INDEPENDENT AUDITOR'S REPORT

To the 401(k) Committee of
JSW Steel USA Inc 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of JSW Steel USA Inc 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2024 and schedule H, line 4a - schedule of delinquent participant contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JSW STEEL USA INC 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the JSW Steel USA Inc 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan adopted effective January 1, 1997, for all employees of JSW Steel USA Inc (the “Company”), except employees covered by a collective bargaining agreement, leased employees, non-resident aliens who received no earned income and effective January 1, 2024, interns. Employees are eligible to participate in the Plan on the first day of the month coinciding with or next following the completion of 30 days of service and the attainment of age 18 (21 prior to January 1, 2024). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to make pre-tax and/or Roth salary deferral contributions to the Plan up to 100% of their eligible compensation subject to certain limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan allows rollover contributions from other qualified plans.

Employees that meet the Plan’s eligibility requirements will be automatically enrolled in the Plan, unless the employee opts out or elects a different percentage. Participants who are automatically enrolled will have an initial pre-tax salary deferral of 3% and thereafter, a 1% annual increase will occur up to a maximum pre-tax salary deferral of 10%, unless changed by the participant.

The Company makes a safe harbor matching contribution on a pay period basis, in an amount equal to 100% of each participant’s elective contribution up to 1% of the participant’s eligible compensation, plus 50% of each participant’s elective contribution that exceeds 1% but not in excess of 6% of the participant’s eligible compensation. The Company may make a discretionary matching contribution on a plan year basis, subject to certain limitations as defined in the Plan document. The Company did not make a discretionary matching contribution for the plan year ended December 31, 2024.

The Company may also make a discretionary nonelective contribution for the plan year to participants who are employed on the last day of the plan year. A participant whose employment terminates on the last day of the plan year will be treated as being employed on the last day of the plan year. A participant who has terminated employment during the plan year due to death, disability or attainment of normal retirement age is eligible to receive a nonelective contribution. The Company did not make a discretionary nonelective contribution for the plan year ended December 31, 2024.

The Plan is participant directed. Participants may change their contribution amounts each pay period and investment options at any time.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, contributions made by the Company, as well as allocations of earnings, including realized and unrealized gains and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Plan participants may borrow a minimum of \$1,000 up to a maximum of the lesser of \$50,000 less the difference between the participant's highest outstanding balance of loans in the past 12 months and the participant's outstanding balance of loans from the Plan on the date the loan is made, or 50% of their vested account balance in the Plan. Loans are repaid in level installments through payroll deductions for periods ranging up to five years, or 10 years for the purchase of a primary residence. The loans bear interest at the prime rate plus 2% as determined at the date of the loan and are secured by the participant's vested account balance to the extent of the principal amount of the loan plus accrued interest. Participants may only have two loans outstanding at any time.

Vesting

Participants are at all times fully vested in their contributions and the appreciation or depreciation thereon. Participants vest in the Company contributions based on years of service. A year of service is equivalent to 1,000 hours of service in a calendar year. A participant is 100% vested after two years of service. A participant will become fully vested in the Company contributions upon reaching normal retirement age or in the event of death, or total and permanent disability.

Payment of Benefits

Normal retirement age under the Plan is age 65. Upon a participant's retirement, disability, death, or termination of employment, the vested funds in the participant's account may be distributed in a lump-sum, partial withdrawals, or installments. Participants who terminate with an account balance of \$7,000 (\$5,000 prior to January 1, 2024) or less will be cashed out of the Plan as soon as administratively feasible. The Plan also allows hardship distributions and certain in-service withdrawals subject to Plan provisions.

Forfeitures

Forfeitures of nonvested Company contributions shall be used to reduce the Company's contributions or pay administrative expenses of the Plan. The forfeiture balance at December 31, 2024 and 2023 was \$214,136 and \$143,808, respectively. No forfeitures were used in 2024 to reduce the Company's contributions or pay administrative expenses of the Plan.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and terminate the Plan, subject to the provisions of ERISA. In the event of termination, participants would become 100% vested and receive benefits based on their account balances accumulated to the date of termination of the Plan.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the safe-harbor matching contributions from the Company are recorded in the plan year in which the participant contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to notes receivable from participants, withdrawals, and certain investment transaction fees are charged directly to the participant's account and are included in administrative expenses. Other investment-related expenses are included in net appreciation in fair value of investments.

NOTE 3 - FAIR VALUE MEASUREMENTS

Various inputs are used in determining the fair value of the Plan's investments. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy, including the types of Plan investments that fall under each category and the valuation methodologies used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 - Inputs to the valuation methodology are other than quoted market prices in active markets that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices that are in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable inputs (i.e., projections, estimates, interpretations, etc.) that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Investments measured using the NAV practical expedient are described below:

Collective Investment Trust (CIT) Funds: Each fund is valued at the NAV of units held. The NAV is used as a practical expedient to estimate fair value which is based on the fair value of the underlying investments held by the fund less its liabilities. The John Hancock Stable Value Fund R8 is comprised primarily of diversified fixed income funds and separately managed bond accounts selected by John Hancock in its capacity as advisor to the fund and manager of the underlying separate account in which the fund is primarily invested, and in book value stabilizing agreements offered by state or federally regulated financial institutions. The flexPATH Index funds are comprised of primarily equity securities. The Small Cap Growth Fund II Class R1 and International Growth Fund II R1 primarily invest in equity securities issued

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

by U.S. smaller capitalization companies and the MFS International Growth CIT, respectively. The CIT funds allow for daily redemptions, except for the Stable Value Fund R8, which is subject to a standard 90-day equity wash provision for transfers from the fund to a competing fund. The Plan has no unfunded commitments and no contractual obligations to further invest in the CIT funds.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The inputs and methodologies used for valuing securities are not an indication of the risk associated with investing in those securities. There have been no changes in the methodologies used at December 31, 2024 or 2023.

The following tables sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

<u>Description</u>	<u>2024</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual Funds	<u>\$10,366,939</u>			\$10,366,939
Investments measured at NAV*				<u>10,260,270</u>
Investments at fair value				<u>\$20,627,209</u>
<u>Description</u>	<u>2023</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

* Certain investments that are measured at fair value using NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 4 - INFORMATION CERTIFIED

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Trust Company, LLC (John Hancock Trust), the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, the schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2024, and the related investment income and interest income on notes receivable from participants reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2024.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in a collective investment trust fund managed by John Hancock Trust; therefore, this investment qualifies as a party-in-interest. Notes receivable from participants also qualify as party-in-interest transactions. These transactions are exempt from the prohibited transaction rule of ERISA.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan provides for various investments. In general, such investments are exposed to various risks such as significant world events, interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - TAX STATUS

The Plan has adopted a volume submitter prototype plan, which obtained its latest opinion letter dated June 30, 2020 in which the Internal Revenue Service (IRS) stated that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and to determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - DELINQUENT CONTRIBUTIONS

During 2024, 2023, and 2022, there were unintentional delays by the Company in submitting participant contributions to the Plan totaling \$419,272, \$97,143, and \$389,232, respectively. The Company compensated the affected participants for lost earnings resulting from the 2023 and 2022 delinquent contributions in 2024. The Company intends to compensate the affected participants for lost earnings resulting from the 2024 delinquent contributions in 2025.

Consent to File

Electronic Filing of Form 5500/Form 8955*

NOTE TO CLIENT:

- A signed copy of this authorization must be returned to Holzknrecht Umali, Inc. no later than 10 business days prior to the due date of the filing & a copy of this authorization must be kept in your records.
- Holzknrecht Umali, Inc. will communicate any inquiries and information received from EFAST2, DOL, IRS or PBGC regarding the return/report upon electronically signing the filing.
- To sign on behalf of the plan administrator, Holzknrecht Umali, Inc. must take on additional duties & responsibilities as a "signer" under the DOL EFAST2 system and must subsequently charge an 'electronic filing fee'. This fee is \$85.00 for the 5500 filing and \$35.00 for the Form 8955 filing. This service is optional, and if declined, we will provide general instructions on the filing process at no additional charge.

Authorization to Electronically Sign and File Form 5500/Form 8955

I hereby authorize any employee of Holzknrecht Umali, Inc. ("Service Provider") to electronically sign and file 5500/8955 forms on my behalf.

I further understand the following:

- I must sign a paper copy of the completed 5500/8955 form(s).
- An image of my signature will be included with the rest of the return/report posted by the Department of Labor on the internet for public disclosure.
- The Plan Sponsor will be charged an \$85.00 fee for the 5500 and \$35 fee for the 8955 filing fee for this optional service and if I decline, the Service Provider may not be held liable for fees or penalties assessed due to late signing of timely completed 5500/8955 forms.
- I may revoke or change this authorization at any time by written notification to Service Provider.

Dated: 10/14/25 By: 

*Generally, every plan will file a Form 5500 each plan year. A Form 8955 may not need to be filed every year. This consent serves a dual purpose to provide consent to file the Form 5500 and to file the Form 8955 when needed.
