## Independent Auditor's Report

Retirement Oversight Committee  
MedCentrix, Inc. Smart Money Retirement Plan  
Harvey, Illinois

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of MedCentrix, Inc. Smart Money Retirement Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of MedCentrix, Inc. Smart Money Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MedCentrix, Inc. Smart Money Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Emphasis of Matter – Basis of Accounting***

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MedCentrix, Inc. Smart Money Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MedCentrix, Inc. Smart Money Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Other Matters – Supplemental Schedules Required by ERISA***

The supplemental schedules (modified cash basis) listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules (modified cash basis), other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules (modified cash basis) that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules (modified cash basis), other than the information in the supplemental schedules (modified cash basis) that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules (modified cash basis) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Note 1. Description of the Plan**

The following description of the MedCentrix, Inc. Smart Money Retirement Plan (Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

### **General**

The Plan is a defined contribution plan sponsored by UChicago Medicine Network, Inc., formerly UCM Community Health and Hospital Division, Inc., (Sponsor). The Plan covers employees of the Sponsor and an affiliated entity, Ingalls Same Day Surgery, Ltd., (collectively, the Employers), who meet the eligibility requirements as defined in the plan document. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA), as amended by subsequent legislation.

The assets of the Plan are held by Teachers Insurance and Annuity Association of America (TIAA) and College Retirement Equities Fund (CREF) (together, TIAA-CREF).

### **Contributions**

*Employee Contributions* – Each year, covered employees may contribute from 1% to 75% of their annual compensation, as defined by the Plan, subject to certain Internal Revenue Code limitations. Contributions to the Plan can be classified as pretax or Roth (after-tax) contributions. Effective July 1, 2019, eligible employees are automatically enrolled in the Plan with a pretax deferral rate of 6% of compensation unless the employees elect otherwise. Automatically enrolled participants' contributions will be automatically increased annually by 1%, up to a maximum of 10%, unless the participant opts out. Prior to July 1, 2019, employees were automatically enrolled in the Plan with a pretax deferral rate of 5% unless the employees elected otherwise and automatically enrolled participants' contributions were automatically increased annually by 1%, up to a maximum of 7%, unless the participant opted out. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). There is no service requirement to make participant contributions, however, participants must be 21 years of age or older to make participant contributions.

*Employers' Matching Contributions* – The Employers contributed a 50% match of a participant's contribution, not to exceed 6% of the participant's eligible compensation. Participants must be 21 years of age or older to be eligible for Employers' matching contributions. There is no service requirement for Employers' matching contributions.

*Employers' Nonelective Contributions* – The Employers may make a discretionary nonelective contribution. No discretionary nonelective contributions were made in 2024 and 2023. Participants must be 21 years of age or older and have completed two years of service to be eligible for Employers' nonelective contributions.

### **Investment Options**

Participants in the Plan have the right to direct the investment of their account balances in one or more investment funds made available under the Plan. The Plan currently offers a pooled separate account, mutual funds, a variable annuity account, and a fixed-annuity account as investment options for participants.

***Participant Accounts***

Each participant's account is credited with the participant's contributions and an allocation of the Employers' matching contributions, nonelective and past service contributions and plan earnings. Allocations are based upon a participant's account balance or earnings/losses, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting***

Participants are immediately vested in their voluntary contributions and the Employers' nonelective and past service contributions. Participants are 100% vested in the Employers' matching contributions after two years of service.

***Notes Receivable From Participants***

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum of \$50,000 or 50% of their account balance. The loans are secured by the vested balance in the participant's account and interest is set at 1% above the prime rate, as defined in the plan document. The interest rates on all existing loans as of December 31, 2024, range from 8.75% to 9.50%. Principal and interest are paid ratably through payroll deductions. A participant is allowed no more than one outstanding loan at any time.

***Payment of Benefits***

On termination of service, a participant (or their beneficiary) may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum or partial lump-sum amount, in installments, or via several annuity options, if the account balance is greater than \$5,000. If the participant account balance is less than \$5,000, the participant (or their beneficiary) will receive a lump-sum distribution equal to the value of the account. In addition, hardship distributions out of a participant's voluntary contributions account are permitted if certain criteria are met.

***Forfeitures***

Plan forfeitures arise as a result of participants who terminate service with the Employers before becoming 100% vested in the Employers' contributions. These forfeitures may be used to reduce Employers' contributions or pay plan expenses in accordance with the plan document. As of December 31, 2024 and 2023, forfeitures from nonvested accounts totaled \$1,301 and \$1,725, respectively. Forfeitures in the amount of \$505 and \$0 were used to reduce employer contributions in 2024 and 2023, respectively.

**Note 2. Summary of Significant Accounting Policies**

***Basis of Accounting***

The accompanying financial statements of the Plan are prepared on the modified cash basis, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States (GAAP). Contributions are recorded when received and expenses are recorded when paid.

***Use of Estimates***

The preparation of financial statements, in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets, and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results may differ from those estimates.

***Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value. See Note 3 for discussion of fair value measurements.

The TIAA Real Estate pooled separate account is valued at the net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. The underlying real estate holdings or other real estate-related investments are valued principally utilizing external appraisals. Transfers out of the pooled separate account are limited to one per calendar quarter. There are no participant redemption restrictions for these investments, and participant redemptions are allowed daily. There are no unfunded commitments at December 31, 2024 and 2023.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Notes Receivable From Participants***

Notes receivable from participants are measured at their unpaid principal and interest balance. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as benefit payments based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

***Payment of Benefits***

Benefit payments to participants are recorded when paid.

***Administrative Expenses***

Certain administrative expenses and investment advisory fees are paid by the Employers on behalf of the Plan and are not included in the accompanying financial statements. Certain administrative expenses directly attributable to a participant's transaction are deducted from that participant's account.

**Note 3. Fair Value Measurements**

Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level or any input that is significant to the fair value measurement. There have been no changes in the methodologies used at December 31, 2024 and 2023.

**MedCentrix, Inc. Smart Money Retirement Plan**  
**Notes to Financial Statements**  
**(Modified Cash Basis)**  
**December 31, 2024 and 2023**

Mutual funds are valued at the net asset value of shares held by the Plan at year end. These investments are traded in an active market (Level 1 inputs).

The variable annuity account is recorded at its estimated fair value, which is based upon the underlying value of the assets. Participants purchase accumulation units in the variable annuity contracts, and their value is calculated daily. Unit prices are published daily (Level 1 inputs).

The TIAA Traditional Annuity Account is valued at the accumulated cash contributions, interest credited and transfers, if any, less any withdrawals and transfers (Level 3 inputs). This nonbenefit-responsive investment contract contains certain liquidity restrictions on the redemption of accumulations, which could impact the value realized upon exiting the contract.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	<u>Fair Value Measurements Using</u>			<u>Total</u>
	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>

**Note 4. Information Certified by the Plan Custodian**

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, TIAA-CREF, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate:

- Investments, at fair value, and notes receivable from participants as shown on the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023.
- Investment income components and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits (modified cash basis) for the years ended December 31, 2024 and 2023.
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) (modified cash basis) as of December 31, 2024.

The Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related information included in the financial statements and ERISA-required supplemental schedules.

**Note 5. Reconciliation of Financial Statements to Form 5500**

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 10,459,938	\$ 9,938,399
Loans deemed distributed	<u>(5,982)</u>	<u>(6,866)</u>
Net assets available for benefits per Form 5500	<u>\$ 10,453,956</u>	<u>\$ 9,931,533</u>

The following is a reconciliation of notes receivable from participants per the financial statements to the Form 5500 at December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Notes receivable from participants per the financial statements	\$ 17,891	\$ 21,300
Loans deemed distributed	<u>(5,982)</u>	<u>(6,866)</u>
Total notes receivable from participants per Form 5500	<u>\$ 11,909</u>	<u>\$ 14,434</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Net increase in net assets available for benefits per the financial statements	\$ 521,539	\$ 860,664
Loans deemed distributed, end of year	(5,982)	(6,866)
Loans deemed distributed, beginning of year	<u>6,866</u>	<u>28,631</u>
Net increase in net assets available for benefits per Form 5500	<u>\$ 522,423</u>	<u>\$ 882,429</u>

Deemed distributions represent a portion of participant loans in default or nonpayment status as of December 31, 2024 and 2023. This amount is included in the current value of the participant loans reported in the statements of net assets available for benefits but excluded from the current value reported on the Form 5500.

**Note 6. Plan Termination**

Although it has not expressed any intent to do so, the Employers have the right under the plan document to discontinue their contributions and to terminate or partially terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Employers' matching contributions.

**Note 7. Tax Status of the Plan**

The Plan operates under a nonstandardized adoption agreement, in connection with a pre-approved profit-sharing plan and trust document sponsored by Great-West Trust Company, LLC. This plan document has been filed with the appropriate agency and has obtained an opinion letter from the Internal Revenue Service stating that the pre-approved plan document constitutes a qualified plan under Section 401 of the Internal Revenue Code (IRC). Although the Plan has been amended since the IRC approved this adoption agreement, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified, and the related trust is tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Note 9. Party-in-Interest Transactions**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

Certain plan investments are units in a variable annuity account and a pooled separate account that are managed by TIAA. The Plan's fixed annuity contracts are maintained in TIAA or CREF's general account. TIAA-CREF is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The Plan paid administrative fees of \$16,048 and \$15,874 during 2024 and 2023, respectively, before the effect of revenue credit amounts as noted below. The Employers provide certain administrative services at no cost to the Plan.

The Plan has entered into an agreement with TIAA under which TIAA will share any revenue collected for recordkeeping and administrative services that is in excess of what TIAA has agreed to charge for recordkeeping and administrative services. Amounts deposited in the "revenue credit" account may be used to pay reasonable and necessary plan expenses, and/or to provide participants with a benefit in the form of "revenue credit allocation" to their accounts. The amounts deposited may vary over time and may in fact be zero.

**MedCentrix, Inc. Smart Money Retirement Plan**  
**Notes to Financial Statements**  
**(Modified Cash Basis)**  
**December 31, 2024 and 2023**

---

During 2024 and 2023, revenue sharing credits of \$625 and \$551 were offset against administrative expenses on the statements of changes in net assets available for benefits (modified cash basis), respectively. The balance of unused credits from this account at December 31, 2024 and 2023, was \$303 and \$192, respectively. There were no credits reallocated to eligible participants accounts during 2024 and 2023.

**Note 10. Corrective Contributions**

During 2022, it was identified that certain eligible wages were excluded from the calculation of employee and employer contributions for several years. The Employers calculated corrective contributions for all the years due to participants, related to these operational errors, to be \$160,673 as of December 31, 2022. The corrective contributions were made by the Employers to participants in 2023 and were reflected as corrective contributions receivable on the statement of net assets available for benefits as of December 31, 2022. Corrective contributions related to operational errors for the year ended December 31, 2023, totaled \$4,592 and have been included in corrective contributions on the statement of changes in net assets available for benefits (modified cash basis). During the year ended December 31, 2023, the Employers also recognized earnings on the corrective contributions totaling \$169,705 which are also included in corrective contributions on the statement of changes in net assets available for benefits (modified cash basis).

**Note 11. Nonexempt Transactions**

The Department of Labor (DOL) requires defined contribution plans to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. The DOL considers late deposits to be prohibited transactions requiring disclosure in the notes to the financial statements as well as in the accompanying Schedule H, Line 4a – Schedule of Delinquent Participant Contributions. During 2024 and 2023, the Plan engaged in prohibited transactions related to late deposits of employee contributions totaling \$6,855 and \$2,466, respectively. Plan management has corrected the 2023 late deposits and is in the process of correcting the 2024 late deposits.

**Note 12. Subsequent Events**

Subsequent events have been evaluated through October 13, 2025, which is the date the financial statements were available to be issued.
