Report of Independent Auditors

To the Participants and Trustees of
Electrical Workers Local No. 294
Supplemental Unemployment Benefit Plan

Opinion

We have audited the financial statements of Electrical Workers Local No. 294 Supplemental Unemployment Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Electrical Workers Local No. 294 Supplemental Unemployment Benefit Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Electrical Workers Local No. 294 Supplemental Unemployment Benefit Plan

Notes to Financial Statements

December 31, 2024 and 2023

Note 1. Description of the Plan

Electrical Workers Local No. 294 Supplemental Unemployment Benefit Plan (the Plan) was established July 1, 2004, as a result of a collective bargaining agreement between International Brotherhood of Electrical Workers, Local Union No. 294 (the Local) and Twin Ports Arrowhead Chapter of National Electrical Contractors Association (the Contractors' Association). The Plan is a multiemployer defined contribution welfare plan subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is managed by a board of trustees consisting of one representative from the Local and one representative from the Contractors' Association.

The purpose of the Plan is to provide supplemental unemployment benefits for eligible participants. A participant is eligible to participate in the Plan on the first day of employment for which contributions are made to the Plan by an employer pursuant to a collective bargaining agreement with the Local.

An individual account is established for each participant. Each participant's account is credited with employer contributions made on the participant's behalf, allocations of earnings thereon and administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Each participant's account is fully vested and nonforfeitable at all times.

Participants must have a minimum of \$750 in their account to be eligible to receive benefits. Participants must also be unemployed and be assigned to the Local's out-of-work list. Participants remain eligible for supplemental unemployment benefits as long as there is at least \$25 in employer contributions in their account. A supplemental unemployment benefit is paid for each week that a participant is eligible for a state unemployment benefit. As required by law, all applicable state and federal taxes are withheld from the benefit. Any amount in a participant's account at the time of death is payable to the participant's beneficiaries.

Upon separation from service from the electrical industry and future employment with employers obligated to contribute to this Plan, participants may elect to have their account balance paid to them or use their account balance to supplement their retiree coverage under Electrical Workers Health and Welfare Fund.

Participants should refer to the summary plan description for more complete information.

Note 2. Summary of Significant Accounting Policies

Method of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting.

Contributions Receivable - Employer contributions due and not paid at year end are recorded as contributions receivable. Contributions owed as a result of payroll compliance audits are recorded upon settlement with the employer. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Revenue Recognition - Revenue derived from employer contributions is recognized in the period in which covered work is performed, based on wages earned in covered employment and the contribution rates set forth in the collective bargaining agreements. Employers are required to remit contributions monthly. The Plan carries out its purpose described in Note 1 within a jurisdiction primarily located in north central Minnesota.

Payment of Benefits - Benefit payments to participants are recorded upon distribution. There were no participant distributions approved for payment that were not paid at either December 31, 2024 or 2023.

Estimates - The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through October 10, 2025, which is the date the financial statements were available to be issued.

Note 3. Priorities upon Termination

It is the intent of the Trustees to continue the Plan in full force and effect; however, in order to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of the Plan. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the participants. Any remaining Plan assets will be distributed in such manner as will, in the opinion of the Trustees, bring about the purpose of the Plan.

Note 4. Tax Status

The Plan received a notice of exemption dated February 8, 2006, in which the Internal Revenue Service stated that the trust established under the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the notice of exemption. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken and recognize a tax liability if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5. Concentration of Cash

Cash consists of monies held in highly liquid interest bearing accounts without significant withdrawal restrictions. The Plan maintains its cash balances in financial institutions deemed to be creditworthy. Balances are insured by the Federal Deposit Insurance Corporation up to \$250,000 per financial institution. Although balances may at times exceed insured limits, the Plan believes its credit risk to be minimal.

Note 6. Funding Policy

The Plan is primarily funded by employer contributions. As specified in the collective bargaining agreement, 2% of a participant's gross wage is initially directed to the participant's supplemental unemployment benefit account until a balance of \$1,500 is reached. Once this balance is reached, any additional contributions are directed to Electrical Workers Pension Fund Part "C".

Note 7. Major Employers

Contributions from two employers accounted for approximately 34%, and contributions from four employers accounted for approximately 63%, of total employer contributions received during the years ended December 31, 2024 and 2023, respectively. If these employers were to suspend contributions, the Plan would retain the risk of meeting fixed administrative expenses until appropriate adjustments were made.

Note 8. Related Organizations

The Plan is related to a labor union and several employee benefit plans, all of which are tax-exempt.

The related employee benefit plans share a checking account into which contributions on behalf of the Plan and related organizations are deposited. Amounts owed are routinely transferred from the checking account into the respective organizations' cash accounts. At December 31, 2024 and 2023, a total of \$578 and \$840 respectively, was due from the account.

Report of Independent Auditors on Supplemental Schedule Required by ERISA

Participants and Trustees of
Electrical Workers Local No. 294
Supplemental Unemployment Benefit Plan

We have audited the financial statements of Electrical Workers Local No. 294 Supplemental Unemployment Benefit Plan (the Plan) as of and for the years ended December 31, 2024 and 2023, and our report thereon dated October 10, 2025, which expressed an unmodified opinion on those financial statements, appears on pages 1 and 2. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Supplemental schedule 1 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
