## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator  
OwnersEdge, Inc. 401(k) Profit Sharing Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of OwnersEdge, Inc. 401(k) Profit Sharing Plan ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audits"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

### **ERISA-Required Supplementary Information**

The supplementary information, which comprise the supplemental schedule of assets (held at end of year) as of December 31, 2024 and schedule of delinquent participant contributions for the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2024 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the schedule of assets (held at end of year) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2024 and 2023

---

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Method of accounting** - OwnersEdge, Inc. 401(k) Profit Sharing Plan ("the plan") follows the accrual method of accounting wherein additions and deductions are reflected in the period earned or incurred.

**Accounting estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

**Subsequent events** - The financial statements include management's evaluation of the events and transactions occurring subsequent to December 31, 2024 through October 11, 2025, which is the date the financial statements were available to be issued.

**Risks and uncertainties** - The plan invests in various investments. Investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Key parties of the plan** - Alerus Financial, N.A. ("Alerus") is the trustee that holds custody of plan assets. A division within Alerus acts as the plan's third party administrator that maintains plan and participant records and tax counsel that performs various compliance tests. Alerus also provides the plan fiduciary services as an Employee Retirement Income Security Act ("ERISA") 3(16) fiduciary. Spectrum Investment Advisors, Inc. ("Spectrum") is the plan's investment advisor.

OwnersEdge, Inc. ("OE") is the plan sponsor, employer and the plan administrator. OE is a management and holding company for its family of operating companies. Asche & Spencer, LLC, BAYCOM, Inc., Communications, Cabling and Networking, Inc. ("CC&N"), Implecho, LLC and QComp Technologies, Inc. are wholly owned subsidiaries of OE and participating employers. Effective July 10, 2024, Communications Direct, Inc. became a participating employer of the plan.

**Investments** - The plan sponsor determines the investments available to plan participants. The participants allocate their contributions and transfer existing balances among these available investment options. The net appreciation (depreciation) in fair value of investments bought, sold and held during the years is reflected in the statements of changes in net assets available for benefits. Participants should refer to the prospectuses and annual reports of the investments for more information.

**Fair value measurements** - GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

- Level 1 - Valuation is based upon quoted prices in active markets for identical investments.
- Level 2 - Valuation is based upon other significant observable inputs (including quoted prices for similar investments).
- Level 3 - Valuation is based upon significant unobservable inputs (including the plan's assumptions in determining the fair value of investments).

The following is a description of the valuation methodologies used for investments measured at fair value.

**Mutual funds** - Valued at the daily quoted market prices as reported by the funds. The mutual funds held by the plan are registered with the U.S. Securities and Exchange Commission, are required to publish their daily net asset value ("NAV") and are deemed to be actively traded.

## OwnersEdge, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2024 and 2023

*Common/collective trust* - The common/collective trust held by the plan is a direct filing entity and is valued at its NAV. The NAV is used as practical expedients to estimate fair value and is generally based on the fair values of the underlying investments held by the common/collective trust less their liabilities. The practical expedient would not be used if it is determined to be probable that the common/collective trust would sell the investments for an amount different from the reported NAV.

The plan administrator determines by level, within the fair value hierarchy, the plan's investments at fair value set forth below.

### Investments at fair value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Mutual funds	\$23,765,677	\$ -	\$ -	\$23,765,677
Total investments in the fair value hierarchy	\$23,765,677	\$ -	\$ -	23,765,677
Investments measured at NAV (a)				741,672
Total investments at fair value				\$24,507,349

### Investments at fair value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	\$19,698,179	\$ -	\$ -	\$19,698,179
Total investments in the fair value hierarchy	\$19,698,179	\$ -	\$ -	19,698,179
Investments measured at NAV (a)				710,891
Total investments at fair value				\$20,409,070

(a) In accordance with GAAP, certain investments that are measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following summarizes investments for which fair value is measured using the NAV as a practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period, if any, is applicable only to the plan.

December 31, 2024	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period
Common/collective trust	\$741,672	n/a	Daily	12 months
December 31, 2023	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period
Common/collective trust	\$710,891	n/a	Daily	12 months

### 2. DESCRIPTION OF THE PLAN

The following brief description of the plan is provided for general information purposes only. Participants should refer to the summary plan description and plan documents for more complete information.

**General** - The plan was established on July 1, 1988 as a defined contribution plan with a 401(k) salary deferral arrangement. It is subject to the provisions of ERISA and subsequent amendments.

**Eligibility** - An employee is eligible for participation in the plan upon completion of one month of service and attaining the age of eighteen. An employee will be allowed to enter the plan on the first day of the month immediately following the date the plan's eligibility requirements are met.

**Contributions** - Contributions are recorded in the year in which the eligible compensation is paid. Contributions to the plan can be made as follows:

- a. Participants may contribute a percentage of their compensation subject to Internal Revenue Service limitations (elective deferral contributions). Roth elective deferral contributions are also permitted. Newly eligible employees are automatically enrolled in the plan and have 3% of compensation withheld as elective deferral contributions. Effective January 1, 2025, all participants' deferral rates will be increased annually on January 1 by 1%, until their deferral percentage reaches 10%. In addition, effective January 1, 2025, the plan now has a re-enrollment feature, which requires participants who are not participating in the plan to confirm their non-participation in the plan by each January 1. Any participant who is not participating in the plan that does not annually update or confirm their deferral percentage is re-enrolled on January 1 with a 3% deferral rate. Such participants have the option to increase, decrease or stop the deferral by completing the necessary documentation.
- b. Rollover contributions are accepted by the plan from other qualified plans.
- c. Nonelective employer contributions may be made at the discretion of the plan administrator's board of directors. No such nonelective employer contributions were made in 2024 and 2023.
- d. CC&N periodically provides contracting work for federally funded contracts which are subject to prevailing wage provisions under the Davis-Bacon Act. For these contracts, to comply with the prevailing wage provisions, employers must determine if additional payments need to be made to their workers (calculated based on a "prevailing" hourly rate). If additional payments are required, the employees have the option of taking these amounts as compensation or as contributions to the plan (employer Davis-Bacon contributions).

**Participant accounts** - Contributions are remitted to Alerus who invests them in accordance with the investment options selected by the participant. The value of the investments is adjusted daily to reflect the earnings plus the fair value appreciation (depreciation). The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants are allowed to transfer funds between various investments daily and change their deferral percentage each pay period.

**Vesting** - Participant account balances are always 100% vested.

**Payment of benefits** - Benefits are recorded when paid. Benefit payments may commence upon termination of employment, death, disability or attaining the age of 59 ½. Distributions are generally in the form of a single lump sum. In addition, hardship withdrawals are permitted under certain circumstances.

**Administrative fees** - Certain administrative fees of the plan are paid by the plan sponsor. Certain other administrative fees, consisting of fees paid to Spectrum totaling \$32,000 in 2024 and \$29,000 in 2023 and fees paid to Alerus totaling \$27,000 in 2024 and \$28,000 in 2023, are paid by the plan from plan assets and are recorded as administrative expenses in the accompanying financial statements. Such expenses include participant directed fees for distribution and loan processing services and nonparticipant directed fees for recordkeeping and investment management services. Nonparticipant directed fees are allocated on a monthly basis on an account value basis.

Notes to Financial Statements

December 31, 2024 and 2023

---

**Notes receivable from participants** - Participants may obtain loans from their accounts with approval of the plan administrator. Each participant may only have one loan outstanding at any given time. The minimum loan amount is \$1,000 and the maximum loan amount cannot exceed the lesser of 50% of the participant's vested account balance or \$50,000. The maximum loan term for a general purpose loan is five years. The loan terms may be extended if the loan proceeds are used to purchase a primary residence. As of December 31, 2024, loans outstanding had various repayment schedules through October 2029 with interest rates ranging from 4.25% to 9.50%. The notes receivable from participants are valued at their unpaid principal balances plus any accrued but unpaid interest, which approximates fair value.

### 3. PARTY-IN-INTEREST TRANSACTIONS

Any transactions involving the plan, plan sponsor, Spectrum and Alerus qualify as party-in-interest transactions. Notes receivable from participant transactions also qualify as party-in-interest transactions. All such party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

### 4. TERMINATION OF PLAN

Although it has not expressed any intent to do so, the plan sponsor has the right to terminate the plan subject to the provisions of ERISA.

### 5. INCOME TAX STATUS

The plan is operating under an Alerus Financial, N.A. non-standardized pre-approved profit sharing/money purchase/coda plan that received a favorable opinion letter on June 30, 2020. The letter provided by the Internal Revenue Service states that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator has not obtained a separate Internal Revenue Service opinion or determination letter for the plan; however, the plan administrator and tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and, therefore, believes the plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize tax liabilities (or assets) for any uncertain tax positions taken by the plan that more likely than not would not be sustained upon examination by the applicable authorities. Plan management analyzed the requirements for accounting for such uncertain tax positions taken and determined the plan was not required to recognize any tax liabilities (or assets) related to uncertain tax positions taken as of December 31, 2024 and 2023. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

### 6. INFORMATION CERTIFIED BY ALERUS

Management has obtained certifications from Alerus, a qualified institution under the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, that state the following information with respect to assets held for investment of the plan is complete and accurate.

- a. Investments held, and the fair values of such, and notes receivable from participants as of December 31, 2024 and 2023;
- b. Dividends from investments, net appreciation (depreciation) in fair value of investments and interest income on notes receivable from participants during 2024 and 2023;
- c. Contributions to, withdrawals from, purchases, sales and interfund transfers between accounts during 2024 and 2023; and
- d. The report of individual participant accounts as of and for the years ended December 31, 2024 and 2023.

### **7. NONEXEMPT PARTY-IN-INTEREST TRANSACTIONS**

During 2024, the plan sponsor remitted certain employee elective deferral contributions later than required by Department of Labor Regulation 2510.3-102. The plan sponsor intends to calculate and remit lost earnings related to the late contributions in 2025 to account for the investment income that would have been earned had the contributions been remitted on a timely basis. In addition, the plan sponsor intends to file the Internal Revenue Service Form 5330 and pay the associated excise tax.

## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator  
OwnersEdge, Inc. 401(k) Profit Sharing Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of OwnersEdge, Inc. 401(k) Profit Sharing Plan ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audits"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

### **ERISA-Required Supplementary Information**

The supplementary information, which comprise the supplemental schedule of assets (held at end of year) as of December 31, 2024 and schedule of delinquent participant contributions for the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2024 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the schedule of assets (held at end of year) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2024 and 2023

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Method of accounting** - OwnersEdge, Inc. 401(k) Profit Sharing Plan ("the plan") follows the accrual method of accounting wherein additions and deductions are reflected in the period earned or incurred.

**Accounting estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

**Subsequent events** - The financial statements include management's evaluation of the events and transactions occurring subsequent to December 31, 2024 through October 11, 2025, which is the date the financial statements were available to be issued.

**Risks and uncertainties** - The plan invests in various investments. Investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Key parties of the plan** - Alerus Financial, N.A. ("Alerus") is the trustee that holds custody of plan assets. A division within Alerus acts as the plan's third party administrator that maintains plan and participant records and tax counsel that performs various compliance tests. Alerus also provides the plan fiduciary services as an Employee Retirement Income Security Act ("ERISA") 3(16) fiduciary. Spectrum Investment Advisors, Inc. ("Spectrum") is the plan's investment advisor.

OwnersEdge, Inc. ("OE") is the plan sponsor, employer and the plan administrator. OE is a management and holding company for its family of operating companies. Asche & Spencer, LLC, BAYCOM, Inc., Communications, Cabling and Networking, Inc. ("CC&N"), Implecho, LLC and QComp Technologies, Inc. are wholly owned subsidiaries of OE and participating employers. Effective July 10, 2024, Communications Direct, Inc. became a participating employer of the plan.

**Investments** - The plan sponsor determines the investments available to plan participants. The participants allocate their contributions and transfer existing balances among these available investment options. The net appreciation (depreciation) in fair value of investments bought, sold and held during the years is reflected in the statements of changes in net assets available for benefits. Participants should refer to the prospectuses and annual reports of the investments for more information.

**Fair value measurements** - GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

- Level 1 - Valuation is based upon quoted prices in active markets for identical investments.
- Level 2 - Valuation is based upon other significant observable inputs (including quoted prices for similar investments).
- Level 3 - Valuation is based upon significant unobservable inputs (including the plan's assumptions in determining the fair value of investments).

The following is a description of the valuation methodologies used for investments measured at fair value.

**Mutual funds** - Valued at the daily quoted market prices as reported by the funds. The mutual funds held by the plan are registered with the U.S. Securities and Exchange Commission, are required to publish their daily net asset value ("NAV") and are deemed to be actively traded.

## OwnersEdge, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2024 and 2023

*Common/collective trust* - The common/collective trust held by the plan is a direct filing entity and is valued at its NAV. The NAV is used as practical expedients to estimate fair value and is generally based on the fair values of the underlying investments held by the common/collective trust less their liabilities. The practical expedient would not be used if it is determined to be probable that the common/collective trust would sell the investments for an amount different from the reported NAV.

The plan administrator determines by level, within the fair value hierarchy, the plan's investments at fair value set forth below.

### Investments at fair value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Mutual funds	\$23,765,677	\$ -	\$ -	\$23,765,677
Total investments in the fair value hierarchy	\$23,765,677	\$ -	\$ -	23,765,677
Investments measured at NAV (a)				741,672
Total investments at fair value				\$24,507,349

### Investments at fair value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	\$19,698,179	\$ -	\$ -	\$19,698,179
Total investments in the fair value hierarchy	\$19,698,179	\$ -	\$ -	19,698,179
Investments measured at NAV (a)				710,891
Total investments at fair value				\$20,409,070

(a) In accordance with GAAP, certain investments that are measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following summarizes investments for which fair value is measured using the NAV as a practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period, if any, is applicable only to the plan.

December 31, 2024	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period
Common/collective trust	\$741,672	n/a	Daily	12 months
December 31, 2023	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period
Common/collective trust	\$710,891	n/a	Daily	12 months

### 2. DESCRIPTION OF THE PLAN

The following brief description of the plan is provided for general information purposes only. Participants should refer to the summary plan description and plan documents for more complete information.

**General** - The plan was established on July 1, 1988 as a defined contribution plan with a 401(k) salary deferral arrangement. It is subject to the provisions of ERISA and subsequent amendments.

**Eligibility** - An employee is eligible for participation in the plan upon completion of one month of service and attaining the age of eighteen. An employee will be allowed to enter the plan on the first day of the month immediately following the date the plan's eligibility requirements are met.

**Contributions** - Contributions are recorded in the year in which the eligible compensation is paid. Contributions to the plan can be made as follows:

- a. Participants may contribute a percentage of their compensation subject to Internal Revenue Service limitations (elective deferral contributions). Roth elective deferral contributions are also permitted. Newly eligible employees are automatically enrolled in the plan and have 3% of compensation withheld as elective deferral contributions. Effective January 1, 2025, all participants' deferral rates will be increased annually on January 1 by 1%, until their deferral percentage reaches 10%. In addition, effective January 1, 2025, the plan now has a re-enrollment feature, which requires participants who are not participating in the plan to confirm their non-participation in the plan by each January 1. Any participant who is not participating in the plan that does not annually update or confirm their deferral percentage is re-enrolled on January 1 with a 3% deferral rate. Such participants have the option to increase, decrease or stop the deferral by completing the necessary documentation.
- b. Rollover contributions are accepted by the plan from other qualified plans.
- c. Nonelective employer contributions may be made at the discretion of the plan administrator's board of directors. No such nonelective employer contributions were made in 2024 and 2023.
- d. CC&N periodically provides contracting work for federally funded contracts which are subject to prevailing wage provisions under the Davis-Bacon Act. For these contracts, to comply with the prevailing wage provisions, employers must determine if additional payments need to be made to their workers (calculated based on a "prevailing" hourly rate). If additional payments are required, the employees have the option of taking these amounts as compensation or as contributions to the plan (employer Davis-Bacon contributions).

**Participant accounts** - Contributions are remitted to Alerus who invests them in accordance with the investment options selected by the participant. The value of the investments is adjusted daily to reflect the earnings plus the fair value appreciation (depreciation). The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants are allowed to transfer funds between various investments daily and change their deferral percentage each pay period.

**Vesting** - Participant account balances are always 100% vested.

**Payment of benefits** - Benefits are recorded when paid. Benefit payments may commence upon termination of employment, death, disability or attaining the age of 59 ½. Distributions are generally in the form of a single lump sum. In addition, hardship withdrawals are permitted under certain circumstances.

**Administrative fees** - Certain administrative fees of the plan are paid by the plan sponsor. Certain other administrative fees, consisting of fees paid to Spectrum totaling \$32,000 in 2024 and \$29,000 in 2023 and fees paid to Alerus totaling \$27,000 in 2024 and \$28,000 in 2023, are paid by the plan from plan assets and are recorded as administrative expenses in the accompanying financial statements. Such expenses include participant directed fees for distribution and loan processing services and nonparticipant directed fees for recordkeeping and investment management services. Nonparticipant directed fees are allocated on a monthly basis on an account value basis.

Notes to Financial Statements

---

**Notes receivable from participants** - Participants may obtain loans from their accounts with approval of the plan administrator. Each participant may only have one loan outstanding at any given time. The minimum loan amount is \$1,000 and the maximum loan amount cannot exceed the lesser of 50% of the participant's vested account balance or \$50,000. The maximum loan term for a general purpose loan is five years. The loan terms may be extended if the loan proceeds are used to purchase a primary residence. As of December 31, 2024, loans outstanding had various repayment schedules through October 2029 with interest rates ranging from 4.25% to 9.50%. The notes receivable from participants are valued at their unpaid principal balances plus any accrued but unpaid interest, which approximates fair value.

### 3. PARTY-IN-INTEREST TRANSACTIONS

Any transactions involving the plan, plan sponsor, Spectrum and Alerus qualify as party-in-interest transactions. Notes receivable from participant transactions also qualify as party-in-interest transactions. All such party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

### 4. TERMINATION OF PLAN

Although it has not expressed any intent to do so, the plan sponsor has the right to terminate the plan subject to the provisions of ERISA.

### 5. INCOME TAX STATUS

The plan is operating under an Alerus Financial, N.A. non-standardized pre-approved profit sharing/money purchase/coda plan that received a favorable opinion letter on June 30, 2020. The letter provided by the Internal Revenue Service states that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator has not obtained a separate Internal Revenue Service opinion or determination letter for the plan; however, the plan administrator and tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and, therefore, believes the plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize tax liabilities (or assets) for any uncertain tax positions taken by the plan that more likely than not would not be sustained upon examination by the applicable authorities. Plan management analyzed the requirements for accounting for such uncertain tax positions taken and determined the plan was not required to recognize any tax liabilities (or assets) related to uncertain tax positions taken as of December 31, 2024 and 2023. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

### 6. INFORMATION CERTIFIED BY ALERUS

Management has obtained certifications from Alerus, a qualified institution under the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, that state the following information with respect to assets held for investment of the plan is complete and accurate.

- a. Investments held, and the fair values of such, and notes receivable from participants as of December 31, 2024 and 2023;
- b. Dividends from investments, net appreciation (depreciation) in fair value of investments and interest income on notes receivable from participants during 2024 and 2023;
- c. Contributions to, withdrawals from, purchases, sales and interfund transfers between accounts during 2024 and 2023; and
- d. The report of individual participant accounts as of and for the years ended December 31, 2024 and 2023.

### **7. NONEXEMPT PARTY-IN-INTEREST TRANSACTIONS**

During 2024, the plan sponsor remitted certain employee elective deferral contributions later than required by Department of Labor Regulation 2510.3-102. The plan sponsor intends to calculate and remit lost earnings related to the late contributions in 2025 to account for the investment income that would have been earned had the contributions been remitted on a timely basis. In addition, the plan sponsor intends to file the Internal Revenue Service Form 5330 and pay the associated excise tax.
