Culligan Retirement Savings Plan
Rosemont, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Culligan Retirement Savings Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Culligan Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Culligan Retirement Savings Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Culligan Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Culligan Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter -Supplemental Schedules Required by ERISA

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2024 and 2023**

Note 1. Description of Plan

The following description of the Culligan Retirement Savings Plan (Plan) provides only general information. Participants should refer to the plan agreement for more detailed descriptions of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Culligan International Company and its affiliates (Company) who are of age 18 or older and part-time employees who are regularly scheduled to work 1,000 hours or more in a year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended by subsequent legislation.

Contributions

Participants may contribute between 1% and 100% of pretax annual compensation subject to the applicable annual limit on pretax contributions of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

Upon reaching eligibility requirements, participants with an entry date on or after January 1, 2023, are enrolled in the Plan at a deferral rate of 6%, with annual increases of 1% each up to 15% of compensation.

Prior to January 1, 2023, participants with entry dates prior to January 1, 2018, were automatically enrolled in the Plan at 3%. For participants with entry dates between January 1, 2018 and January 1, 2023, the amount of their automatic enrollment deferral was 4% of their compensation.

During 2024, the Company contributed 50% of the first 6% of eligible compensation that a participant contributed to the Plan. The matching Company contribution is invested according to the investment direction specified by the participant. Employees may also make rollover contributions from other approved plans (as defined in the Plan). All contributions are subject to certain limitations (as defined in the Plan). Additional discretionary contribution amounts may be contributed at the option of the Company's Board of Directors. No additional discretionary contributions were made to the Plan in 2024.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Company's matching and discretionary contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, the Company's matching contribution, and the Company's discretionary contributions plus actual earnings thereon.

**Culligan Retirement Savings Plan
Notes to Financial Statements
December 31, 2024 and 2023**

Effective January 1, 2023, participants that were merged from the Consolidated Water Group, LLC 401(k) Plan, whose entry date is prior to January 1, 2022, and participants who were employees of Hydroviv LLC and transferred to this Plan from the Justworks Retirement Savings Plan on March 28, 2022, for purposes of non-elective contributions made prior to March 28, 2022, will be subject to the following vesting schedule:

Number of Years of Service as an Employee	Vested Interest
Fewer than two	-
Two or more but less than three	20%
Three or more but less than four	40%
Four or more but less than five	60%
Five or more but less than six	80%
Six or more	100%

Investment Options

Participants direct the investment of their account balances into various investment options offered by the Plan.

Notes Receivable From Participants

Participants may borrow a minimum of \$1,000 up to 50% of their total vested account balance, not to exceed \$50,000, reduced by the highest outstanding loan balance during the preceding 12 months. The loans are secured by the vested balance in the participant's account and bear interest of 1% above the prime rate, which is determined daily based on The Wall Street Journal. On December 31, 2024, interest rates on outstanding loans ranged from 4.25% to 9.50%. General purpose loans are repayable over a maximum of five years and principal residence loans are repayable over a maximum of fifteen years. The number of loans that may be outstanding from the Plan to a single participant at any one time is limited to one.

Payment of Benefits

The Plan disburses funds for participant hardship withdrawals, termination of employment, death, disability or retirement. For such disbursements, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. A participant may withdraw at any time all or a portion of amounts attributed to rollover contributions including earnings.

Forfeited Accounts

Forfeitures available for future use totaled \$178,762 and \$149,342 on December 31, 2024 and 2023, respectively. These accounts will be used to reduce future employer contribution or plan administrative expenses. No forfeitures were used during 2024.

Revenue Sharing

The Company has a plan expense account, where credits are calculated and remitted to the Plan. No amounts were remitted to the Plan during 2024.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Plan investments are reported at fair value. The common or collective trust funds are valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. There are no participant redemption restrictions for these investments and participant redemptions are allowed daily. A redemption notice period is applicable only at the Plan level. There are no unfunded commitments on December 31, 2024 and 2023.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Certain investment management fees are presented in the net appreciation in fair value of investments.

Plan Expenses

Administrative expenses of the Plan are paid by the Company to the extent not paid with the Plan's assets.

Notes Receivable From Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

Payment of Benefits

Benefits payments to participants are recorded upon distribution.

Note 3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

**Culligan Retirement Savings Plan
Notes to Financial Statements
December 31, 2024 and 2023**

Note 4. Tax Status

The Plan operates under a non-standardized pre-approved profit sharing/money purchase/CODA agreement sponsored by Empower Retirement LLC. This non-standardized plan document has been filed with the appropriate agency and the sponsor has obtained an opinion letter dated November 14, 2022, from the Internal Revenue Service stating that the non-standardized plan constitutes a qualified plan under Section 401 of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5. Information Certified by the Plan's Trustee

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company LLC, a qualified institution, has certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023
- Investment income components and interest income from notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024
- Investment information and notes receivable from participants included in the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2024

The Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related information included in the financial statements and supplemental schedule.

Note 6. Party-in-Interest Transactions

Plan investments are managed by Empower Trust Company, LLC. Empower Trust Company, LLC is the trustee, as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions.

Administrative expenses paid by the Plan of \$237,769 during 2024 for legal, accounting and other professional services are primarily rendered by parties-in-interest. The Company provides certain administrative services at no cost to the Plan.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that

**Culligan Retirement Savings Plan
Notes to Financial Statements
December 31, 2024 and 2023**

such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8. Delinquent Participant Contributions

Defined contribution plans are required to remit employee contributions to the Plan at the earliest date that such funds can be reasonably segregated from the Employer's general assets. During the plan year ended December 31, 2024, the Plan engaged in prohibited transactions related to late deposits of employee contributions including loan repayments, totaling \$273,426. Plan management is in the process of correcting the 2024 late deposits.

Note 9. Subsequent Events

In 2024, Omnipure Filter Co., Inc. became an affiliate of Culligan International Company. On July 31, 2025, the Plan received a transfer of approximately \$760,000 for participant accounts.

As of January 1, 2025, Quench USA, Inc. became an affiliate of Culligan International Company and an adopting employer of the Plan. In January 2025 the Plan received a transfer from the Quench USA, Inc. 401(k) Profit Sharing Plan & Trust of approximately \$49,000,000 for participant accounts.

Subsequent events have been evaluated through October 13, 2025, which is the date the financial statements were available to be issued.
