to the Plan in 2024.

**Participant Accounts**

Each participant's account is credited with the participant's contribution, allocations of the Company's matching and discretionary contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their contributions and the Company's discretionary contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts, plus actual earnings thereon, is based on years of service. A participant is 100% vested after two years of service within the Company.

**Investment Options**

Participants direct the investment of their account balances into various investment options offered by the Plan.

**December 31, 2024 and 2023**

---

***Notes Receivable From Participants***

Participants may borrow a minimum of \$1,000 up to 50% of their total vested account balance, not to exceed \$50,000, reduced by the highest outstanding loan balance during the preceding twelve months. The loans are secured by the vested balance in the participant's account and bear interest of 1% above the prime rate, which is determined daily based on *The Wall Street Journal*. On December 31, 2024, interest rates on outstanding loans ranged from 4.25% to 10.50%. General purpose loans are repayable over a maximum of five years and principal residence loans are repayable over a maximum of fifteen years. The number of loans that may be outstanding from the Plan to a single participant at any one time is limited to one.

***Payment of Benefits***

The Plan disburses funds for participant hardship withdrawals, termination of employment, death, disability or retirement. For such disbursements, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. A participant may withdraw at any time all or a portion of amounts attributed to rollover contributions including earnings.

***Forfeited Accounts***

Forfeitures available for future use totaled \$393,971 and \$198,219 on December 31, 2024 and 2023, respectively. These accounts will be used to reduce future employer contribution or plan administrative expenses. No forfeitures were utilized during 2024.

***Revenue Sharing***

The Company has a plan expense account, where credits are calculated and remitted to the Plan. No amounts were remitted to the Plan during 2024.

**Note 2. Summary of Significant Accounting Policies**

***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

***Valuation of Investments and Income Recognition***

Plan investments are reported at fair value. The common or collective trust funds are valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. There are no participant redemption restrictions for these investments and participant redemptions are allowed daily. A redemption notice period is applicable only at the plan level. There are no unfunded commitments on December 31, 2024 and 2023.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Certain investment management fees are presented in the net appreciation in fair value of investments.

***Plan Expenses***

Administrative expenses of the Plan are paid by the Company to the extent not paid with the Plan's assets.

***Notes Receivable From Participants***

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

***Payment of Benefits***

Benefits payments to participants are recorded upon distribution.

**Note 3. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

**Note 4. Tax Status**

The Plan operates under a non-standardized pre-approved profit sharing/money purchase/CODA agreement sponsored by Empower Retirement LLC. This non-standardized plan document has been filed with the appropriate agency and the sponsor has obtained an opinion letter dated November 14, 2022, from the Internal Revenue Service stating that the non-standardized plan constitutes a qualified plan under Section 401 of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 5. Information Certified by the Plan's Trustee and Custodian**

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company LLC, a qualified institution, has certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023
- Investment income components and interest income from notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024
- Investment information and notes receivable from participants included in the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2024

---

The Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related information included in the financial statements and supplemental schedule.

**Note 6. Party-in-Interest Transactions**

Administrative expenses paid by the Plan of \$72,264 during 2024 for legal, accounting and other professional services are primarily rendered by parties-in-interest. The Company provides certain administrative services at no cost to the Plan.

**Note 7. Risks and Uncertainties**

The Plan provides for investments that, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

**Note 8. Transfer of Plan Assets**

In 2024, Lincoln-Remi Group, LLC became an affiliate of Culligan International Company and an adopting employer of the Plan. On May 17, 2024, assets of \$95,736 were transferred in from the Lincoln-Remi Group, LLC 401(K) Profit Sharing Plan.

In 2023, Driessen Water, Inc. (Driessen) and Ultrapure & Industrial Services, LLC. (Ultrapure) became affiliates of Culligan International Company. Driessen and Ultrapure sponsored the Driessen Water, Inc. 401(K) Plan which was renamed to Culligan Ultrapure, Inc. 401(k) Plan on January 1, 2024. In 2024, Driessen and Ultrapure became adopting employers of the Plan. On June 25, 2024, assets of \$12,739,251, including notes receivable from participants of \$226,046 were transferred in from the Culligan Ultrapure, Inc. 401(K) Plan

**Note 9. Subsequent Events**
